FLORIDA CONSTRUCTION CO.

Get well cards to:

Audrey Cooper (Lot 30) spent last month having cataract surgery on both eyes. They were done separately over two week period. Hopefully her world is looking better and brighter as healing continues.

Margaret Tapia (9-J) after her June 17 hip surgery in Illinois. We wish her a full recovery after therapy sessions. See you back this winter season. Margaret is Joy Billis's sister who is also winter resident.

Sympathy card and memorial donation was sent to Art Schaefer (Lot 28) after the passing away of his wife, Pat early in June. Pat had been in failing health for several years. Before her health issues she was very active with her ROC duties as Secretary. She and Art spent many hours cleaning and rehabilitating units the ROC units before they were put up for sale. May she now rest in peace.

Please don't forget to send word of residents who are ill or grieving for a loved one. All it takes is a call or send an email. Thanks.

We have many friends in need of prayers for various serious medical conditions. Continue to pray for them all.

Send all news to Jane McHugh (14-H), 581-2664 or TJMAC39@aol.com. Weekly KK News is sent via email. Send note to the email address with KK NEWS in subject line. Your address will be added. Send email, IF you do not receiving this on Wednesdays let me know.

CAN RECYLING

Doris Myers

Did you know your aluminum cans means money for our REC Association??? If you put them in your blue recycling bin; you are giving away this money.

Please remember to bring your rinsed and drained aluminum cans to 3-I. Rinse them and remove tabs, if possible. Turn them in separately. Tabs are given to Ronald McDonald House.

Drop of at 3-I., even through the summer months. Thank you.

Veterans' Projects

Gil Himes, Ed Palka

Gil Himes (15-I) collects articles for our veterans at Bay Pines Hospital in St. Petersburg. Toiletries, gently used books and magazine, playing cards, puzzles, dominos, hard candy and lap robes are some of possible donations. Packages of new socks and t-shirts are needed in sizes L, XL, and 2X. Even hotel toiletries are welcome. Let's remember our hospitalized servicemen and women. Thanks for your support.

Ed Palka (11-N) collects any MANUFACTURERS' COUPONS. These are usually in Sunday's St. Petersburg Times, Largo Leader and various magazines. All coupons are taken to Largo Elks Lodge, #2159 for distribution to our troops stationed in Germany. Any coupons for baby products or items useful to new mothers are sent to Ramstein Hospital, Landstuhl, Germany. Drop off the sheets, clipped or unclipped. Please continue to support this cause. Largo Elks Lodge 2159. Ed also takes American and Canadian flags that need proper disposal. Ed will find new home for hearing aids and eye glasses, too. There is a blue plastic bin in carport at 11-N.

These activities continue throughout the summer.

July Is...

Eye Injury Prevention Month. Eye injuries occur at a rate of more than 2,000 per day, with an estimated 1,000 eye injuries occurring in American workplaces alone. In addition to wearing proper safety eyewear, early detection and treatment of eye conditions and diseases are essential to maintaining good vision throughout your life.

Independent Retailer Month. Celebrate independent retailers across the country. Support and shop independent merchants all through the year, and use July as a time to unite for the independent retailers in local communities that help build our economy.

National Hot Dog Month. What better month to enjoy a delicious hot dog? The National Hot Dog and Sausage Council estimates that Americans eat over 7 billion hot dogs between Memorial Day and Labor Day, with 150 million consumed on the Fourth of July alone. Do your part.

Parks and Recreation Month. This year marks 30 years of Parks and Recreation Month, highlighting the enduring importance of parks and recreation for the world. From the start, parks were created to give us a place to appreciate nature, exercise, socialize, and have fun—a mission that lives on into the future.

July Daily News...

World UFO Day, July 2. Have you had a close encounter? Spread the word on this day that explores the unexplained.

Independence Day, July 4. The United States declared its independence from Great Britain on this day in 1776.

Global Forgiveness Day, July 7. “To forgive is to offer opportunity for a new beginning to the offender, and provides a process of healing for the victim.”

Shark Awareness Day, July 14. As much as we enjoy being frightened by this predator of the sea, remember that the shark has a key role to play in keeping marine ecosystems in balance.

World Ranger Day, July 31. Sponsored by the International Ranger Federation to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect wildlife around the world.

Trust in others rises as people grow older

In a cynical world, trust can seem hard to come by. But new research suggests it may grow as we get older. The World Values Survey, collecting data from more than 200,000 people in 83 nations, found that more than a third of people 80 years old or older agreed with that most people can be trusted, although just a quarter of 20-year-olds said the same.

The results were consistent regardless of nationality, gender, education, and income.

