The Paradise Island Homeowners Association, Inc.

By Mary Ross, President and Renée D'Arcy, Director

November is usually such a happy month thinking about getting together with friends and family to share an incredible meal on Thanksgiving Day. This year it will all be so different we may not recognize one of our favorite holidays. Let's all be thankful. Let's stop all the banter and rumors and be grateful for the blessings we have enjoyed throughout the years.

As reported by the weather channel, this has been the year with the most hurricanes. Fortunately as of this date (October 15) Florida has been spared and the end of the season is on the horizon. We are hopeful it will continue for a little while longer.

An important reminder – A few weeks ago, cars were illegally parked directly across from each other which created a blocked street too tight for an ambulance to get through. The Paramedics were delayed getting to the critically ill resident. It could be a matter of life and death. A few years ago, both ends of the street were blocked and as a result a resident died. Next time this may be you. Before you park your car directly across from another car ask yourself can an emergency vehicle fit down the street? This rule was placed in the Paradise Island Co-Op Inc. Rules for a good reason. Besides not wanting to be issued a hefty fine from the Pinellas County Fire Marshal's Office, The Co-Op Board of Directors are concerned for all residents in the community. Please make sure you also inform your guests.

According to the scientists and doctors specializing in viruses, the second wave of Covid-19 is now starting all over and will especially be bad for Florida because of openings without restrictions all bars, restaurants, etc. Please protect yourselves and others by following the guidelines from the CDC.

Avoid all unnecessary exposure by getting food and water supply for 2 weeks. You can freeze almost anything. Keep in mind when freezing milk, it expands when it freezes so remove about ½ cup before freezing. Presently there are plenty of sanitizers, wipes, Lysol, etc. it is a good idea to get some more so we are not faced with empty shelves like we had in the spring. It is a good idea to have a 2 week supply in case we have to go to a shelter or cannot get out due to any health issues.

Stay busy, take a walk at the beach, visit county parks, botanical gardens, do projects that you have postponed all those years. The weather is cooling off now, we are lucky in Florida to have so many things we can do outside and observe a safe distance.

The HOA will be holding our general business meeting and elections for open board seats the first Wednesday in January in the clubhouse providing we can safely hold a face to face meeting. In January there will be 2 positions. If you are interested in serving your community and volunteering your time contact Mary Ross, President 804 614-6901 for further information and to receive an application.

May God keep you safe and bless you!

Paradise Island Annual Craft Fair

by Nadine Peters – Fall Craft Fair Committee

The Annual Craft Fair will be held Saturday November 7th, from 9 am to 2 pm at the PI Clubhouse. We are excited with all the returning vendors and new vendors. Over 40 vendors are eager to help you with your holiday shopping or just purchasing something new for your home.

EVERYONE will need to wear a mask entering the Clubhouse and while inside. Social distancing will be practiced much like when you are out shopping in retail stores. Entrance and exit is only through the front doors under the canopy. We are limited to the number of people in the Clubhouse at a time, so greeters will be counting the number of people entering and leaving the building to prevent exceeding the maximum capacity. They will also remind guests of the need to wear a mask at all times.

We have worked to ensure the safety of all who attend the Craft Fair. The walkways are wide and tables are arranged to have 6 feet between each vendor area. Although many vendors will have hand sanitizer at their booths, hand sanitizing stations will be set up throughout the Clubhouse as an added precaution. Because masks must be worn at all times, no food or beverages can be consumed while in the club house.

Bake Sale – 9 am – 2 pm or until sold out. If you love to bake, we would love to have your donations of cakes, pies, candy, bars, muffins, quick breads, and cookies. **NOTE: Please bring items bagged and ready to sell.** Bring items either Friday evening 6-9 pm or Saturday before 10 am to the Clubhouse. If you would like to help at the bake sale or have questions, contact Rosie @ 727-538-9453 or Nadine @ 402-750-3083.

Kitchen – Due to concerns about COVID-19 social distancing, the kitchen will not be open during the craft fair. Other than bake sale items, no food or beverages will be sold during the craft fair.

