SCAMS AND FRAUDS

From Largo Police Crime Bulletin

#1 – Credit Card Interest Scam

Everyone wants to save money, and to think that they are making smart choices with their finances. So when an individual calls you to offer you a lower interest rate on your credit card, you're bound to take it seriously. Unfortunately, once a scammer has your interest, you're more like to fall for fraud. In a recent scam report to the BBB, the caller—who claimed to be from the would-be victim's credit card company—stated that he was eligible for a lower interest rate. All he would need to do in order to process the better rate would be to verify all of his information, including account number and Social Security number. Fortunately, the recipient doesn't have a credit card with that company, but even more importantly, he smelled a scam and refused to turn over his data. It's important to remember that no one who calls you will ever need all of your information, and that anyone who contacts you and asks for sensitive information like your Social Security number is not to be trust-ed.

#2 – Government Grant

Just in a matter of a few days, multiple reports were made to the BBB about government grant scams. Callers who identify themselves as working for the US government to distribute free grant money are really just looking for your personal identifying information and account information in order to steal your identity and your money. While it's true that a lot of grant and scholarship money goes unclaimed every year, there's a basic reason for that: because the process of applying for those funds is very involved. The government simply does not call random citizens and offer them money. No one does, and if you're ever offered money or gifts in exchange for your information or a small application fee, hang up immediately.

#3 – Debt Collection Scam

This is a strange variation on an old scam, and it's alarming because it's far too easy for it to work. In this in-stance, a caller contacted the victim about a current debt. The caller claimed to work for a payment processing center, and stated that the debt had been sent to this company in order to work with the victim on making payments. It sounded a lot like a collections company, but somewhat friendlier. The victim agreed to make payments since he did, in fact, owe the debt. Unfortunately, the company wasn't real, and the debt wasn't actually paid off. The victim paid the full amount of the debt (broken up into two payments), but now he still owes that amount to the original debtor. Remember, you will never have to make payment in any way to someone who calls you over the phone or emails you. You may be sent reminder notices or receive reminder phone calls, but all legitimate payments will be initiated via a paper bill; follow up messages are fine, only after the original debt has been stated in writing with complete company information and account numbers. If you're contacted and told to make a payment immediately, request a letter in writing and then verify it before ever sending a dime.

Think first and then react accordingly

A police officer called the station on his radio.
"I have an interesting case here. An old lady
shot her husband for stepping on the floor she
just mopped."
"Have you arrested the woman?"
"Not yet. The floor's still wet."

HOA News

By Cole Akins

Wow! Can you believe it's June already!! Time flies as we get older so get out and enjoy life!! At the May HOA meeting our Paradise Island HOA Board presented some changes to the membership relative to the Board make up. The HOA Board accepted the resignation of John Medick from the Board. The Secretary and Treasurers position has been consolidated into one entity and will be chaired by Pastor Bill Ogburn; also the Board make-up will consist of five Members total instead of the current seven. This number will be reached when someone chooses not to run for re-election. Hopefully these changes will serve us well. The Board is in the process of implementing a Committee to kick around ideas on how to better Paradise Island Bingo, so any suggestion's will be appreciated. We have also created a Finance Committee to review and approve all invoices for payment.

Frank Toner and his staff is doing a tremendous job in the kitchen so come out on Thursday night and sample some local faire and fellowship. There are over Four Hundred HOA households in our beautiful Park, sure would like to see more participation at the Monthly meetings. We will adjourn the July and August meeting, Hope to see you in September and remember if you choose not to participate then don't complain about the actions of the people that choose to get involved. See you in September.

Time to say Good Bye

By Marcia White

It hardly seems possible that the winter season has come and gone so quickly. Just yesterday the Social Committee was planning all of our activities to finish out 2015 and start 2016. Now we find ourselves ready to take a break for awhile and start planning again. Before we know it we will find ourselves back in September and ready to take on the end of 2016 and begin 2017. I want to take the time to reflect on the great events we hosted this year and look forward to doing the same again next year. Our upcoming events are on the schedule and we have another great season planned for all of you. A sneak Peek includes some of the following:

- November 5, 2016 Craft Fair
- December 3, 2016 Ladies Xmas Luncheon
- December 10, 2016 Comm. Holiday Party (if we get a new chairperson)
- March 3, 2017 Fashion Show w/Dress Barn
- Breakfast will begin on the first Saturday in January 2017

Add to this all of the wonderful events that the Men's Club host and you have another full season of fun and entertainment.

