City of Largo to roll out life-saving Decal Program

By Pat Humphries

The City of Largo will soon roll out the Yellow Dot program in coming months. This decal will let Largo Police Department, Largo Fire Rescue and other first responders know there's vital personal and medical information in your glove compartment. Drivers who get the yellow dot sticker will also receive a form that lets emergency workers know who you are and if you have medical conditions, allergies, or medications.

For more information about the Yellow Dot decal, visit [Largo.com/Public Safety](http://Largo.com/PublicSafety).

Matter of Balance Class

By Pat Humphries

There is a free Matter of Balance Class Mondays and Wednesdays from 2-4 pm at Largo City Hall 201 Highland Ave, Largo, FL . Classes start March 11th and end April 6th. Classes are March 11, 16, 18, 23, 25, 30 April 1 and April 6th.

Matter of Balance is a FREE evidence based, fall prevention program for seniors 60+ designed to reduce falls and increase activity levels. A workbook will be provided and it explores concerns and causes of falls and provides practical strategies on how to prevent falls. Starting at class 3, there will be 45 minutes of light, chair assisted exercises to increase balance and reduce falls. The class is limited to 12 people. Must attend the first class and commit to the next 6-7 classes afterwards. If you wish to attend please contact Summer Mahr, Public Education Specialist Largo Fire and Rescue, 727 587 6740 ext. 2014.

Public Education Specialist

By Pat Humphries

On May 12, 2020 at 7 PM in the clubhouse, Summer Mahr, Public Education Specialist, Largo Fire and Rescue, will have a presentation on hurricane preparedness. Hurricane season runs from 1 June to 30 November. This is always an informative and educational program for all residents and look forward to a great attendance.

The Paradise Island Homeowners Association, Inc.

By Mary Ross, President and Renée D'Arcy, Director

As most of you know by now, Mary Ross, our HOA President, had major back surgery. She is now on a medical leave, again her determination will make a big difference. Let's keep her in our thoughts and prayers for a speedy recovery. While Mary is in recovery, if you have any questions for the HOA, please contact Peggi Toner at 475-8157 she will try to help you.

Thank you to Nadine Peters for volunteering to do the kitchen menu board as well as all the bingo signs for each stations. Furthermore Nadine will be posting dinners each week on Positively Paradise web site. They look fantastic and many people commented on them; very professionally done.

REMINDER TO NORTHERNERS: Please make sure that you double check your contact information at the office before you leave in case you have damage to your home, etc. so that they can reach you.

New Rules and Regulations: In our February article, we mentioned that we were still waiting for a date from the Co-Op office for a Town Hall meeting. Although the Co-Op was planning a presentation to the residents of our community, they now feel there is no need to. The rules are self-explanatory. If you receive a letter of violation and you feel you were not at fault, you have to write a letter in response explaining why you have been unfairly accused. It will be investigated. Do not ignore it or call the management office. You must respond to the letter in writing. If it's not in writing they will not address it with their board.

It is our understanding that the Co-Op will be enforcing the rules and they will be towing your vehicle if you do not adhere to the rules and have a street parking permit.

Please pay special attention to:

Section XI /Vehicles & Traffic – Page 9 & 10 – Paragraphs 2, 5, 9 and 13

Safety tips:

- Scammers work overtime in planning their dishonest schemes. Be vigilant in all you do and remember to change your passwords on a regular basis.
- To avoid someone reading your credit cards with their special scanners, buy a “sleeve” to that effect. Place your card inside it (available at AAA and other places).
- Some fake scanners that look very real can be installed to read your card numbers. To be sure it is the real thing, shake the scanner, to confirm it is secure, especially at gas station but I do it everywhere (Walmart, etc.)

I had to change my debit card twice within the last few months. Someone was trying to charge my bank account. Not only was my bank hit but many banks in the neighborhood were hit as well.

HOA membership meeting for March will be March 4th. Please plan to attend. Social and donuts at 6:30 p.m. ~ meeting at 7:00 p.m.