In conjunction with the Craft Fair, the Flea Market will be holding a yard sale outside on the north lawn.

Any questions or suggestions, please contact Nadine Peters.

Call or text 402-750-3083; email: nadine5106@gmail.com or stop by 631 Palm Island.

We're aware that these uncertain times are limiting many aspects of life as we all practice social distancing. While we're continuing to plan events, we will follow the CDC guidelines for the safety of everyone involved.

Golf Cart & Motorcycle Events

By Harold Noeller

Because of Covid19, these 2 events will not be held in December this year.

PRE SEASON FLEA MARKET YARD SALE NOV 7

By Ken Hopkins

We are holding a pre-season yard sale on Nov 7th in the grassy area next to the shuffleboard courts. The sale will run from 9AM to 2PM and is in conjunction with the Craft Fair which will be in the Clubhouse.

The good news has been that we have been blessed with many donations this year, a lot of which is furniture. The bad news is that we do not have any more room for donations. We have maxed the sheds and the wonderful space that has been donated by our residents. So, we are trying to reduce inventory so that we can continue to take donations for the March Flea Market.

Important to note: the money raised from these sales goes back to the community in the form of items needed, prize monies for the various activities, and subsidizing of the events that we hold. It is unfortunate that we have not been able to mix and mingle to this point, but we are holding funds in reserve to insure that all will enjoy the fruits of our labor and your generous donations.

We will have sanitizing stations and will offer masks for those who do not have them.

So, we look forward to seeing you at the sale if you are able to be about. Remember, please, that masks are encouraged and social distancing as well. If you are not comfortable coming out, then please stay away for your safety. Thanks to all who have donated, volunteered, and helped to make this happen.

For information, please contact Ken Hopkins at 727.303.3417 or kenhopkins64@gmail.com
Thank you!!

YARD SALE WILL CHANGE TRAFFIC PATTERNS

By Ken Hopkins

Please be aware that the upcoming yard sale on Nov. 7 will require some changes in traffic flow from 8AM to 3PM. Traffic on Caribbean Way will be one way heading south (Entry). Traffic will be one way on St Thomas Way heading East to Martinique. Martinique will be one way heading north from Bimini to Antigua and Antigua will be one way heading west. There will be no parking on St Martin by the clubhouse, and parking will be limited on St Thomas as we will be using the parking area for furniture displays. There will be volunteers overseeing the traffic and parking so we appreciate you following their direction and abiding by the traffic flow for these few hours. Thank you in advance for your cooperation.

VOLUNTEERS WELCOME FOR THE FLEA MARKET YARD SALE

By Ken Hopkins

We are still looking for volunteers for the yard sale on Nov 7th. We need set up personnel for Friday the 6th from 9AM until done. Also, need assistance picking up donations from various storage areas in the community. On Saturday, we need monitors for the sale to insure that our customers are taken care of, as well as final cleanup and repacking the leftover items for storage in the sheds. All help is appreciated. Thanks in advance for your cooperation.. Contact Ken Hopkins at 727.303.3417.

Social Committee Updates

By Marcia White

I am happy to tell you that Darts is going very well and they are following all the guidelines for the county and the park. I have received a few phone calls telling me what a great job Anne and Kay are doing to make this work. All the participants are happy to be playing again and everyone had a fun time. They are also sanitizing all tables and chairs being used. Thank You ladies, for working so hard to open up the sport again.

Bowling has also resumed and the bowlers are following the guidelines set forth by the alley. Exercise has also resumed and they must follow the guidelines as well.

As is stands right this minute all group gathering activities are still on hold. That includes dances, entertainment events, large parties, etc.

We are hosting the Craft Sale and Lawn Sale on Nov. 7, 2020. 9am-2pm

Proceeds from the lawn sale will be posted in the flea market sales. We need to make room in our storage sheds in order to continue to accept donations from our residents. Each event will be set up following the CDC guidelines. Sanitizing stations will be available both inside and outside at the events. All workers will be wearing a mask and we will monitor the amount of people in the spaces as well. All tables will be set 6' apart. Please plan to attend and you will need your mask for the craft sale.