So for now we say Good Bye to our Northern Friends and Neighbors and take a little rest before we start again. We will miss them all and look forward to their return. We also THANK them all for the help we received in completing of our events this year. Travel Safely. See you in the Fall.....

I'll be heading to the beach now to enjoy some sun and relaxing while I can... What a great year so far.

Where we love is home - home that our feet may leave, but not our hearts. Oliver Wendell Holmes, Sr.

An obscure historical fact about the origin of an event in May

Most people probably don't know that way back in 1912, Hellmann's Mayonnaise was manufactured in England. In fact, the RMS Titanic was carrying 12,000 jars of the condiment scheduled for delivery in Vera Cruz, Mexico. That was planned to be the next port of call for the great ship after its stop in New York. This would have been the largest single shipment of mayonnaise ever delivered to Mexico. But alas as we know, the great ship did not make it to New York. The ship hit an iceberg, sank, and the cargo was forever lost.

The people of Mexico, who were crazy about mayonnaise, and were eagerly awaiting its delivery, were disconsolate at the loss. Their anguish was so great, that the country declared a National Day of Mourning, which they still observe to this day. This National Day of Mourning occurs each year on May 5th and is known, of course, as: "Sinko de Mayo".

A sincere and heartfelt thanks to our northern visitors

By Pat Rosenheim

I just wanted to offer a sincere and heartfelt "Thank you!" to the 26 residents that called to have the media delivery suspended while they were away for the summer.
Be safe, be healthy, be happy! See you next year!

Now, if only the other 374 residents would have called... Maybe next year!

Something to Ponder

The Haircut

A teenage boy had just passed his driving test and inquired of his father as to when they could discuss his use of the car. His father said he'd make a deal with his son, "You bring your grades up from a C to a B average, study your Bible a little, and get your hair cut. Then we'll talk about the car."

The boy thought about that for a moment, decided, he'd settle for the offer, and they agreed on it.

After about six weeks his father said, "Son, you've brought your grades up and I've observed you have been studying your Bible, but I'm disappointed you haven't had your hair cut."

The boy said, "You know, Dad, I've been thinking about that, and I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair, and there's even strong evidence that Jesus had long hair."

(You're going to love the Dad's reply!)

"Did you also notice they all walked everywhere they went?"

Dart League

By Paul Clinton and Ann Elkins

We want to welcome all to join us this fall to play darts. League play will start in Mid October. There is a signup sheet in the club house. We gather every Monday night at 6:45 for a fun evening together. You do not have to have any experience just come and join us. During the summer people are encouraged to come on Monday to enjoy playing darts with those who are around. We want to say a special thank you to Joan Dunn for her many years of service running the dart league. Your new organizers are Ann Elkins and Paul Clinton. Any questions give them a call. We look forward to seeing you on Monday nights at the club house.

Community Library

By Denise Samson-Nadeau

As long as there are readers, there is work to be done. It takes many helping hands to reach a goal and our goal at the library is very simple: to offer to Paradise Island residents a library that is neat, tidy and informative. Sincere thanks to the ladies who help achieve that goal.

Together we work at sorting out books into different categories, cataloging them and putting them on the proper shelf in alphabetical order. This process is continuous.

Some of you may not be aware of the library system. To facilitate locating a book, we use color codes and categories. All books that have a yellow dot on the cover are in the "Romance category". These books are basically novels and fictions. We also have hard and soft covers. Because of limited space, we do not carry more than one copy of any given book.

Books that have a green dot on the cover are in the "Mystery, suspense, murder, thriller category". Again, we have hard and soft cover copies.

Happy reading and again, many thanks to Bev, Dawn and Gisèle.

Thursday Bowling

By Shirley Pultorak

Our Paradise Island Thursday Bowling League has come to an end, but we are eagerly awaiting next season which will begin on October 13, 2016. The handicapped bowling is fun, but the new friends are the best! We will have a signup sheet in the clubhouse for any new bowlers who are interested in joining our fun-loving group on Thursdays at 12:30 at Liberty Lanes on Starkey Rd. We are in need of substitute bowlers as well. Please contact Shirley Zornow at (727) 531-1630 or Shirley Pultorak at (315) 796-2110 for more information.

