# Paradise Island 2015 Co-Op Annual Meeting

By Ron Anderson

The Paradise Island Co-Op held its annual meeting in the clubhouse on the evening of January 21, 2015. Over 122 members attended either in person or by proxy. The four candidates up for reelection were unopposed and therefore reelected. Subsequent election of board officers yielded the following results: Keith Knowles, President; Pat Humphries, Vice President; Janyce Cruse, Treasurer; and Ron Anderson, Secretary.

Keith Knowles announced that it is a pleasure to report on the state of the Corporation.

- First, he stated that we closed out our books for 2014.
- In the past, some members have asked about the number of homes in default. We currently have 23 homes in default and we expect to collect the money owed us in the great majority of those cases.
- We have a vacancy rate of approximately 5%. The industry average vacancy rate for parks like ours is 10%. Having a low vacancy rate positively affects the price that people are able to get on their homes when they choose to sell.
- We are selling share properties as vigorously as we are selling non-share properties in this park.
- Pres. Knowles called the attention of the members present to the poster board before them that displayed a design concept for our new road sign. The situation with the current sign is that it is falling apart and must be replaced. In order to do so, according to the city of Largo, we must go to a monument-type sign that adheres to all of the regulations the city of Largo has placed on signs of this type. The designer submitted two sign concepts with the board choosing the one before the members as the one that best represents this community. We plan to have a smaller sign at the south end of the property to alert drivers of our location, eliminating the complaint of northbound drivers that say our present sign is not easily seen when traveling in that direction. Negotiations with the city of Largo are continuing.
- Nancy Perry, Park Manager, made a presentation on current projects around the park.
- The road repaving project is completed for the entire park.
- A contractor has been engaged to repair the floor in the clubhouse ladies room. New tiles have been ordered and work is scheduled to be performed in the near future.
- Speeding and failure to stop at all STOP signs continue to be a problem. Park residents are the main culprits. If you see a neighbor violating the driving rules please ask them to comply with the reasonable regulations. If your neighbor fails to do so, please come to the office and file an anonymous complaint and the office will send that person a letter and can escalate the matter to sterner solutions if necessary.
- Nancy thanked all those who extended their condolences on the passing of her mother.

Pres. Knowles opened the floor for questions and answers from the members present.

Q: What can be done about people parking on the sidewalks?

A: We admonish people not to do that but it is difficult to police. It was pointed out that park-

ing in the street reduces the ability of emergency vehicles to maneuver when entering the park.

Q: Are garage sales allowed in the park?

A: Garage sales are not allowed in the driveway but they are allowed in a residence home.

Q: Has the limit on the size of dogs changed?

A: Keith repeated that whenever we see an oversized dog we should report the owner's lot number to the office. Keith responded to a follow-on question about whether or not we check for the size of dogs when new residents come into the park. He answered yes, we do, but they lie. Nancy added that we will soon require a veterinarian's weight certificate for any pet before a prospective resident can bring an animal into the park. It was noted that service animals are allowed in the park regardless of weight. Another follow-on question asked if guests can bring in large dogs for a short visit. The answer is: no — no dogs over 40 pounds.

Q: Are the cameras at the entrance to the park working?

A: The cameras are working but the computer is not. This issue will be addressed as soon as possible.

## **“The Back Nine” of our lives**

*By Jim Lambert*

**T**ime has a way of moving quickly and catching you unaware of the passing years. It seems just yesterday that I was young. Now, I wonder where all the years went. I know I lived them all. I still have glimpses of how it was back then and of all my hopes and dreams. Yet, here it is ... the back nine of my life and it catches me by surprise. How did I get here so fast? Where did the years go and where did my youth go?

I remember well seeing older people through the years and thinking that those older people were years away from me and that I was only on the first hole. The back nine was so far off that I couldn't fathom it or imagine fully what it would be like.

