## Bright House & Channel 96

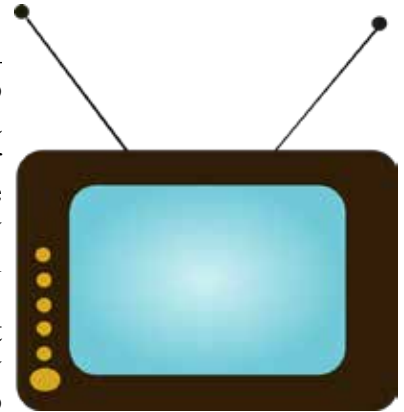

By Harold Noeller

If you have Bright House cable for your TV and were able to receive Channel 96 but now you cannot because you had a new cable box installed recently, the reason is the Converter that sends the Channel 96 power point presentation from the clubhouse goes through an Analog conversion box but your new box in the home is a Digital box. The solution to receive channel 96 again is to do the following:

Call Bright House at 727-324-1009 and get to technical support for Cable TV. Tell them you have had a new box installed but now channel 96 is not available. Tell them they need to come out to your home and if your TV is connected to an 'HDMI' box, they need to install a 'cable splitter' on the input line and connect a lead to the BH box and another to the TV's cable input.

Once your TV set is connected by a Cable input, you will NEED the TV controller, Turn on the TV with the TV controller then on the controller, find and press 'Input' or 'Source' to get the available selections of 'TV', 'AV', 'Component2', 'HDMI1', and 'HDMI2'. It will be set to one of the 'HDMI' settings. Using the arrow keys (with OK or ENTER on the center button), either scroll up or down to select 'TV'. Press the center OK button. Then tune the TV to 96.

When you finish watching 96, reverse the above process to get back to 'Normal' channels.

## Resident Homeowners Welcome

By Jeff Hanson

We have had some new residents at our last few meetings that said they didn't own a share was this the meeting they should attend or the coop meeting. They also asked if there was a meeting they could attend to find out how to get involved in some activities and if there is anything set up to meet their neighbors. I was not ready for a question like that and really didn't know the right way to respond. If you read the rules and regulations it says if you own a share your a member but if you rent the lot you're a resident so what are

you. A RESIDENT OF PARADISE ISLAND..The HOA was set up to be the voice of residents to the management so we meet every month to inform everyone of any projects coming up or any activities also to hear any complaints or concerns that the management needs to be aware of. Our meeting is the first Wednesday of the month and every resident homeowner is welcome to attend. Because this is the last month for many seasonal residents starting at 6 PM we will have a resident

get together with coffee and donuts and try to answer any questions you can think of and any you didn't think of. We will also help anyone find out how to get in touch with the person in charge of the activities they would like to get involved in and we hope everyone makes some new friends while doing all this and at 7 PM we will have the homeowners general meeting and you can stay if you would like to . **LOOKING FORWARD TO MEETING YOU.** If we have a good turnout we will do it again.

## **Our Northern Neighbors**

*By Marcia White, VP Social Committee*

---

**T**he Social Committee would like to recognize our snowbird neighbors for all of their hard work in helping with the events sponsored by the Social Comm. Over the past few years I have noticed that snowbirds from the north are a large part of the volunteers for these events.

It takes a large number of volunteers to put on most of our events, and to be honest, without the snowbirds we would have to cancel a lot of them. Not only do they help us with all the hard work, they also support the events by attending.

The snowbirds also do a fantastic job on the monthly breakfast.

I think each of us should take a moment to say Thank You to our northern neighbors for helping to make our community a great place to live and play.

## **Emailing Paradise Island Co-Op Agendas and Meeting Minutes**

*By Ron Anderson, Co-Op secretary*

---

**A**t the last Co-Op meeting an attendee remarked that it is not always possible for members to come to the clubhouse to see the agendas for upcoming Co-Op meetings, or to the office to see Co-Op meeting minutes. I stated that I would be happy to send these documents, after they are approved, to Co-Op members via email. Privacy issues forbid us from emailing these documents to all Co-Op members unless we are specifically invited to do so. If you would like to opt in to this offer I will need an email address from you to that effect. Likewise, you can opt out of receiving these documents by email. These documents are confidential to members of the Paradise Island Co-Op. Please send your email address to [secretary@paradiselandlargo.com](mailto:secretary@paradiselandlargo.com)

P. S. About a third of the email addresses given to me at the Co-Op meeting were either not valid or I couldn't read your writing. If you gave me an email address but did not receive the minutes, please send me an email as above. Thank you.

