## President's Letter

*Arthur Swagler*

---

By the end of this month, Pointe West will have fewer residents. We sincerely hope all our "snow birds" have flown safely home. We wish them all a healthy and happy summer. There are scheduled activities for residents throughout the summer. Feel free to participate. Naturally the pool is always open and well-used during the summer months. Residents and their guests are all welcome but please follow the rules and be considerate of others. Tidy up after yourself before leaving the area. This is our home!

Call the office for any problem that needs to be addressed. Watch your driving. People are still living here as full time residents. Expect the unexpected when traveling through the streets.

Sincerely,  
Art Swagler

## INDOOR SHUFFLEBOARD GAMES

*Pat Gilfillan*

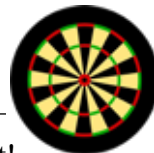

---

## Summer Darts

*Bill and Dee Hall*

Summer season for darts begins Monday, May 16, 2016 for Opening Night! Games will be every first and third Monday evenings in the clubhouse. Bill and Dee volunteered to coordinate after Bob and Arlene Bell moved from Pointe West. We thank them for stepping-up. Contact Bill and Dee for more information.

## REGULAR WEEKLY BINGO GAMES

*Dee Hall and Ray Drier*

---

We wish to thank all the "helpers" who volunteered during our last winter season. It was great fun for all. Thanks to Budd Swagler for providing pop (soda) for sale along with other snacks. Farewell until next fall. Watch for startup date announcement in the fall.

## MONTHLY MOVIE NIGHT

## Hints for Closing up Coach for Summer

---

1. Contract with someone to weed your flower beds especially in the front. Other people are still living in the park and wish to see it maintained. Thanks!
2. **Contact office (5-L) with departure date and northern information. Please let JoAnn know who has key to your coach. Hopefully we won't get storms but let's be prepared.**
3. Turn off your water on side of coach. Certainly don't needed flooded floors on your return.
4. Some residents use Damp Rid and other products to keep out moisture and bugs. Add some Clorox to toilet tank and cover commode with plastic wrap. This keeps evaporation to a minimum. Others cover drains for same reason.
5. Optional: Some residents keep their AC at 85 and keep refrigerator on. If turning off the refrigerator, prop the door open to avoid smells. Same for drawers and closets. Keep the doors and drawers open. You may wish to lightly cover furniture, lamps and wrap dishes to keep dust free.
6. **All outdoor furniture is to be stored in shed or coach. High storm winds makes "missiles" of objects that cause much damage.**

# COMMUNITY (YELLOW) PHONE BOOK

*Glen Ravenscraft*

---

**O**ur Community Directory 2016-2017: 43rd. Edition has been submitted to the publisher. Watch for announcement to pick up new copies for each resident at KK meetings or office at 5-L. The information is not to be shared with businesses. There's an alphabetical listing, a park map, list of officers of Pointe West ROC, Inc., the Pointe West Home Owners HOA Board of Directors, the Pointe West Recreational Association, Inc REC, and Pointe West FMO ( Federation of Manufactured Home Owners. There's a list of Rules and Regulations.

If corrections are needed, please write neatly and submit to the office or give to Jane McHugh at 14-H. Information will be shared with Glen Ravenscraft for next year's edition.

## Get Well:

---

Maria Duh (8-P) had surgery last month. She's returned to her coach and is recovering well. She's had excellent nursing care from her daughter, Kris Matteson-Gladfelder.

Bob Beck (12-C) had a heart procedure. He's now feeling much better and has been seen around the park.

Elizabeth Call (8-N) underwent a thyroid surgery last month. As usual, she only stayed overnight before returning home. She commented about her excellent nursing care from hubby, Don. She's recovering well.

Vern Balda (10-H) had couple stays at Largo Medical for heart procedure. He's now doing well and attending KK on Wednesday's.

Teresa Engler, former resident, was sent a card after we heard of her recent diagnosis of pancreatic cancer. She had resided in 10-P before moving to Assisted Living.

Yvonne Kirby (6-D) had a heart test at end of month. Hopefully the diagnosis went well.

