Emailed Agendas and Minutes of Co-Op Board Meetings

The **ONLY** way to opt-in to this service is the following: Co-Op members **MUST** send an email to the Co-Op secretary at secretary@ParadiseIslandLargo.com stating your wish to participate, provide your name and lot number, and acknowledge that you understand that the Co-Op minutes are confidential.

New Projects Around the Park

By Ron Anderson

The August 12, 2015 Co-Op board meeting introduced a number of new projects that will be commencing in the near term. As these projects will be quite visible and will impact most of the residents in the park, it is appropriate that we give you a heads-up.

1. Renovation of the pool deck — this will consist of covering the pool deck with flat, non-skid pavers and improving or replacing related items such as drains etc. This will necessitate closing the pool for approximately one week.

2. Replacement of the clubhouse flooring — the present flooring is nearly 30 years old and needs work. This will consist of removing and replacing the old flooring wherever it exists (main rooms, restrooms, kitchen, and hallways).

3. Replacement of the kitchen appliances — some of the present appliances were bought used and are approaching the end of their useful lives. All of the current appliances will be traded-in for new ones. The replacement of the clubhouse flooring and installation of new appliances will necessitate closing the clubhouse for about a week, with coordination of the installation of the appliances with the completion of the flooring project.

4. Installation of a 6-foot high solid vinyl fence along Starkey road, behind the new sign, and along Willow to a point near the park entrance. The City of Largo will tell us exactly how close we can come to the park entrance. At this time, we are determining the route that the fence will take with the goal of minimizing disruption of the trees, etc.

5. Maintenance work on the wood portion of the park fence. — This will consist of repairing the fence where possible and replacing those portions of the fence that are not repairable.

...continued on page 6

6. Repairing sidewalks as needed.
7. Replacing the awnings in the shuffleboard area.

It must be emphasized in the strongest possible terms that the financing of these projects WILL NOT necessitate an increase in the rent or maintenance fee of any Park resident.

Homeowner's Meeting

By Jeff Hanson

Summer break is over already Homeroowners will meet September 2, 2015 at 7 PM in the clubhouse all residents are welcome to attend. We are taking applications for people to fill two vacancies on the board. We also need people to help in the kitchen and with bingo on Thursdays.

We will cover some of the things that have happened over the summer and try to answer all questions. We will not know anything about the rent until the meeting October 7. By then everyone should have a letter mailed to them.

Hope to see you at the meeting and remind your neighbors to attend.

Park Calendar

By Carmen Hale

Please use the calendar in the center of the Media to get the date and time of activities that are of interest to you. In some cases that will be the only place to get that information. Also check the bulletin board for sign-up sheets.

In Memoriam

Lot 90, James Reed passed away July 31, 2015. James is survived by his wife, Anita.

Lot # 552 Sue Fiorentino passed away August 13. She is survived by her daughters, Susan and Joyce, one son Michael and a brother.

Please notify Mike and Audrey Gervasi of any deaths that you are aware of in our community. Without us knowing we cannot post an article or lower the flag paying you're respects to the deceased and their families. Any help would be greatly appreciated. You can reach us at 727-507-8947

Thank you, Mike and Audrey Gervasi

New Residents

By Amy Martin

Thank you.

Media Delivery

By Pat & Arlene Rosenheim (#666) - (727) 444-0005

Pat & Arlene Rosenheim would like to thank Bruce and Linda Carter (#568) for covering for us while we were away up north visiting our family and old friends. They did an awesome job delivering the media bundles to the carriers for August delivery! We'll be going away again in September and they will once again cover for us to deliver the bundles to the carriers for delivery of the October media. We must say, it's nice to see new residents step up to the plate so quickly! So, let's all thank Bruce and Linda for helping to get our medias delivered to us!

Also, many thanks to the new carriers that stepped up these past few months and took over when other carriers suddenly resigned. We still have a need for permanent (and temporary!)

...continued on page 10

carriers that I expect will be utilized in the next few months as some of our older carriers can no longer be expected to continue delivering the media door-to-door.

Sadly, we will no longer run an article in the Spring (or Fall!) asking for residents to notify us when they leave for the Summer because we had anywhere from 200 to 400 (or more) residents leave but only about 20 people called to have media delivery stopped. This resulted in so much waste of time, manpower, and materials that it just makes sense not to even ask for residents to call and let us know when they'll be leaving. Instead, call us when you get back and let us know when to resume delivery and also PLEASE (PLEASE!) tell us when you'll be leaving. Some of our carriers are quite elderly and it isn't easy for them to get around to try to deliver the media to vacant homes, so please be considerate of your neighbors and don't waste their time and effort in making Paradise Island such a nice place to call 'home'.

