"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

President's Letter

Arthur Swagler

Our summer season's officially begun with Memorial Day service and picnic lunch. Our pool is always open and well-used during the summer months. Residents and their guests are all welcome but please follow the rules and be considerate of others. Tidy up after yourself before leaving the area. Close all umbrella's. This is our home!

Call the office for any problem that needs to be addressed. Watch your driving. People are still living here as full time residents. Expect the unexpected when traveling through the streets.

Sincerely,
Art Swagler

INDOOR SHUFFLEBOARD GAMES

Pat Gilfillan

All residents are welcome to join in paying indoor shuffleboard throughout the summer season. All meet at 6:30 on the second and fourth Monday's of the month starting at 6:30. There's a 2 loss elimination, then you get your ice cream treat. This activity continues throughout the summer. Any questions?? Contact Pat Gilfillan, coordinator.

Summer Darts

Bill and Dee Hall

Games will be every first and third Monday evenings in the clubhouse. Gather at 6:30 for team formation with play immediately following. It's a fun activity. You bring your own darts. Contact Bill and Dee at KK or Unit 8-D for more information.

MONTHLY MOVIE NIGHT

John Slater

June's movie night is June 9, 2016. The first feature will be "Events around Pointe West" followed by a second movie of Classic. FREE popcorn for snacking. BYOB of beverage and a comfortable chair, if you'd like. This is monthly activity on every second Thursday evening. Thanks, John.

Hints for Closing up Coach for Summer

1. Contract with someone to weed your flower beds especially in the front. Other people are still living in the park and wish to see it maintained. Thanks!
2. **Contact office (5-L) with departure date and northern information. Please let JoAnn know who has key to your coach. Hopefully we won't get storms but let's be prepared.**
3. We need correct northern mailing address for "snail-mail" correspondence.

Get Well:

Tom Thiede (12-0) received his well wishes while at Veterans' hospital for diagnostic tests. He's now returned to Pointe West.

Yvonne Kirby (6-D) had a heart surgery to replace one valve and repair another. She's now returned to the park and has been recuperating slowly. Best of luck, Yvonne.

Sympathy:

Our sympathy card was sent to Sherry Heller (40-C) after she returned from attending services in Canada for her nephew, Graham Burry, who passed away unexpectedly.

Derek French (11-B) passed away in mid-May. His sympathy card and memorial check was sent to his daughter, Suzanne French of Seminole, Florida. May he now rest in peace.

Please keep all residents who are experiencing illness especially Myrna Cashman who has begun her radiation treatments in Canada in your prayers. If anyone needs a card, please notify Jane McHugh at 14-H. We wish to give all our prayerful support.

Veterans' Projects

Gil Himes, Ed Palka

Ed Palka (11-N) collects any MANUFACTURERS' COUPONS. These are usually in Sunday's St. Petersburg Times, Largo Leader and various magazines. All coupons are taken to Largo Elks Lodge #2159 for distribution to our troops stationed in Germany. They are honored six months AFTER their expiration date. Any coupons for baby products or something a new mother might need are sent to Ramstein Hospital, Landstuhl. Drop off the sheets, clipped or unclipped. There's a blue plastic bin in car port at 11-N. American and Canadian flags needing proper disposal may also be left. Ed will see proper procedure is followed. Unneeded hearing aids and eye glasses may also be donated. All will find a useful home.

Gil Himes (15-I) collects articles for our veterans at Bay Pines Hospital in St. Petersburg. Lap robes, hard candy, toiletries, gently used books, magazines, playing cards, dominos and other types of games are welcome. New packs of socks and t-shirts are also needed in sizes L, XL, and 2X. Going on vacation? Collect the hotel small bottles of products for use. Drop off items anytime at his coach.

Thank you all for your donations.

Did you know that June is also...

Adopt a Cat Month. Thousands of cute cuddly kittens and mellow older cats are waiting in shelters across the country for someone to take them home. Members of the shelter staff are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

Alzheimer's and Brain Awareness Month. Around the world 47 million people are living with some form of dementia, and that number is expected to climb to 76 million by 2030. Learn how to maintain your brain's health, and help raise awareness and support of research aimed at treating brain illnesses.