If we can make this work following guidelines we will look at trying some other events.

This article needs to be turned in by Oct. 15, 2020 so I can't give you any update on what the county is planning to do. As I write this we are currently under the emergency guidelines until Oct. 16, 2020 so once I have the updates I will ask Harold to post on channel 732 for all.

Warm Regards, Marcia White

Water Aerobics

By Anita Reed

The Summer water aerobics classes ended as of October 31st. However, classes will continue through the winter months starting at 9:00 am. each day with Janice Buchko, Mon., Wed., and Fri.--Nancy Beauto on Tues., and Thurs. mornings. There will be no class if temperatures drop below 60 degrees, or if the water in the pool is cold.

Thanks to all who have supported the class during the summer and through these tough times. It was so good to be able to enjoy a bit of normalcy during this time. Have a good winter and will look forward to next spring. Take care and stay safe.

Dart League

The new season began on Monday, October 5th and Wednesday, October 7th. All players will need to wear masks in the clubhouse and social distance 6 feet.

Since we have a friendly competition, the schedule for each team may change weekly from Monday to Wednesday in order to have all the teams play each other. If you are interested in joining one of the teams, and you are available both nights to accommodate this schedule OR IF you would like to be a sub on either Monday or Wednesday (you don't need to be available for both nights), please call Anne Elkins at 727-210-7364 or Kay Sanborn at 727-729-4070.

Ladies Luncheon

By Beth Pieckiel

Ladies of Paradise Island please remember that we will NOT be having our monthly Ladies Luncheon in November due the Thanksgiving Holiday.

Also due the pandemic this year's annual Ladies Christmas Luncheon will NOT be held in our clubhouse and it WILL NOT be sponsored by our Social Committee. So this means no ticket sales, no table selections and no door prizes. I am happy to announce that we WILL be having our luncheon on the same date as it was originally scheduled for which is Saturday, December 5th, 2020 and this luncheon has been scheduled for 12:30 pm as the restaurant doesn't open until noon. I am asking that everyone who will be attending this luncheon bring a \$10.00 wrapped white elephant gift to be swapped during our luncheon. The restaurant I have chosen is:

Rock Salt Grill
19325 Gulf Blvd.
Indian Shores, FL 33785
(727) 593-7625

I will have a sign-up sheet for the December Ladies Luncheon in the clubhouse in a couple of weeks. It is very important for this luncheon that I give the restaurant an accurate headcount for this luncheon. So if you sign-up and find you are unable to attend to please remove your name for the list.

I do hope everyone understands the changes for this year and I hope that we will have a nice turnout for our Christmas Luncheon. It may be bigger that it has been in these past six months, due to our northern neighbors returning soon.

If you should have any questions regarding our luncheons, please contact me Beth Pieckiel at (214) 538-7094. Thanks again for everyone's understanding.

Paradise Island Church in The Park

By Serena Johnson

Happy Thanksgiving!

We have so much to be thankful for. We have a roof over our heads, food to eat, family, and friends. At times we are complaining people, we complain about the weather, and things that do not go our way, or the way someone does something. Those things are very minor compared to the blessings we have. We need to count our blessings, for there are many in this world that do not have even one tenth of what we have in this great country. May you have a happy, healthy month of November and that on Thanksgiving you are able to share a meal with others as you give thanks. Thank you Lord that you have blessed us so abundantly. Let us be a blessing to others and also a blessing to YOU.

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. Please note: We as a church are following all the CO-OP's and CDC guidelines regarding Covid 19, so please feel free to come join us in safety. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are now studying the book of Daniel. Hopefully, we have been able to begin again. All are welcome, come join us!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart (727) 480-9793, Pastor Bill Ogburn (727) 474-2722 or Serena Johnson (727) 530-5905.

WE ARE HERE FOR YOU!

