Terry Bulava, Community Manager

Hello Everyone,
 We thank you for your patience during our many upgrades of construction throughout the park. The park is looking so fantastic, we are lucky that Sun Communities took over. They are all about taking good care of all of their residents. And look how beautiful, it has turned out.

In the meantime, the time for completion to the clubhouse and all of the projects is tentatively

by November 16th. They are working as hard as possible to have the work done. I monitor it very closely on a day by day basis, and am pushing to have the work done as soon as possible. I realize how important it is to have the activities back in full swing.

Home sales have also been moving along very well. We have sold two new homes in the last couple of months, along with many brokered sales. Many have been from resident referrals, and they have received some nice free money from Sun Homes. Many others are in the works for November, so remember if you know someone that loves Park Royale, send them over to Terry, and you can receive \$1000 on a new home sale, or \$100 on a brokered sale.

We have had many challenges with our compactor and disposing of garbage, recently. Please read carefully the information following:

- **Please do not leave garbage outside the compactor.** If it is closed, for any reason, please take the garbage back home. You will be able to return it to the compactor within a short period of time. People are leaving the compactor piled up in front of the gate, and this is unhealthy and unsightly. We need your help on being considerate of your neighbors and being proud to live at Park Royale.
- **When the compactor is running, do not open the door!** This will shut down the compactor, for it has an automatic safety shutdown switch. Please just wait a minute for the cycle to finish, then you may dispose of the trash when completed.
- **Large items, such as furniture and large brush are not allowed into the compactor.**

This will also jam the compactor and shut it down. I have information from the County of Pinellas, in the office, for close locations on how to dispose of these items properly.

- **We now have a camera system overlooking the compact area.** When items are left that cannot go into the compactor, I will have to charge the resident a fee for us to dispose of the incorrect items left in or behind.

We really do appreciate everyone's effort and cooperation, on helping us keep the compactor area running correctly and keeping the area clean.

Happy Thanksgiving to everyone and your families from the Park Royale staff.

From the Media Editor:

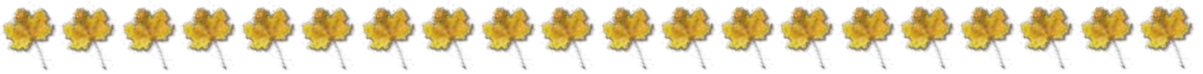

*Debbie Arntz 66080 Thames Rd.
216-835-7303 debpage45@msn.com*

Hi,
I had the privilege this past month of attending one of the Park Royale Club's Board meetings. I was struck by the work that they do, especially with all of the "behind the scenes" planning that is necessary to make an event successful. Each event can only happen when there is a committed group of volunteers who are part of the whole from inception to completion. Being a volunteer may not gain you much recognition but it does provide some fulfillment and warmth to the heart when guests leave with smiles on their faces. And you know that you made a difference! So I hope that you will take advantage of this opportunity and become one of the volunteers who make Park Royale special.

You can ask anyone of the Board members of the Royalites or Pet Club about being a volunteer. They would love to have You!

Reminder: Most activities have a request for sign-up and/or a deadline for purchasing of

tickets. This is very important for both those who plan to attend and to those who prepare food. This past year some residents had to be turned away as they hadn't signed in and/or purchased tickets. We don't want this to happen again! And just think, if you were a volunteer, you would be there! So thank you in advance for considering to volunteer!

If you would like to submit an article to the Media, please use the form on the information board in the club house. Articles must be submitted by the 10th of the month for the following month's publication. Both the December and January deadlines will be the 8th of the month so the Media Publication can be finalized before the Holiday Season. And the hard working staff of the Media can enjoy their holidays at home with family!

Be sure to check the front bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

Our Library at Park Royale

We miss the library but it will be back in December! We hope that the dedication and work that is involved in maintaining the library continues. Many thanks to those who use the library and remember to return books on a timely basis.

Did you know that you can...

- give dust the brush off. Collections of memorabilia, holiday decorations, dried flowers, candles, etc. are major dust magnets and they are difficult or even impossible to clean. Use a can of compressed air or the brush attachment for your vacuum cleaner to rid these items of accumulated dust and dirt.
- clean jewelry in a glass of water with a denture tab added to it.
- stop mold and mildew before it starts. You can easily prevent mold or mildew buildup in damp areas (like the bathroom) by spraying washable surfaces with a mixture of equal parts water and white vinegar and wiping them dry. Vinegar is a natural mold deterrent.