Yet, here it is. Most of my friends are retired and bald or all gray. They move slower and I see an older person now. Some are in better and some in worse shape than me, but I see the great change. Not like the ones that I remember when we were young and vibrant. Like me, their age is beginning to show and we are now those older folks that we used to see and never thought we'd become.

Each day now, I find that just taking a shower is a real target for the day; and taking a nap is not a treat anymore — it's mandatory! If I don't nap on my own free will, I just fall asleep where I sit! Now, as I 'play' the back nine of my life unprepared for all the aches and pains, and the loss of strength and ability to go and do things that I wish I had done; at least I know, that though I'm on the back nine, and I'm not sure how long it will last. This I do know, when it's over on this earth — it's over. There are things I wish I hadn't done; many things I should have done, but indeed, there are countless things I'm happy to have done in my lifetime.

If you're not on the back nine yet let me remind you, it will be here faster than you think. So, whatever you would like to accomplish in your life please do it sooner rather than later. Don't

put things off too long. Life goes by quickly. So, do what you can today, as you can never be sure whether you're on the back nine or not!

You have no promise you will play all back nine holes, so live for today and say all the things that you want your loved ones to remember; and hope they appreciate and love you for all the things that you have done for them over the years.

Today is the oldest we have ever been, yet, it's the youngest we will ever be; so enjoy each day while they last. Make every effort to play the back nine better than the front nine.

Note: I am sharing this piece that was sent to me by a dear and lifelong friend. Enjoy it.

## Wednesday Craft Club

By Diana Campbell

There are two craft groups in our park. Let me explain about the Wednesday group. We are open to everyone from 1:00pm until.....

We work on projects all year and then put them in the Craft Show to sell. All the money we make goes to the Social Committee. The Social Committee then decides how to spend this money along with what other groups have earned. This helps to pay for activities that we all enjoy.

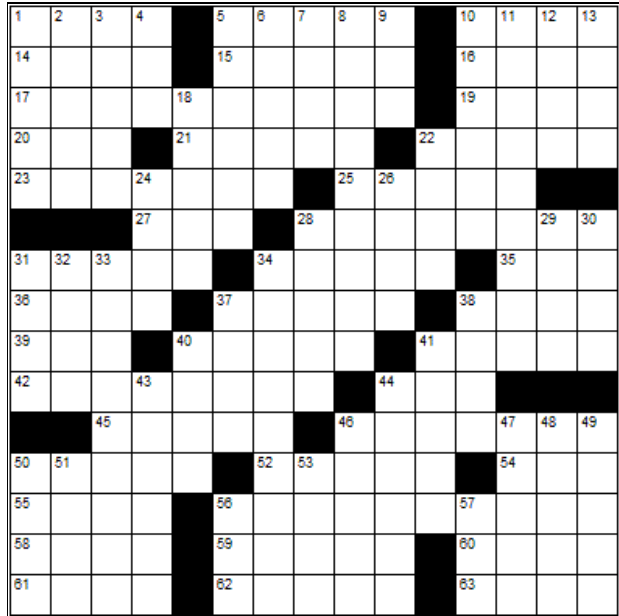

We invite everyone to come and enjoy helping to make items for this purpose. This is free and supplies are furnished. It takes many hands at all levels of skill. We have fun and would love to have you join us.

# HOA

By Jeff Hanson

**O**ur February meeting didn't have a big turnout but there were some good discussions. After we got through our regular business the article from last month's media about the left turn from Willow onto Starkey was brought up. Most everyone agreed the van should not have been yelling and giving the middle finger salute but car 2 was in the wrong; they should have never pulled onto Starkey till they were sure the road was clear for them to proceed southbound. Then came solutions; would the city put in a stoplight or maybe no left turns at certain times or no left turns anytime. Now we started talking about our community and how some drivers are always speeding and running stop signs or cutting corners and driving on the wrong side of the road, and what about cars blocking the sidewalks. I don't have any answer to any of these questions. The Largo police can't issue tickets on private property and the coop has talked about speed bumps and say they can't put them in so do the best you can with your driving and parking if you can get a tag number and car type and color write it down on a concern report. If there are enough reports turned in something will be done. Until then please drive safe and be alert.

