## A Message from Joanne Davis

---

1. The birthstones for October are the tourmaline and the opal. Tourmalines display a wide spectrum of colors, such as yellow, pink, blue, red, green, black or brown and they are believed to help you stay calm under pressure, bring peace and tranquility and defeat emotions like anger and jealousy. Opals exhibit different colors (green, white, yellow, blue, pink etc.) depending on the conditions under which they were created. Opal gemstones are believed to cure eye infections, strengthen memory, calm nerves and enhance creativity.
2. The zodiac signs for October are Libra (September 23 – October 22) and Scorpio (October 23 – November 21).
3. The traditional flower of the month of October is the calendula, symbolizing comfort, healing, protection and grace.

- P**ark Royale has an HOA and a board of directors. If you are a new resident, please come to the next HOA meeting. When you get settled in, there are several things that you should do:
1. Join the Home Owners Association (HOA). The annual cost is only \$20. This is a great bargain and it the best way to take advantage of the many amenities and activities in Park Royale. Being a member of HOA also keeps you apprised of resident/management issues that affect all of us. Learn what HOA is all about, and how we can help you.
  2. The Resident Directory, published once a year, is a valuable resource and it is free to HOA paid members. Non-HOA residents are eligible for a directory at the cost of 10.00.

## From the Editor:

Author: Jackie Raffaele

One of my favorite times of the year! This is one of my favorite times of the year. I reflect on many past fall seasons spent in Pennsylvania with fond memories. Fall is a bit different in Florida. No leaves change colors, no crisp fall mornings, no chill from the cool night air and no dew on the cars or grass. I do miss the hayrides, hot chocolate and hotdogs! I think we all get a bit nostalgic thinking of fall -if you ever experienced this season in any of our northern states. There are a few changes Floridians may notice as we enter this season:

People try to turn off their air conditioning.

People start looking for snowbirds.

People stop worrying about hurricanes.

People live and die for their football teams.

People start going to farmers markets.

People dry up-stop sweating when stepping outside

This is a time of the year when all things are pumpkin! Your favorite coffee, creamer, donuts, muffins cakes and the list goes on! It seems to be the beginning of several holidays to follow. Very soon we will be engaged in many activities and social events. I am looking very forward to all our upcoming activities!!! I hope you are to!

You are invited to share ideas, suggestions, or observations with others in the Park. We would love to hear from you! Please submit your articles to [4litehous@gmail.com](mailto:4litehous@gmail.com) or you can drop it off @ 120 Essex.

## A little Humor

The patient who came to my radiology office for abdominal X-rays was already heavily sedated. But I still had to ask her a lot of questions, the last one being, “Ma’am, where is your pain right now?” Through her medicated fog, she answered, “He’s at work.”

## Bob’s Business Report

Periodically Bob provides a report of a local business and posts it on the board. At this time the report is on the Pinellis grill located ½ mile to the left when exiting our park. When you have a moment stop by and review Bob’s tips & thoughts. Thank you, Bob, for the information!

## Birthdays

---

October 8th - Marie Schwebel  
October 25th - Bill Hill  
October 26th - Susan Brown  
October 28th - Penny Thompson

There is a sign-up sheet in the hall between the gym and the kitchen where you can provide your birthday, so it will appear in the media. If you are not sure I have your birthday—place your birthdate on the sheet anyway!! Everyone has a special day and we want to acknowledge it!

## Coffee and Donuts

---

On the second Thursday of the month come to the Clubhouse to hear speakers, Park Royale updates or just visit with friends from 9:00 AM to 9:30 AM. The required signup sheet is located on the board in the clubhouse. This ensures enough donuts will be available for everyone! Bring your suggestions, questions and comments. Many thanks to Sustainable Landscape for providing the delicious donuts and for selecting the ones that we like the best. This month's meeting included a representative from Pinellas Park Public Utilities informing us on ways to conserve water and how to check for leaks. This was presented well, and we learned a great deal of new information. The next coffee and donuts will be Thursday, October 11th at 9:00 AM. Don't forget your coffee cup. Please note: The Royalites postponed their meeting in September till later in the month. The date will be displayed on the outside board for all to see. The usual monthly meeting/update is scheduled for Thursday, October 11th at 9:30 AM following Joanne's coffee and donuts meeting.

