SOME IMPORTANT INFORMATION REGARDING CONTRACTORS

The first and most important fact that most people are not aware of is that it is the homeowner's responsibility to be sure that they only hire contractors that are licensed and insured. This fact is important for several reasons:

- The County holds the homeowner legally responsible if they hire an uninsured and unlicensed contractor.
- The homeowner is responsible for any damage to their home or the property of others caused by an uninsured contractor.
- If any uninsured contractor gets injured while working for the homeowner the homeowner will be responsible for their medical bills.
- Never hire a contractor that is unlicensed and uninsured.

All work done by contractors has be done only Monday through Friday between the hours of 8:00 am and 5 pm. Inside work can be done at other times as long as it does not create a disturbance. Remodeling or construction material waste should be removed either by the contractor performing the work or by the homeowner. Maintenance staff will reject large pieces of furniture, rugs, or appliances, etc. set out for removal. Residents must then make other arrangements to remove these materials from the community.

There are individuals in the park with police records that are providing services to our residents. Despite our best efforts, we have been unable to remove these individuals from the community. You can help do that by asking any individual seeking to work for you if they have a police record and if you are uncertain of their answer check the police department yourself or call the office for information.

If someone comes to your door seeking to do work for you, send them away. This action is in your best interest for two reasons: First, there is no soliciting allowed in Paradise Island; second and most important: THEY WILL CHEAT YOU!

Homeowners Need You

By Jeff Hanson

Many residents enjoyed coffee and donuts at the clubhouse while visiting with friends and neighbors before they have to leave for the summer. We also had some co-op officers stop by to enjoy some friendly conversation with residents. The Welcome Lady also spoke with the group about the many new residents that have moved into our community this winter and hoped that they are enjoying the many activities that are available.

The monthly homeowners meeting started at 7PM. Everyone was told they could stay

...continued on page 6

as the meeting was open to all residents of Paradise Island. As the meeting went on the subject of speeding was brought up. Questions were asked to see if anything could be done. I asked the co-op Secretary Ron Anderson if he would address the group. Ron told us about a radar sign that would display your speed to draw your attention to how fast you were travelling. The sign will be moved throughout the community. He also asked if we would try to get car color and type or tag numbers to report to the office so offenders would be dealt with. He also told us about the fence repair program that was going on. The Co-op is looking into putting fence along Starkey and Willow at a later date. A big "Thank you" to Ron for his time and information.

I want to remind everyone about recycling. The small bins are for aluminum cans only and the big containers are for paper and card board only. If you want to recycle anything else you have to take it down Starkey to the recycling center.

The May meeting will be the last one for the summer. We will begin again in September.

DINNER and BINGO

By Jeff Hanson

Summer is coming and it's getting hotter but at Paradise Island Clubhouse the air is cool. Every Thursday evening you can come have a good dinner for a reasonable price and then stay for an evening of bingo and be home by 10PM.

There have been some changes made since last year and we hope for the better so come by and see what you think. The kitchen is open from 4PM till 6PM then at 6PM we have door prizes, pregame drawings and pull tabs. Then at 6:30PM it's time for bingo. We have 3 games that pay up to \$250 and 23 games that pay \$50. There is a short break about half time when we have popcorn, chips, drinks, candy bars and ice cream for sale. There is also free ice tea and coffee.

Everyone has fun and some win money. If you would like to see something on the kitchen menu let us know and we might try it. If you would like to volunteer we always need help either full or part time. HOPE WE SEE YOU THURSDAY

Volunteer Carrier(s) for Monthly Media

Monthly Media News

UPDATE: Backup distributor needed for end of July and end of September

(For delivery of media bundles to carriers for August and October delivery) If you would like to help us out and deliver to the carriers for the above months it would be greatly appreciated as Arlene & I will be away until July 31st, and again in September. We will not be able to deliver to the carriers in a timely fashion for August & October delivery. You would need to be available 3-5 days before the end of the month to sort the bundles and deliver to the carriers. It would be great if you could ride along with me one or two months to 'learn the ropes'. We get 3 boxes of bundled media each month. Each box is fairly heavy, but I can manage to lift it onto the back seat of my golf cart. I then deliver the appropriate amount of media books to each carrier so they can deliver on their routes. Will you help? Call Pat or Arlene @ 727-444-0005 to volunteer. Thank you!

Volunteers!

