**A** few FUN Facts about May:

- May birth flowers are Lilly of the Valley and hawthorn
- Birth Stone is Emerald
- Zodiac sign for May are Taurus (April 20 - May 20) and Gemini (May 21 - June 20)
- The month May was named for Maia, the Greek goddess of fertility.
- May 1, 1931, Empire State Building was officially opened
- Armed Forces Day - celebrated the third Saturday of May
- Mother's Day - celebrated on the second Sunday of May
- Memorial Day - celebrated on the last Monday in May.
- May 5 - Cinco De Mayo
- On the first Saturday in May, the Kentucky Derby takes place.

TREES - GOOD NEWS!!!! My new Regional Vice President has proclaimed we trim palm trees once a year.

We are getting palm trees trimmed this month! These are the palms that are at the end of each drive and main roads.

NEW HOMES – We have 3 new homes left – Starting at \$82,000.00 up to \$91,000.00

Tell your friends and family –get that \$1,000 referral fee if they buy!

REMINDERS –the Pool is closed from June 5th thru June 30th – This is to fix the pool coping. It is a safety issue and must be fixed.

PARKING - Please refrain from parking on your lot in the grass. Parking can be in the street for a 2-4 hour minimum, however the prospectus states that residents must use driveway or designated parking areas. Now let's expand on the designated parking area. If you get city/county approval and park approval you can pour concrete and create a parking space in front or on the side of your home.

SPRINKLERS – Please follow the Pinellas Park Water Restrictions – EVEN # homes water on Thurs. & Sun., ODD # homes water on Wed., & Sat., Morning hours are from 12:00am to 10:00am – Evening Hours 4:00pm to Midnight.

Hand watering of plants (other than lawns) can be done on any day and any time.

Please come to the office to get a copy of this schedule if you do not know it. There are also rules on watering new lawns and plants.

The emergency number is still 877-786-6048. A service is hired by Sun Communities, and when they receive a call, they will call the person in charge first, then Mike Milleman, maintenance second.

## April HOA Report

At our last Homeowners meeting on April 10, 2017 the focus was increasing the HOA membership! Several suggestions were made including an orientation that would be repeated two or three times a year.

We hope that you will support him and the newly elected HOA Board. Remember that there are still openings on the board. Let Marcia or Mike know if you are interested. Let's go for 100 % Membership in 2017!

If we do not have a full board, we are in *danger* of losing our HOA. Losing our Park Royale HOA means we lose:

- Shuffleboard Club and its activities
- Royalties Social Club and all its activities
- Pet Club and its activities
- Picnics and Sports Activities
- Having a Mediator between Sun Communities and Park Royale Home Owners regarding our issues.

\*\*\*Look for a flyer in your Park Mail Box inviting *all Non-HOA members to a Meet and Greet orientation*. This is a night when you can meet your New Park Royale Board! Bring your ideas, suggestions, questions, park issues, board issues and any solutions.

*Come Make Park Royale Great Again! BE THE CHANGE YOU WISH TO SEE IN THE WORLD!*

It can only happen when those of us that live here year-round care enough for the Park we live in to make a difference.

## Movie Night

by Gloria Evans

The next movie is still to be determined. Watch for a flyer on the board in the clubhouse once a movie has been selected. Thanks to all who attended movie night. It is scheduled the second Friday of each month! Bring your chairs, pop corn and enjoy!

*Worry is wasting today's time to clutter up tomorrow's opportunities with yesterday's troubles!*

## From the Media Editor:

Where did the time go? As I watch the heavily packed up cars, CUV's, SUV's or trucks leave the park for the season, I am grateful for the opportunities and friendships that this past year offered. Nothing seems to slow down the energy and determination of the volunteers when it comes to coordinating a social event. Many thanks to all who made an event a success, as well as special and memorable. Who knows what next year will be?

All Media materials and monthly public relations reports must be submitted by the 10th of the month! And we are looking for pictures!!! Again, I appreciate the many residents who have submitted articles, jokes or stories to the Media. We have time and space now for a Bio of a resident who has done something unique. Let me know and we can write the story!

---

## The Birthday Lists

---

**W**e are trying to complete our birthday list and you can help by adding your name and birthday to the Media correction sheet posted in the hallway of the club house. You can also put your name, phone number and/birthday in the box in front of the office. Many thanks again to Ruth Sloan who has spent countless hours in addressing this issue.

Note: Sign-up sheets will now be posted in the brand new cases in the hallway and on the main easel at the entrance of the clubhouse. Be sure to sign up for your favorite activities. We don't want you to miss out on any events!