## Health and Wellness

---

Vicki Miller has volunteered to send wellness cards to residents who are ill, in the hospital, rehab or with other arrangements until they are feeling better and able to return to Park Royale. The "Get well wishes" will brighten their day. If you would like to have Vicki send out a card, call her at 1-727-483-4528.

# Stay Healthy!

Author: Jackie Raffaele

It is that time of the year when many experience the annoying common cold. Here are some facts you may not know.

1. Most adults have two to four colds a year
2. More than 200 viruses are responsible for the cold. The most common are called human rhinoviruses (HRV) and cause up to 40 percent of all colds.
3. There are around 100 known serotypes of HRV, meaning that a vaccine cannot be made ... and that we have the potential to be infected around 100 times by this alone. Plus, mutations cause an eternal number of new strains of the virus
4. Rhinoviruses survive for three hours outside of the body and can sometimes live for up to 48 hours on touchable surfaces, including everything from door knobs and subway poles to shopping carts and light switches.
5. A single cold virus can have 16 million offspring within the course of a day.
6. Colds are spread by touching infected surface and then touching your nose or eyes, and to a lesser extent the mouth; or inhaling virus-harboring droplets in the air after an infected person sneezes or coughs.
7. While a person's breath can travel 4.5 feet per second, droplets from a sneeze can travel at an amazing 100 miles per hour.
8. The droplets from a sneeze can spread a distance of six feet.
9. A single sneeze can spray 100,000 germs into the air - which is why you should keep a six-foot distance from a sneezing sick person.
10. People are thought to be most contagious when symptoms are at their worst; though they **can also infect others even before symptoms develop.**
11. The lower the humidity, the more moisture evaporates from sneeze and cough droplets, the farther the germs can travel. Dry air also dries out the mucous lining in our nasal passages, alleviating an important protective barrier. Both of these contribute to the increase in colds during cold, dry weather.
12. Vitamin C won't cure a cold. But, according to Smithsonian Magazine, taking at least 0.2 grams of vitamin C every day may decrease the duration of a cold by a day or two.
13. The single best way to avoid getting a cold, aside from becoming a hermit, is to **wash your hands.** A lot. Use soap and wash them in water for 20 seconds. It's cheap and easy and more effective than alcohol-based hand sanitizers; but if you don't have soap and water, sanitizers will do in a pinch.

## **What to expect if you do catch a cold**

You can expect to be sick for one to two weeks. That doesn't mean you have to be miserable. Besides getting enough rest, these remedies might help you feel better:

- Stay hydrated. Water, juice, clear broth or warm lemon water with honey helps loosen congestion and prevents dehydration. Avoid alcohol, coffee and caffeinated sodas, which can make dehydration worse.
- Rest. Your body needs to heal.
- Soothe a sore throat. A saltwater gargle -1/4 to 1/2 teaspoon salt dissolved in an 8-ounce glass of warm water- can temporarily relieve a sore or scratchy throat.

*...continued on page 14*

- You can also try ice chips, sore throat sprays, lozenges or hard candy.
  - Combat stuffiness. Over-the-counter saline nasal drops and sprays can help relieve stuffiness and congestion.
  - Relieve pain. Take acetaminophen (Tylenol, others), ibuprofen (Advil, Motrin IB, others) or aspirin.
  - Sip warm liquids. A cold remedy used in many cultures, taking in warm liquids, such as chicken soup, tea or warm apple juice, might be soothing and might ease congestion by increasing mucus flow.
  - Add moisture to the air. A cool-mist vaporizer or humidifier can add moisture to your home, which might help loosen congestion. Change the water daily and clean the unit according to the manufacturer's instructions.
  - Try over-the-counter (OTC) cold and cough medications. OTC decongestants, antihistamines and pain relievers might offer some symptom relief. However, they won't prevent a cold or shorten its duration, and most have some side effects.
  - Take medications only as directed. Some cold remedies contain multiple ingredients, such as a decongestant plus a pain reliever, so read the labels of cold medications you take to make sure you're not taking too much of any medication. Check with your physician for which over the counter medications are safe to take with antihypertensive medications if this applies to you.
- \*\*\*\*\***Antibiotics** do not work against cold viruses.

