## **SAVE THE DATE: ALL PARK BRAINSTORMING MEETING**

*By Keith Knowles/Mary Ross*

---

**O**n Wednesday February 21, 2018 at 7:00 pm the boards of both the HOA and the Co-op will join together in the clubhouse to get your ideas on how we can make Paradise Island an even better place to live. For example, you may think that plantings in a certain area would make a difference. So come with your constructive ideas (leave the complaints at home!) and join us to share ideas on how we can improve our community. See you there!

## **Paradise Island Community Christmas Party**

*By Delores Wagner*

---

**O**n December 16, 2017 the clubhouse rocked around the Christmas Tree. We had 230 people show up with their party modes and had a great evening. Dinner was catered by Bellissimo Italian Eatery on Belcher and Ulmerton. A big wonderful thanks to Mary Ross for recommending the restaurant and getting the wonderful food that we had.

Entertainment was performed by Good Times Entertainment from Clearwater. Their music kept the dance floor full all-night long.

A special thanks to the Men's Club who set up the Clubhouse and got everything ready for the party.

Finally, a big thank you Social Committee and volunteers for all your help in making this party a success.

I hope everyone had Merry Christmas!

## **New Year's Eve Dance**

## The Paradise Island HOA

*Mary Ross, President*

The HOA and Co-Op Boards have been working together for the past few months negotiating a deal for our cable, internet and phone services. We have interviewed several companies and received some very good offers. As soon as we have completed this process and we have what we all consider the very best deal, everyone in the community will be told. Until then, we ask for your trust and patience. We hope to have more information to share at the town hall meeting scheduled for Wednesday February 21, 2018. The purpose of the town hall meeting is for the residents to share ideas and suggestions for community improvements, additions, upgrades etc...it will not be a complaint meeting.

Our next regular HOA member meeting will be on Wednesday February 7th arrival time 6pm for coffee and donuts and fellowship with your neighbors. The meeting will start at 7PM. The HOA Board of Directors meeting will be on Friday February 2, 2018 at 10am.

# Paradise Island Annual Flea Market

By Marcia White

---

**When :** March 3, 2018 9AM-1PM (Early Entry \$1 @ 8AM)  
**Where:** Paradise Island Clubhouse

**Tables:** We have a few tables left at \$10 each. All wall spaces are sold out

**Contact:** Marcia White @ 727-953-3616 for information

**Donations:** If you have held donations for us please drop them off on Friday March 2, 2018 between 9 and 12 noon.

**Donation Pick Ups:** If you have held large donations for us and you are on our pick up list we will be starting pickups at 10:00 AM. If you need a specific time frame please call the contact info above. If you have not set up a pick up but need one, please call ASAP so that we can get you on the list.

Most of our residents are aware that our Flea Market is a great day for everyone. This event seems to be the most popular one that we sponsor. Remember someone's trash is another's Treasure so we have a huge amount of Treasures to share with you at the most reasonable prices around. Mark your Calendar and plan to join us.

If you live in this community try to get a ride. Our parking is very minimal on this day and we don't want you to miss your opportunity to join us because you can't find parking. We normally host over 200 visitors between 8 & 9 AM. That means that traffic is difficult to monitor and parking is at a premium. We will once again make **Caribbean Way one way in** to our park and **Martinique will become one way out**. This will happen between 8 and 11 AM. We would really appreciate your cooperation in working with us. We need to keep a pathway for emergency vehicles and this little inconvenience really works. **Thank you in Advance** for not giving our volunteers a hard time while they are trying to keep our park residents safe.

The Canteen will be open in the morning for Coffee and Donuts and if you prefer we will also be serving lunch from 10:45 AM until 12:30 PM. Come and visit us and have a snack or lunch.

Last but not least this event is possible because of all the generous donations we receive from our residents. Thank you helping us and remember every cent we make goes back into this community to support all that we do for our residents.

All Volunteers are Welcome. Just show up and join the fun. We really have a great time setting up. Beverages and food served to all volunteers.

## Bunko

By Shirley Morrissey

---

**N**ot hard, no experience needed, plenty of people to help and lots of laughs, that's what Bunko is. Come and join us every Tuesday at 6:00 P.M. in the clubhouse. The cost is one dollar to play and at the end of the evening is given to the person who has the most Bunko's, the highest wins, and the most loses. Come and meet some of your neighbors.