ROYALITES PUBLIC RELATION'S REPORT

Submitted by Marci Stone, Public Relations

Work on the clubhouse has been extended into this month so please check the media calendar and the exercise room for activities and sign ups!

The closing of the north entrance/exit of the gas station seems to have helped with the traffic leaving the park, but the continued road work on 66th requires one to still use caution.

Mark your calendars:

Women's Lunch Out at Olive Garden – Tuesday, November 3rd – Sign up in the Exercise Room - Meet @ 11:00 Poolside parking area

Veterans Day – Wednesday, November 11th – Please fly a flag and remember our veterans!

Thanksgiving Dinner – Thursday, November 26th @ 5PM– *Table Hostess Sign up in the Exercise Room*

Table Hostess Sign Up for Thanksgiving

We have lots of new residents here in the park and if this is your first Thanksgiving here with us at Park Royale I would like to give you a quick rundown of how it works. Turkeys and dessert are provided. A Table Hostess agrees to coordinate her table of twelve attendees. She/he signs up as hostess/host and then creates a “guest” list of twelve (your closest friends/family). Each Table Hostess then decorates their table as they see fit (from china and crystal to paper plates and plastic ware) then assigns each of the guests a side dish. Please do not hesitate to contact either Lynn Conlen (727-492-9027) or Vicki Miller (727-483-4528) with any questions or to reserve your table. No one should be alone on Thanksgiving so if you don't know anyone in the park yet, please call Lynn or Vicki and they will find you a “family” to join for dinner. We are

Our Women's Lunch Out events are open to all women in the park and are a great way to meet new people and make new friends so all are encouraged to attend. If you have any questions about this event please contact Lil Papelian (727-546-4727). The ladies always have a grand time!

Coming in December – Carport Sale on Saturday, Dec. 5th 8am – 1pm, purchase a balloon from Vicki Miller or Lynn Conlen to participate. Remember, one man's junk is another man's treasure!

***This year the carport sale will be followed that evening by our traditional Motorcycle Parade @7pm(ish). If you have not witnessed this beautiful event you will not want to miss this...just pull up a chair on your porch, screen room, or driveway and prepare to be amazed! The motorcycles will go up and down every street except for the short streets (twice). Following the parade join us in the clubhouse for sandwiches, cookies, cider, and a close up look at the exquisitely decorated motorcycles! Santa has been known to make an appearance at this special event!

Due to the extended work dates in the clubhouse the next Paint Nite will most likely be in January! Watch the media and calendar for the date! Steve Miller is issuing a challenge to all you guys out there-he wants to see you at the next Paint Nite... so limber up those fingers and wrists!

Decorations

Many thanks to all who contribute to decorating as this makes our events colorful and enjoyable.

 - 3/4 cup chocolate syrup
 - 1 8 oz. tub of Cool Whip, thawed
- Pour milk into bowl. Add dry pudding mix. Beat with wire whisk 2 minutes or until blended. Arrange half of the cake cubes into a 3 quart serving bowl. Drizzle with 1/2 of the chocolate syrup. Layer with 1 cup of the pudding and 1 1/2 cups of the whipped topping. Repeat layers ending with whipped topping.
Refrigerate until ready to serve.

Joke of the month

Be sure you lock your doors and windows at night. A local blonde man was murdered in his home over the weekend. Detectives found him face down in the bathtub. The tub had been filled with milk and cornflakes. Police suspect a cereal killer!

From your RPOC Director,

Just a few lines to let you know what is happening with the club. We have had a lot of entertainment this year and a new menu to taste. Be sure to sign up in advance for any of the activities next year. We don't want you to miss out on the fun! Our goal is to make this a fun place to live both for us and our pets.

If anyone needs information, has concerns or comments, please feel free to call me at 727-623-0862. I am here all year. Thanks and have a Happy Holiday.

Coffee and Donuts

Every second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 10:30 AM. Sign up on the information sheet in the clubhouse.

P.S. the donuts go fast! Don't forget to bring your coffee mug!

If you did not attend the last Coffee and Donuts, here is what you missed!

"Fishing Mailboxes" beware of dropping mail in the big blue mailboxes at independent sites as they may be fished to get mail, especially if there are checks in the envelopes.

1. The "Felony Lane Gang" is following individuals, especially women, with pocket books which may be carried on the curb side. It is easy for the "Gang" to snatch purses right off the shoulder of their victims.
2. Lock your car and keep all valuables secured. Officer Donna explained that criminals are not only looking for valuables but they are also looking for car manuals as they may have a "valet key" which would allow them to drive away in the car.