Thank you in advance for your cooperation!

Respectfully submitted,

Pat & Arlene Rosenheim (#666) - (727) 444-0005

Update on Limited Free Parking at Parking Meters

By Ron Anderson

Last month I wrote an article explaining that the state of Florida allows free parking for up to 4 hours at parking meters for cars displaying a handicap parking tag or license plate. I stated that the 4 hour limit could be extended by localities if they wish — Tampa adheres to the 4 hour limit, but St. Petersburg allows all day parking but not overnight. I have since learned that Clearwater allows all day parking but not overnight; and that, should you forget to display your tag and get a ticket, you can bring the ticket, your tag, the piece of paper that looks like a car registration giving you permission to display the tag, and a picture ID to police headquarters within 24 hours and they will void the ticket. (Told to me verbally by a Clearwater policeman).

Paradise Island Cat Round Up

By Carol Capuano

We had our first free roaming (feral) cat TNVR (trap, neuter, vaccinate and return) round up with Meow Now on June 13-16. It was truly a community event with a lot of support from Residents who:

1. Donated cat food, tuna towels and sheets
2. Gave addresses of where cats could be found
3. Volunteered on a hot and humid week end to trap cats, special thanks to these residents
4. Volunteered to release cats to the exact location they were trapped on

I also want to give a special Thank You to the HOA who covered the \$525.00 donation fee.

As a community we trapped 21 cats, 5 were kittens that were healthy and friendly so were put up for adoption and not returned to our community. The other 16 adult cats were returned to where they were trapped and have an ear tipped for easy identification.

TNVR is a program with Meow Now whose goal is to control the free roaming cat population in Pinellas County and to make the existing population healthier. Meow Now was very impressed with our community and all the resident involvement and volunteers. We truly do have a great community that comes together to try and make our community even better and for that I am especially proud to say I live in Paradise Island.

Landscaping: Are we settling for mediocrity?

By Jim Lambert

There was a time when the grounds here in Paradise Island were maintained in a way that had residents eager to have visitors come to admire the premises. The lawns were evenly cut, the weed whacking was down with attention to detail, the blowing of the residual elements was thorough; and the streets were always vacuumed and left clean of debris.

Now, it seems as though those hired to maintain our respective properties are hired on an 'as needed' basis. One would have to wonder to what degree those doing the job are experienced. Other than seeing a mixture of lawn maintenance crews, many of whom are indistinguishable due to bandanas and face coverings, it is reasonable to assume there isn't much in the way of training going on; or, for that matter, any management of the group at all.

If noise is part of the deal, it's a success because there is plenty of it. Starting early in the morning the mowers, whackers, blowers, and trucks are busy going through the park. In the field of sales, it's called "selling the sizzle not the steak."

One of the more troubling aspects of our landscape caretakers is the manner by which they operate the mowers. Granted, there are many obstacles which make the task somewhat difficult. That's understandable. However, it is troubling to see the irreversible damage the mowers are causing when the

lawns are soaked or puddles exist from rain. In some cases, they are just shy of doing ‘wheelies.

Why should residents have to go out after the grass cutters are gone to take care of their property properly by weed whacking and blowing the areas ignored by the crew. That’s not what we are paying for, nor should any resident be assessed for lawn maintenance if the company under contract is not acting responsibly.

Perhaps it is time to summon someone from the management side of the lawn maintenance group to explain what is taking place. If the company was awarded the bid based on the criteria as set by the Board of Directors, it is bound by the criteria. It’s simple enough. We shouldn’t have to settle for mediocrity.

If we want Paradise Island to be the showcase of manufactured homes in the region, let’s demand more from our landscape contractor. If we care about our property, we can take our message to our park’s manager by calling 727-535-2172 to exercise our right to be heard.

Can You Play Songs on the Piano?

By Marian Chase

A lot of us volunteer outside the park, library, hospital, schools, etc. Right now there is a real need for someone to play simple songs for sing-alongs. ARC (Association of Retarded Citizens) of Tampa Bay is looking for a volunteer to play once a month, or more if you wish, at their Clearwater location. You don’t have to be prefect and you can choose the day and time. It brings such joy to these special needs folks, please help if you can.

Contact Volunteer Coordinator Deborah Simeone 727 799-3330 Ext 7632, feel the love that comes from helping.

Hi Neighbors

By Denise Samson-Nadeau

We can tell by the number of books being dropped off at the library that spring is here and the snowbirds are going home. Keep the books coming. We continue to appreciate your donations. As long as they are in good condition, we will continue to catalogue and put them on the shelves.