### **Cold remedies with conflicting evidence**

- Vitamin C. It appears that for the most part taking vitamin C won't help the average person prevent colds. However, taking vitamin C before the onset of cold symptoms may shorten the duration of symptoms. Vitamin C may provide benefit for people at high risk of colds due to frequent exposure.
- Echinacea. Study results on whether echinacea prevents or shortens colds are mixed. Some studies show no benefit. Others show some reduction in the severity and duration of cold symptoms when taken in the early stages of a cold. Different types of echinacea used in different studies may have contributed to the differing results. Echinacea seems to be most effective if you take it when you notice cold symptoms and continue it for seven to 10 days. It appears to be safe for healthy adults, but it can interact with many drugs. Check with your doctor before taking echinacea or any other supplement.
- Zinc. There's been a lot of talk about taking zinc for colds ever since a 1984 study showed that zinc supplements kept people from getting as sick. Since then, research has turned up mixed results about zinc and colds.  
Some studies show that zinc lozenges or syrup reduce the length of a cold by one day, especially when taken within 24 hours of the first signs and symptoms of a cold. Zinc also has potentially harmful side effects. Talk to your doctor before considering the use of zinc to prevent or reduce the length of colds.

## Something Smells Good!

---

**A**n envelope is posted on the board in the club house for your convenience to share your favorite recipe in the Media. We have some great cooks in the Park as witnessed by our many food events. Favorites are salads, cookies and casserole dishes. October recipe of the month is:

### Pumpkin Ginger Scones

#### Ingredients:

- 2 cups all-purpose flour
- 7 tablespoons plus 1 teaspoon sugar, divided
- 2 teaspoons baking powder
- 1 teaspoon ground cinnamon
- 1/2 teaspoon salt
- 1/2 teaspoon ground ginger
- 1/4 teaspoon baking soda
- 5 tablespoons cold butter, divided
- 1 large egg, lightly beaten
- 1/4 cup canned pumpkin
- 1/4 cup sour cream

#### Directions

1. In a large bowl, combine the flour, 7 tablespoons sugar, baking powder, cinnamon, salt, ginger and baking soda. Cut in 4 tablespoons butter until mixture resembles coarse crumbs. Combine the egg, pumpkin and sour cream; stir into dry ingredients just until moistened.
2. Turn onto a floured surface; knead 10 times. Pat into an 8-in. circle. Cut into eight wedges. Separate wedges and place on a greased baking sheet. Melt remaining butter; brush over dough. Sprinkle with remaining sugar.
3. Bake at 425° for 15-20 minutes or until golden brown. Serve warm.

### Regarding Care Packages

From the Park Royale Military Support Ministry

Hi All!

Just wanted to convey the plans for the care packages going out for Christmas and to let you all know who they are going to this year. As I stated earlier, active duty military, overseas and stateside will receive a package from our park. This is your chance to let me know if you have any active duty family members that you would like included!

PLEASE call me at 727-458-9602 ASAP!

These are the 4 stages I use to prepare:

1. Sept.- Nov. 1st - Collect items (listed in September's and this month's Media) There will be a drop off box in the clubhouse, which will be kept safe by the office. Thank you, Joanne and Chris!
2. November 11th – Card signing in the clubhouse at 3:00pm (All are welcome to show your support for our troops) the more the merrier! I will supply the Christmas Cards. I have plenty!! (You might want to bring a pen).
3. Nov. 11 after the card signing - Sorting and boxing.
4. Nov. 22nd –Mailing. I will take the packages to the post office.

Now for the fun part!

Here are the names of our active duty this year:

Rick Croff (Diane Feagan's grandson) Marine Corp E-4 stationed in NC.

Austin Miller (Dear friend of Anthony Suglia) Air Force E-4 currently serving in Afghanistan.

## **Pets make great Companions**

*Author: Jackie Raffaele*

---

**W**ith almost no effort at all, pets manage to bring so much joy into our lives. They make us laugh, comfort us when we're sick or upset, and are always there for us no matter what. Not everyone understands the bond between human and beast, though, or even realizes how much pets do for their owners.

