ABOUT THE NON-POTABLE WATER

We have all been frustrated with the recent shut downs of our non-potable water system. People with sensitive shrubbery and new sod have been particularly affected. The first thing we have to understand (and accept!) is that our park's infrastructure is 30 years old and breakdowns in the system are to be expected. For example, the last two shut downs were due to the failure of rubber seals where two 8" pipes are joined. The failures took place in different areas of the park, but still resulted in the shutdown of the entire system in order to repair the leak.

Because the problems were with the main 8" pipes, repair was beyond the scope of a traditional plumber and a company skilled in that type of repair had to be brought in. The first thing that must be done is to dig down at least four feet to expose the pipe. The hole must be large enough to accommodate the workers, so it usually has to be about 6 foot wide. Because all the pipes for water, sewer and non-potable are in the same area, the holes have to be dug by hand. Just the digging of the hole will consume 3-4 days. Once the pipe is exposed, the easy part, repairing the leak, can be done in a matter of hours.

We can count on similar failures of the non-potable system in the future. However, please be assured that we will act as promptly as possible to repair these breakdowns. More importantly, I ask for patience when dealing with the office staff, who are only reporting what they are told by the contractor.

Homeowners Need You

By JEFF HANSON

We are looking for resident homeowners to fill the vacancies on the board if you are interested give an application to any officer or drop it in the neighborhood watch box in the clubhouse next to the drinking fountain. You don't have to be a year round resident to be an officer. The new officers start January for a two year term.

We would like to welcome all new homeowners and welcome back to all seasonal residents. Our meetings are still the first Wednesday of the month at 7:00pm. Please come and let us know of any concerns, problems or ideas you have. One concern that most people have is people speeding and running stop signs. All you can do is point the finger at yourself if you are driving by the rules the car behind you also has to. If you have to park in the street please stay off the sidewalk. This will make the streets seem narrow and people will drive slower.

Creativity

Shift your mind to find new answers

Sometimes you need to change your thinking to spark your imagination. When you're feeling stuck on a problem, try these techniques to get over the hump:

- Go to the future. Imagine that you're well past the current situation you're dealing with. What are you doing differently? What's changed, and what hasn't? Freeing yourself up from today's concerns can allow your mind to roam in new directions.
- Become a new person. Pick a hero from history, a fictional character, or someone you admire in the real world, and ask, "What would he/she do?" The answer may push you outside of your comfort zone and help you try something different.
- Turn off your mind. Instead of obsessing over the problem, set it aside and work on something else. Often your subconscious will come up with an idea, or find a new connection, if you send your mind along a fresh route.

Neighborhood Watch Warning

by Jay Hanson

Everyone needs to stay alert as we've had some robberies in our community recently. There were two bicycles and some tools taken during the morning hours and early afternoon. The community north of us has had homes broken into and things taken during the day. It's sad that people are doing things like this so we must look out for each other and stay alert.

If you are a seasonal resident and came home to find your home has been broken into or anything stolen would you please call the police first and then me or drop a note in the box in the clubhouse so I can keep a record and also pass on the information on to people who patrol. STAY ALERT. STAY SAFE. GET INVOLVED

Many of the activities that happen in this great community require the generous time that our volunteers are willing to give us. As time goes on, we lose some of our volunteers for personal or aging reasons. When this occurs we are always looking for new volunteers to step in and fill that void. Below is the Wikipedia definition of a Volunteer. Please

consider joining our community in helping to give back as much as we can. Our community is only as good as we the residents make it. PLEASE ask yourself, **Can I Make a Difference? YES YOU CAN !**

VOLUNTEERING is generally considered an altruistic activity and is intended to promote goodness or improve human quality of life. In return, this activity can produce a feeling of self worth and respect. There is no financial gain involved for the individual. Volunteering is also renowned for skill development, socialization, and fun. Volunteering may have positive benefits for the volunteer as well as for the person or community served.

Club House Decorations Thank you to Rose Oxford for volunteering to chair the decorating committee. She will need volunteers moving forward to help her get the job done. Check the bulletin board for decorating dates.

Community Christmas Dinner The dinner has been cancelled due to a lack of volunteers to step up and help put the dinner on. Maybe in 2015 we can get some willing workers to help get us back on track with our holiday dinners.

Entertainment Chairperson

We have 2 new volunteers that will be hosting the Monthly Dances. Nancy Sullivan and Cyndi Ponder are now the chairpersons for entertainment, Thank you for stepping up and helping out the community.

As we move forward we always need volunteers to keep our community active. Now is the time that you can make a difference.

Thank you , Marcia & Brenda

Christmas is the Perfect Time to Express Your Feelings.

By Jim Lambert

Instead of sitting at home fretting about buying gifts for family and friends this year, consider controlling your budget by using a couple of school learned techniques; written and oral communication. Many of us are facing difficult economic times, which tend to prey on our emotions. Because funds are scarce, it is becoming more difficult to spend money just for the sake of fulfilling the life long expectancy of giving or receiving Christmas presents.

Most of us are retired and living on fixed incomes; money isn't as available as it once was. Living from month to month, like so many other experiences, is not an easy thing to accept as we grow older but there is not much that can be done about it.