Prayer does not change God, but it changes him who prays. — Soren Kierkegaard

Men's Club

By Art Yeo

The fall season is upon us and we are preparing for Thanksgiving. Even though it has been a trying year due to COVID-19 we still have much to be thankful for. Because many of us won't be returning for the winter season Life as we knew it will change in many ways. There will be no warm weather, no beach visits, no flip flops, but rather winter coats, snow and cold temperatures.

Hopefully, if we all stay positive and follow the guidelines of the medical experts, 2021 will be a better year.

The Men's Club wishes everyone a safe and healthy Thanksgiving and we hope we can all get together soon.

Letter(s) to the Editor

Thanks

things peacefully. It says in the Bible "If you have fought against your brother, go to him and try to work it out so your prayers may be heard. " If you cannot work it out between the two of you then take two or three witnesses and try to work it out.

There are so many false accusations and half-truths circulating in this world that we need to talk to each other instead of listening to gossip or here say. Pray about what concerns you and ask His direction. He will never steer you wrong. Forgiveness is really hard sometimes but that is The only way to real peace. Like it or not God says we must forgive in order for our prayers to be heard. We have a great community here with many volunteers who are working together to keep it that way. We need to support those who give so much of their time and effort for us. They are really mostly thankless jobs but they do them anyway. God has blessed us abundantly in this place by giving us caring, considerate and loving neighbors. Thank you Lord! Thank you all for volunteering to serve. Thank you all for just being you.

WOOD STORK

By Pam Stover

The only native stork in North America, the wood stork resides all over Florida, though is rare in the western Panhandle. Growing up to 3 ½-foot tall and with a 5-foot wingspan, it has white and black wings and a bald head. It flies with its feet dangling behind. As a feeder in shallow ponds and swamps, this large bird uses tactolocation, sweeping its slightly opened bill back and forth to find prey in the water. Its diet includes fish, snakes, frogs, and snails. Storks love to glide to save energy, and a large group of them will find a warm updraft and form a “kettle.” Circling to ever higher elevations, the storks then soar effortlessly for many miles, gradually decreasing in height, to new feeding grounds. Long-lived for a bird, wood storks can live up to 20 years.

To keep our stork and many other native species, we must keep our wetlands.

Sharing the Garden with Butterflies

By Pam Stover

Our home gardens can supply a variety of veggies, kitchen herbs and plants for pollinators. Still, it can be quite a surprise to find parsley or dill, intended for soups and stews, eaten down to bare stalks by hungry caterpillars. If you have space, it may be a good idea to plant a variety of butterfly host plants or enough herbs to share with the caterpillars.

Many of the plants used by butterflies as host plants for their caterpillars aren't foods we have

in common. Monarch caterpillars eat milkweed leaves, gulf fritillary caterpillars only eat passion flower leaves and giant swallowtails feed on the leaves of prickly ash, citrus and rue. Black swallowtail caterpillars eat several host plants, including parsley and dill. Planting bronze fennel nearby can be an attractive solution as the female butterflies will often choose this plant over parsley or dill to lay eggs. Several caterpillars can hatch and grow on a single fennel plant, and they can eat a lot of the leaves and stems. Usually bronze fennel eaten down to the stalks in summer comes back to full, lush plants in cooler weather.

Golden alexander (*Zizia aurea*), found mostly in Central and North Florida, makes a good addition to a pollinator garden. Fragrant clusters of tiny yellow flowers bloom in spring providing an early nectar source for bees and butterflies, and the black swallowtail caterpillars feed on the leaves.

Rue (*Ruta graveolens*) is an herb that serves as a host plant for both black swallowtails and giant swallowtails. It grows well in our Florida climate and usually is still going strong in late summer when most of the feathery herbs are gone.

A garden with host plants for caterpillars and nectar flowers for adults can provide a place for each stage from tiny eggs to adult butterflies. With luck, if you watch closely, you might see the remarkable life cycle of a beautiful butterfly unfold in the garden.

