Message from Park Manager

Important Message from Manager:

I would like Pointe West Residents to be aware that Joe Frandeka, our Maintenance Supervisor is also considered our Grounds Supervisor. Joe Frandeka is part of Pointe West Management. As Grounds Supervisor, Joe has the authority along with the Pointe West Manager, to make decisions that affect our Community and our Resident's health, safety and peaceful enjoyment. Joe has authority to deal with situations that may occur regarding the Grounds, Common Areas, Pool Area, etc... I would expect that Joe is treated with the respect he deserves. Thank you.

Important or Emergency Information from Park Management:

If you have an email account and would like to be added to the email list, please call the Park Management Office to have your name added. We are working on implementing a way to reach all Pointe West Residents in case of Emergency or to relay important information. Until then, Ghislaine Didham has offered to help by sending emails from the Park Management Office. A special thanks to Ghislaine for her assistance. It is greatly appreciated.

Security Cameras:

We are in the process of adding extra security cameras in the Park. We now have 2 license plate reader cameras installed up and running with night vision. (We still have quite a few Residents in the Park speeding. If you are caught speeding, you will receive a warning. After 2 warnings you will be considered a persistent offender and you could be banned from driving in the Park. For your reference please see Section 4. Automobiles and Recreation Vehicles: 4.11.)

There will be extra cameras installed at our Pool area & in the Clubhouse. We have new cameras set up at the Park Management Office and one points directly to the pool area as well. All cameras are running 24-7 and managed through the Park Management Office. The cameras will be set up with an app so the Park Manager & Maintenance Supervisor can monitor all cameras through our work cell phones 24-7.

If we find the person speeding is a guest/visitor/renter of a Pointe West Resident, that Resident will be held responsible. Reminder that a guest/visitor/renter can also be banned from the Park as all guests/visitors/renters must follow all Pointe West Rules & Regulations.

Grass Cutting:

We have had a few complaints about the Landscaping Company. Your complaints are taken seriously, and we contact the Owner of the Landscaping Company each time we receive a complaint. If possible, you need to call the office while the Lawn Crew is still in the Park. The Owner has a better chance to address the issue if his crew is still in the Park. Reminder, please do not approach or try to give direction to the lawn crew. They only take orders from their Supervisor and the Owner. If you feel something needs to be addressed, you need to call the Office immediately.

continued on page 12

Please move grills, golf carts, lawn chairs, garden hoses etc.. on Thursday or early Friday morning. The Landscaping Crew is not permitted to move any items. They will not weed whack or mow near any of those items. We have advised the Landscaping Company to blow grass cuttings down from the top of the carport to the street. In the past they have blown grass cuttings up the driveway causing grass and debris to blow into screened rooms and windows. A good rule of thumb would be to close car and home windows on Friday, as there is still going to be grass and dirt blowing regardless. Currently, we do not plan on changing companies. After doing research other Lawn/Landscaping companies have similar complaints. Even 5 star rated companies still have several complaints.

Pool:

Reminder, no glass in or near the Pool area. If you are caught with glass at the Pool you can lose your pool privileges. You must follow rules posted at the pool. If you consistently break or disregard a Rule you can be banned from using the pool. You are responsible for guests/visitors.

Violations for Weeds/Bushes:

Please remember to hire someone to take care of your property while out of the park for an extended period. You have 30 days from the date of the letter to correct the violation. If you receive a violation letter and do not correct the violation or call the office to request help, the Park will correct the violation and can charge a fee up to \$200.00. The fee will depend on the severity of the issue as well as labor and materials if needed.

Many violation letters went out last month without pictures due to the fact we had so many Residents with violations. Many of our Residents had to leave quickly due to COVID-19 without a chance to address their weeds before they left the Park. Ongoing, pictures will accompany all violation letters with Unit #'s as well as the violations itself.

I wanted to address a question we receive quite often concerning Violations:

Why did I get a Violation letter when my neighbor or another Resident has weeds that are worse than mine?

