General Community Manager

Hello Everyone,
 Our construction projects are in full swing. The estimated date for completion is by the end of October.

In the meantime, the club house will be closed until further notice. The pool area will be open along with the single bathrooms. The fitness room will be the only room open most of the time. The only way to enter and exit the fitness room will be through the west doorway.

The pool looks great as does the landscaping. The new palm trees will take three months total before the wooden braces can be removed. This is so the trees are well established into the

The Welcoming Lady

Ruth Sloan, 1-727-290-9352

As the Welcoming Lady for Park Royale, I look forward to meeting new residents and introducing them to the Park programs. I am happy to inform you that I now have someone to share the Welcoming Lady responsibility. Penny Calkins began her role in April and will continue until I return. She can be reached at 1-617-365-4585. If you are new, please contact her for a warm welcome to our community.

From the Media Editor:

Hi, Well, I think I heard somewhere that all things beautiful take time. And Park Royale is a good example of this as it will be beautiful when the renovations are completed. Yes, it has been a bit inconvenient, but it is short term. I'll admit that I had difficulty sending the October Media off to the Publisher without activities, so I added the activities and events for November and December. This demonstrates that there will be activities in the future.

From the Editor

In the meantime, a sign up sheet will be in the exercise room for individuals who would like to start a new program, join an existing activity or learn about the programs that are scheduled in 20015 – 2016.

Some of the best resources available to learn about our Park are through the Royalites and H.O.A. meetings as well as the Coffee and Donuts with Terry. We look forward to meeting you! Be sure to read the article this month on resident, Bob Selzer. Bob has been in the Park since 1971 and has seen many changes. He enjoys sharing stories about his service days as well as the tornado that hit ground here in 1992.

If you would like to submit an article to the Media, please use the form on the Information board in the club house. Articles must be submitted by the 10th of the month for the following month's publication.

Be sure to check the outside bulletin board regularly for additions or corrections to any of the activities as some changes are unavoidable.

ROYALITES PUBLIC RELATION'S REPORT

Submitted by Marci Stone, Public Relations

Work continues around the Park as the clubhouse exterior received a new coat of paint. New palm trees have sprouted up all around (even inside the pet Park) as well as new landscaping at the entrance to the Park, around the clubhouse and shuffle court. All you folks coming back from up north better use your GPS because you may not recognize the place.
 The closing of the north entrance/exit of the gas station seems to have helped with the traffic leaving the Park, but the overall road work on 66th Street requires one to still use caution.

Mark Your Calendar

All Royalite functions for the month of October have been cancelled due to work on the clubhouse. Watch the sign outside for news of any activities.
 Watch the Media and calendar for another Paint event coming soon to our very own clubhouse. Steve Miller is issuing a challenge to all of you guys out there. He wants to see you at the next PaintNite, so limber up those fingers and wrists. Keep your eye out for the next night sometime

in November.

We are not quite in the clear yet as the Atlantic hurricane season lasts from June to November, with the peak season from mid-August to late October. Please remember to have a plan of action in place and be ready to go should it be necessary to evacuate our homes. Marilyn had some great information for pet owners. I suggest having all of your important papers in a small safe that can be transported with you. Here is a web address for a printable to help you make proper plans:

http://www.nws.noaa.gov/os/hurricane/resources/hurricane_

Until next month - - -make it a good one and make it count.

Mark your calendars:

Royalites Meeting – Meetings are on hold until the construction is completed!

Women's Lunch Out – First of the Season – October 6th

If you are interested in going out to lunch Tuesday, October 6, please sign up in the Exercise Room. On that day the group will meet at 11:00 AM outside the pool entrance door. Car pools will be arranged for the Perkins Restaurant on the corner of Park Boulevard and Starkey. This is another excellent opportunity to meet your neighbors and learn about the many activities in the Park.

ODE TO MY OPIA

My face in the mirror
Isn't wrinkled or drawn.
My house isn't dirty – the cobwebs are gone.
My garden looks lovely, and so does my lawn.
I think I might NEVER put my glasses back on.

Paint Nite

Yes, you asked for it and we will have another Paint Nite event scheduled for this winter! Sign up early and bring your friends! This is a wonderful, fun, relaxing evening and no artistic ability is necessary, but at the end of the evening you will have your very own masterpiece to take home and hang in a place of honor! Sign up information will be available in the clubhouse at a later date. And this is a co-ed activity! Steve Miller was the only male artist who participated in the class previously but he would like to see more men join in! Remember the recognized artists in history are men such as Van Gogh, Picasso, Dali as well as many more.

Many thanks to all who contribute to the success of our events through the creative use of decorations.

ROYALE PET OWNERS CLUB

Submitted by Merilyn Traficante

Hi Everyone,
 The cooler weather is finally arriving and the holidays will be approaching fast. Mark your calendars for Saturday, November 21! We will be having our craft sale/bake sale in the club house from 8:00 AM until 2:00 PM. It is just in time to find the perfect gift for someone special or something for yourself. After you are done shopping, be sure to pick up a delicious dessert to take home with you. Just a reminder, while the clubhouse is being finished we will not have any events in October. We are all excited to see what it will look like when it is completed and will be ready to celebrate with our annual "Nifty Fifty" event in November.

There are lots of new dogs in our community and our refurbished Dog Park will be wonderful. Come on over with your dogs and let them play with their "Friends". If you would like to purchase a pet stone, either in honor or memory of your pet, please contact Mike Cornell. The stone will be placed in the dog park and the cost is only \$5.00.