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

## Common Courtesy

---

**T**his article addresses ideas, suggestions, observations etc. on safety that should be shared with others in the Park.

### Safety Meeting

*Submitted by Vicki Miller*

Another informational safety meeting was held in March with guest speaker Officer Sosa-Jones. There have not been issues in the Park which may be due to the increased police presence this past month. This is especially important for those of us who live in the front of the Park and have seen multiple arrests at the Circle K station in the past. Officer Sosa-Jones reminded those who may have seen an "incident" not to intervene but to call the non-emergency number.

A bicycle registration took place on April 7th at 2:00 PM. At that time there were 34 bikes registered with pictures. There is an effort now to see if Golf Carts can be registered. Be looking for more information this fall.

Once again phone scams were discussed. Officer Sosa-Jones said if someone calls you and asks for your name, do not respond because it may be recorded and used to obtain your identity.

And, last but not least, for snowbirds or anyone going on vacation, let Officer Sosa-Jones know and he will provide you with a form which requests more frequent drive-by checks of your home during your absence.

We all want to be safe. Please watch the bulletin board for the next safety meeting. Remember, report anything you see happening that concerns you.

### Our Library at Park Royale

When you go into the library, take a good look around . In the past there were mountains of books overflowing in the bookcases and on the floor. Janet Hazen (712-209-1838) our librarian, has completed the coding of books and has grouped all of the books appropriately. If you have taken a book out of the library recently, please return it to its proper alphabetical order.

Other officers are wanted to keep this social group active.

### ROYALITES REPORT

The Board met to plan the activities for the 2017/2018 season at Park Royale. Our mission statement designates that community involvement is the first step towards a successful function. With that in mind, remember, if you really want an activity, step forward and ask to chair it. We will give you all of the support you need.

We will continue to do all we can to promote and host events like we have had in the past and also promote and host new ones as well. We do ask that you swing by the clubhouse and check the big sign out front for upcoming events and to also stop on inside and check the bulletin board for more event information. While you're at it, say hi to Joanne and Kris.

Some events/Park functions going on this May are....

Movie night, Card night, Card Bingo, Mother's Day tea, Memorial Day Picnic and a Pot Luck!

Check out our parks web site at [www.ParkRoyale.net](http://www.ParkRoyale.net)

The new Board will meet soon and positions will be assigned along with the swearing in of the officers. Our goal is to be a Board that delegates and directs, getting as many residents involved in the social life here at Park Royale as possible. Our success is in your hands. Your support is necessary, your volunteering is needed.

Say "hello" to any new neighbors and please invite them to join in...this is our park, let's make it great!

## Shuffle Club

Submitted by Grant Sloan

We welcome new people who are interested in shuffle every year. Our season began in November and goes through to March, it is not too late to join and there is no cost for 1st year shufflers. If interested, contact Grant Sloan at 727-290-9352. See you at breakfast.

Activities sponsored by the Shuffle Club include: The Soup Supper, Spaghetti Dinners, breakfasts and more. Mark your calendars now for these favorite events!

## PPPC ON THE MOVE

The Purple Paws Pet Club has a mission, which is to serve our local community by being energetic advocates and champions for the dogs, the cats and the birds residing in Park Royale. All of our decisions are filtered through this mission, and if you would like to support the pets of our community, please contact us for information about the Purple Paws Pet Club and what it is doing to advocate of our pets. Any monies earned by the PPPC are spent on the pets in our Park, and is never used outside it.

If you would like to allow pets on your property, please sign the list on the board to have a Purple Paw sticker delivered to your home. You can attach the sticker to the window of your home, so dog walkers can understand that you have invited them.

Properties that do not have a “Paw” sticker should not be used by dogs.

Jay Johnson is the President of the Purple Paws Pet Club and can be reached at 727 289-1136 or [gmbf@tampabay.rr.com](mailto:gmbf@tampabay.rr.com)

## Arts and Craft Sale

As in the past we’ll have local artists and crafters displaying their crafts in the fall. We also have unbelievable talent here in Park Royale. During the craft sale (8:00 AM to 2:00 PM) Breakfasts and lunch will be served. Our bake sale is a favorite of the day. It sells out fast. So come early for the goodies!

If you would like a table to display your crafts or to volunteer, please call Carol Molter at 727-545-5430! See you there!

There was a nice article on the Pinellas Park Police Facebook acknowledging the donations from Park Royale. These donations were directed to the K9 unit and will help in purchasing equipment for training law enforcement officers. To make a tax deductible donation, go to “Blue Alert. US.”