National Zoo and Aquarium Month. Explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, and activities for the whole family.

PTSD Awareness Month. Post Traumatic Stress Disorder can affect anyone, and its effects are felt throughout every community. The purpose of PTSD Awareness Month is to encourage everyone to raise public awareness of effective treatments and to help all those affected by PTSD.

Sun Safety Week, June 5-11. Sponsored by The Sun Safety Alliance, which believes that a focus on skin cancer prevention, education, and awareness will improve public knowledge of the importance of sun safety.

Men's Health Week, June 13-19. Celebrated each year during the week leading up to Father's Day to heighten awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

Superman Week, June 9-12. An event held in Metropolis, Ill., to celebrate the adventures of the Man of Steel in comics, film, and TV.

Animals Rights Awareness Week, June 19-25. An annual event to raise awareness for the care and concern for animals of all varieties and to educate the general public about the humane treatment that all animals deserve whether they're someone's pet, wildlife residents, residents of a zoo, or raised as food sources.

National Running Day, June 3. Put on your running shoes and some sunscreen and go out for a run!

Father's Day, June 19. Remember your dad—and fathers everywhere—on this special day.

Teach children or grandchildren this important skill

Problem solving is a skill that's valuable throughout your children's lives, from school to their adult careers. You can teach your children how to tackle any problem they're facing by sharing these steps:

- Identify the problem. This is the most important step, and often the most overlooked. Your child can't solve a problem until he or she can state what it is.
- Come up with a list of solutions. Brainstorm possible solutions, even ones that initially seem farfetched. Just keep the ideas flowing.
- Assess each idea. Now is the time to evaluate the merits of each idea, weighing the pros and cons thoroughly.
- Pick one or two ideas. Have your child pick the top two solutions and give his or her specific reasons for choosing those possible solutions.
- Put the decision into action. Before going forward, talk about possible outcomes. What are the potential obstacles? What help can you expect? How can you avoid traps?
- Evaluate and learn. How did the solution work? What changes need to be made to make it work better? What would your child try the next time?

The hungry thief

Joe and Sam went into a bakery. When the cashier wasn't looking, Joe quickly slipped three doughnuts into the pocket of his jacket.

"What are you doing?" Sam whispered. "You just stole those!"

"So what?" Joe asked. "Nobody saw a thing."

Sam waved the cashier over. "Give me a doughnut, and I'll show you a magic trick."

Intrigued, the cashier handed over a doughnut. Sam ate it, then asked for a second one, and then a third.

"So what's the trick?" the cashier asked, skeptically.

"You know where those doughnuts are now?"

The cashier frowned. "Where?"

"Look in my friend's pocket."

Coffee may keep you healthy

Is drinking coffee good for you? A recent article on The New York Times website linked to a number of different studies touting the positive effects of caffeine on several different health problems. They include:

- Liver damage. A review of data collected by studies of more than 430,000 people found that coffee may lower the risk of cirrhosis of the liver, a disease associated with overindulgence in alcohol (among other causes).
- Tinnitus. Researchers kept track of more than 65,000 women and found that those who drank more than one 8-ounce cup of coffee a day were less likely to suffer from tinnitus, that persistent ringing or buzzing in your ears.
- Auto crashes. A study of truck drivers who routinely work on long hauls found that coffee drinkers (or consumers of other caffeinated drinks) seem 63 percent less likely to be involved in crashes while driving.
- Melanoma. An analysis of health and dietary data involving more than 400,000 people ages 50-71 found that those who drank four or more cups of coffee a day were 20 percent less likely to develop skin cancer. (The researchers cautioned that avoiding exposure to the sun's ultraviolet rays is still the most important way to avoid melanoma.)

State of health: What's the best place for you to live?

Where you live may affect your health, at least according to the Gallup/Healthways Well-Being Index. Their most recent report (using data from 2014) ranked all 50 states in order of health. The top 10 healthiest states?

- Alaska
- Hawaii
- South Dakota
- Wyoming
- Montana
- Colorado
- Nebraska
- Utah
- New Mexico
- Texas

The least healthy state, according to the Index, was West Virginia. The Index looks at a variety of factors, including purpose, social relationships, financial stability, community, and physical health.
