HAPPY 2018 TO ALL!

s a member of the Pointe West Recreation Association, I'd like to welcome you to another fun and busy year at our park. I'd also love to invite you to get involved in as many of the long list of activities going on every week as you can get to. Pointe West is a special place for a variety of reasons, and one of them is our close knit community. We are much like a family here, looking out for each other as well as enjoying each other!

Please consider volunteering to be a part of the fun. We can always use extra hands and fresh ideas!

There are several ways to get acquainted with the activities. We have Koffee Klatch every Wednesday morning in the clubhouse. Help yourself to coffee and a donut at 8:30am. There is plenty of time to socialize and chat with others before our meeting begins at 9am. The main purpose is to share what will be happening here at Pointe West in the following weeks.

Lots of information changes hands Wednesday mornings! If you'd like to be on the email list for KK News, contact Ghislaine Didham at 9-N. There are also general Recreation meetings at 7pm in the clubhouse on the first Monday of each month. Also, you should always check the bulletin board in front of the building by the doors and in Activity Room #1. Sign up sheets regarding future comings and goings are in Activity Room #1.

Christine, in our office at 5-L, also has updated calendars of activities. Lots of options! If you need somewhere to start, let me suggest our Bazaar on January 20.

This is our biggest fundraiser and most everyone offers their help in one way or another. The more the merrier! We are all anxious to get to know and learn about the many new faces we see here at Pointe West.

Joanne Kiefer President, Pointe West REC

Happy New Year to Pointe West ROC

The have more fun at Pointe West! We can do so many things! Like travel!

Terry Knapik (Lot 2-O) can show you lots of fun places to go! Like on overnight trips.

- 1. Such as Hats, Horses, Bets & Bourbon in Kentucky
- 2. Nashville's Music City, Chattanooga & more.
- 3. Veterans Day in Washington, D.C.
- 4. Miami's South Beach, Key West, & More.
- 5. How about Love & War in Texas

We can do so much here at Pointe West ROC! We all love having friends to do all the many activities here in Pointe West Community.

See you all soon!

Follow these tips to avoid accidents at home

Very year about 30,000 fatal accidents occur in people's homes, most of which were largely preventable. Making your home accident-proof isn't hard. To make sure your home is a safe home, review this safety checklist:

- Stairwells, stoops and steps. Tack down loose carpeting, augment dim lighting, and bolt handrails to walls with long screws.
- Exterior walkways and steps. If painted, repaint with a nonslip additive that prevents slipping or affix with nonslip strips.
- Electric garage door. Test periodically to make sure the safety stop mechanism is operational.
- Free-standing furniture. Secure bookshelves and storage units to walls with angled brackets, screws or bolts.
- Gas and water cutoff valves. Know how to close them. Use tags to identify each one, if necessary.
- Heating and water system. Have the vent stacks professionally checked annually to prevent toxic gases from entering the home.
- Water heater. Set temperature at or below 120 degrees Fahrenheit. Test highest temperature in running water with meat thermometer. Alternatively, install an anti-scald device on faucets and showerheads.
- Clothes dryer. Make sure it vents directly outside, not through a chimney flue, as lint is combustible and the fumes can be toxic.
- Radiators. Cover with a frame that is not touching the unit.
- Steam irons. Always unplug before filling with water.
- Toasters. Avoid toasting sugarcoated or filled pastries because the sugar can ooze, gumming up the inside and causing a fire.
- All appliances. Check to make sure they have UL listings, which guarantee the product meets safety standards. And make sure electrical appliances are not next to heating equipment.
- Light switches. Relocate any that are within reaching distance of a tub or shower.
- Electrical cords and plugs. Replace any worn piece, as they cause many household fires. Keep out of high traffic areas where they can trip children and adults. And never run under carpeting or rugs.
- Extension cords. Avoid using. If necessary, use cords with the same or greater wattage/amperage than the appliance. Never run under carpeting or rugs.
- Electrical panel box. Ensure there's a main disconnect to cut off all power in case of a fire. Also, properly mark all circuit breakers.
- Fire extinguishers. Have at least two dry-chemical extinguishers, mount near kitchen and bedrooms, and check the pressure gauge at least twice a year.
- Smoke alarms. Test every six months.
- Medicines. Separate external and internal medications, and discard outdated ones.
- Kitchen knives. Store in blocks, not loose in drawers where blades are exposed.
- Stove tops. Cook on back burners when possible.
- Indoor locks. Make sure all locks can be opened from the outside in case of emergency.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house.