Social Committee Updates

By Marcia White

We want to wish Congratulations to all the winners at the Talent Show and Thank you Ken and Mary Anne Hopkins for all your hard work in making the show so enjoyable. The media had gone to print before the show so better late than never.

Wow! February came and went with a pretty busy schedule. I hope you all had a chance to attend at least one of our fabulous functions hosted during the month. A special thanks to Jerry Chase for filling in for Ryan Mosley at the dance in Feb. We wish him a speedy recovery. The men's club hosted yet another Sold Out performance of George Casey and what a great fun night that was. We also had the opportunity to honor 5 couples in our community for celebrating 50 years of marriage . Will you be one of the couples we will honor in the future? Thank you Brenda and Dawn and all their helpers for doing such a great job.

Hold on to your hat for March... On March 6th we will be setting up for the annual Flea Market. This will also be the last pick up day for the event. If you are not on Ken's list but have items that you need to have picked up please give Ken or Mary Anne a call at 727-330-3417 to be on the schedule. If you have items you wish to donate and can transport them yourself, please drop them off at the clubhouse on Friday afternoon March 6th. The Flea Market will open at 8 am for early entry. \$1 until 9 am and then admission will be Free on Saturday morning March 7th you won't want to miss this event. On March 10 at 10:00 am we will hold our SC Meeting for the month. All residents are welcome. On Saturday March 14th Nancy & Steve Sullivan will host the dance featuring Tailspin. Come one come all and enjoy a fun night of great music and dancing . On March 21st the Men's Club will host Eric Kearns an all-around entertainer, and remember to get your tickets early. Residents are encouraged to buy your tickets the first 2 weeks of sales. After that anyone may buy tickets and this will be a Sold Out performance once again. Last but not least on March 28th an evening performance of the PI Theater Group will be presented. (SOMEONE SAVE MY BABY RUTH!) and on Sunday March 29th there will be a matinee performance as well. Get your tickets early if you have a preference to time. You won't want to miss this comedy. Our residents work very hard for months to learn their lines and give you a great show.. Let's show them how much we appreciate them by selling out the performances for them !!!! Once again get your tickets early....

I think that the volunteers who make up our Social Comm. have given you a full scale over flowing , list of entertainment for March. We are offering something for every taste so please choose your favorite, or choose you're not so favorite, or choose to support them all. Come out and have some fun with us. Soon our northern neighbors will be heading back north and we will wonder what will we do all summer. In April you will see the summer schedule for those of us who are full time residents. If you don't see anything you like give me a call and we will try to do our best to accommodate your suggestions. In the meantime relax, get some sun, and join us while you can.

See you there and safe journey home to all.

CRAFT CLUB Will Put a SPRING in Your Step!

By Wikki Pyne

Our beautiful Florida March weather has us thinking about freshening up our yards and gardens, planting flowers, and creating some new Spring and garden crafts to enjoy. This month, Craft Club projects will focus on items which can either be placed outdoors in your garden, or on your porch or screen room. Cute little ladybugs, turtles, and toadstools of every color, nestled in your flower beds, will bring lots of smiles. The precious fairy garden gnome homes may just lure a lucky leprechaun or two into taking up residence there.

Hand-decorated metal French flower market containers in fresh Spring colors and patterns, and filled with flowers to match your decor, will brighten up a table anyplace in your home or on your screen porch. Of course, the beachy, coastal style terracotta pot lighthouses... in three sizes and lots of colors... continue to be very popular.

These items, and more, will be Craft Club projects this Spring. They are all easy to make, and there are plenty of people to help you get started. Supplies are provided, and no special talent is needed. The items which are made by Craft Club are offered for sale at the Annual Craft Fair in November, and the money earned goes to the Paradise Island Social Committee for Community projects and for the Craft Club budget.

We meet every Wednesday at the Clubhouse from 1:00-3:00. So, please, go right now and mark your calendars to join us for fun and friendships at Craft Club!