A similar study, analyzing data from the General Social Survey of 1,230 U.S. citizens over time, also found that our willingness to trust increases as we grow older.

One possible explanation: As time goes on, most people tend to simplify their lives and spend more time with their families, resulting in a more positive and generous attitude about the world.

That morning cup of coffee may be really good for you

A lot of us depend on a cup of coffee or two to get going in the morning. But coffee may have even more significant health benefits. Here's a quick look at what it may do to improve your life:

- **Melanoma.** A study by the National Institutes of Health and the AARP found that the more coffee people drink during the day, the lower their chances of developing melanoma over a 10-year period. Four cups of coffee a day was associated to a 20 percent drop in melanoma risk.
- **Multiple sclerosis.** An analysis of two studies of people diagnosed with MS (one in the U.S. and one in Sweden) found that consuming at least four cups of coffee a day appears to delay the onset of symptoms. The caffeine, researchers say, seems to have neuroprotective properties that inhibit MS development.
- **Liver cancer.** Drinkers of three or more alcoholic beverages a day may be able to cut their risk of liver cancer by drinking coffee, according to a recent World Cancer Research Fund report. Coffee and coffee extracts appear to have a preventative effect on the expression of genes involved with inflammation—an effect that's most prevalent in the liver.

The state of food across the U.S.

Every U.S. state is known for something: slogans, state birds, celebrities, etc. If you're hungry, or planning your vacation menu, consider some of these official state foods found across the country:

- Alaska: Salmon (state fish)
- California: Avocado (state fruit)
- Delaware: Peach pie (state pie)
- Georgia: Grits (state prepared food)
- Illinois: Popcorn (state snack food)
- Louisiana: Sweet potato (state vegetable)
- Maryland: Smith Island Cake—a yellow cake of 8-10 layers with chocolate frosting (state dessert)
- New York: Apple muffin (state muffin)

The creative process—from the artists who know

What do professional artists, writers, and performers think about creativity? From The Guardian come these thoughts on the process from people who depend on their imagination to do their jobs:

- Guy Garvey, musician. “Just start scribbling. The first draft is never your last draft. Nothing you write is by accident.”
- Polly Stenham, playwright. “I’m very fidgety, and I seem to work best when my hands are occupied with something other than what I’m thinking about. During rehearsals, I find myself drawing little pictures or symbols that are somehow connected to the play.”
- Tamara Rojo, ballet dancer. “An idea never comes to me suddenly; it sits inside me for a while, and then emerges.”
- Mark-Anthony Turnage, composer. “If you get overexcited by an idea, take a break and come back to it later. It is all about developing a cold eye with which to look over your own work.”
- Fyfe Dangerfield, musician. “For me, the image of the tortured artist is a myth—you don’t need to be miserable to write songs. In fact, if I am feeling down, the last thing I want to do is write; though it’s important sometimes just to sit down and get on with it, however you’re feeling. Your creativity is like a tap: if you don’t use it, it gets clogged up.”

Eliminate the obstacles to a good night's rest

A good night's sleep is essential to everyone's health, and yet many people have trouble getting the shut-eye they need. If you're not waking up feeling refreshed and ready to start your day with energy, check out these problems that may be preventing you from sleeping soundly:

- Procrastination. You know you should go to bed, but you let yourself get distracted by household tasks or the TV. Set a firm time limit on your evening and stick to it.
- Caffeine. Avoid coffee and other caffeinated drinks after 3 p.m. The effects can linger for up to seven hours, making sleep difficult by the time you need to go to bed.
- Heat. You may not be sweating, but feeling just a little too warm can keep you from dropping off. Try sticking one foot out from under the covers to balance the temperature.
- Stress. The news, your job, or personal worries can make relaxation and sleep difficult. Practice meditation and other techniques to un-tense your body and your mind.
- Work. If your job starts too early in the morning, you'll have trouble waking up and performing well. Try to negotiate a later arrival time. Emphasize how your productivity will increase if you get the right amount of rest.

Prevent back pain before it strikes

Back pain can make your work difficult no matter what job you do. Lifting heavy items is only one potential source of damage; poor posture and repetitive movements can also cause strain and pain. Keep your back in good shape with these general tips from the Mayo Clinic website:

- Get some exercise. Losing weight and staying in shape will decrease wear and tear on your back muscles. Combine aerobic activity with strength training that stretches and strengthens your stomach and back.
- Practice good posture. Your parents were right when they told you to stand up straight. Make a point of keeping your weight balanced on both feet without slouching. Use a chair with good back support, and make sure it's the right height, allowing you to keep both feet flat on the floor and your knees on the same level as your hips.