The "summer crew" will be taking over the library in a few weeks. Many thanks to Peg Grant and Patrick McGing for their excellent work during the summer.

Thank you again to everyone who helped me during the winter months. Our library looks great. I could not have done it without you.

Have a good, relaxing summer everyone. See you in the fall. Keep on reading.

Craft Fair 2015

PARADISE ISLAND ANNUAL CRAFT FAIR

Here we are already in September and before you know it all of our northern neighbors will be back with us and our activities will be in full swing .
Our craft fair will be in November, so please mark your calendars now and save the date.

November 7, 2015 at the clubhouse from 9am-1pm.

We hope to have another banner year. We are working hard at filling the clubhouse with crafters for you. We will also host a bake sale, and the canteen will be open for coffee and donuts in the morning, and then again for Lunch. Even if you don't like crafts you can come and have a nice lunch with us.

We have some tables still available so if you would like to join us and sell your crafts please contact Marcia White at 727-953-3616. All wall spaces are \$15, and all other spaces are \$10 each. Each comes with a 6' table for your convenience.

If you have participated with us before you should have received and email with this years application attached for you. If you did not get this email, please call Marcia and she will be happy to resend for you. If you are not able to get emails, we are happy to mail you a hard copy.

Looking forward to hearing from you soon.

Warmly, Marcia White & Agnes Basel

What are Some Good Items to Sell at a Craft Fair?

Weather can make a significant difference in sales. If it's going to be hot, it's not the best time to sell winter scarves. And, handmade chocolates or other foods are likely to melt or spoil. But if it's going to be cooler, scarves, hats, booties or even artisan hot chocolate mix could be hot ticket items. Since our fair is Fall/Winter below are some sample items.

If a holiday is approaching, bring along a few seasonal items to draw traffic to your booth. Because most holidays have particular colors associated with them (black and orange for Halloween, or red and green for Christmas), the color combinations will stand out as people walk by, grabbing their attention.

A craft fair isn't the place to drag your biggest items. Craft booths are small and cramped. And, customers usually don't want to buy large items to carry around as they shop. Bring smaller, easy-to-transport items. If you sell larger items, bring a sample or create a photo display. Make it clear that you accept custom orders and arrange pickup or delivery. This can be an effective way to spread the word about bigger items, even if you can't bring them with you.

If you're a fabric crafter, sell handmade shopping bags to help buyers carry their purchases. Most craft fair vendors deal in cash. So make sure most of your items are a reasonable price for cash buyers. If you sell more expensive items, consider purchasing a mobile credit card reader for your phone or tablet. Place a sign on your booth to indicate you accept credit cards.

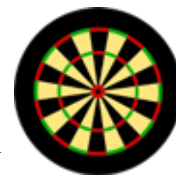

When pricing items, James Dillehay, author of *How to Price Crafts* recommends adding the cost of your materials and the cost of your time -- if an item takes 2 hours to make and you pay yourself \$12/hour, the cost for time is \$24 -- for total unit cost. Then, compare similar items to determine how much to price your item over the total unit cost to earn a profit.

Paradise Island Church In The Park

By Peg Sayre

Resident and Church Member
Hello to All! The Church in the Park is a Non-Denominational Christian Church where we share our love for the Lord with everyone. We would like to invite you to join us on Sunday at 9:00 AM in the Clubhouse for a very inspirational hour of worship and fellowship. If you are unable to attend the service at the Clubhouse, you are invited to tune in to Brighthouse Cable channel 96 and join us that way. We hope that you will find our service uplifting and enjoyable and want to join us in person when you can.

We are a Bible-based fellowship of friendly believers. We are always happy to see new faces attend our service.

The Church in the Park Outreach program is a fund that provides assistance for those in our community that may need help. If you, or someone you know, have a need please contact a member of the Church Board. All requests are confidential. Thank you to all who contribute to make this program possible. Without you it would not be possible.

If you have a prayer request, have a question about our Church and/or would like a visit from one of our pastors, please contact either Pastor Bob Brookhart at 480-9793, or Pastor Bill Ogburn at 474-2722. We are here for you.

Birthdays and Anniversaries

By Carmen Hale

Please read...

I've been trying for some time to get resident's birthdays and anniversaries corrected in the Media. There have been quite a few residents who've contacted me. Thanks to all of you. If your information is still incorrect all you have to do is let me know either by phone or email.

Melissa, (in the office) has volunteered to lend a hand to help get this problem resolved. It would be helpful if you would put your name/s, lot number, and birthdays and anniversaries on a note and leave it with Melissa or put it in the same envelope with your lot rent in the payment box in front of the office. She'll collect them and give them to me periodically so I can make the corrections and finally get the lists corrected.