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## What is the difference between a Tornado Watch and a Tornado Warning??

**Watch:** the conditions are favorable for the development of a tornado.

**Warning:** a tornado has been spotted by a trained weather spotter.

## PICKLEBALL

### "Great news from the Pickle Ball players"

*Submitted by Mark Potter*

---

We are in our second year of play with Leurene and Mark encouraging new players to come out and have some fun.

We are still running 7 mornings a week at 8:30 am!

All are welcome and nets, balls and paddles are provided.

We are going ahead with funds from the park to paint 2 more courts so we will be able to provide play for 16 players!

We have had several weekend morning turnouts with over 20 players.

Thank you Joanne for your support on this.

Paint is ordered and volunteers are in line to help.

Stay tuned, come out and try the fastest growing sport in North America.

Thanks for all those helping and the players.

Come join us in this fast paced, aerobic, social and easy to learn fun game of Pickle ball! We play outside on the tennis Pickle ball / courts, (next to the shuffle- courts) from 8:30 AM to 11:00 AM seven days a week as weather permits and the availability of the players.

Everyone is welcome to join us even if you have never played before. Thursday is our novice and skill development day for everyone, but especially for our new players. Come meet your instructors: Deryck, Dave and Michilene.

Other play possibilities are in the early evening, so be sure to give us your contact information. Give your information to either Leurene Hildenbrand 727-545-3483, email [bighfarms@earthlink.net](mailto:bighfarms@earthlink.net) or Mark Potter 727-800-9165 or email [MarkdiPotter@Outlook.com](mailto:MarkdiPotter@Outlook.com). All equipment is supplied. Also, there are indoor facilities at almost all of the Recreation Centers around.

### **Men's Cards**

Have you ever wanted to learn about Texas Hold'em? On Tuesday and on Thursday afternoons (5:30 PM until the last man leaves) in the clubhouse, there are a number of Park Royale men who enjoy this game. For more information, contact Rosaire LeBlanc at 727-544-0566.

### **Women's Cards**

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-547-8618 for more information. These games run all year round.

### **Crafts**

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

### **Card making**

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning. There also some quilters who meet at the club house at this time and their work is fully admired by everyone. Visit the club house to see what I am talking about.

## Changes with the Media Distribution and other responsibilities of the Block Captains

*From Linda Fogle and Jeanette Paquin Park Royale Block Generals, 727-547-8618*

---

Please note that your Block Captain may have changed as we are trying to make sure that each Block Captain has only one street. The Block Captains duties are to deliver the monthly Media to each resident on their street and to call each resident when there is a water outage or emergency. This information will include the time and date the water would be turned off and then turned on again if notified by the office. When it is an emergency, the water is turned off and a plumber is called. This information is forwarded to all home owners as soon as known. Sometimes the generals or captains may not be home at the time of the emergency so calls are not made. However, every attempt is made to inform the residents as soon as possible. We recommend that all homeowners keep a jug of water under each sink for use if necessary.

It is up to the resident to make sure that the Block Captain has their current phone numbers or contacts.

Please tell the Block Captain if you will be out of town for a long period of time.

Please keep your Park Mail box out as close to the sidewalk as possible and make sure that the box is marked Park Mail. A reminder as shared by the HOA Board, we are all volunteers and we do our best to please everyone. So please be kind.

If you have a problem receiving your Media or being notified about a water outage, call your Block Captain.

If you would like to be a Block Captain or a substitute, Please call us at 547-8618. We appreciate your support.

## Eating more fish may help prevent Alzheimer's

**A**lzheimer's, a disease that afflicts some 5.1 million Americans, is a type of dementia that affects a person's memory, thinking, and behavior. Although at this point no cure exists, you can take measures to reduce your chances of suffering from this debilitating condition.

New evidence suggests that eating more fish—as long as it's not fried—may help to protect your brain from the shrinkage and decline associated with Alzheimer's. Researchers from the University of Pittsburgh Medical Center tracked the diets of 260 people with normal cognitive function for more than 10 years. Using magnetic resonance imaging (MRI), they measured the brain volume and function of each participant at the beginning of the study, and again at the end. The results: The 163 subjects who ate fish on a weekly basis (the majority consuming it one to four times a week) had a larger orbital frontal cortex and hippocampus (two areas of the brain that are known to shrink in Alzheimer's patients) and better memory function than those who ate less fish.

The researchers determined that the risk for Alzheimer's and mild cognitive impairment was lowered fivefold within the five years following the brain scans. So start eating more fish today.