Paradise Island Church In The Park

By Serena Johnson

A NNOUNCEMENT - Beginning in June the Sunday Worship Service will begin at 10 AM in the Clubhouse. We are trying out the new time to see how it works out for everyone. Due to the fact the service is a bit later we hope to see those who could not make it because it was too early! Always room for YOU!

Happy Father's Day to all the Dad's. May you have a wonderful day filled with many blessings as you are remembered by all!

If you are new to the Park, we would like to welcome you and invite you to join us in the Clubhouse on Sunday mornings at 10AM for a wonderful hour of worship and fellowship. We are a non-denominational church that love the Lord and ALL are welcome! If you are unable to attend in person you can tune to Bright House Channel 96 or if you have a box channel 732 and view our service at that time. We hope that you will find the service enjoyable and join us in person when you can.

If you or someone you know, have a need, please contact a member of the Church Board (names are on the bulletin board in clubhouse). All requests are confidential. We thank all who contribute to the Outreach Program of the Church which makes this ministry possible.

Bible Study with Pastor Bill is on Thursdays at 9:30 AM in the Clubhouse Room # 3 across from the door to the pool. Continuing the study of "The Blessed Life" by Robert Morris.

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722.

WE ARE HERE FOR YOU!

.....
A father wanted to read a magazine but was being bothered by his little girl. She wanted to know what the United States looked like. Finally, he tore a sheet out of his new magazine on which was printed the map of the country. Tearing it into small pieces, he gave it to her and said, 'Go into the other room and see if you can put this together.'

After a few minutes, she returned and handed him the map, correctly fitted and taped together. The father was surprised and asked how she had finished so quickly.

'Oh,' she said, 'on the other side of the paper is a picture of Jesus.'

When I got all of Jesus back where He belonged, Then our country just came together.'

Paradise Island Outreach Fund

By Bill Ogburn

I have found that there are a number of our residents who do not even know that we have this fund or they have no true idea of what and how it works. I pray that I can explain in enough detail here to educate every resident of Paradise Island about the care we have for our own.

I must first assure everyone that this is the “Paradise Island Outreach Fund!” Not the Paradise Island Church in the Park Outreach, or the church Outreach fund. It is its own entity. The Paradise Island Outreach Fund stands alone. The fund IS administered by the Church in the Park. There are several reasons for this, the chief being that it is covered under the church’s Non-Profit status. Financially they are totally separate. Each has its own banking account, accounting and disclosure requirements. The “Funds” and the “Church’s” moneys cannot and do not inter-mingle. Neither one can be used for the other with the one exception that the “Church” pays one half of its tithe to the “Fund”. I cannot over emphasize that the “funds” money has nothing to do with the church! When you give to the Paradise Island Outreach Fund, 100% of that gift is used for the residents of your community, “Paradise Island.” The “Fund” has no fees, compensation, or bills other than you, as a resident, needs. This is the only benevolence fund that I know of that 100% is returned to those to whom it is intended. Yes we use Godly principles in order to be good stewards of your money. But to my knowledge there has never been any discrimination due to race, color, creed, religion, or anything I can think of. We do investigate each need on an individual basis and our giving is to meet what we believe to be a true need. We DO NOT deal with cash! All gifts have a paper trail, i.e. a check to Duke Energy, etc. However, we can issue food gift cards and are considering gas gift cards as well. These are tracked by name and lot #. All information about the dealings between the administrators and those in need are covered under the ministerial confidentiality principle. I will not even disclose too you who gave me your name or lot # without the express permission of the giver. I hold this confidentiality responsibility very dear and consider it a great privilege to be allowed to hold this position. Therefore, any conversation, donation, receiving of a gift, or any matter you deal with me and the fund is between God, you and me period. All donations will be greatly appreciated by someone in this park. Donations can be given in any form to me or any member of the Church in the Park. Please designate all gifts to the Outreach Fund. Every single aluminum can you put in one of our containers helps someone here in the park. If you would like more information or greater detail about the workings of the “Paradise Island Outreach Fund,” please contact Pastor Bill Ogburn, Home 727-474-2722, cell 727-871-9432, or e-mail billlogburn@gmail.com.