A phone call to me or a note left in the Media box at the foot of my driveway would work even better. My phone number is 530-9049. Then there's email. Send your information to snapshot406@tampabay.rr.com. Your help would be greatly appreciated.

FLORIDA ANCHOR AND BARRIER COMPANY

September Is...

Baby Safety Month. Drowning, falls, chemicals, and other hazards can endanger the life and health of any small child. During September, take a good look around your house and eliminate any threats to babies' safety that might be hiding in plain sight.

Library Card Sign-Up Month. A time to remind parents and children that a library card is the most important school supply of all. If you don't already have a library card, get one in September; if you do, visit your local library and use it.

National Bourbon Heritage Month. A celebration of bourbon as America's "Native Spirit." The U.S. Senate declared September National Bourbon Heritage Month in 2007, calling on those who enjoy bourbon to do so responsibly and in moderation.

National Campus Safety Awareness Month. College campuses are not immune to destructive behaviors and violence due to high-risk drinking, drug abuse, sexual assault, fire safety, and more. As your kids head to college this month, talk to them about safety and investigate the resources their school offers.

Week to Week

National Suicide Prevention Week, Sept. 8-14. An annual campaign to inform and engage health professionals and the general public about suicide prevention and warning signs of suicide. Awareness events are held throughout the week around World Suicide Prevention Day, Sept. 10.

National Truck Driver Appreciation Week, Sept. 13-19. Sponsored by the American Trucking Associations, a federation of state associations, affiliated conferences, and individual members committed to developing and advocating policies that promote highway safety, security, environmental sustainability, and profitability.

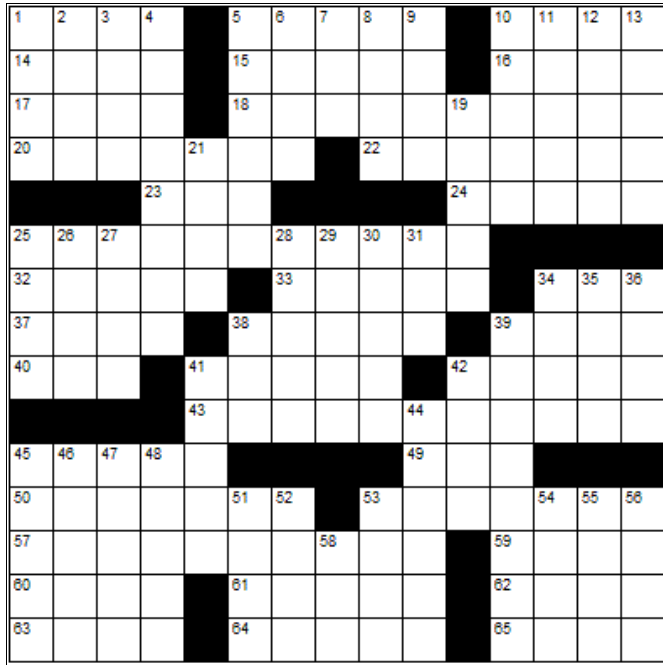

Pollution Prevention Week, Sept. 21-27. The best way to protect the earth and its people is to stop creating pollution in the first place. Less waste and pollution means fewer hazards to public health and the environment. Pollution Prevention Week highlights the efforts of the EPA, its state partners, industry, and the public in preventing pollution right from the start.

Banned Books Week, Sept. 27-Oct. 3. Sponsored by the American Library Association to promote the importance of ensuring the availability of books to all who wish to read them.

Two-minute walks may improve your health

Exercise keeps you healthy. Fortunately for busy people, exercise doesn't have to mean working out at the gym or running a marathon. A study reported on the Science Daily website found that adding just two minutes of walking per hour to your routine can extend your life expectancy.

Scientists at the University of Utah School of Medicine discovered that taking a two-minute walk once an hour was associated with a 33 percent lower risk of dying. Even brief walks add up to a substantial benefit when taken often during the day. The scientists emphasize that these walks should be an addition to a moderate exercise habit, not a replacement for one. It's a step in the right direction.

Protect your hearing

Excessive noise in the workplace (or anywhere else, for that matter) can damage your hearing. The Medicine Net website warns that you risk hearing loss under these noisy conditions:

- You need to shout so that people an arm's distance away can hear you.
- Your ears begin to hurt from the volume.
- Your ears are ringing.
- You suffer temporary hearing loss after being subjected to constant loud noise.

All you need is love. But a little chocolate now
and then doesn't hurt.