### **Sympathy:**

Phyllis and Roy Walsh (2-C) received our sympathy after hearing of her sister-in-law, Evelyn Hynes's passing away in March after losing her battle with pancreatic cancer. Evelyn and her husband, Howard enjoyed several winters here at Pointe West.

Howard Hynes, former renter, was sent our sympathy after hearing of Evelyn's passing away. She will be sadly missed. May she now rest in peace.

Carol and Mike Morey (5-M) received our sympathy after hearing of Carol's Mom passing away from pancreatic cancer. Mike and Carol were able to be in Canada to say good bye and attend services.

Sherry Walsh received our sympathy card and memorial check when her Mom, Marilyn Shipley (6-B) lost her two year fight with cancer. There were no services here but a memorial is planned for family and friends in Indiana. Sherry is now staying in the coach.

Carol Keehnle (7-D) lost her sister passed away in New Jersey. She had just received the lung cancer diagnoses. May she now be at peace.

Don and Carol Burnham (6-C) received our sympathy and memorial check when his father, Bill (former resident) passed away in Ontario. Bill had lived in the park since the 1990's before health problems kept him in Canada. Bob and Carol have been maintaining the coach since then. Rest in peace, Bill.

Please keep all residents who are experiencing illness or loss in your prayers. If anyone needs a card, please notify Jane McHugh at 14-H. We wish to give all our prayerful support.

## Veterans' Projects

*Gil Himes, Ed Palka*

**E**d Palka (11-N) collects any MANUFACTURERS' COUPONS. These are usually in Sunday's St. Petersburg Times, Largo Leader and various magazines. All coupons are taken to Largo Elks Lodge #2159 for distribution to our troops stationed in Germany. They are honored six months AFTER their expiration date. Any coupons for baby products or something a new mother might need are sent to Ramstein Hospital, Landstuhl. Drop off the sheets, clipped or unclipped. There's a blue plastic bin in car port at 11-N. American and Canadian flags needing proper disposal may also be left. Ed will see proper procedure is followed. Unneeded hearing aids and eye glasses may also be donated. All will find a useful home.

Gil Himes (15-I) collects articles for our veterans at Bay Pines Hospital in St. Petersburg. Lap robes, hard candy, toiletries, gently used books, magazines, playing cards, dominos and other types of games are welcome. New packs of socks and t-shirts are also needed in sizes L, XL, and 2X. Going on vacation? Collect the hotel small bottles of products for use. Drop off items anytime at his coach.

Thank you all for your donations.

## Did you know that May is also...

---

**ALS Awareness Month.** ALS, also known as Lou Gehrig's disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

**Better Hearing Month.** Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

**National Military Appreciation Month.** As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

**National Bike Month.** Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

**Children's Mental Health Awareness Week, May 1-7.** A yearly event aimed at raising awareness of the issues and causes integral to the children's mental health field nationwide. Sponsored by the National Federation of Families for Children's Mental Health, this year's theme is "Healthy Families, Resilient Children: Mental Health is a Family Affair."

**National Nurses Week, May 6-12.** One of the nation's largest health care events, National Nurses Week ends on the birthday of Florence Nightingale, the mother of modern nursing, and recognizes the contributions nurses make. It also educates the public about the significant work they perform.

**American Craft Beer Week, May 16-22.** American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

**May Day, May 1.** An ancient northern hemisphere spring festival celebrated in many cultures. Dances, singing, and cake are usually part of the activities.

**Mother's Day, May 8.** Don't forget to tell your mother (and mothers everywhere) how much she means to you.

**Memorial Day, May 30.** A U.S. federal holiday honoring those who have given their lives while serving in the armed forces.

## Caregiving has its rewards

---

**A**s Americans live longer, families are feeling a heavier burden in the caregiving area. The Bureau of Labor Statistics estimates that some 40.5 million Americans are acting as unpaid caregivers for older family members. Most just help one person, but 22 percent are responsible for two people and 7 percent provide help to three or more. Most caregivers are between the ages of 45 and 64 (23 percent), but 17 percent of people older than 65 act as caregivers as well.

