Pool Improvement Club

The season is scurrying by so quickly! It especially does that when you arrive early in December and you set your feet to running in six different directions at once!

After the car was emptied, Al and I went over the Pool Improvement Club books since the April 4th meeting. Our dear neighbor, Lou Lowery, took care of everything the pool needed while we were gone. He had the straps replaced on all the lounges throughout the summer, that were ready to adorn the beautiful deck that was re-done at the approval and direction of the Board of Governors this October. It looks absolutely fantastic!

There have been a few cracks showing up on the deck, but the company that did the work guarantees the job and will epoxy and fix them as needed. The deck is guaranteed for 10 years without the need to be painted over. That should be a major plus for the pool club.

Lou continued to look after the aluminum cans collected and took them to be recycled through the summer and fall months in my absence. "Thank you Lou, that is a rough job!" Especially when the cans still have beer and pop in them and they spill out and get sticky and attract the bees!

Please try to recycle clean empty cans and crushed if possible. WE have a hand crusher that Bob Burns has volunteered to install on the Aluminum Can shed. If anyone cares to, you can crush your cans.

Thanks to Roy MacKenzie for helping to keep his hands on the cans this season. He has been a great help to our PIC! His wife Debbie is our new Secretary! thank you both for stepping up to our needs, you are most appreciated.

Don Crouteau will also be doing the cans throughout the warm season, he has been very generous to setup up, especially since our dear friend and pillar to our Club, Bob D'Ascoli along with his wife, Carol, have moved this winter to assisted living. God bless them! Bob served for years as the PIC Treasurer and official "Can Man." I thank him from the bottom of my heart.

The Pool rules and regulations had to be updated just before Christmas because a new inspector from Largo failed us. Upon his inspection, we did not have the proper signage, a "NO DIVING" or "NO JUMPING" sign in four inch lettering, also "NO GLASS IN THE POOL AREA" needed to be posted.

It is important for everyone to acquaint or reacquaint yourselves with the rules posted and all the new signs.

The rule for "No food and drink within 4 feet of the wet deck area" is LAW according to our Largo Inspector. that means that the areas around the pool on the North, south and East are "no-no's" due to the insufficient footage. You are permitted to use the umbrellas tables and all chair and lounges west toward the pavilion for your plastic covered drinking vessels. No Alcohol is allowed in the pool area. Food and alcohol as an unwritten rule was always taken to the pavilion area for consumption.

Remember you need to apply "Sunscreen Lotions" at least 15 to 30 minutes before going into the sun. No sunscreen is to applied in the fenced in pool area. Never wear "Suntan Oils" into the pool; this can gunk up the pool filter, soil the rim and damage the chairs and lounges.

Another unwritten rule is no large floatation devices permitted in the pool. We must have respect for all the other bathers basking in the sunshine. If you want to do laps the length of the pool, go under the ropes, do not remove the ropes, that is a safety violation.

...continued on page 8

Please remember to shower before entering and after exiting the pool. Clean up after yourselves when you or your guest use the pool. Return your chairs and lounges to the proper location and positions. Take all your belongings when you leave.

If anyone vomits or does feces or bleeds into the pool or areas within the fence, everyone must exit the pool and call a Governing Board Member to close the pool until the matter is removed and thoroughly cleansed. Please do not go into the pool if you or your guest feels ill or if you have an open wound. Spare everyone the heartache.

Common sense and common courtesy play a "HUGE" role in our rules and regulations. If it sounds to you of disrespect or a violation, then please do not do it.

The Spaghetti Dinner

I would like to thank everyone that helped to make the Pool Improvement club's Spaghetti Dinner a great success.

Chuck Davis and his proteges: kitchen crew Steve Szumita and John Gregoire, Lou Chantigny, Dick Lies and Lou Lowery did a fantastic job in all their preparations.

Joanne Lavigne and her sweet servers Jeanine Allie, Rachel and Mark Huot, Debra Gregoire, Sam Soulliere, Denise Armand, Shirley Bourne all did a fine job along with Lou Lowery to set up the tables and serve the dinner.

Misty Marston was a terrific help on collecting Raffle prizes and distributing them. Thanks to Leanne Lowery and Aline Chadburn for selling the Raffle tickets. The Raffle was a big success! Kudos to Don and Joan Cyr for the big pay out of the Share the Wealth!

We had great help to clean up the kitchen, Pat Richards and Richard Haggith, Pat Peever, Claire Labbe, Lois & Dennis Waite and Carla and Dick Lies and Bryan & Doreen Marshman to reset the hall for the next activity.

Doreen has stepped in to be our new Vice President of the PIC. Thank you so much Doreen, it is a pleasure to have you with us.

When you volunteer to help for any of our functions or any of the other Clubs events, you are helping the WHOLE community of Ranch Mobile! It helps to keep our HOA fees down and to keep our neighborhood beautiful.

