Hurricane Preparedness

By Largo Fire

Hurricane season starts June 1st and Largo Fire Rescue wants you to be prepared!

Living in a manufactured home means you are in evacuation zone A. This means that in the event of a significant storm, you will be asked to evacuate your home and seek shelter in a NON evacuation zone.

You have a few options for evacuation.

1. Stay with a family member or friend in a NON evacuation zone.
2. Stay in a hotel in a Non evacuation zone. Call your local hotels to find out what zone they are in.
3. Stay in a public shelter.

There are general shelters, special needs shelters, and pet friendly shelters throughout Pinellas County.

A special needs shelter has medical staff on site and provides electricity for medical equipment such as CPAP machines, and refrigeration for insulin. To register for a special needs shelter, call Pinellas County Emergency Management at (727) 464-3800 to receive a form by mail. Then mail the form to

Pinellas County Emergency Management
Public Safety Complex
10750 Ulmerton Rd., Building 1, Suite 267
Largo, FL 33778

continued on page 6

Transportation assistance is also available for those who are unable to drive to a shelter. Simply check the box on the special needs form that shows you need transportation assistance.

Make sure you have a hurricane evacuation kit ready with supplies. Pack essentials such as an air mattress or sleeping bag, any special dietary foods, medications and personal hygiene items. For a full list of evacuation kit items, visit www.pinellascounty.org/emergency.

With the current situation of COVID-19 in our community, Pinellas County is working on ways to incorporate social distancing into public shelters.

Sign up for emergency alerts through Alert Pinellas. You will receive hurricane, tornado and flood watches and warnings. Register at <http://www.pinellascounty.org/alertpinellas>.

For any other questions regarding hurricane preparedness, call Public Educator Summer Mahr at 727-587-6740 X 2014, Pinellas County Emergency Management at (727) 464-3800 and visit www.pinellascounty.org/emergencymanagement/. Summer will drop off hurricane guides to the park as soon as the 2020 guides come in. In the event of a hurricane in our area, contact Summer Mahr or Pinellas County to find out which shelters are open near you.

Time to Prepare for Storm Season
Begins June 30 until November 30
Lessons learned from Irma

If we are told that we have to evacuate, we **MUST GO**, we cannot stay for any reason.

1. Let your family know where you are going.
2. Do not return to your home unless there is power.
3. Call the management office to ask if it is safe to return to the community.
(727-535-2172). During Irma, family members were calling the office trying to locate you, if you do not advise the management office where you are you may be creating unnecessary fear.
4. If you chose to go to a shelter, do not leave until you are told that your home is safe and it is OK to do so. Once you leave the shelter, you cannot return. Make sure you bring: a blanket, a pillow, toiletries, towels and washcloths, change of clothes for 7 days with you to the shelter and whatever food/drinks you want. During Irma the shelters were running very low on food and drinks and ran out of cots.

▶ Should have food and water to last each person for at least 3 days. In Pinellas County, it is a good idea to plan for up to 10 days of food and water per person in case the county would be cut off from the mainland for some time.

▶ Have all your needs on hand: fill your prescriptions, radios, batteries, phone chargers, flashlights and first-aid kits. Battery operated radio or weather Alert Radio and battery operated fans these can be purchased at Walmart or Amazon are also good ideas.

▶ Gas up your vehicle.

▶ Make sure you have extra cash on hand. ATM machines might be out of order.

Put everything in a box - all your important documents in a waterproof pouch (ex: extra-large ziplock bags) and keep them in a safe place. If you evacuate take them with you. Ex: car and home insurance info. / car and home titles / passports / a copy of your medication list and medical condition you are being treated for, etc.

Preparing to leave:

Bring in all outside items (grills, planters, lawn objects, furniture, etc.) Clean out your refrigerator/freezer. Shut OFF water and electrical breakers in your panel box.

BETTER DAYS ARE COMING

By Renée D'Arcy

Now there is more and more residents are using their golf carts and bikes, please be careful about speeding through the community. Someone turning a corner while riding his bike at a high rate of speed almost – hit a resident – you know who you are. Slow down. Injuries can happen faster than you think.

