RMP Arboretum Update Spring 2020

By Lois Bircher, Caretaker

In celebrating the 150th Anniversary of National Arbor Day, RMP Arboretum Volunteers are joining 5 million tree planters around the globe planting 100 million trees to protect air, soil and water. At our half acre with over 50 trees, shrubs and plants started in 1995, we will soon be celebrating our 25th Anniversary.

The largest garden site in North America is Longwood Gardens near Kenneth Square Pennsylvania, AKA the Mushroom Capital of the World, where over half of America's mushrooms originate. There are 20 outdoor and 20 indoor gardens, woodlands, meadows and numerous ponds and fountains on 1050 acres.

In Florida, the City of Lakeland is home to Hollis Gardens, a botanical display set in a neo-classical architectural environment complete with patterned flower beds, public art and ornamental fountains. Initially gifted by family founders of Publix Groceries, this 1.2 acre site has over 10,000 flowers, shrubs and shade trees overlooking Lake Mirror, famous for white swans who inhabit there.

Closer to home are the Florida Botanical Gardens at Pinewood Cultural Park with entrances on Ulmerton and Walsingham Roads. A year-long 20th Anniversary is taking place. One can take a self-guided, handicap accessible, tour of over 15 gardens, including a Palm Garden, when enjoying unaltered natural beauty (take insect repellent) and viewing Florida wildlife – birds, fish and animals.

In RMP along Hawthorn Lane is a Memorial garden plaque with this verse:

“The Kiss of the sun for pardon
The song of the birds for mirth
One is nearer God’s heart in a garden
Than anywhere else on earth”

Familiar to gardeners throughout the world, God’s Garden was written by an English poet, Dorothy Frances Gurney, sometime during her lifetime 1858-1932. When spring arrives you can read this plaque when it will be in the shadow of white lily blooms. Do walk safely on Park paths and enjoy your days in Ranch Moblie!

April Days

April Fools' Day, April 1. Play a (harmless) prank on a friend, co-worker, or family member today.

National Siblings Day, April 10. This is a good time to reconnect with brothers and sisters and strengthen family bonds.

Easter, April 12. Christians celebrate the resurrection of Jesus Christ following his crucifixion on Good Friday.

Tax Day, April 15. The people who understand tax law are an elite few; the rest of us need only concern ourselves with a couple of key points: Just about everyone needs to file, and that should be done by the end of today.

Earth Day, April 22. Keep the car in the garage and ride your bike today. Visit your local farmer's market, plant a native tree, limit your reliance on single-use plastics, recycle, repurpose, and do something to honor and protect our planet.

Denim Day, April 29. During the last Wednesday of National Sexual Assault Awareness Month, wear your jeans to work to protest the abhorrent attitudes and injustices endured by victims of rape and sexual violence. Consider sponsoring a "Denim for Dollars" campaign if your workplace has a dress code or requires uniforms. Learn more at <https://www.denimdayinfo.org/dollars-for-denim>.

Libraries still healthy in the U.S.

Those of us who worry that libraries are on their way out should take heart from a recent survey reported on the CNN website. In 2019, more Americans went to the library than to movies, live sporting events, museums, concerts, casinos, and other places.

U.S. adults reported that they visited the library 10.5 times on average last year, almost twice as many visits as trips to the movies. That was followed by live or theatrical events and visits to national and historic parks (about four times), museums and casinos (2.5 times) and amusement parks and zoos. The majority of library goers are 18–29.

Libraries offer more than just books, of course, likely a factor in the almost-monthly visits. These days most libraries offer free Wi-Fi, children's activities, movie rentals and more, which are attractive to young adults, women, and people on a low income.

IF YOU NEED A HEART PROCEDURE, MAKING AN APPOINTMENT WITH BAYCARE IS STANDARD PROCEDURE.

With one of the most technologically advanced heart programs in Florida, Morton Plant Hospital is your BayCare hospital. We perform the full spectrum of heart services from percutaneous coronary intervention (PCI), to transcatheter aortic valve replacement (TAVR), to coronary artery bypass graft (CABG), to ablation for atrial fibrillation (AFib). But we provide more than experience and expertise. We use advanced technologies like state-of-the-art imaging and noninvasive diagnostic tests. And we always provide the high level of personal care that BayCare is known for. If your primary care doctor suggested you see a cardiologist, we can refer you: (844) 344-1952 or KnowYourHeart.org

In Tampa Bay, BayCare hospitals are selected most often for people needing cardiac care.

BayCare

Morton Plant Hospital

Based on an aggregated number of adults who needed to be admitted to hospitals due to cardiovascular problems, as reported by the state of Florida, who lived in the four-county area of Hillsborough, Pasco, Pinellas and Polk from April 1, 2018, through March 31, 2019.
