From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

Georgeanne and I are back from our summer in Illinois. Although it is always enjoyable to visit family and friends up north, we always look forward to returning to Palm Hill. This year it has been a special pleasure to see all the improvements that have been made over the summer. All the streets and parking areas have been sealed and restriped, improvements made to the north clubhouse as well as many other upgrades. The golf course looks the best that it has ever. Greens and fairways are equal to the best courses in the area. A special thank you to Joe Clay, our golf course superintendent, and his wife Mary Ann.

Activity is already starting to pick up with a Halloween party in the South Clubhouse on October 30.

For those of you responsible for functions, please make sure you get your information to me by the 10th of the month prior to the month you want the message to appear.

One final reminder, be sure to check in with the office when you return so we know you are here.

TV Communication Channels

Contact: Robert Donegan, Communications Chairman 612-6887

Our current communication channels are 96, 98.1, & 732. The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

Posting information on the communication channel:

We are making a change in our procedure which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: phcctvcommunications@gmail.com. By using this E-Mail address your notice will always get to the person monitoring the system. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the system. All personal E-Mails will be returned and advised to use the E-Mail as shown above.

Lights, Stop Signs And Speeding: All vehicles including Golf Carts are to have their lights on when it is dark. We have received several complaints of early golfers driving without lights. This could result in an avoidable accident. Stop signs and speed limit need to be adhered to.

Sidewalks: Sidewalks are for pedestrian traffic; please do not park on the sidewalk or place trash/recyclables on the sidewalk.

Weeds/Bushes: With the excessive rain we have experienced, many homes have weeds, grass in and around their planters; many bushes need to be trimmed also. We are calling those residents whose home needs a little TLC.

Please travel safely; we look forward to you returning to Palm Hill.

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Computer Club

Ed Becker For computer answers, call 727-266-4521)

The computer club is back on Oct. 6. Palm Hill has been much too quiet without the loyal hackers clicking away at their keyboards. I have held the fort while you all were away, but I am glad to see familiar faces starting to return to Palm Hill. I do hope you all had a wonderful summer.

To those of you, who have already returned, Welcome Back. To those who are getting ready to return, we are waiting for you. So what are you waiting for? Dust off those keyboards and put a fresh battery in your wireless mouse, it's time for Computer fun 101.

Now that Win 10 is here, we will have so many things to discuss. I know there will be questions, but remember it's new to me too. Together, we will find the answers. That's when we have the most fun. Of course, we will talk about 'all' computer related questions & comments.

See you all at the South Clubhouse Rec. Hall, at 1:30 p.m. on October 6th. Remember, as always, the Computer Club is Free and open to all Palm Hill residents and, of course your guests. Beginners, Intermediate and "Experts" are all welcome. If you want to take any notes, bring you notebook or paper and pen. I hope you're looking forward to this as much as I am. If you have questions or issues and need answers or help before or after the club resumes, call me.

RCS

Contact - Charlotte Ernest 727-585-5845, Cheryl Booth 727-584-5454

I know it is a little late in the season but I thought you would like to know more about the food donations from Jan. 2015 thru June 2015. We can be very proud of our Palm Hill residents because we have donated a total of 2,478 lbs. of food during that time. This does include the door to door drive we held in April which totaled 1,120 lbs.

We will not be having our annual "Breakfast At Dinner" in Nov. with the proceeds going to RCS because of a conflict in dates. Instead we will be having that dinner Sat. Jan.16th, 2016. Save that date, we promise it will be better than ever.

We are also going to have our door to door food drive in the early spring again. We will need many volunteers for these two events. Of course, as usual, Palm Hill always comes through.

Love, honor, and make your payment

One important factor that can unbalance a marriage or romantic relationship is debt. A survey conducted by Harris Poll for NerdWallet determined that 35 percent of adults have brought at least some credit card debt into their romantic relationships—more than student loans, car payments, medical loans, and mortgage debt.

More men than women bring it, with 42 percent of adult men coming into relationships with credit card debt, as opposed to 29 percent of women. Whoever's behind it, though, such debt can have costs beyond interest payments: 25 percent of couples with at least one partner dealing with credit card debt reported that it had a negative impact on their relationship.

Be alert to the signs of Alzheimer's disease

More than 5 million people live with Alzheimer's disease in the U.S. It's an affliction that can't be diagnosed with a blood test or a brain scan, so doctors and patients depend on behavioral clues to determine whether someone is suffering from it. An early diagnosis can help with treatment and care, so pay attention to these warning signs from the Alzheimer's Association:

- Changes in memory that disrupt daily activities
- Difficulty solving problems or making plans
- Problems performing familiar tasks at work or at home
- Confusion over places and times
- Problems processing visual images and spatial relationships
- Growing difficulties with writing and speaking
- Losing items/getting lost outside

If you or a loved one begins exhibiting a number of these symptoms, consult with your doctor. Although Alzheimer's has no cure, many treatments can delay its onset and provide a meaningful quality of life for years.

Avoiding the dentist? It may cost you

Proper dental care is important to your overall health. Unfortunately, many of us tend to avoid visiting the dentist—often because of the cost.

A survey commissioned by Aspen Dental found that almost two out of five Americans have delayed needed dental work, or had it only partially performed, because of their financial situation. It's a figure that has jumped by almost 8 percent over the last two years, even though 80 percent say they're aware that staying away from the dentist will be more expensive in the long run.

Take one step to lose weight

Want to lose weight? Step onto a scale every day. That may seem like obvious advice, but it's supported by the results of a study reported on the Live Science website.

In the study, researchers challenged 162 people to reduce their weight by 10 percent over the course of the year. They weren't given any specific advice, but about half the participants were given scales and told to check and record their weight every morning.

Although few of the participants in either group achieved their goal of losing 10 percent of their body weight, 29 percent of those given scales succeeded in losing at least 5 percent, but only 11 percent in the scale-free group lost as much. In addition, participants given scales managed to maintain their weight loss for a second year.

The researchers have theorized that checking weight once a day may help people pay more attention to what they eat (and how much), and reinforce positive weight-loss behaviors like skipping dessert.

Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers.