We still need Volunteer Carrier(s) for Monthly Media We have a few volunteers, but would like 1 or 2 more for 1 month (backup or interim) or permanent year-round. Contact: Pat or Arlene Rosenheim @ (727) 444-0005

(We need to deliver Monthly Medias so we can continue to receive them here FOR FREE in the park. If we do not get enough volunteers, then receipt of the FREE monthly media will be in jeopardy!)

Park Calendar

By Carmen Hale

Please use the calendar in the center of the Media to get the date and time of activities that are of interest to you. In some cases that will be the only place to get that information. Also check the bulletin board for sign-up sheets.

Hi Neighbors

By Denise Samson-Nadeau

We can tell by the number of books being dropped off at the library that spring is here and the snowbirds are going home. Keep the books coming. We continue to appreciate your donations. As long as they are in good condition, we will continue to catalogue and put them on the shelves.

The "summer crew" will be taking over the library in a few weeks. Many thanks to Peg Grant and Patrick McGing for their excellent work during the summer.

Thank you again to everyone who helped me during the winter months. Our library looks great. I could not have done it without you.

Have a good, relaxing summer everyone. See you in the fall. Keep on reading.

Three Cheers for our Volunteers

By Jim Lambert

Another winter has come and gone and those that call Paradise Island home as seasonal residents are packing up for their return to their respective locations throughout the United States and Canada.

It is no surprise that time spent here is complete with a social calendar that is the envy of communities throughout Florida and beyond. Our social committees and their respective members continue to amaze us with a variety of activities designed to satisfy all residents. It is a safe bet similar social events will not be awaiting them elsewhere.

Rather than producing a list of names of volunteers, I respectfully ask that you make it a point to review the inside cover of the Paradise Island Planet, our community newsletter. Look at the list of activities that are available to us and those responsible for making them happen. Each chairperson donates his or her time for the good of the community; and each has a group of volunteers who see to it the activities are successful.

While I can't speak for everyone, I would find it hard to believe a social calendar as extensive as ours is available in many communities. When I tell my family and friends about Paradise Island, the word envy is the response most offered. I am not surprised.

Webster's dictionary defines a 'volunteer' as one who enters into a service or offers to serve at his or her own free will. There is no paymaster issuing paychecks to volunteers. Volunteers give their time for the good of the community.

Paradise Island is a special residential place to those of us fortunate to live here. It will remain special as long as it has a dedicated group of committee leaders and their volunteer members leading the way. The rest of us should take the time to enjoy the various activities.

It is my wish that Paradise Island will continue to attract residents, whether permanent or temporary, that will accept and adhere to the Rules and Regulations, consider becoming an active member of a committee, and take advantage of what this special place has to offer.

On behalf of a grateful community — THANK YOU, Volunteers!

Afternoon Vintage Tea Party

By Marcia White

I would like to personally apologize for the cancellation of the tea party. When we moved the tea to April, it turned out to be a bad move on our part. It was too late for many of our regular attendees to be able to come so the sales were very low. After meeting with the committee who would be doing all the work, it was decided by the majority to cancel and move the party to February of 2016. I will be booking a date asap to do just that. So please accept my apology for all of the changes and eventually the cancellation. We all hope that you will give us another opportunity to do it right next year.

Thank You, Marcia White and all of the volunteers who make these events possible.

May flowers always line your path and sunshine light your way.

May songbirds serenade you every step along the way.

May a rainbow run beside you in a sky that's always blue.

And may happiness fill your heart each day your whole life through.

Walk Strong (in the clubhouse)

By Carol Dellechiaie & Bev MacMillan

I want to thank everyone who participated in our fun exercise classes. We sure enjoyed ourselves and hopefully lost a few pounds. Classes will finish the end of April and will start up again in November.

Hope everyone has an enjoyable summer and we will see you all in the fall.

When you're true to who you are you'll always find your star.

Chairperson Wanted

By Marcia White

The Paradise Island Social Committee has an opening for a chairperson for the annual Craft Fair. If you have ever wondered how to get involved in our activities and get to meet some really awesome people this is a great way to do just that.

I chaired the event last year and I have compiled a very large list of participants. I can download all my files for you on a memory stick and you would have all the information needed to chair the event. I would be happy to help you but I am unable to chair the event this year.

If you, or anyone you know, might be interested in finding out more details, please contact me directly at 727-953-3616 and we can sit down and talk. It's really a fun event and you meet so many nice participants. You may even end up making some new friends along the way. I know I did.