Coronavirus- We are now in the beginning of phase 1 but let us not get a false sense of security and let our guards down. As you heard some states who did, saw their numbers go up again. As we all know by now this invisible virus can only be curtailed by keeping a distance of 6 feet apart and wearing a mask. The sooner that we abide by these rules, the sooner we will see our numbers of deaths declined and will get rid of this virus. Our first responders and health care workers will thank us.

As they say: *“When you protect yourself, you are protecting us and everybody around you”*.

Some of them chose to live apart and have not seen their families for weeks for fear of exposing them to this virus but yet come to work for us. In return, the least we can do is show our support and gratitude to all these heroes by WEARING MASKS AND STAYING 6 FEET APART.

Let’s keep our neighbors who have been affected by this coronavirus in our daily prayers.

Word of wisdom:

Aging is an extraordinary process when you become the person you always should have been.

Quotes:

Tough times never last but tough people do. By Dr. Schuller

Hope:

Hope is being able to see that there is light despite all of the darkness.

The HOA Board of Directors is on a well-deserved adjournment. However, we are available to any HOA member if the need arises.

STAY SAFE - MAY GOD BLESS US ALL

Did you know that when watching Spectrum TV, you can ‘Pause’ the show (including Ch 732), go to the fridge or elsewhere and when you return, press ‘Play’ and the show will continue. When a commercial comes on and you have paused a show, you can ‘Fast Forward’ through the commercial or until the pause time elapses.

This feature can be helpful when viewing Ch 732 and the slide changes before you have read the entire text.

Attention New Residents

By Marcia White

We are not able to do any Welcome Visits at this time and have not done any in the last 2 months. We are following the CDC guidelines for your safety. If you are a new resident and filled out your new resident form during your interview with the office, we will be calling you to set up a visit and bring you some great information and a few gifts as well, once the CDC says it OK to do so.

In the meantime Welcome to Paradise and we hope you are enjoying your new home even under these trying times. If you need any help with information regarding the Social Committee, please feel free to call me and I will give the information or direct you to who might be able to assist. Marcia White 727-953-3616 (president of the SC)

Social Committee Updates

By Marcia White

We hope this finds all of our residents in good health and happiness now that our lives are starting to go back to what we knew as normal. Unfortunately our old normal will most likely take a lot more time to finally get here and some things may never go back but we are all able to bounce back and enjoy whatever becomes the new normal. If you are reading this then you have managed to survive the pandemic and have a reason to rejoice.

As I am writing this article the pool has been opened back up with restrictions but all seems to be going well. Some of the restaurants, along with the retail industry and personal services have reopened, so we seem to be headed in the right direction. We still all need to be self-diligent and remember to always follow the CDC guidelines as they update.

We have a pool party scheduled in June on the 13th. If the restrictions for the number of people allowed at the pool are still in place we will be cancelling the event. If we are lucky enough to have the pool open to everyone then the party will be held. Nancy will post on channel 732 if we need to cancel. As most of you know and for those of you who don't, we have to have all of our articles in to the printer by the 15th of each month. That means a lot can happen before you actually receive the media at your home. Changes are made to our schedule if necessary and we apologize in advance if that happens.

We are not able to do any Welcome Visits at this time and have not done any in the last 2 months. We are following the CDC guidelines for your safety. If you are a new resident and filled out your new resident form during your interview with the office, we will be calling you to visit and bring you some great information and a few gifts as well once the CDC says it OK to do so. In the meantime Welcome to Paradise and we hope you are enjoying your new home even under these trying times.

Please, Welcome our new park Manager J. Brian Wade if you happen to be in the office. We are looking forward to working closely with him in the near future.

The SC is looking for a volunteer to take over the Pavilion. We wish to Thank Jim Shumaker for his service over the last months. He has resigned due to illness and we appreciate all he did for us. We need a replacement to take reservations and make sure that the area is clean for use and that whoever has the pavilion reserved, cleans it when they are done. Please call Marcia White at 727-953-3616 if you are willing to step up and help out .