## Follow this 'Golden Rule' to reduce cancer risk

**W**ant to cut your risk of developing cancer? Check the color of your food—particularly your toast and potatoes. Scientists in the United Kingdom say that cooking those two items too long can increase levels of a naturally occurring chemical called acrylamide, which has been linked to cancer in rats.

Acrylamide is formed when starchy foods like potatoes and root vegetables are cooked at over 120 degrees. To reduce it in your foods, follow these guidelines:

- **Cook until golden.** Whether you're making toast, roasting potatoes, or baking vegetables, cook until the food is gold-colored, not brown.
- **Check the instructions.** Follow instructions for baking or frying packaged vegetables like fries or parsnips.
- **Keep raw potatoes fresh.** Don't put them in the refrigerator if you're going to roast or fry them. Colder temperatures can increase acrylamide levels.

## Leading by example

---

**B**ill Gates, co-founder of Microsoft, has his own private jet now, but he didn't always. On the Business Insider website, former senior vice president Brad Silverberg recalls that in the 1990s, all Microsoft employees were required to travel by commercial airline—in coach, despite the fact that by that time Microsoft was a thriving organization. On one flight from Seattle to New York, Silverberg flew with Gates and some other members of the Windows team:

“And there was Bill, sitting in coach, in a middle seat. It didn't matter to him; he spent the whole flight reading. He wasn't as universally recognized then so it wasn't such an issue for him to fly commercial. It made a big impression on me, a new Microsoft employee, seeing Bill lead by example.”

## Different priorities

---

**D**uring a Little League game, one of the batters hit a fly ball to right field that the right fielder made no attempt to catch. After the inning was over, the coach pulled his right fielder aside and asked him why he didn't even try to catch the ball.

“If I had caught that ball,” replied the boy, “I would have killed my new friend.” And with that, he opened up his glove to show the coach a caterpillar he had found in the field.

Remember this story to remind yourself that everyone's priorities are different.

## Rules apply to everyone

---

**D**uring the Civil War, Ulysses S. Grant, commander of the Union forces, had to reprimand a guard who had deserted his post. “Orders must be strictly and promptly obeyed always,” Grant told the young soldier.

A week later, the same soldier was told to guard a steamboat loaded with ammunition. His assignment: to make sure that nobody with a lighted pipe or cigar came near the boat. On the guard's first day at his new post, General Grant started walking toward the boat, puffing away on one of his famous cigars.

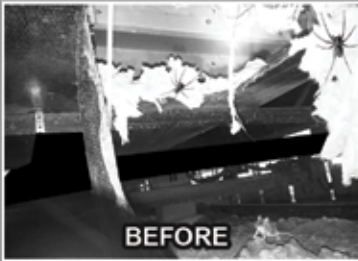

“Halt!” called the guard. “I have been taught to obey orders strictly and promptly, and my orders are to allow no one to approach this boat with a lighted cigar.”

With a smile at hearing his own words repeated back to him, Grant threw the cigar in the river.

## Getting into Heaven

---

A woman died and found herself at the Pearly Gates. St. Peter approached her with a smile. “To enter, you need only pass a simple spelling test. Can you spell the word ‘love’?”

“L-O-V-E,” the woman replied, and St. Peter stepped aside and allowed her to enter Heaven.

Several years later, St. Peter found her on a cloud and said, “I have a big meeting today with the Boss, and I can’t watch the gates. Would you mind taking my spot?”

The woman agreed. The morning passed uneventfully, and then she looked up and saw her husband approaching. “It’s so nice to see you!” she exclaimed. “How have you been?”

“Just great,” her husband replied. “I married the beautiful young nurse who took care of you while you were sick, and we had three more children. I won the lottery. We lived in a huge mansion. We had matching BMWs. My wife and I were taking our yacht on a second honeymoon cruise when I fell overboard and drowned.” He looked around. “So, how do I get into Heaven?”

“You just have to spell one word.

He smiled. “Great! What word?”

She stared at him. “Kyrgyzstan.”

## Feeling the heat

---

A man in Dublin went in for a serious operation. The surgery took some time and the man was returned to his room to recover. As he came out of the anesthetic he looked around his room and saw that all the shades had been drawn, even though it was early afternoon.

When the surgeon walked into the room to check on his patient, the man asked why all the blinds were pulled down.

“The house across the street is on fire,” the surgeon told him. “I was afraid that if you saw the flames when you woke up you might have concluded that the operation was not a success.”