## It's a small world, isn't it?

By Jim Lambert

**A**nyone who has been to a Disney park has taken the ride, "It's a Small World." Usually, the ride is followed by the song ringing in your ears for the rest of the day. Most of us make that ride mandatory every time we visit the park. (Please, don't start singing it.)

The truth is we live in a small world, where things happen in ways and at times when we least expect them. I remember a night at a Red Sox game when two Army veterans who had served together in battle during World War II accidentally recognized each other as they passed. They went nuts. I had never witnessed such excitement. They celebrated with hugs and smiles for the rest of the game, including buying ice cream and cracker jacks for all those sitting around them. It was a very emotional and unforgettable reunion. I can't imagine what the rest of their night was like but I'll bet it was one to remember.

A few years back, I realized how small the world can be. Shortly after moving to Paradise Island, I had reason to go to the sales office to fetch some literature for a friend. While there, I began conversing with a gentleman who was offering his assistance. It only took a few minutes for us both to recognize the unmistakable accent of Bostonians. "Where are you from," he asked? "I grew up in Lowell," I responded. "What about yourself?" "I grew up in Somerville," he said. "My name is Ralph Mahairas, what is yours?" "Jim Lambert," I answered, "pleased to meet you."

We conversed about our past and threw out a few names of possible friends and acquaintances from both cities. When he asked about my background, I told him I started out as a math and science teacher in the Town of Billerica at the Howe junior high school. "You're Kidding," his eyes lighting up.

"No, I'm not kidding," I said. "I taught there from September of 1960 until September of 1963." "Well," he continued, "I was a math and science, too, and I taught at the Howe junior high school in Billerica. I started in September of 1963." We could have passed in the corridor. Who knows?

*...continued on page 8*

“Are you serious, ”I asked. “Yes, I received a call from the superintendent’s office that a teaching job had come about.” I thought a minute, then asked if his Home Room was 202. He answered, “Yes.”

I said, “You took my position because I resigned to accept a college faculty position at Lowell Technological Institute.” We shook hands and enjoyed a good laugh.

Now, as a resident here for over ten years, and Ralph, the president of Island in the Sun Realty, we still enjoy talking about our past coincidence. Who would have believed two guys from Massachusetts, both math and science teachers at the same school and same classroom would meet by chance some forty years later in a Florida real estate office?

The only thing that comes to mind is, “It’s a small world, after all.”

## Wednesday Craft Club

*By Diana Campbell*

---

**T**here are two craft groups in our park. Let me explain about the Wednesday group. We are open to everyone from 1:00pm until.....

We work on projects all year and then put them in the Craft Show to sell. All the money we make goes to the Social Committee. The Social Committee then decides how to spend this money along with what other groups have earned. This helps to pay for activities that we all enjoy.

## Flea Market Review

By Marcia White, event Chairperson

Our annual flea market was held on Saturday 3/14/15 and WOW what an event. Once again with everyone's help we held a very successful event. We made a little over \$2500 for the Social Committee to help continue to support all of our activities.

It's time to say THANK YOU to the community for all of your donations for the park tables. Those donations raised \$1600 or our total income. But most of all we need to say THANK YOU to all of the volunteers who worked so hard both setting up all the donations, and then selling them. They worked for 2 days to complete the task and did a great job.

THANK YOU to the men's club for helping us unload the storage area, and both set up and reset the tables and chairs for us. They also helped us with traffic control and transportation of the vendors. Your help is greatly appreciated.

THANK YOU to the kitchen help for serving us some yummy food, and for working so hard to make the event complete. The kitchen is such a nice convenience for all of our workers and attendees and we appreciate all the hard work it takes to keep us fed.

THANK YOU to all of our residents who generously donated baked goods for the bake sale, and the ladies who worked the tables to sell them all. They had a total sell out!!!

And last but not least, I need to say a special THANK YOU to Brenda Van Houten for taking on the task of handling the park tables. She kept things running smoothly both during set up and the flea market. They had a huge amount of shoppers and Brenda and her Team did an awesome job. BIG THANKS TO THE TEAM !!!