# What is Bus Bingo

By Shirley Morrissey

**R**osie and I have been asked many times what is Bus Bingo and how do you play?? Contrary to belief we do not ride anywhere in a bus to play, we are in the clubhouse. Why is it called Bus Bingo we don't know.

Bus Bingo is very simple. We package up four playing cards, one of each suit. These packages are sold for fifty cents each. You can purchase as many packages as you want to play. The player places their cards face up on the table. When the matching card is called by the person calling, the players turn their card over. When all four cards have been turned over the player calls bingo. We play as many games as we collect money for. Bus Bingo starts at 2:00p.m. until approximately 3:30p.m.

## SCAMMERS on the Internet

By Marian Chase

**W**ithin the last few months I received at least four fraudulent contacts claiming to be from financial institutions. Two had the recognizable logo of Wells Fargo, with whom I bank; and two from other financial institutions. Each said that there had been multiple attempts to access my account which may have been fraudulent, please sign on with my correct name and password. I did not do so, but contacted the bank, got the toll free number of their fraud department and forwarded the e-mails to them for their action. Needless to say, I did not respond to the others. I just want folks to be aware that this is happening.

Many times I get e-mails from legitimate contacts that say something like; Hey, thought you'd be interested in this... then show a link. **NEVER CLICK ON ONE OF THOSE LINKS!** These are phishing scams. If you click on the link they will infect your computer and access everyone on your mailing list. Just be aware and protect yourself, your data, and your finances.

These scammers also call by phone. They claim to be from Microsoft, Dell or other computer related companies. They say that your computer is in danger and you must turn control of your computer over to them immediately or it will crash. **NEVER ALLOW THEM TO TAKE OVER YOUR COMPUTER.** These companies do not make unsolicited calls, those making the calls are also phishing scammers.

## From Pond to Pond in Paradise

By Marcia White

All of the residents on Pond #5 would like to send a great big THANK YOU to the residents of Pond #2 for keeping our swan safe and happy during her visit. As most of you already know our little girl took herself for a walk down Bimini and got herself lost and ended up in Pond #2. We called several agencies as well as trappers to get someone to help us get her back home.

To make a long story short, no one could help us until we were given the name of Dave Bolewicki who lives on Pond #7. Dave gave us the needed assistance and advice to get her back home. He also gave us good advice on how to keep her fed correctly. We want to THANK Dave for all his invaluable help.

On 2/11/15 we were able to rescue our girl and she is now home safe and sound. To all of you, we can't THANK YOU enough. We can tell how happy she is to be back in her own pond. She was not affected at all by her rescue and she is out there happily swimming as I type this. Warm Regard to all.

celebration of Valentine's Day. Look out for the return of George and Company in April - the Farewell Dance of the season. The next Dance in our clubhouse will be an evening of "Del & Gary" which promises to be another fabulous night. So put on your dancing shoes and come down to the clubhouse to join in. In fact even if dancing isn't your idea of fun, it's always great to get together with a group of friends to enjoy with music. Tickets will be available from 7:30 at the door for \$8. **AND DON'T FORGET TO BRING YOUR OWN DRINKS AND SNACKS** See you there!

## Recycling Notes

By Marian Chase

**M**onday morning and our cardboard/newspaper bin is already stuffed. Opening the sliding door, I pulled out a box (not cut down) and put my newspapers inside. A little box cutter costs less than a dollar and are available at Office supply and Home stores. **PLEASE CUT & FLATTEN BOXES** before putting them in the bin. Also, folks have been throwing plastic bags in our bin. Largo Recycling asks us not to put plastic bags in with recycling here or at the Largo Recycling centers, because they get stuck in the equipment that separates things at the plant.