Warm Regards,
Marcia White

Ladies Luncheon

By Beth Pieckiel

Here comes summer and we will continue on with our monthly Ladies Luncheon. June's luncheon will be hosted by Diane Ussher and she has chosen:

Bone Fish Grill
2939 West Bay Dive
Belleair Bluffs, FL 33770
(727) 518-1230

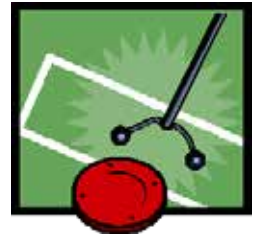

Please come join for a wonderful afternoon with the ladies of our beautiful community of Paradise Island. The sign-up sheet for the luncheon will be in the clubhouse and as always if you sign up and then find you are unable to come to the luncheon, PLEASE remove your name from the list. This makes it a lot easier for your hostess to give the restaurant of their choice a correct head count.

If you should have any questions please call me, Beth Pieckiel at (214) 538-7094.

SHUFFLEBOARD

By Gary MacDonald

Winter shuffleboard has now come to a close. Thanks to everyone who came out on Tuesday and Thursday mornings and to those who helped me prepare the courts for play each week. Winter shuffleboard will tentatively resume in November providing our community activities have resumed at that time and is safe for us to do so. Further details of shuffleboard times will be noted in our Fall Newsletters. Have a great summer.

Thursday Co-Ed Bowling

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

Paradise Island Church in The Park

By Serena Johnson

Happy Father's Day!

We are praying, by the time you read this, we will have the church fully opened again. We are now able to televise a service over channel 732 Spectrum with less than 10 people present and 6 feet apart. As I am writing this the pool is open and the beaches opened on Monday May 4th. We have all had a rough few months. Have been praying that all those in the Park will get through this physically, mentally, financially and spiritually. God is greater than this virus! If you have a need please call us at the numbers below and hopefully we can help in some way.

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. We are a Non-Denominational Church as many denominations are represented. We would love to Worship services have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are now studying the book of Daniel. All are welcome, come join us! Choir Practice Thursdays from 10:30 till Noon.

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart (727) 480-9793, Pastor Bill Ogburn (727) 474-2722 or Serena Johnson (727) 530-5905.

WE ARE HERE FOR YOU!

Men's Club

By Art Yeo

It seems like COVID-19 is still the topic of conversation as we head into the summer months. I hope we are all following the advice of the medical professionals and staying safe. Social distancing seems to be working if we continue to do so.

Here in my hometown of Sault Ste. Marie, Ontario we have no cases of the virus that require hospitalization. All reported cases have been resolved as of this writing and there have been no reported deaths from COVID-19 here.

The Men's Club is remaining low key with the hope that the fall season will be much safer and we can all meet again in our normal fashion. Until then, try to stay safe and stay healthy.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

MULCHING

By Pam Stover

Mulch is any material that is spread over the soil as a covering. Reasons for applying mulch include conservation of soil moisture, improving fertility and health of the soil and reducing weed growth. In nature, plants that require mulch will grow where mulch, such as leaf litter, is available, and plants that don't need mulch will grow where mulch is absent. Generally, healthy yards don't need mulch. But, as a landscaper you often have to work with an unnatural situation: sun loving grass planted under trees, or woodland plants in dry and compacted soil. Some issues can be solved with the use of mulch. tires

The first choice for a planting bed are good plants, good soil and compost and if available natural mulch like fall leaves. Commercial mulches can be good solutions for pathways, playgrounds. Used hay or wood chips from a cut tree can be used as well. If you have nutritionally depleted, poor or compacted soil, but you have no compost available to amend the soil, then mulches can be a good temporary solution to create protection and to restore the soil.

Some industries produce wood chips as a by-product, so wood chips are easily available. The biggest problem with wood chips and other heavily applied mulches is that, not only do they prevent weeds, but they also smother plants with soft stems, and prevent plantings from spreading. The abundance of the use of wood chips has resulted in an omnipresent landscaping feature: trees and shrubs surrounded by wood mulch but absent of plants and flowers. This type of landscaping isn't very appealing, but more important, it offers very little opportunity for pollinators or insect-eating birds.