VETERAN'S CORNER

By ROBERT BEHM, President

Military Officers Association of America - Clearwater Chapter

I hope this message finds you and your Family's healthy and safe! I wanted to inform you that in my Zoom meetings with Largo City Hall, they will not allow us to have a Live event this year for Veteran's Day, once again they will be doing a virtual event. I wanted to wish you all a Happy Veteran's Day!

There is good news from the hill that Congress passed a Continuing Resolution to fund government operations until December 11th. The bad news is, that it is a Continuing Resolution - with limited advance money for new programs, and funding remaining at FY 2020 levels. Divisiveness on the Hill will be in full bloom over the next few months because of the hearings on the Supreme Court nominee. That is bound to have an impact on getting the regular business of Congress -- finalizing the NDAA and completing all the appropriations bills -- done by the December deadline.

Also, there is the matter of the repeated threat of a Presidential veto of the NDAA because of the provisions on changing the names of Military facilities, blocking the transfer of DoD funds for building the "Wall", and halting the cuts to military health facilities and personnel.

One of the big things as Veterans, we want this time is section 1090B in S-4049 (the Senate NDAA) is included in the final NDAA out of the Joint Conference Committee. That specific provision would provide VA coverage of three "presumptive" conditions linked to Agent Orange -- bladder cancer, Parkinson's-like symptoms, and hypothyroidism. A vote was taken on the initial Senate NDAA but the listed Senators voted against it. Scott (FL), Paul, Lee, Kennedy,

Cruz voted NAY on section 1090 B in the (S-4049 the Senate NDAA) which provides coverage to Vietnam Vets for three new presumptive diseases associated with exposure to Agent Orange, as I stated above. These five were the only votes against that Amendment. I am asking you do contact Senator Scotts office to ask him to support the NDAA with section 1090B is included in the final NDAA. They should be voting again in early November after the elections. You can goggle his name and you will come up with his contact info and email him or you can contact him at 202-224-5274 or his mailing address at 716 Hart Senate Office Building, Washington, DC 20510. Although the NDAA is important to all of us in the Military, as I said above it is really important this year for Vietnam Veteran's. It's estimated that 80,000 Vietnam veterans may be suffering these longstanding illnesses from exposure to Agent Orange, and may be helped by this legislation.

Military dependents and retirees now have through the end of June 2021 to access benefits using ID cards that expired this year, thanks to an extension of temporary ID card rules issued in response to the COVID-19 pandemic. Typically, cards must be applied for, issued and updated in person up to 30 days before the expiration date at one of the more than 1,600 ID card offices on military facilities worldwide. Cards that do not expire, such as those held by retirees over 65, do not need to be renewed. But in an effort to reduce crowds at ID card facilities during the pandemic, officials in April issued guidance allowing dependents and retirees to continue to use cards that expired this year to access both military bases and benefits through the end of September. New guidelines issued this month bump that expiration extension into next year. Now, holders of those cards will be able to use them for benefits such as medical care through June 30, 2021, and for base access through March 2021.

Welcome to our new Welcome Team for Paradise Island.

By Marcia White

Ken and Nancy Jonas will be the new team for our welcome committee. In the past we have always had a welcome lady but with Ken stepping up to fill the vacancy due to a resignation, we are pleased to welcome Ken aboard. For the time being we are still not doing personal visits since the county still has us under social distancing and mask requirements. We don't want to make anyone uncomfortable by visiting in person so if you are a new resident who has moved into our community since the start of the Covid 19 epidemic, please send your name and lot # to Nancy and Ken and they will be happy to drop you off a package of information regarding our community activities under normal circumstances. We will also include some freebies to be used for future programs and bingo once we have resumed all activities. Until then we welcome you our paradise and hope to get the opportunity to meet all of you in person in the coming months. Send the information to kmjnj@yaho.com or you can call with your information to 727-221-9613 and they will be happy to get you a package.

Thank you Nancy S. for all your past visits and time you donated to welcome our new residents. We appreciate all that you do for this community.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