Did you know that you can deposit household cooking grease and oil? When you go into the Starkey Road Center, drive straight forward and there is a green tank for household oil (not motor oil)

Styrofoam, plastic and paper bags can be deposited in the three bins in front of Publix stores. Also, please do not throw bags of doggie poop down the storm drains. They drain into OUR PONDS and ultimately out into the bay. Would you want to swim in that??? YUK... please don't do it!

Saturday, March 14th, 9am,-2pm Mobile Electronics and Chemicals Collection at Home Depot, 10689 Ulmerton Rd.

Earth Day Paper Shredding and Recycling Saturday, April 25th 9am-Noon at our Recycling Center at 1551 Starkey Rd. Just enter and drive straight ahead, men are there to remove boxes of papers for you.

## News from the library

By Denise Fata Samsom'nadeau

---

**H**i Neighbors,  
Have you read a good book lately? Have you browsed in our park library yet? We have added a new section that may fulfill your interests. Before you enter the library, look to your right. On the top shelf, we have put "new arrivals". These books are fairly recent, recently donated.

You are welcome to borrow any book or magazine. Just return it in good, clean condition. Drop it off in the wooden box at the entrance of the library. We will put the book back on the shelf, in alphabetical order, at the spot where it belongs.

Thanks to everyone who donates books, magazines and puzzles. It is the only way that we will grow.

Many people volunteer the time so that our library is attractive, clean and books are easily found. I thank all the girls who give me a hand. Thanks Gisele, Dawn, Bev. I greatly appreciate your help.

Special thanks go to Lorraine Richards. She has been re-organizing the puzzles. This has been done before but it is an endless job. Puzzles will be sorted by number of pieces (500-700-1000 etc). All the puzzles have been checked so no piece should be missing. All the pieces are put in a closed Ziploc bag to avoid lost. The bag is then put into the matching box. All residents are welcome to borrow a puzzle. Just bring it back in good condition. Leave it on the round table in the game room. We will put it away where it belongs.

Good reading everyone. Any questions? Call Denise at 727-599-2084.

## Paradise Island Flea Market 2015

By Marcia White & Brenda Van Houten

---

**T**he Flea Market is on Saturday March 14, 2015 from 9-1. Early entry at 8 am for \$1.00. The canteen will be open for coffee and donuts as well as for lunch and we will be having a Bake Sale.

If you are willing to donate baked goods please contact Carol Dellechiaie at 727-535-6158. Carol is the chairperson for the bake sale so please contact her directly..

We have a few tables available for \$10. They will go fast so if you would like to sell off some of your treasures, please contact Marcia White @ 727-953-3616 ASAP to reserve your space. Last year we had a record number of shoppers and we anticipate that again this year. I am looking for volunteers to help with traffic control. Even if you can only donate 1 hour of your time to assist , that would be most helpful. Please let Marcia know if you can help.

Set up is on Friday evening from 6-9 pm ONLY. There will be no set up Saturday so please plan your day accordingly if you have tables with us.

Any donations should be brought to the club house on Friday evening from 6-9, March 13, as well. Brenda V. will be the chairperson for the park donations so if you need assistance please let her know at 727-330-6425.

Save the date and plan to attend. We have had a very large amount of donations this year so the park tables will be filled with lots of treasures and goodies as well as all the private vendor tables.

No sign up is necessary.

## Canadian Club

By Brenda Struble

**M**ARCH CANADIAN PARTY WEDNESDAY THE 25th

It doesn't seem possible that another year of fun in the sun at Paradise island is drawing to a close for Canadian Snowbirds. But I guess we have got to face facts, .....we only have time for one more gathering before we have to bid a fond farewell to our American cousins, pack our bags, and head North to the land of ice and snow.