Military Commissaries Limit Meat Purchases Amid Supply Chain Worries

Citing supply chain strains and anticipated shortages as a result of the novel coronavirus pandemic, the agency that manages military commissaries says some stores will start limiting how much fresh meat customers can purchase. Starting May 1, commissaries within the 50 states and in Puerto Rico will limit purchases of fresh beef, poultry and pork, the Defense Commissary Agency announced Thursday evening. For fresh beef, pork, chicken and turkey, customers will be limited to purchasing two items per visit, according to the announcement. "There may be some shortages of fresh protein products in the coming weeks," Robert Bianchi, a retired

Navy rear admiral and the Defense Department's special assistant for commissary operations, said in a statement. "Enacting this policy now will help ensure that all of our customers have an opportunity to purchase these products on an equitable basis."

The Department of Veterans Affairs (VA) has recently updated several of their health apps and made them available for those who use mobile devices which are manufactured by companies other than Apple. Two of the more popular applications recently updated for Android phones are the iBlueButton app and the MyLinks program. The iBlueButton app lets you download all of your VA, Tricare and Medicare health records onto your mobile device, allowing you to view all your medical information in one place and share it with whomever you wish, including civilian doctors, and family members. You have 24/7 access to a listing of all of your medications, vital signs, medical conditions, allergies, immunizations, lab results, diagnostic tests, medical history and more, all in an easy to navigate application. The app also gives you personalized health warnings and care guidelines, lists possible drug side effects and interactions and lets you add documents and remarks to your record as you wish. To download the iBlueButton app, visit the Apple App Store or the Google Play Store on your mobile device.

The MyLinks program allows you to share your personal medical information from civilian providers as well as personal information from fitness trackers, wearable or mobile devices with your VA medical care team. While the number of civilian doctors participating in the program is somewhat limited, it is expanding on a daily basis. You can also share data from wearable devices such as Fitbit, Samsung, Google or Apple; and data contained in fitness applications on your phone such as Google Fit or Apple Health directly with your doctor, assisting them with diagnoses and treatments. You must have an active MyHealthVet account to use these programs. To share your information, you need to authorize access to their health information using a VA-approved authentication method before an app can access any of your data. You can cancel your participation and remove your data from these programs at any time.

Stay safe and stay healthy.

In Memoriam

By Marilyn Frederick

During this time of the Corona Virus, it is sad that no memorial services could be held for our deceased park residents. We pay tribute to them here.

Russ Eckensberger, Lot 805, passed away on April 23, 2020. Russ was preceded in death by his wife, Marilyn. He is survived by 5 children: Bruce, Gary, Randy, Scott and Dale. He had 14 grand-children and several great grand-children. Russ was a retired Army veteran. He was a 30+ year resident of Paradise Island and was very active in the Pool League, shooting pool for many years on the league and for fun. He was active in the bowling league, Men's Club and various park activities.

Janice Szymaszek, Lot 634, passed away on April 26, 2020. She is survived by her husband, Andy. Janice had two children, Brian Szymaszek (wife, Lisa) and Deanna Perillo (husband, Brian), and four grand-children. Janice loved to play Bingo every Thursday.

Fred Wall, Lot 718, passed away on May 2, 2020. He lived a long life to age 95. He is survived by his children, daughters Sharon Weema and Cathy Wall; and son, James Wall. He is also survived by one grand-child and two great grand-children. Fred was very active in the local Elks Club. He served in the Navy during WWII.

Please notify me, Marilyn Frederick at 727-244-1841 of any deaths that you are aware of in our community. I would be honored to lower our Park Memorial Flag and post a notice on the flag board, in the clubhouse and in our Monthly Media when I am notified of any deaths. Any calls to me would be greatly appreciated. Thank you!

"Don't be sad for me, we all come to this world to be tourists, enjoy life, go sightseeing, do good deeds. I just happen to be leaving earlier than others." — Connie Threadgill

Correction: this beautiful quote was from former park resident, Connie Threadgill, who died last year and was shared by her niece, Andrea. I posted the incorrect information last month.

New Residents Joining our Community

If you are a new resident of Paradise Island, we would like to schedule a short visit with you; go over the events in our park, and give you some freebies. Thank you

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. — Joel Osteen