Paradise Island Church in The Park

By Serena Johnson

Blessings! Spring is coming! It really is, this is March right? Just kidding. Let's see what we have this month. Daylight Savings Time begins on Sunday the 8th. and of course on Tuesday the 17th is St. Patrick's Day, and then Spring is to begin on Thursday, March 19th. Yay! Spring is a sign of hope, of new growth and new beginnings. As you see the flowers start to bloom, stop and enjoy God's glorious creation! HIS handiwork is all around you.

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are now studying the book of Daniel. All are welcome, come join us! Choir Practice Thursdays from 10:30 till Noon.

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact:
Pastor Bob Brookhart 480-9793, Pastor Bill Ogburn 474-2722 or Serena Johnson 530-5905.
WE ARE HERE FOR YOU!

Letter to the Editor

Healthy Yards

By Pam Stover

The drastic decrease of insects and pollinators should be a concern for everyone. The good news is that our yards can help pollinators, and it's easy, all we have to do is.....less. Start with considering your lawn as an area rug, rather than a wall-to-wall carpet, with enough vegetative growth around it for animals and pollinators to shelter and nest. Don't clean all the dead branches and leaves. These provide valuable habitat for pollinators. And, most important, don't use toxins. Whatever sales literature tells you, there is NO "safe" pesticide that targets a single species. Also make sure the plants you purchase aren't treated with systemic pesticides. Plants, and plants from seeds, that are treated with systemic pesticides, like neonicotinoids, are highly toxic to insects, and remain so for many years.

Pesticide use is linked to canine and human cancers, hormone imbalances and neurological impairments. Yet, American homeowners purchase more than one billion pounds of pesticides and herbicides every year. This has caused our lawns to become the largest, most toxic, 'crop' in the USA.

Yes, grasses used for lawns might be smothered by excess leaves, but it's much better to mow right over the leaves and create mulch than to blow them away. Leaf mulch will settle into the grass, provide nutrients and reduce the need for fertilizers, weed killers and insecticides.

Driver Courtesy

By Paul Gray

To the person driving down Bahama Lane that struck my dog: he is all right, some scraps and bruises. I know you don't care as you didn't even stop to check on him!

He got out and ran – my fault. You hit him – not your fault. Not stopping – shows what kind of person you are – not very nice!

To all residents, let's slow down and be alert! We never know what is coming up next!

VETERAN'S CORNER

By Bob Behm, US ARMY (RET)

A lot of changes coming down the road in your health care both at the VA and for those of you that have Tricare for Life. I ask you all to pay attention to these changes and if they affect you let your politicians know. Some of the proposed changes are cuts to medical billets and for those of you that use the base or an MTF cuts in the formularies used at the Pharmacy's. Some of the MTF's are even telling people over 65 to get their routine procedures done at regular hospitals.

There was no increase TRICARE for Life enrollment fees or deductibles in 2020. While Congress enacted no new programmed TRICARE, fee increases in the FY 2020 defense bill, several previously scheduled fee increases took effect Jan. 1:

- Enrollment fees for retirees who entered service prior to Jan. 1, 2018. TRICARE Prime: \$300 (single)/\$600 (family), up from \$297/\$594; TRICARE Select: No fee.
- Enrollment fees for retirees who entered service after Jan. 1, 2018. TRICARE Prime: \$366 (single)/\$732 (family), up from \$360/\$720; TRICARE Select: \$471 (single)/\$942 (family), up from \$462/\$924.
- Retail pharmacy fees. \$13 for 30-day supply of generic, \$33 for brand name, \$60 for non-formulary (up from \$11, \$28, and \$53, respectively).
- Mail-order pharmacy fees: \$10 for a 90-day supply of generic, \$29 for brand name, \$60 for non-formulary (up from \$7, \$24 and \$53, respectively).

Although, there are no fees for 30-90-day supplies for generic and brand-name drugs from military treatment facilities (MTFs). Non-formulary prescriptions are generally not available at MTFs. Anybody utilizing MacDill AFB now knows how difficult they are now making it to get your scripts. If you call the script in you can go to the window to get your refill as in the past. The big change is now you have to go to the Main Building and drop a new refill script off and then have to go back to the base the next day to pick it up at the drive thru where the lines are twice as long now. We have also found out without any advance warning that they are just routinely dropping what they use to cover. They have dropped my wife's Insulin, Nexium and Bystolic blood pressure medication. Since you cannot go until they are nearly out you have to scramble to either get them by Preferred Scripts (who have raised their prices) or at Walgreens. So, although there were no increases in Tricare for Life we are now paying out of pocket for these items. They also told us there will probably be more items dropped in the future. As I stated above If you have experienced any of these issues you should also be contacting your politicians to make them aware of them.