## **Bus Bingo**

*By Shirley Morrissey*

---

Bus Bingo is played at the clubhouse on Sunday afternoon at 2:00 P.M. (the dates are posted in the Media calendar in the center of the book. We do not take a bus and can't explain why it's called bus bingo but they needed a name and that's what they came up with. The participants purchase a packet of cards for fifty cents a packet. Each packet contains one of each suit; one diamond, one spade, one club, and one heart. The cards are placed face up on the table. The caller calls cards from a deck she has and when she calls a card you have you turn the card over. When you have turned all four of your cards from that packet you shout Bingo. All money taken in is paid out. There are refreshments which you may enjoy. Come and meet some of your neighbors and give it a try, you might enjoy it.

## **The New England Club**

*By Paul Clinton*

---

**W**e meet once a month to go out to dinner between the months of October and May. It is either the second or third Wednesday of the month and a signup sheet is on the bulletin board in the club house. We average 30-40 people so it is important to sign up ahead of time so we can give the restaurant an accurate number. We welcome people from other parts of the country so if you want to be a "New Englander" for the night feel free to come and join us. For further information contact Paul Clinton at 978-808-8396.

## **Canadian Club**

*By Brenda Struble*

---

### **February Canada Night**

**W**ell those crazy Canucks are at it again with their pot luck dinner on the last night of the Month, Wednesday, 28 February 2018 5PM in the Clubhouse. -  
They chose as a theme this time "West of the MARITIMES" in recognition of the fabulous night put on last year by that group from the Maritime Provinces

It is suspected the hot and cold weather we are experiencing may have influenced their meal decision. They are going to focus on an annual visit (by those living in Canadian areas that are "West of the Maritimes"), to a Sugar Bush Shack in the spring. That's the time during which, sap from Maple Trees, is boiled down to make syrup.

It is there, on an annual basis, where you can go for a taste of pure maple syrup, and a meal of homemade goodies which may involve;

Baked Beans, Pancakes, bacon, ham, Hot fresh brewed Tim Horton Coffee and other Maple delicacies too numerous to mention here, but I am sure some of which, ( including " Bloody Caesars" ) will turn up at their pot luck gathering. So, if any of you Canadians in the park have not experienced this pleasure, NOW IS THE TIME

## Walk away the pounds exercise classes.

*By Bev MacMillan*

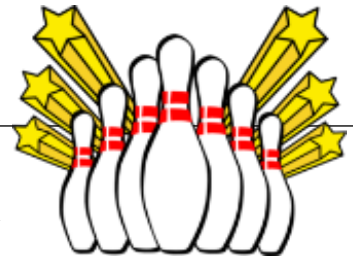

Sorry I was late getting back to Paradise Island this season. Our classes have started up again and continue to get new ladies looking to exercise in a fun safe environment. It is so important as we age to keep the joints moving well and what better way to do this than to come out with friends for an hour of exercise.

This program is easy, only 4 major moves; walking, side steps, knee lifts and kicks. It can be done at your own pace and with as much enthusiasm as you like.

Join our team every Monday, Wednesday and Friday in the clubhouse from 8:45 a.m. to 9:45 a.m.. Hope to see you there.

## THURSDAY BOWLING

*By Shirley Pultorak*

## Paradise Island Church In The Park

By Serena Johnson

Happy Valentine's Day! Love is in the air! Our winter, hopefully the coldest part, is over and we are enjoying our normal mild winter at this point.

We are very fortunate that our Park is active with so many diverse activities available to all. Come, join in and meet your neighbors for fellowship.

For those who are new to the Park and all residents and friends, we would like to invite you to join us in the Clubhouse on Sundays at 9:30 AM for an hour of worship and fellowship. We are a non-denominational church in which there are many denominations represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend you can tune into Channel 96 on Bright House/Spectrum Cable (or if you have a box Channel 732).

Bible Study is on Thursdays at 9:30 AM led by Pastor Bill Ogburn. We are studying in the "Book of Romans". ALL are welcome! Come join us!

If you know someone in need, please let us know. All requests are confidential. We would like to help if we can.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart 480-9793, Pastor Bill Ogburn 474-2722, or Serena Johnson 530-5905.

