General Community Manager

Hello Everyone,
First, I would like address is about the Tropical Storm Hermaine (Hurricane?) in our area, that occurred on Aug. 31st and Sept. 1st. We are very fortunate to be in Park Royale. The water drainage system flows very well, and Mother Nature was kind to us, considering what may have happened. Also I would like everyone to know, that our Maintenance Man, Mike Milleman was our Superman. He had scheduled personel time off for his family. But he still checked the park every day for clearing drains, compactor issues and anything else that needed attention. We are very lucky to have Mike taking great care of Park Royale. Thank you Mike!

October is here and action at Park Royale is on the rise. More activities, old friends coming back and just a lot of fun coming your way. Please check the new boards in the clubhouse for details.

Have a Happy Halloween!

Have a great and cool October.

Our emergency number is 877-786-6048, if necessary. A service is hired by Sun Communities, and when they receive a call, they call me directly first, then Mike Milleman, maintenance second.

I thank you all for being here at Park Royale, and for all of your support. We appreciate you.
Terry Bulava, Community Manager

From the H.O. A. Director – Bill Hill

Bill Hill

You are able to attend the meeting without joining but we encourage you to join. We, the directors of the HOA and members, support you, why don't you support us!

HOA Membership cards are available at each HOA meeting! Let's go for 100 % Membership in 2016/17!

The Welcoming Ladies

Linda Holm and Debbie Arntz have been sharing this responsibility. If you have not been contacted, please let either one of us know. Information collected includes your name, birthday, pet name (s) and anniversary if you are willing to share. This information is used in the Media under birthday lists and the Park Royale phone directory that is published each year. Carlotta Linck is the coordinator of the directory.

From the Media Editor:

Hⁱ, The Media is the best way to keep residents informed of the events throughout the year! Activities are starting up this month and we look forward to meeting new residents. Watch for sign-up sheets in the hall way of the Club house. Recently I heard that residents were interested in other activities such as crafts, golf, and additional card games. If you are willing to start an activity, there are sheets posted on the bulletin board that spell out the information that is needed. Also, let Vicki Miller or Lynn Conlen know as they can help you get started .

All Media materials, articles and monthly public relations reports must be submitted to me by the 10th of the month! The preferred Media transfer format is Microsoft Word or similar (.doc) files. Any questions????? Again, many thanks to those who have submitted articles, jokes or stories to the Media. Special thanks to Lil Papelian, Jeanette Paquin, Linda Fogle and Shirley Weller who have provided the Media readers with an array of information and lots of laughs each month.

Note: Sign-up sheets will now be posted in the brand new cases in the hallway of the club house and at the entrance at to the club house. Be sure to sign up for your favorite activities. We don't want you to miss out on any of our fun events!

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Oh, the library is over flowing again. There will be an organizing meeting once a month to put the books back in order. This meeting will be right after the Royalites meeting, the first Monday of the month, at approximately 11:15 AM for an hour. Look for sign-up sheets in the Club house hall! Thanks in advance for your assistance.

Have you ever wondered?

Submitted by Jeanette Paquin

Why???

Why are so many coin collection jar banks shaped like pigs? Because long ago dishes and cookware in Europe were made of dense orange clay called "pygg". When people saved coins in jars made of this clay, the jars became known as "pygg" banks. When an English potter misunderstood the word, he made a container that resembled a pig. And it caught on!

Why do ships and aircraft use 'mayday' as their call for help?

Because this comes from the French work 'm'aidez' meaning 'help me' and is pronounced approximately 'mayday'.

Dogs, the Leash of our Worries

by Jay Johnson

As you know, we are required by the Park to Place dogs on leashes when outside of our homes, and you likely know that all dog leashes have the same purpose, to keep your dog safe and under control while out in public. An unleashed pet may present a danger to itself and to others. The issue is not ‘whether we should use a leash or not’ (we know we should), the issue is ‘what kind of leash should we use?’ In this article, we will compare the standard dog leash to the popular retractable leash and its use in the park.

The standard dog leash measures from four feet to eight feet in length, but six feet is the most common. Six feet allows plenty of room for freedom of movement, while being short enough to afford the handler complete control of their dog if necessary.

Longer leashes, including the retractable leash, have been connected to fatal accidents because the owner was unable to control the pets speed and direction. It only takes a second for a dog, quietly walking on the sidewalk, to dart in front of a car. A six foot leash lets the owner control the animal’s movement more readily.

All dogs can be trained to walk at a heeled position and to ignore other distractions, but no dog is perfect, especially when a squirrel is involved.

If the owner is not alert enough, his dog’s abrupt behavior on a retractable leash could put him smack on the road in front of a speeding car.