Extremely Scary Incident in Lake Erie June, 1998

Submitted by Resident Brian King

My first wife, Marie, and I were bringing our Aloha 34 sailboat down to Pickering, just east of Toronto. I was going to leave the boat there until I retired the next year and then take our boat down to the Bahamas.

Everything had gone well up till now. We had spent a week cruising in Georgian Bay's North Channel and had a 48 hour slow sail down Lake Huron to Sarnia – Port Huron which takes a sailboat about two days. We left Sarnia – Port Huron and motored down the St. Clair River to Lake Erie. Once there, we raised the sail and arrived at Canada's further most southern point, Pelee Island.

There are few harbors from this point on, none of which I was familiar with, so I thought it would be a pleasant sail to Port Colborne. This would be another 48 hour sail to Port Colborne, the entrance to the Welland Canal, which would take us into Lake Ontario. We left in the morning to reach the destination morning to arrive in daylight of the second day...

The forecast wind was 15 mph from the west with the possibility of showers. Just as a precaution, I replaced the large genoa sail at the front with just the small jib for the overnight sail. I didn't raise the mainsail at all. I did that so if the wind piped up overnight we would just have a single small sail up and we should be able to handle whatever came along. That was just a standard precautionary thing to do which was an excellent choice, perhaps saving our lives.

Around 10 pm Marie went down below to rest in the quarter berth. During the evening I had noticed the sky light up behind us with sheet lightning. No thunder, but lightning between Toledo and Detroit. No problem. We just had one sail up and we were scooting along just fine with the wind behind us.

Around midnight I felt a few raindrops. I had a device attached to the ships wheel to steer the boat. It is called an Autohelm. So I left the cockpit and went below to help Marie close the windows and hatches.

Then, all hell broke loose. It happened in seconds. Suddenly the boat lurched to an extreme angle to port (left side) and I heard the autohelm in the cockpit straining to counter act the wind force and bring the boat back on course.

With great difficulty I tightly grabbed handrails to scramble out into the cockpit. Once there I saw lots of things simultaneously. In no particular order - was the angle of the boat. It was leaned over so far to the left that the cockpit winches were almost underwater. The water was right at the edge of the winch. This is a large 34 ft. sailboat and it's about 4 feet or so from the cockpit railing to the water. We were almost at the water. The mast was over so far I thought it was going to dip into the lake.

The other major thing during this experience was the wind. I've heard many times that when a tornado or twister approaches, it sounds like a freight train. Well, the train was in the cockpit. What seconds before was a quiet, pleasant downwind sail was now a horrific, howling, screaming wind. I couldn't hear anything other than the wind shrieking through the rigging of the boat. In the cockpit, I had to simultaneously release the jib sheet (rope holding the small sail up front) and turn off the Autohelm before it broke.

Ladies Holiday Luncheon

Once a month, usually the first Tuesday, the ladies of Park Royale congregate at the club house around 11:00 AM in the morning. A restaurant has been designated and the car-pooling takes place. Off we go!

This monthly gathering offers all of us the chance to get to know one another, share our experiences and let you know what's happening as far as the park activities are concerned.

In December we have our annual Christmas Luncheon Party where we go a restaurant but return to the club house for dessert, the re-gift and cookie exchange, plus other entertainment.

Cookie exchange: Please sign up in the clubhouse by November 30. Bring your two dozen delicious cookies to the Ladies Lunch gift exchange and dessert party and the swap will take place then.

Please note that you may select going to the luncheon only or participating in the re-gift and cookie exchange only. It is up to you to decide what you would like to do, but sign up with your preferences.

Looking for something else?????

If you are interested in other activities, let us know. Fill out the form below and submit it to the envelop in the club house. Thank you for your feedback.

Mah Jongg

Mah Jongg Lessons

If anyone is interested in learning to play Mah Jongg which meets on Thursdays, please contact me at 546-4727.

This international game is played worldwide and has many benefits, the least of which is an alert, active brain exercise. If you can play Rummy, you can learn how to play Mah Jongg. Give it a try. My teaching time can be flexible, depending on the availability of those wanting to learn.

Women's Cards

Women's card games are a lot of fun. The game 13 is scheduled for Tuesdays 1:00 PM to 3:00 PM and a myriad of other short games are played on Thursday evening at 6:30 PM to 9:00 PM. Contact Linda Fogle at 727-8618 for more information. These games run all year round.

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night.

Card making is Monday and Wednesday from 11:30 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning.