Thank you and May God bless you -- Pastor Bill

An accident is looking for a place to happen

By Jim Lambert

A recent phone call reported to me that while driving in the dark of night, especially between 4:30am and daylight, it is commonplace to see golf carts being driven around Paradise Island with no headlights, taillights, or brake lights; and bicyclists ignoring stop signs and rounding corners with no form of lighting or reflectors. In the same early hours, the newspaper delivery vehicles are whizzing through the park to deliver their papers to their customers by throwing the papers out the window without as much as slowing down. It is neither safe nor wise for those involved because eventually a serious accident or fatality will happen.

It has been a topic of conversation among some in the park in the past but since there is nothing in the Paradise Island Rules and Regulations mandating requiring golf cart headlights, taillights; or bicycle lighting and/or reflectors, there is little that can be done about it. One resident told me of a close call with a bicyclist who came around a corner without slowing down. Another reported being taken by surprise as a golf cart with no lights came along as he was backing out of his driveway.

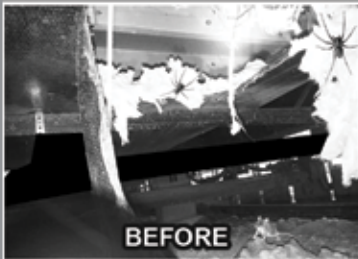

Basically, adding the proper lighting and reflectors is the responsible thing to do because it is in the best interest of the community at large. It's a small investment to make when compared to the cost associated with the cost related to injury or death, especially within the confines of the park. The result will be an insurance nightmare. Golf carts, in the first place, are not built for night time driving since golf isn't played in the dark. Those built as residential vehicles generally come with proper lighting and mirrors. Bicycles, however, rarely come with lighting or reflectors, yet are very inexpensive.

The privilege afforded to residents of Paradise Island to use golf carts and bikes within its confines is a bonus. Certainly, it beats having to drive a personal vehicle to visit friends, go to clubhouse or pool, run up to the office, and/or simply ride through the park. But unlike the Pinellas Trail which is specific to bicycles, etc.; cars, trucks and recreational vehicles are driven through our park day and night so it's always best to be safe rather than sorry.

All too often we hear the phrase, "It can't or won't happen here." Well, it can and probably will unless the responsibility is taken seriously and proper steps are taken. We are fortunate to have a friendly and safe community. Let's all work together to keep it that way.

The winning argument?

William Gladstone, prime minister of Great Britain for many years in the 19th century, was known as a master of argument, even within his own family. On one occasion Gladstone and his sister Mary argued over where to hang a picture in their house. A workman stood around while the argument went on and on. Mary wouldn't yield, and eventually Gladstone simply stopped talking.

The workman finally hung up the picture where Mary wanted, but when he was done he walked to the other side of the room and hammered a nail in the wall where Gladstone had wanted the picture to hang. Mary asked him what he was doing.

"Well, Miss," the worker replied, "that'll do to hang the picture when you come round to Master William's opinion."

One act of kindness

One rainy night many years ago, an elderly gentleman and his wife entered the lobby of a small hotel in Philadelphia. The man asked the clerk if he had any rooms.

The clerk was a friendly man who prided himself on superior customer service. He said that unfortunately the hotel was completely booked. "However," he said, "rather than send you out in the rain at 1 in the morning, I would be happy to offer you my room. It's not a suite, but it will be comfortable for the night."

The elderly man tried to object, but the clerk insisted. The next morning, as he paid his bill, the elderly gentleman said to the clerk: "You are the kind of manager who should be the boss of the best hotel in the United States."

Two years passed. One day the clerk received a letter from the elderly guest, inviting him to New York for a visit with a round-trip airline ticket. When the clerk arrived in New York, the man met him and led him to the corner of Fifth Avenue and 34th Street. He pointed to a brand-new building. "There is the hotel I have built for you to manage," said the elderly man.

"You must be joking," said the astonished clerk.

"I can assure you that I am not," said the old man, a smile on his lips.

The elderly gentleman was William Waldorf Astor, and the palace that he had built for the young clerk was the original Waldorf-Astoria Hotel.

The moral: You never know when kindness will come full circle.