It is also impossible, while using a retractable leash to monitor what your pet smells and possibly eats while on a walk. This can be a serious problem if he quietly consumes something not healthy for him. It is equally impossible to predict where our dog may choose to urinate or defecate. This is the real issue in our Park especially where pets are restricted from some areas.

Standard six foot leashes have wrist straps, while retractable issues rarely do. A common problem with retractable leash is dropping. If your dog is stretched out on a retractable leash and you accidentally drop the hard plastic handle, it could hurdle toward your pet and injure him. Thinking he is being pursued by the handle, he may even run away. If you grab the cord or tape while it is being pulled by your pet, you could suffer cuts or burns to your hands. The longer leash also provides a higher risk of getting your dog’s leash tangled, sometimes around you.

One common occurrence while using the retractable leash is for the dog to slip out of his collar or “pop” his collar by darting for that pesky squirrel. When this happens the metal clip and collar will fly back to you and could cause serious injury to your face, teeth or eyes.

Which leash you choose is certainly up to each dog owner, but we reserve the use of our retractable leash to settings where free roaming is appropriate. We don’t use them in the park and don’t recommend it to our dog owning friends.

(Jay Johnson is the President of the Purple Paws Pet Club and reached at 727-289-1136 or at gmbf@tampabay.rr.com).

The Pet Park “Members” and residents of Park Royal, would like to thank Chris Venegas for the great job he does taking care of the plants he donated to the park. Because of his great care, we have a nice place to go, with or without pets.

Thank You Chris!

“Paws in the Park” - Report

Just a couple of reminders about our wonderful pet park.

- Using the park does not excuse dog owners from cleaning up after their pets. Dog bags are provided and each owner should pick up any of their pets droppings.
- If you avail yourself to the water provided in the Park, please make sure that you have turned it off after use.
- Chains were placed on the gates to prevent them from extending in the wrong directions and causing harm to the gate. Please don't move the chains as they provide an important service.

We hope that you enjoy the “Paws in the Park” dog park and invite all dog owners to take advantage of this amenity.

Park Royale Art and Craft Sale

Save the Date November 19th for the annual Arts and Crafts fair.

As in the past we will have local artists and crafters displaying their work. There will be a bake sale as well. Volunteers are appreciated. If you like to bake, here is an opportunity to make your favorite cookies and share them with the Park Royale residents. Cookies, cupcakes, snacks and more will be sold throughout the day. Package your treats with prices and help make this sale the best ever.

Last spring all proceeds of the sale went to Blue Alert. We are hoping to donate enough money to purchase a bullet proof vest for a canine police officer. The Blue Alert system helps law enforcement to speed up the apprehension of criminals who kill or injure policemen. Police dog officers are a great part of the effort. Each vest costs over \$1,000.

The annual Art and Craft Sale is from 8:00 AM to 2:00 PM. Breakfast and lunch will be available. Call Carol Molter at 727-545-5430 if you can help. Thank you so much in advance for your loyalty to this project.

Coffee and Donuts

Every second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 10:00 AM. Sign up on the information sheet in the clubhouse so we will have enough donuts!

Each month Terry provides an update on the Park's progress or has a speaker lined up for our learning enjoyment. Come along and see what or who is on the agenda. Bring your suggestions, questions and comments. The next meeting will be Thursday, October 13 at 9:00 AM. Don't forget your coffee cup!

Special Event

Thrifty Thursday

If you have ever been curious about thrift stores, this is the event for you. Park Royale residents explore the many thrift stores and stop for a light lunch along the way on October 20th. This is a must sign up for carpooling. Join your neighbors for a fun day. Sign-up sheets are posted in the clubhouse.

Regular Activities

Euchre

Euchre is an enjoyable and social card game. Euchre began in September and ends in April. You can join at any time! It is scheduled on Wednesdays at 6:30 PM till 9:00 PM in the clubhouse. Holly Johnson at 727-289-1136 is the coordinator and she will provide support as needed. Players are encouraged to arrive a few minutes early as the game begins promptly at 6:30!

Mah Jongg

Submitted by Lil Papelian

Mah Jongg Lessons

If anyone is interested in learning to play Mah Jongg which meets on Thursdays, November through April, please contact me at 546-4727.

Men's Cards

Have you ever wanted to learn about Texas Hold'em? On Tuesday and on Thursday afternoons (5:30 PM until the last man leaves) in the clubhouse, there are a number of Park Royale men who enjoy this game. For more information, contact Rosaire LeBlanc at 727-544-0566.

Women's Cards

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-8618 for more information. These games run all year round.

Crafts

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

Card making

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning.

Exercising

A Balance and Stretching Exercise Program for everyone!

Join us on Wednesday and/or Friday at 9:30 AM for 35 minutes of low impact stretching all year long. If you have any questions, please feel free to come and observe or call me at 216-835-7303.

*Please note some changes in schedule for medical reasons. Check bulletin board for cancellations.