Just so you know, you don't have to own a pet to join the Pet Club; you can be a "pet lover". If you haven't already sent in a picture of your pet to Royale Pet Owners Club Facebook page, be sure to upload one (facebook.com/pages/Royale-Pet-Owners-Club). Every month a different pet is chosen for the "Pet of the Month". If you need help uploading, just let us know. Thanks for all your support.

PET OWNERS TIP OF THE MONTH: (printed last month but worth repeating)

Summer temperatures are in full force. Please remember the asphalt on the street is really hot on your pet's paws so be careful when walking them in the middle of the day!

From your RPOC Director

Submitted by Mike Cornell

The Royal Pet Owners Club (RPOC) is here for everyone even if you don't own a pet. Watch for our events and parties this fall. We have had a lot of entertainment this year along with a new menu to taste. Our goal is to keep Park Royale as a fun place to live both, for us and our pets.

If anyone needs information, has a concern or comments, please feel free to call me at 727-623-0862. I am here all year. Thanks and have a great fall.

Coffee and Donuts

Every second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 10:30 AM. Sign up on the information sheet when the clubhouse is completed.

P.S. the donuts go fast! Don't forget to bring your coffee mug!

Highlights of Park Royale Activities:

Join Us for Ladies Lunch Out

Submitted by Lillian Papelian

It is nice to go out to lunch once in a while! The Tuesday Lunch Out program (first Tuesday of the month) is a great opportunity to have lunch with your neighbors from Park Royale. More information and a sign up sheet are posted a week prior to the date, telling where we will be dining and what time to meet for carpooling. I sincerely hope that you will consider being a regular diner at our Tuesday Women's Lunch Out!

Lunch Out on October 6! Be sure to sign up in the exercise room. The group will be meeting at 11:00 AM by the pool entrance (by the laundry room) for carpooling. The restaurant for this month is Perkins on the corner of Park Boulevard and Starkey. The menu is good ole American food and the prices are reasonable.

Important Reminder!!!

Please do not leave large household items at the Dumpster! You have heard this before, but it applies to all, all year long!

Meet your neighbor, Bob Selzer

As interviewed by Debbie Arntz

The first thing that is said about Bob is that he has been at Park Royale the longest. He has seen multiple changes in staff and management, but he has also survived the tornado here at Park Royale in 1992. Can you imagine looking at the sky, turning black and then green and winds over 100 miles an hour? There was no warning and no safe place to go.

But I am getting ahead of myself.

Bob and his lovely wife, Louise, left New Jersey when he retired from ITT at age 49. For over 30 years Bob had been a tool maker for the aerospace division. They were ready to see the

country and most definitely spend time at St. Augustine which was one of their favorite places. Eventually it came time to pick a Park where they could settle down, get involved and make new friends. Choosing Park Royale was relatively easy but not because of the double wide homes, the many activities or convenient location. Bob and Louise had selected three Parks and just before they made a decision, it rained! Flooding occurred at two of the Parks but not at Park Royale! So in 1971 the Selzers moved into a new double wide on Milton Road. Park Royale was expected to be a model park with many amenities for the residents. The Park was new, so new that horses and cows roamed freely in the fields in the back of the Park grounds. The development, Autumn Run, behind Park Royale had not been started and Circle K in front was not even part of the plan.

Since Louise and Bob were young and new, they got involved. Bob was active with the H.O.A., the shuffle club and other activities. He was extremely proud to be part of the shuffle club events, especially breakfast fund raisers. He did it all, set up tables, washed the floors and put everything back where it had been. Louise got involved with sewing, knitting and being a good friend to many. With time on his hands, Bob decided to get another job with the highway division of Pinellas County where he supervised a crew of six.

All seemed to be going well! Never did this couple dream that they would be experiencing a tornado in October 1992. The Park was almost filled even though many of the northerners had not returned to the Park. The morning of the tornado was just like any other morning, quiet and warm. Suddenly the sky turned black, then green and the winds were clocked at over 100 miles per hour. Seeing this, Bob pushed Louise into the broom closet. They were barely in the closet when the winds suddenly stopped. Bob decide to go out to see if his air conditioner was still there, but when he went outside, there was nothing to see but debris. Only siding, broken furniture, household items and wood were in view. Most of the mobile homes were gone but one double wide stood on its end. The tornado had skipped over Bob's home and a few others but destroyed the majority of the homes. The many injured residents were transported to the club house and placed on the dining room tables while waiting for medical attention. The Park was filled with fire trucks, ambulances, and police cars. Residents were in shock as they tried to salvage anything that they could find. It was a horrific site. Later on, it was determined that the tornado came from Reddington Beach and was one of five that occurred that day.

It took a long time for the restoration of Park Royale to be completed. Everyone pitched in when they could. Bob restored the benches at the shuffle court, while others painted or fixed what they could. New homes were brought in to replace the lost homes and residents returned to the Park little by little. Many of the gaps of lost homes were filled just this year.

While Louise lost her battle with cancer in 1999, Bob, now 93 years old, has continued to do the things he loved to do with his wife such as listening to big band sounds, especially Lawrence Welk, and watching old movies. And he enjoys telling of the tornado along with sharing a picture album of the destruction. It is a horror that no one should have to go through.

On a personal note, my parents were next door neighbors to Bob and Louise from 1972 – 1987. The end of life assistance and friendship provided to my mother by Louise was exceptional. Thank you!

To the Card Making Ladies

On behalf of the Park Royale Home Owners Association and its members, I extend a heartfelt “Thank You” for the beautiful cards that you donated to our “Sunshine” operation. Your beautiful “Get Well” and “Sympathy” cards will be gratefully appreciated by those receiving them. A little card sent to someone recovering from an illness or experiencing a personal loss of a loved one means a lot.

Again, thank you for your kindness.

*Sincerely,
Lillian Papelian*