The Valspar Championship Golf Tournament at Innis Brooke on Mar 16 – 22 2020 is again offering tickets to the Military Retirees and Veterans. They offer a special viewing tent on the 16th hole and serve free food and beer to all military. The link is: <http://valsparchampionship.com/tickets/military/>

The Valspar Championship is proud to honor the men and women who have and are currently serving our great nation by offering two complimentary tickets per day for US Active Duty, and US Military Retirees. Any additional tickets are available at regular prices.

U.S. Military Veterans are eligible for discounted tickets at \$25 each with a limit of two per day. Any additional tickets are available at regular prices.

Notices of Memoriam for Paradise Island

By Marcia White

It has come to our attention that not all residents are aware that they need to notify the person in charge of writing In Memoriam for our Planet (Media) Book that we each receive every month.

If you have a loved one or neighbor that passes away please call Marilyn Frederick at 727-244-1841. Marilyn is the new volunteer for this service and we wish to Thank Mike and Audrey Gervasi for all their service over the past years. They both have done a wonderful job for Paradise Island and are appreciated for their volunteer work for the Social Committee.

Reminder: If you don't notify Marilyn we are not able to place any notifications due to confidentiality. If you want the community to honor your loved ones then please remember to give Marilyn a call and she will be more than happy to speak with you about your wishes.

Thank You, Marcia White

PS: By Harold Noeller

This notification **to Marilyn** also affects the Birthday & Anniversary notices seen in the **Media. When a death is reported, the 2 lists are updated.**

In Memoriam

By Marilyn Frederick

- George H. Burtch, Lot 421 passed away on Jan. 25, 2020. George was survived by his wife Linda, daughters Linda Hornold and spouse, Karen Fadel and spouse, and son Steve Burtch. George also had one Stepson Joseph Harvey and spouse. He also left behind 5 Grandchildren. May he find peace in the hereafter.
- Richard Doucette, Lot #190 passed away February 5th 2020. He was 87 years old. He is survived by his wife Marie Carmelle, 4 children, 9 grandchildren.
- Nelson Walsh Lot #824 passed away Jan 3rd 2020. He is survived by his wife Betty, 2 daughters, 2 grandchildren, mother and sister.

Please notify Marilyn Frederick of any deaths that you are aware of in our community. Without us knowing we cannot post an article or lower the flag paying you're respects to the deceased and their families. Any help would be greatly appreciated. You can reach me at 727-244-1841. Thank you!

I don't fear death so much as I fear its prologues: loneliness, decrepitude, pain, debilitation, depression, senility. After a few years of those, I imagine death presents like a holiday at the beach. Mary Roach

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rear-view mirror is so small is because what's happened in your past is not near as important as what's in your future. Joel Osteen

Well now that the new year is here, let's all get off the couch and come on into the clubhouse and exercise! Monday, Wednesday and Friday at 10:00 am. Only forty-five minutes out of your morning. Stand or sit to Richard Simmons on the big screen TV, in air conditioning!

It really makes you feel better and gives you energy for the day! See you there!

Vegans

Is veganism in the United States on the rise? Although the Indiana Daily Student website reports that only 3% of Americans identify as vegan, there's evidence that it's becoming more and more mainstream. A Harris Poll survey found that one in five Americans at least sometimes eat vegan when dining out, and data from Impossible Foods shows that more than 50% of millennials and Gen Z members eat plant-based meat at least once a month, compared with one in five baby boomers.

Studies suggest that the slow rise of veganism is linked to concerns about the environment, a desire to address animal welfare, and overall health—although nutritionists point out that meatless burgers aren't necessarily healthier than beef because they include more salt and saturated fat.