Please understand if a Resident is disabled or the Unit is unoccupied, it takes time for the Park to address the issue. We only have 2 people that take care of weeds in the Park. Most often they are booked as they take on Residents as customers. If you are interested in helping a neighbor with their weeds please contact the Park Management Office. I am sure they would appreciate the help.

When doing inspections, we will at times send out a letter when weeds are just starting to show. We do this because it can take up to two weeks to receive the letter. If we are experiencing a lot of rainfall by the time you receive your letter, your weeds are most likely worse than the picture.

Positivity

With the world seemingly upside down, let's see if we can find something positive to say about life in September 2020. Obviously it would be much easier to be a "Debbie Downer" but let's give it a try!

- We've got plenty of time to catch up on our reading. I've had a pile of books waiting for some time now.
- We can try new recipes. I don't know about you, but I'm becoming the "Queen of Casseroles" plus I'm baking more than ever!
- Laundry and cleaning chores only put a small dent in our free time. Everything can be squeaky clean!
- Christmas shopping is a snap on Amazon. Sometimes the wait for delivery can be long, but we've got nothing but time! The OCD friends among us may even get their wrapping done!
- We're saving money on make-up, restaurants, new clothes and gas (to mention a few). Unfortunately many of us are using it for beer, wine and liquor! Uh oh!
- Many of us are improving our tech skills—there's ZOOM, FaceTime, Facebook, Snapchat, Instagram and others I haven't personally encountered yet. Plus we can still have conversations on the good old telephone! Plenty of ways to stay connected.

The future is worrisome for sure. All we can do is make the best of today. Continue to be smart. Stay safe. Stay healthy. Until we meet again!

From Joanne Kiefer - REC President

Irish Blessing

May flowers always line your path
And sunshine light your day.
May songbirds serenade you every
Step along the way.
May a rainbow run beside you in a
Sky that's always blue.
And may happiness fill your heart
Each day your whole life through.
To all with love from Jean Bovee

the same address. You must already be a registered voter. Go to [votepinellas.com](https://www.votepinellas.com) for all the information you need to get prepared to avoid long lines and large crowds. If you need help in ordering your ballot online contact Christine Mitchell at lot 27, or email Christine.mitchell@gmail.com. Pandemic Perspective

Imagine you were born in 1900.

- When you're 14, World War I begins and ends when you're 18 with 22 million dead.
- Soon after a global pandemic, the Spanish Flu appears, killing 50 million people. And you're alive and 20 years old.
- When you're 29 you survive the global economic crisis that started with the collapse of the New York Stock Exchange, causing inflation, unemployment and famine.
- When you're 33 years old the Nazis come to power.
- When you're 39, World War II begins and ends when you're 45 years old with a 60 million dead. In the Holocaust 6 million Jews die.
- When you're 52, the Korean War begins.
- When you're 64, the Vietnam War begins and ends when you're 75.
- A child born in 1985 thinks his grandparents have no idea how difficult life is, but they have survived several wars and catastrophes.

Today we have all the comforts in a new world, amid a new pandemic. But we complain because we need to wear masks. We complain because we must stay confined to our homes where we have food, electricity, running water, Wi-Fi, even Netflix! None of that existed back in the day. But humanity survived those circumstances and never lost their joy of living.

A small change in our perspective can generate miracles. We should be thankful that we are alive. We should do everything we need to do to protect and help each other. This message should reach everyone.

Joke of the Month

A farmer had a three legged pig and his neighbor asked him why the pig had only three legs. "Well, I'll tell you" the farmer replied. "One day I was plowing my field and the tractor turned over and pinned me underneath. That pig ran for help. He saved my life". "Oh, that's how he lost his leg?" the neighbor drawled. "No. One night my wife and I were sound asleep and the house caught on fire. That pig woke us up. He saved our lives!" "So that's how he lost his leg", stated the neighbor. "No, that wasn't it" the farmer affirmed. Exasperated, the neighbor demanded "Then how did he lose his leg?" and the farmer replied, "When you have a pig that good, you don't eat him all at once!"