Paradise Island Donations

By Marcia White

I would like to remind our residents that we collect donations for our annual Flea Market year round. This year your donations brought in \$1600 to the social committee to help fund all of the events we offer our residents.

If you wish to donate any unwanted items throughout the year, please call Marcia White at 727-953-3616 and arrangements will be made for the storage of those items until next year. The Social Committee purchased a new storage shed so that we could continue to offer this

Computer Club Classes

By Harold Noeller

Computer classes are over for the summer. The last class was April 28. For those of you that attended this past season, I hope you came away with some useful knowledge! Classes with resume in October so watch for an announcement in September's issue of the media.

Everyone have a safe and healthy summer!

Men's Club

By Myron Zarlinski

Our winter season came to an end and our northern friends are packing up for the trip home. I hope you all have a safe trip home and have a healthy summer. I already miss my many friends.

Our next affair will be July 4 picnic. All information will come in next month's media.

Our next meeting will be Tuesday, May 5. We'll have coffee and donuts at 9 am. The meeting will start at 9:30 am. We will continue our monthly meetings thru the summer and I hope to see some new residents.

Birthdays and Anniversaries

By Carmen Hale

Please read...

I've been trying for some time to get resident's birthdays and anniversaries corrected in the Media each month. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. Whether or not you've already talked to me it would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected. I've started to get notes from Melissa from a few people but there's a long way to go.

A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My phone number is 530-9049. Then there's email. Send your information to snapshot406@tampabay.rr.com. Your help would be greatly appreciated.

Paradise Island Church in the Park

By Sharon Kennedy, Secretary

Greetings!

The Church in the Park is a Non-Denominational Christian Church where we share our love for the Lord with everyone. We would like to invite all to join us on Sundays at 9:00 AM in the Clubhouse for a wonderful hour of worship and fellowship. If you are unable to attend the service at the Clubhouse, we invite you to tune to Bright House Cable channel 96 and join us in that manner. We hope that you will find our service enjoyable and want to join us in person.

We are a Bible based fellowship of friendly believers. We have been blessed to welcome some of our new Paradise Island residents to our church family. They have found the congregation friendly and the message inspiring and are continuing to worship with us every Sunday. We always welcome new folks, and those of you who have been residents for a long time, to join our worship service. Please come and join our Church in the Park family.

Pastor Bob's sermons are presently paralleling the current NBC television series A.D. and, as always, are inspirational and thought provoking.

Good News!

The Church in the Park Outreach Fund provides assistance for those in our community that are in need of help. If you, or someone you know, have a need, please contact a member of the Church Board. All requests are confidential. We thank all who contribute to make the Outreach possible. Without you, this would not happen!

Our "Snowbirds" have begun to return to their Northern homes for the summer. We hope they are safe in their travel and look forward to their Southern Migration next fall.

If you have a prayer request; have a question about our church and/or would like a visit, please contact: Pastor Bob Brookhart 480-9793 or Pastor Bill Ogburn 474-2722. WE ARE HERE FOR YOU!

BIBLE STUDY WILL RESUME IN THE FALL.

Many Thanks to all who participated.

Tropical Trends Fashion Show

By Carol DelleChiaie

The Tropical Trends Fashion show was a sell-out! Paradise Island Social Committee hosted Patchington Clearwater for an exciting Tropical Trends themed fashion show on Wednesday, March 11, 2015 at the clubhouse. The tables were covered with tablecloths in tropical colors and decorated with leis and floating balloons. Palm trees, tropical birds and fish sculptures, and hand-painted Adirondack chairs transformed the clubhouse into a tropical paradise. Hawaiian music and songs could be heard throughout the hall.

FLORIDA ANCHOR AND BARRIER COMPANY

A beautiful hand-made wall hanging was donated as the door prize. There were lots of raffle prizes donated by the models and the committee members. Beautiful relaxed resort fashions and accessories from Patchington were modeled by park residents.

The ladies lunched on chicken salad, croissants, spinach salad and ambrosia with chocolate pizzelles for dessert. The handsome servers were dressed in tropical printed shirts and did a great job looking after all of the guests. Everyone had a great time!

All proceeds from the fashion show will be used to support the efforts of Social Committee projects.