Pickle Ball

We have scheduled every Saturday at 8:30 AM in the morning November through April.

For more information, please call Leurene Hildenbrand 727-545-3484 or cell 330-607-4335 or email BIGHFARMS @EARTHLINK.NET or Mark Potter 727-800-9165 to be put on the e-mail or call list for current dates and times as our availability allows. For any changes, check the bulletin board. We heartily welcome everyone to play or cheer!

Thanks,

Leurene H. National, Ohio and Canton Hall of Fame Senior Olympian

Check medical bills with care

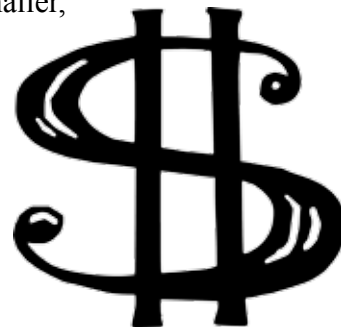

Dealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

Revamp your finances to save more money

If you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.

Some challenges spur imagination and success

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

Just listen

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

Learn to let go

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.

Did you know that October is also...

Italian-American Heritage Month. The goal of Italian-American Heritage Month is to inform the public about the contributions made by Italians and Italian-Americans, especially in the arts, the humanities, and the sciences, and to celebrate the impact that Italian culture and language have had on the United States.

National Bullying Prevention Month. A campaign held during October, uniting communities nationwide to educate about and raise awareness of bullying prevention, National Bullying Prevention Month is recognized in communities across the United States, with hundreds of schools and organizations signing on as partners.

National Cybersecurity Awareness Month. The internet touches almost all aspects of everyone's daily life, whether we realize it or not. National Cybersecurity Awareness Month is intended to engage and educate public and private sector partners through events and initiatives with the goal of raising awareness about cybersecurity and increasing the resiliency of the nation in the event of a cyber incident.

National Walk Your Dog Week, Oct. 1-7. According to the American Veterinary Medical Association, more than 40 percent of dogs—a total of about 17 million—in the United States are overweight. Walking your dog just 30 minutes a day helps both of you maintain a healthy weight and a good heart.

Earth Science Week, Oct. 9-16. This year's Earth Science Week celebrates the theme, "Our Shared Geoheritage"—the collection of natural wonders, landforms, and resources that have formed over eons and come to this generation to manage, use, and conserve effectively.

Free Speech Week, Oct. 16-22. A yearly event to raise public awareness of the importance of free speech in our democracy and to celebrate that freedom. Express your right to free speech by posting a message online, composing a poem, writing a letter to the editor, or whatever works best for you.

National Massage Therapy Awareness Week, Oct. 23-29. Research suggests that symptoms of stress, anxiety and depression may be ameliorated with massage therapy. Athletes at all stages have also benefited from massage therapy. By combining your exercise routine with a massage therapy treatment, you will be able to train longer and harder and make the most of your workout.

World Animal Day, Oct. 4. An international day of action for animal rights and welfare, celebrated annually on the feast day of Francis of Assisi, the patron saint of animals.

National Chess Day, Oct. 8. Play a game that sharpens your mind, challenges your intellect, and brings you closer together with other people.

Columbus Day, Oct. 10. Observed on the second Monday of October to commemorate Christopher Columbus's arrival on the North American continent on Oct. 12, 1492.

Ada Lovelace Day, Oct. 18. Considered one of the world's first female computer programmers, Ada Lovelace helped develop an early predecessor of the modern computer in the 19th century.

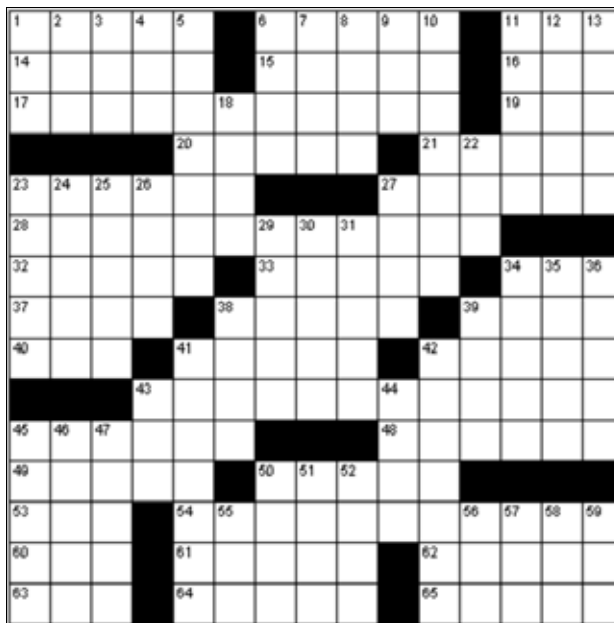

Halloween, Oct. 31. Trick or treat!