If you missed the event you missed on heck of good time. We had steady shoppers all morning, good food, good variety of merchandise, good vendors, good weather and good sales. But most of all we had a good time helping our community... My heartfelt thanks to all. We couldn't do any of this without you..Hope to see you next year.

## What is Bus Bingo

By Shirley Morrissey

**R**osie and I have been asked many times what is Bus Bingo and how do you play?? Contrary to belief we do not ride anywhere in a bus to play, we are in the clubhouse. Why is it called Bus Bingo we don't know.

Bus Bingo is very simple. We package up four playing cards, one of each suit. These packages are sold for fifty cents each. You can purchase as many packages as you want to play. The player places their cards face up on the table. When the matching card is called by the person calling, the players turn their card over. When all four cards have been turned over the player calls bingo.

We play as many games as we collect money for. Bus Bingo starts at 2:00p.m. until approximately 3:30p.m.

## Paradise Island Woman Wins First Place Medal!

By Vince DeMattia

Paradise Island Community resident, Cynthia Harrington, who was entered in the “Eagle Lake Classic Race – On the Path to Well Being” 5K Walk, Run Race on Sunday, March 8th, won the First Place medal in her age category by coming across the finish line, completing the 3.1 mile distance in 48 minutes and 37 seconds.

Cynthia, referred to by many Paradise Island residents, as the Butterfly Lady, and by the Fort Myers News-Press as the “Butterfly Whisperer” in one of their Sunday magazine issues, had garnered several medals over the 5 years or so that she has been running in various run and walk races in several different Florida locales including Fort Myers, Boca Grande, Englewood Beach, Sarasota’s Siesta Key and Fort Lauderdale.

But this medal was special. After injuring both her knees from gardening related incidents... she has not been able to compete for the last year or so. But, during that year, was able to rehabilitate her knees to the point where she felt confident enough to enter the race this year and was able to get through the race with only a minimal amount of discomfort

thanks to a couple of elastic knee wraps.

What was really special, Cynthia told us, was that the Eagle Lake Park Race is so close to home...and participating in the event in this perfectly beautiful place along with the large number of truly friendly folks from the greater Largo community.

## SCAMMERS on the Internet

By Marian Chase

**W**ithin the last few months I received at least four fraudulent contacts claiming to be from financial institutions. Two had the recognizable logo of Wells Fargo, with whom I bank; and two from other financial institutions. Each said that there had been multiple attempts to access my account which may have been fraudulent, please sign on with my correct name and password. I did not do so, but contacted the bank, got the toll free number of their fraud department and forwarded the e-mails to them for their action. Needless to say, I did not respond to the others. I just want folks to be aware that this is happening.

Many times I get e-mails from legitimate contacts that say something like; Hey, thought you'd be interested in this... then show a link. **NEVER CLICK ON ONE OF THOSE LINKS!** These are phishing scams. If you click on the link they will infect your computer and access everyone on your mailing list. Just be aware and protect yourself, your data, and your finances.

These scammers also call by phone. They claim to be from Microsoft, Dell or other computer related companies. They say that your computer is in danger and you must turn control of your computer over to them immediately or it will crash. **NEVER ALLOW THEM TO TAKE OVER YOUR COMPUTER.** These companies do not make unsolicited calls, those making the calls are also phishing scammers.

## Recycling Notes.

By Marian Chase

Monday morning and our cardboard/newspaper bin is already stuffed. Opening the sliding door, I pulled out a box (not cut down) and put my newspapers inside. A little box cutter costs less than a dollar and are available at Office supply and Home stores. PLEASE CUT & FLATTEN BOXES before putting them in the bin. Also, folks have been throwing plastic bags in our bin. Largo Recycling asks us not to put plastic bags in with recycling here or at the Largo Recycling centers, because they get stuck in the equipment that separates things at the plant.

Did you know that you can deposit household cooking grease and oil? When you go into the Starkey Road Center, drive straight forward and there is a green tank for household oil (not motor oil)

Styrofoam, plastic and paper bags can be deposited in the three bins in front of Publix stores. Also, please do not throw bags of doggie poop down the storm drains. They drain into OUR PONDS and ultimately out into the bay. Would you want to swim in that??? YUK... please don't do it!

Earth Day Paper Shredding and Recycling Saturday, April 25th 9am-Noon at our Recycling Center at 1551 Starkey Rd. Just enter and drive straight ahead, men are there to remove boxes of papers for you.