Thank you to all the models, MC, escorts and servers, kitchen staff, music DJ, photographer and committee volunteers who worked so hard to host the fashion show. Thank you also to all the women who attended this fun event and supported us. We hope to see you again!

Monthly For May

ALS Awareness Month. Amyotrophic lateral sclerosis (ALS), commonly known as Lou Gehrig’s Disease, is a neurodegenerative disease that affects nerve cells in the brain and the spinal cord. The ALS Association uses this month to focus the public spotlight on the disease as well as on global ALS research and public policy efforts.

Get Caught Reading Month. A nationwide campaign to remind people of all ages how much fun reading can be. The Get Caught Reading organization encourages readers young and old to enjoy books and magazines and to share that pleasure with everyone—especially children.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling—and encourage more folks to give it a try.

Skin Cancer Awareness Month. Skin cancer is the most common form of cancer in the United States, with 3.5 million cases diagnosed annually in more than 2 million people. Fortunately, it’s also one of the most preventable. Some simple precautions—stay in the shade, use sunscreen, check your skin regularly—can help keep you healthy and safe.

Daily For May

May Day, May 1. A traditional spring holiday celebrated by many cultures, with roots in pre-Christian times.

Cinco de Mayo, May 5. Celebrated in the United States and Mexico, this date commemorates the Mexican army’s victory over French forces at the Battle of Puebla on May 5, 1862.

Mother’s Day, May 10. Send a card, give mom a call, or take her out to dinner (or all three) to show her how much she means to you.

International Nurses Day, May 12. Celebrated on the birthday of Florence Nightingale, who is remembered for her undying commitment to the cause of health care, this is a day to applaud the nursing community for its service in promoting health.

Memorial Day, May 25. Remember those men and women who gave their lives in the service of the country.

Sometimes it is, in fact, lupus

Contrary to what one cranky television doctor (House, M.D.) would like you to believe, lupus is a very real disease that hundreds of thousands of people deal with every day.

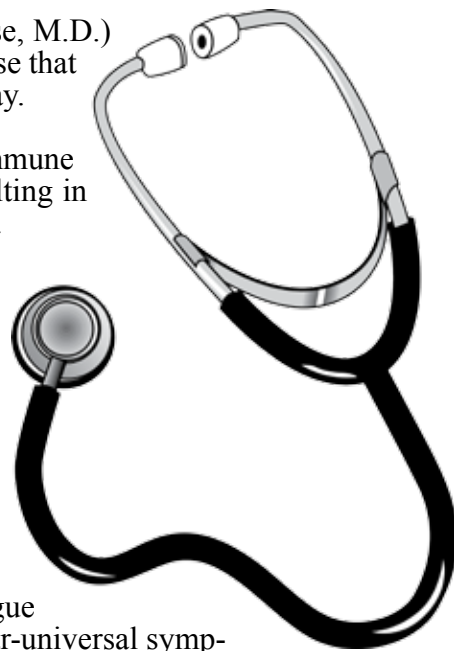

Lupus is an autoimmune disease in which the patient's immune system attacks healthy parts of his or her own body, resulting in inflammation, swelling, and pain, among other symptoms.

What can make lupus dangerous is when it attacks vital organs such as the heart, lungs, or liver. It is more likely to affect women than men, as well as people of non-European descent. However, if caught early, those affected by lupus have a good chance of living normal and healthy lives.

Symptoms of lupus include the following, and if it seems like many apply to yourself, you may want to visit your doctor:

- **Fatigue.** Most people who have from lupus suffer fatigue whenever the disease is about to flare up. This is a near-universal symptom regardless of how strong or mild the case is.
- **Joint and muscle pain.** Arthritis is another common side effect of lupus. Almost three-fourths of all patients report joint and muscle pain to be the first sign that they have lupus. Look for arthritis in the wrists, small joints of the hands, elbows, knees, and ankles.
- **Skin irritation.** Many lupus patients wind up with skin rashes, especially on the face. Sores, flaky red spots, and scaly rashes are also possible, and can be located on the face, neck, back, hands, and arms.
- **Chest pain.** The disease can cause inflammation of the heart and the lungs, which can result in very strong chest pains that can put people at an increased risk of a heart attack or a stroke.

Celebrities who have had lupus include singers Michael Jackson, Lady Gaga, and Toni Braxton, as well as My Favorite Martian actor Ray Walston.

If we are strong, our character will speak for itself. If we are weak, words will be of no help.

—John F. Kennedy