The demands may be high, but many Americans find the work worthwhile. Yes, 32 percent describe caregiving as stressful, but 88 percent say helping out an elderly loved one is a rewarding experience.

## Try these year-round common cold remedies

---

**Y**ou can catch a cold any time of the year, no matter what the weather is. Although you can't cure it, you can relieve its symptoms with some simple remedies. Try these:

- Honey. Honey mixed with tea or warm lemon water can relieve coughing and sore throat.
- Zinc. Zinc supplements taken within the first few days of having a cold can shorten your illness and could prevent a cold in the first place.
- Hot liquids. Hot tea or water can loosen up congestion in your chest and sinuses.
- Salt water. Evidence suggests that rinsing your mouth with salty water can clear up nasal congestion and unclog your sinuses.
- Vitamin C. Evidence that vitamin C can help you avoid or shorten colds is mixed, although research does hint that it may be effective for those with a vitamin C deficiency.

We must respect the past, and mistrust the present, if we wish to provide for the safety of the future.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Exercise: More isn't necessarily better

Losing weight is just a matter of exercising, right? Actually, that may not be the case, according to a study of exercise and weight loss reported on the CNN website.

Researchers looked at 332 adults in the U.S., Jamaica, and Africa, measuring their activity level over a week. The volunteers displayed a variety of exercise levels from sedentary to active. Although those who exercised and were active more burned away more calories than the others, their activity tended to hit a plateau—after a certain level, more exercise didn't produce more weight loss.

Switching exercises helped a little, since using different muscles can make your body use more energy. But in the long run, a combination of exercise and a reduced-calorie diet may be your best bet for losing those unwanted pounds.

## Don't get zapped at work (or home)

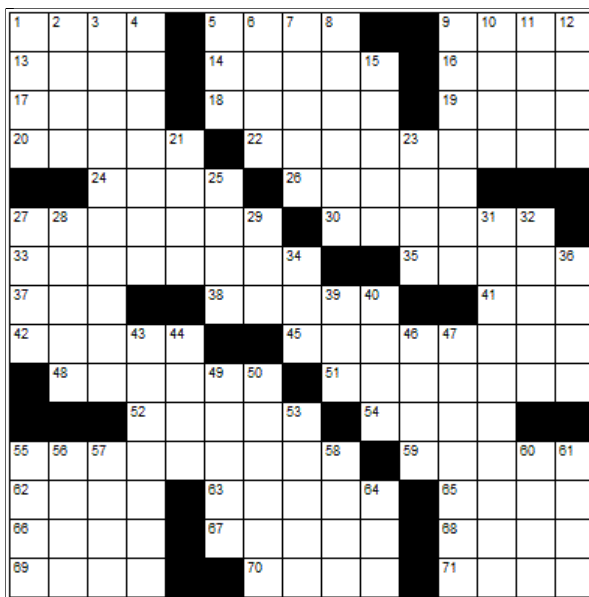

Electrical hazards at home and in the workplace injure thousands every year from burns and shocks. Faulty or overloaded wires cause the majority of accidents, so protect your family and your co-workers by following these guidelines:

- Get inspected. If your electrical panel hasn't been inspected for more than 10 years, get a qualified electrician to look it over.
- Unplug heat appliances after use. At home, that includes toasters, hair dryers, and irons, among others. In the office, unplug space heaters or anything else that can cause a fire.
- Use the correct wattage. Putting a 75-watt bulb in a 60-watt light socket is asking for trouble.
- Don't overuse extension cords. They're meant for short-term use, not as way to plug in as many appliances as possible into one outlet.
- Use surge protectors. They'll keep computers and other appliances safe from overloaded circuits.
- Keep appliances away from water. If an appliance that's plugged in falls into water or gets wet, unplug it before you reach for it.
- Don't yank cords. When unplugging an appliance, always grip the head of the cord. Yanking and tugging can damage the cord's wire and insulation, which can lead to an electrical shock or fire.