## News from the library

By Denise Fata Samsom'nadeau

**H**i Neighbors,  
Have you read a good book lately? Have you browsed in our park library yet? We have added a new section that may fulfill your interests. Before you enter the library, look to your right. On the top shelf, we have put "new arrivals". These books are fairly recent, recently donated.

You are welcome to borrow any book or magazine. Just return it in good, clean condition. Drop it off in the wooden box at the entrance of the library. We will put the book back on the shelf, in alphabetical order, at the spot where it belongs.

Thanks to everyone who donates books, magazines and puzzles. It is the only way that we will grow.

Many people volunteer the time so that our library is attractive, clean and books are easily found. I thank all the girls who give me a hand. Thanks Gisele, Dawn, Bev. I greatly appreciate your help.

Special thanks go to Lorraine Richards. She has been re-organizing the puzzles. This has been done before but it is an endless job. Puzzles will be sorted by number of pieces (500-700-1000 etc). All the puzzles have been checked so no piece should be missing. All the pieces are put in a closed Ziploc bag to avoid lost. The bag is then put into the matching box. All residents are welcome to borrow a puzzle. Just bring it back in good condition. Leave it on the round table in the game room. We will put it away where it belongs.

Good reading everyone. Any questions? Call Denise at 727-599-2084.

to attend the service at the Clubhouse, we invite you to tune to Bright House Cable channel 96 and join us in that manner. We hope that you will find our service enjoyable and want to join us in person.

We are a Bible based fellowship of friendly believers. Recently, we have welcomed some of our new Paradise Island residents to our church family. We hope they found the congregation friendly and the message inspiring and will continue to worship with us every Sunday.

Good News!

The Church in the Park Outreach Fund provides assistance for those in our community that are in need of help. If you, or someone you know, have a need, please contact a member of the Church Board. All requests are confidential. We thank all who contribute to make the Outreach possible. Without you, this would not happen!

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722. WE ARE HERE FOR YOU!

## **Caring People**

*by Serena Johnson*

---

**W**e were honored to be recognized, as one of seven participating couples who would celebrate their 50th Wedding Anniversary in 2015, on February 22nd, 2015. This event is sponsored by the Social Committee of the Paradise Island Park each year.

There were many people who willingly put a lot of time and effort into making this elegant celebration possible. Our thanks go to Jerry & Brenda Struble, Bob & Dawn MacLean, Paul Clinton, Judy Robbins - photos, Paulette King - a wonderful pianist and singer and all the many workers who set up, decorated and served. A special thanks to those who set up the chairs for our church service after the rehearsal on Saturday.

For us, and I am sure all the other couples honored, it was a very happy and memorable occasion, especially with so many friends and family there to share this experience with us. Thank you one and all for your participation in making us feel so cared for and blessed.

If you should get a call or are invited to be a part of this special celebration in the coming years, do not hesitate to say "yes". You'll be glad you did!

In any event, we would like to say "Thank You" once again to our American hosts for another pleasant winter in Paradise Island. Your hospitality and gracious welcome, makes looking forward to next year, and looking back over this year, a pleasure we truly appreciate.

Have a pleasant summer, and we will see you again in the fall when the winds of winter begin to blow.

## Men's Club

*By Myron Zarlinski*

**L**et's talk about Erick Kearns, and the chicken dinner. What a great find Erick Kearns, WOW, a great performance. We will definitely have him back next year, and also the great chicken dinner.

Cahal Dunn what can I say about his performance. It was his twenty year performing at Paradise Island. The Men's Club did a great job on the sandwiches. I hope everyone enjoyed the show, and the meal.

The next affair will July 4th. We will put out more information at a later date.

Our next meeting will be Tuesday April 3rd. Coffee and donuts at 9am, meeting at 9:30 am. I hope to see some new residents at the next meeting. All male residents HOA OR CO-OP are automatically members of the Men's Club.

## **Birthdays and Anniversaries**

*By Carmen Hale*

---

Please read...

I've been trying for some time to get resident's birthdays and anniversaries corrected in the Media each month. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. Whether or not you've already talked to me it would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected. I've started to get notes from Melissa from a few people but there's a long way to go.

A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My number is 530-9049. Then there's email. Send your information to [snapshot406@tampabay.rr.com](mailto:snapshot406@tampabay.rr.com). Your help would be greatly appreciated.