There is, however, something we can do that will carry as much meaning and provide a more satisfying result to both, the giver and the receiver. We can make it a point to send a card, note, or letter to family members, including friends from our past, with a heartfelt message. Perhaps there are things you wish you have said to a dear friend; or have wanted to say to a family member. It will be remembered forever.

In 1962, as a young middle school teacher, one of my students, Linda Ray, presented me with a Christmas present, along with a card. The thoughtful words she wrote on the card brought tears to my eyes. She couldn't verbalize them to me but she wrote from her heart. I was overwhelmed by the thoughtfulness.

Since then, some 50 years later, she continues to send me a Christmas note faithfully; and, I, of course respond with a special one to her. It is always a pleasure for me to find her message in my mailbox.

Do you have a family member or friend to whom you want to say something personal but have a difficult time expressing it? You can do it as my young student did, by putting your thoughts and feelings on paper and send it as a Christmas surprise.

The cost of your gift will be minuscule when compared to the appreciation and impression it will leave with her or him. Make this Christmas one never to be forgotten. Use the power of the pen to make someone happy.

Christmas gifts are easy to give and receive, but a message from the heart is the least expensive and the most cherished of all. Speaking of which, I want to thank those of you whom have expressed satisfaction with my monthly articles. Until 2015 —

Merry Christmas to all!

Computer Club Classes

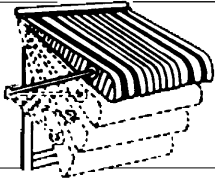

By Harold Noeller

I am changing the day of the week for classes from the 2nd and 4th Wednesday of the month to the 2nd and 4th Tuesday of the month. This will be effective for January, February, March and April of 2015. So the 2nd Tuesday in January will be the 13th.

The reason is there are many activities presented by the Men's Club on a Wednesday night.

Men's Club

By Myron Zarlinski

Johnny Cash, Johnny Cash, Johnny Cash! What a fantastic performance by Keith Coleman and Ruby Tuesday. I'm sure all who attended enjoyed the performance. What can I say about the turkey dinner prepared by the kitchen crew of the Men's Club. THANK YOU, THANK YOU, THANK YOU. It took many men to prepare and cook this great meal and serve 250 residents in 25 minutes. I also want to thank the set up crew and the clean up crew who stayed after the affair to help clean the hall and the kitchen. THANK YOU. It takes a lot of work building the stage and moving the tables and chairs, let alone everything else it takes putting on such a great time. Thank you all very much.

Our next meeting is Tuesday December 2 coffee and donuts at 9 am, meeting 9:30 am. I hope to see some new residents at the next meeting. Thank You

The strength of the Men's Club is the members who attend the meetings. Please try to attend the next meeting. We need all the help we can get. It takes a lot of effort to put on affairs the residents will enjoy. So please try to attend the meetings and offer your help and input to keep the Men/s Club strong

Paradise Island Church in the Park

By Serena Johnson

We are back from the north and enjoying the warm sunshine and fellowship. Our hope is that this Christmas season be one of inspiration and joy for you and your loved ones.

Our Church In The Park Family will be having a Christmas Buffet and Party on Friday, December 19th in the Clubhouse at 5 PM. Cost is \$7.00 per person. There will be singing with "The Lunsford's" along with great food and lots of fun and fellowship. Please bring a canned good for the Food Basket. If you want to participate in a gift exchange this year it will be something you have at home that would be appropriate. Wrap it up. No need to purchase something. Sign up and tickets will be available at the church on Sundays.

The Church in The Park is a Non-Denominational Bible based Christian Church where we share our love for the Lord with everyone. If you are unable to attend our service in the Clubhouse at 9 AM on Sundays, we invite you to tune in to Bright House Cable channel 96 and join us in that manner. We hope that you will find our service enjoyable and want to join us in person.

The Church in the Park Outreach Fund provides assistance for those in our community that are in need of help. If you, or someone you know, have a need, please contact a member of the

Continued on page 26

Church Board. All requests are confidential. We thank all who contribute to make this Outreach possible. Without you it would not happen!

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793, Pastor Bill Ogburn 474-2722 or Serena Johnson 530-5905. WE ARE HERE FOR YOU!

Golf Cart Parade

By Harold Noeller & Bill Ackers

It is the time of year that the community will have most if not all of our northern friends back in Paradise for the winter months. It is also the time of year to dress up the community for the holiday season. So again, let's have everyone with a golf cart dress them in holiday décor and join together at the clubhouse for 6:30 pm on December 20th and tour the community.

Birthdays and Anniversaries

By Carmen Hale

Please read! I've been trying for some time to get resident's birthdays and anniversaries corrected in the Media each month. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. Whether or not you've already talked to me it would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected. I've started to get notes from Melissa from a few people but there's a long way to go.

A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My number is 530-9049. Then there's email. Send your information to snapshot406@tampabay.rr.com. Your help would be greatly appreciated

Cruise to Alaska

By Paul Clinton

We are planning on a land/cruise to Alaska probably late in May of 2015 most likely around Memorial Day.. We need to know how many might be interested so I can get the best price possible. If you have an interest please e-mail me at pacdjc2@yahoo.com. and let me know if you have an interest and hopefully by the first of the year I can get us a price. I would look at doing a land tour first and then cruise back to the states to either Seattle or Vancouver.