Do you know the benefits of owning a pet?

Decreases Stress

Lowers Blood Pressure

Eases Pain

Lowers Cholesterol

Improves Mood

Helps People Socialize

Prevents Strokes

Monitors Blood Sugar Levels for Diabetics

Keeps you fit

Looking after a pet is a big responsibility, but when you consider all the benefits above, they make all that hard work worthwhile. Whether you choose to keep a cat, dog, bird or hamster, they'll make a great companion. Can you reflect on how your pet has impacted your life?

## **Billiards**

---

**P**ark Royale has two new pool tables and Dan Hogan coordinates these games on Monday afternoon at 1:00. This is for your enjoyment, no cost and everyone is welcome! Stop by the Club and try it out. Contact: Dan Hogan for further information.

## **Bocce**

---

**B**occe is a fun out door ball game. The recent renovations to the court have greatly improved the game. Six teams will be selected but alternates are always welcomed or/needed. Please arrive well before 9:30 as the games begin sharply at 9:30 AM each Tuesday. Rosaire LeBlanc coordinates this activity each year and Janet Oke is the assistant.

## Cards @ Park Royale

---

The Women's Card Group has been in existence for almost as long as Park Royale has been here in Pinellas Park. The card players have maintained an informal schedule of card playing two times a week. During these times together, some very close friendships have been established and have been valued by each of the players for many years.

Card games are on Tuesday afternoons from 1:00 PM to 3:00 PM and Thursday evenings from 6:30 to 8:30. Everyone is invited to join in (yes, even men). We are always willing to help or/learn new games.

## Card Making

---

Card making usually takes place on Monday and Wednesdays from 11:00 AM to 3:00 PM. Come see the beautiful cards that are made by our residents. The card makers are very dedicated to this art form and the results are stunning.

Visit the club house to see what I am talking about.

## Crafts

---

There are several opportunities in the clubhouse during the week to learn new crafts, share ideas and/or just work on favorite projects with friends. Some examples of craft activities are card making, knitting, quilting and open craft night. This is available Monday 7:00 to 9:00 and throughout the week.

## Euchre

---

Euchre has been the card game played on Wednesday evenings at 6:30 PM in the Club house from mid-October to mid-April. Everyone is welcome; however, it is important to learn the game before joining in on Wednesday evenings.

## Men's Cards

---

On Tuesday and Thursday afternoons (6:00 PM until the last man leaves) in the clubhouse, there are several Park Royale men who enjoy the game, Texas Hold 'Em. For more information, contact Rosaire LeBlanc at 727-544-0566.

We welcome new people who are interested in shuffle every year. Our season begins in December and goes through March. The next meeting will be the first Monday in December. Come to this meeting so you can hear what the plans for 2019 are all about. You can sign up for one day, two days or three days and play at your own speed. You don't have to play three days a week. If interested, contact Grant Sloan at 727-290-9352.

## Swim Aquatics

---

This summer the swim aquatics is now offered at 9:00 AM on Thursdays. Please adjust your schedule. The program lasts about 30 minutes and you will feel so good at the end of the lesson. Penny Calkin does a wonderful job. Thanks Penny! Sign up on the board by the front door.

Mark your calendars for the fall of 2018 as our newest activities are already added to our winter schedules. Both line dancing and Yoga are already scheduled for the fall. Stretch and Balance classes are provided all year long.

## Block General

**B**lock General Linda Fogle has been busy organizing the Media distribution. The Block Captains duty is to deliver the Monthly Media to each resident on their street. Park mail boxes should be placed at the end of your car port by your USPS mailbox. Park Mail cannot be put in the postal service box.

The Office is now notifying residents of any water turn off issues or other updates. Be sure that the Office has your current email address and phone numbers. We also suggest that you keep a jug of water under each sink for emergencies.

Gloria Evans takes care of the Park mail boxes. If you are new to the Park, you can ask her for one of your own. Her phone number is 215-623-4536.

Carlotta Link oversees the Park Royale directory. Please contact her if you need to make changes in the Directory. Her number is 727-346-3455. The Directory comes out once a year and is free to HOA members and \$10 for non-members.