Wednesday the 25th of March will, as always, require that you bring your own place setting, your favorite libation, and a dish to pass that will make others green with envy and want the recipe. Lets make our last hurrah one that will leave us feeling fortunate that we get to spend our winters in Paradise and looking forward to our return next year eh ?

## **Paradise Island Church in the Park**

*By Sharon Kennedy, Secretary*

---

**G**reetings!  
We would like to invite all to join us on Sundays at 9:00 AM in the Clubhouse for a wonderful hour of worship and fellowship. We are a Bible based fellowship of friendly believers. Recently, we have welcomed several of our new Paradise Island residents and many of our "Snowbirds" to our church family. We hope they found the congregation friendly and the message inspiring and will continue to worship with us every Sunday.

The Church in the Park is a Non-Denominational Christian Church where we share our love for the Lord with everyone. If you are unable to attend the service at the Clubhouse, we invite you to tune to Bright House Cable channel 96 and join us in that manner. We hope that you will find our service enjoyable and want to join us in person.

Good News!

The Church in the Park Outreach Fund provides assistance for those in our community that are in need of help. Recently, we have been able to assist members of our community in their time of need. If you, or someone you know, have a need, please contact a member of the Church Board. All requests are confidential. We thank all who contribute to make the Outreach possible. Without you, this would not happen!

Recent changes in our Board of Deacons and Church Board will provide additional assistance in the functioning of our church. We wish to thank Serena Johnson for her years of support as President of the Board and continued success in her new position of Church Elder.

A Happy St Patrick's Day to all!

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722. **WE ARE HERE FOR YOU!**

## **Birthdays and Anniversaries**

*By Carmen Hale*

**P**lease read...  
I've been trying for some time to get resident's birthdays and anniversaries corrected in the Media each month. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. Whether or not you've already talked to me it would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected. I've started

to get notes from Melissa from a few people but there's a long way to go. A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My number is 530-9049. Then there's email. Send your information to [snapshot406@tampabay.rr.com](mailto:snapshot406@tampabay.rr.com). Your help would be greatly appreciated.

**W**e do not have enough interest in the Alaska trip to do it for this year. Maybe we can try for next year when we have more time to plan. We are planning a trip to the Panama Canal on Princess Cruise Lines leaving the 25th of November. The ports of call include Aruba, Cartegna, Columbia, Panama (transit into Gatun Lake), Limon, Costa Rica and Ocho Rios, Jamaica. The cost for the cruise per person which includes port fees and taxes are: Interior room \$1309 Ocean View \$1509 and Balcony \$1709. Transportation to Fort Lauderdale will be additional depending on how many people we have going. These prices are good until the 26th of February and the following perks are included: \$50 per person on board credit, a complimentary dinner at one of the specialty restaurants and only a \$100 deposit to hold the room. We already have 8 people interested so come and join us.

If you are interested please contact Paul or Doris at 727-531-1373 or 978-808-8396 or send an e-mail to [pacdjc2@yahoo.com](mailto:pacdjc2@yahoo.com). We look forward to hearing from you.

## March Is...

**American Red Cross Month.** The American Red Cross plays a vital role in rebuilding communities hit by disaster and providing critical support and resources at home and abroad. As President Barack Obama said in a presidential proclamation in 2011, “During American Red Cross Month, we celebrate our nation’s humanitarian spirit, and we recommit to providing relief and hope in times of crisis.”

**Music In Our Schools Month.** Sponsored by the National Association for Music Education, Music In Our Schools Month is an annual event that engages music educators, students, and communities from around the country to promote the benefits of high-quality music education programs in schools. The program began as a single day of celebration in New York in 1973 and became a month-long salute to school music in 1985.

**National Kidney Month.** Kidneys filter 200 liters of blood a day, help regulate blood pressure, and direct red blood cell production. But 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure, or a family history of kidney failure. During National Kidney Month, the National Kidney Foundation offers health activities to promote awareness of kidneys, risk factors, and kidney disease.