WE ARE HERE FOR YOU!

## Interstellar asteroid is a first

---

**A**steroids can be found throughout our solar system, but astronomers have recently discovered one in interstellar space. The Science News website reports that the object, first believed to be a comet, is approaching the solar system at an unusually steep angle. Dubbed A/2017 U1, the asteroid is about 400 meters across and traveling 25.5 kilometers per second on a slingshot path past the sun. Astronomers plan to measure the colors in its reflected light to determine what it's made of and seek clues to its origins.

## Red sky in Asia mystery solved

---

**I**t's a centuries-old mystery: In the year 1770, skies over Asia turned a bright red for nine days. The cause of this unusual phenomenon has never been identified. Now, though, scientists believe they have an answer.

As reported on the Slate website, researchers recently uncovered a collection of 111 contemporaneous documents from that time, and learned that the red sky had lasted longer than previously thought (just two days) and was much larger as well.

Scientists' conclusion: The effect was created by an aurora caused by solar activity, sparking the longest geomagnetic storm in recorded history.

A similar aurora was observed on two nights in 1859 by a massive solar storm known as the "Carrington Flare." Analysis of records of sunspot activity in 1770 suggests that the Asian aurora was caused by sunspot twice as large as those that created the Carrington event.

If such an event happened today, it would likely have catastrophic effects, knocking out satellites crucial to communications and GPS instruments.

## New mineral found on Martian surface

---

**N**ASA has discovered evidence of an ironoxide mineral on the surface of Mars, the Sci-News website reports. The mineral, called hematite, was detected by spectral analysis of photos taken by the space agency's Curiosity rover in an area known as the Vera Rubin Ridge.

Curiosity zeroed in on a rock dubbed "Christmas Cove," and used its dust removal tool, a wire-bristled brush, to uncover an area some 2.5 inches across.

Observations made the rover's Mast Camera (Mastcam) and its Chemistry and Camera (ChemCam) confirmed the presence of the hematite, a mineral that may provide information about ancient environmental conditions on the red planet.

## Can beet juice keep your brain young?

**B**eet juice may keep your brain young and fit, according to an article on the Runner's World website. The article cites a study reported in the *Journal of Gerontology: Medical Sciences* that found that a shot of beet juice an hour before exercise can have positive benefits to brains as they get older.

In the study, 26 sedentary men with an average age of 65 participated in six weeks of exercise. Some took daily shots of beet juice; others received a placebo. The participants walked on a treadmill three times a week for six weeks, building up to 50 minutes per session at increased effort. Comparing MRIs from before and after the trial, researchers found that the group that drank beet juice had significantly higher levels of "community consistency" within their brains.

The nitrate in beet juice, which converts to nitrite and then nitric oxide in the blood, has a strong positive affect on responsiveness in blood vessels, which in turn can increase the amount of oxygen reaching the brain and boost aspects of cognitive function.

## Make sure drinking glasses are safe

**T**ake a look in your kitchen cabinet at your drinking glasses. Do you have decorative glasses for water, wine, beer, or whatever you drink during the day? They may be hazardous to your health.

The Medline Plus website reports that researchers at the University of Plymouth in the United Kingdom analyzed more than 70 new and used drinking glasses and found that seven out of 10 tested positive for lead or cadmium—both toxic metals.

Lead was found in all colors and goldleaf designs. Cadmium was found in the highest concentrations in red enamel.

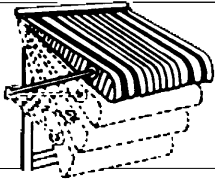

Lead in children's bodies can cause growth and developmental difficulties. Cadmium can cause cancer. Studies have also linked it to bone softening and kidney problems.

## Keep deadly chemicals out of your body

**T**he list of chemicals that can cause cancer is intimidating, and keeping them out of your food can seem like an impossible task. The Fox News website, though, offers these tips for keeping your food and water free of toxic chemicals:

- Buy a water filter. A good filter can remove many cancer-causing chemicals.
- Eat organic foods. You'll cut your exposure to pesticides and other chemicals and support an industry that doesn't pollute the environment.
- Bring your own mug. Foam cups from most coffee shops contain styrene, which gets pulled out when in contact with hot liquids. Take your own travel mug when you go out for coffee, tea, or other hot beverages.
