From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

Things in Palm Hill have gone from going full out busy every day to approaching a crawl as our Canadian friends return home for the summer as well as many US citizens go north for the summer. You will note the calendar has gone from being stressed to the limit to having much free space. For those of you who are planning on leaving later, just a reminder to check with the office so they know how to reach you if necessary and to advise who your caretaker is while you are gone.

You will note we have quite a few corrections to our new phone directory. There are many reasons for this, but we feel we now have a good procedure for handling changes, additions, etc. As a reminder – we need to know about all errors, omissions, etc. The way to handle this, so we have documentation is to E-Mail your corrections to Gail Stott, our webmaster at phccwebmaster62@gmail.com. Also copy Charlene Wise in the office palmhill@tampabay.rr.com. With this procedure we feel that the next time we publish our directory we will have minimal errors.

If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

TV Communication Channels

Contact: Robert Donegan, Communications Chairman 612-6887

Our current communication channels are 96, 98.1, & 732
The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

Posting information on the communication channel:

We are making a change in our procedure which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.

2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: phcctvcommunications@gmail.com. By using this E-Mail address your notice will always get to the person monitoring the system. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the system. All personal E-Mails will be returned and advised to use the E-Mail as shown above.

The Palm Hill Puppy Posse is more than willing to give a lick or two to anyone who stops to give them a scratch or pat. As they walk their owners around the perimeter of Palm Hill they act as good will ambassadors for all of Royal Palm Circle. Rumor has it that on a hot evening you may find them eating a Peanut Butter and Cheese ice cream.

Rock Around The Clock

Planning has already begun for a fun filled New Year's Eve 2015! The North will be hosting this year, but the party will be in the South Hall. Leon Jacobs Jr. has been contracted to be the entertainment which assures a fun filled evening. You may have heard Leon on several previous occasions in Palm Hill where he wowed his audience. We first discovered Leon playing on a cruise ship that many Palm Hill residents were on. Leon also plays at the Strawberry Festival and the State Fair.

More information later this year. Planning on starting at 8:00 PM, and the theme will be Rock around the Clock.

EXERCISE - The Key to a Good Life

Leader: Connie Paxhia – 727-586-0313 and Joan

Exercise workouts are offered to all residents, renters and guests each Tuesday and Friday morning from 9am-10am in the North Clubhouse. A special invitation to new residents. Please wear your park I.D. badge and remember to bring your water bottle and be in your chairs and ready to go five minutes before starting time. Necessary equipment is provided (weights, ropes). What can exercise do for me? Exercise is necessary for the following reasons:

- Keeps the brain sharp and alert
- Balance training helps prevent falls
- Keeps your joints moving by keeping the muscles around the joints strong
- Keeps bone and cartilage tissue strong and healthy

Improves your overall health and fitness by giving you more energy, helping you sleep, controlling your weight, making your heart stronger, decreasing depression, and improving self-esteem and sense of well-being.

Look forward to seeing you there.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Computer Club

April 11 "Stand down for Veterans" was amazing!

On behalf of the American Legion Post 119 Auxiliary, I would like to thank the residents of Palm Hill for their kindness and generosity in helping our homeless and nearly homeless Veterans. As always Palm Hill is ready to help a worthy cause when asked. We will be doing this again next year. Again, thank you, and God bless America. Carol Polozzi

RCS Door To Door Food Collection

RWed. April 8th was our annual door to door food collection for RCS Food Pantry of Pinellas County and what a great success it was!!

Al Howes gathered workers and golf carts for the South area and Rick Gregorio saw to it that the North area was well covered. We had the best year ever and together we collected 1,120 lbs of food which will serve 934 families. A job well done!

Thank you to everyone who worked so hard on this project and thank you to all who contributed the food. It just proves what a great community we have here at Palm Hill.

Pay attention to your mental health

Physical health is important, but good mental health is crucial to your overall well-being. You don't necessarily need medication or psychotherapy to find peace and satisfaction in your life. Just follow this simple, commonsense advice:

- Exercise. Aerobic exercise keeps your heart and muscles in good shape, and a vigorous program of walking outside can go a long way toward strengthening both your body and self-esteem. Nature walks and gardening can improve your spirits, and may be as effective as medication in fighting anxiety and depression.
- Eat right. Your brain, like your body, needs the right combination of nutrients to remain healthy and active. Follow a healthy diet rich with fruits, vegetables, beans, and cereals, and eat meats and high-sugar foods in moderation.

May Is...

ALS Awareness Month. Amyotrophic lateral sclerosis (ALS), commonly known as Lou Gehrig's Disease, is a neurodegenerative disease that affects nerve cells in the brain and the spinal cord. The ALS Association uses this month to focus the public spotlight on the disease as well as on global ALS research and public policy efforts.

Get Caught Reading Month. A nationwide campaign to remind people of all ages how much fun reading can be. The Get Caught Reading organization encourages readers young and old to enjoy books and magazines and to share that pleasure with everyone—especially children.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling—and encourage more folks to give it a try.

Skin Cancer Awareness Month. Skin cancer is the most common form of cancer in the United States, with 3.5 million cases diagnosed annually in more than 2 million people. Fortunately, it's also one of the most preventable. Some simple precautions—stay in the shade, use sunscreen, check your skin regularly—can help keep you healthy and safe.