God bless you, one and all!

Sincerely,

Sue Berton, PIC President

White Elephant Sale

WE DID IT!

The pool Improvement Club was in charge of sponsoring the funding of the Sale this year. Thank you for helping to make Our Community Sale a success.

The Golf and Billiards did a fantastic job of collecting and transporting the bulk of the goods. Tom Walsh was our dispatcher and Gary Sproule and Ken Paradine lead their forces. Thank you to all the truckers and drivers for your time and usage. Thank you for your support and muscle!

Thank you to the Ranchers that help with communications, Ivan Thurlow on the yard Sale signs and Bryan Marshman on the WES signs and Gary Sproule and our Bingo Travelers for staking out our fliers.

Our set up of the CH on Thursday night went really well. Ricki Burk, Lisa & Mick Lynch and Jeanne Hudson all dug in with Moe & Cookie Caron and Bryon & Doreen Marshman and anyone Al & I could drag in off the street, to stack all the chairs and rearrange the CH into an indoor shopping mall. Bryan and Rich Gallant hung the venue signs to make it easier for all the folks that would be there in the morning to sort out all our collected merchandise.

We started Friday morning at 8 a.m. to move the goods into their proper locations. It always amazes me as to how well the flow of goods gets taken from the Shuffle courts and distributed throughout the CH. The last box was taken in a 8:45 a.m.! We were surely ready for a doughnut and coffee break! Then it was time to coordinate and sort all the venues to make a pleasing presentation. I must say Everyone did a fantastic job of their areas. It looked so clean and neat when all was complete. My thanks to those that volunteered to take on a specific venue:

Please forgive me is I left out anyone's name. You all worked so hard and so very well together! It was my honor and pleasure to be with you through it all.

We had a very rough time getting started. There were the rumors spread through the Ranch that we were not going to have the WES at all! This is what I heard upon my arrival the 1st of December. To turn around that myth was my first job.

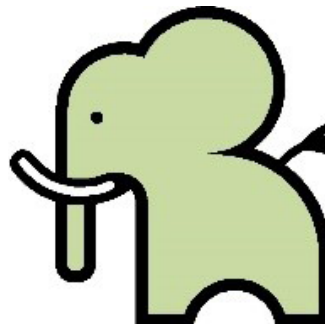

Then to learn that I needed to have a signed contract for the office, from the company that would pick up the goods that remained, was my second. Or else there would NOT be any Sale at all, was the next hurdle. This was too much to comprehend! I set off calling all the charitable organizations, they all said the same thing, that they do not pick up on Saturday. I called resale places, all said they would pick and choose. I called dumpster people, all were expensive. Then I found "At Junk" who charge \$550.00 but if I mentioned John 3:16, I would get \$100.00 off. I told him we needed a truck that would hold a whole house full of goods. He said he could do that. He said he did recycle as well in our conversation. I felt relieved.

Meanwhile, as the time for our yard sale was coming around, I could not have permission of any of the park facilities to use as storage for any early items that might come up. This was very frustrating for me. I was only given the ok to use the Shuffle area to the East side of the courts only, which was understandable due to Shuffle Fun Day held the week after the Yard Sale. Still no space for Furniture. You cannot image my heart and my disappointment.

As the WES approached closer and closer, I still could not find someone that wanted our excess. I hung on to different leads as long as I could. It was suggested that possibly "Down Yonder" wanted what we had left. Could it be? They would have liked it very much, but alas, NO, they did not have the facility to hold it over. So as I was getting pushed to have that signed contract to the office, I called At Junk back to get the contract. Never ever thinking it would be insufficient for our needs. Not just one load, not two loads, but 3 loads was their capability of the truck they brought! Thank God for Bob Burns negotiating to take it all for \$800.00 dollars. I felt so sick and defiled! After working so hard for so long then coming to this point, I was numb. Raped of all the good that was done and that I had let all of you down. I'm very sorry we all had to go through all of this.

We did make money. Even though we did not have as much merchandise as last year, we did have a lot of quality items. We did sell \$3,494.27 worth of goods. After the expenses of \$1,143.32, we scored \$2,350.95. Giving five clubs a total of \$470.19 each. For this I am most grateful to all of you and your labors. God bless you all and God bless Ranch Mobile Home Park.

Sincerely,
Sue Berton, President
Pool Improvement Club

Dance Club News - March 2019

By Beryl Olson

Here it is March already. This dance season is getting shorter. Only three dances left. This also means it's election time again.

There are 2 openings coming up. Elections are this March. I've enjoyed my 2 years. Step up and join us. Get to know your neighbors on the other side of the pool.

Have you paid your annual dues yet. It's not expensive, \$3. Let us know if you would like to be on the List for a Permanent Seat.

The \$25 winners of the Western Dance Raffle were Shirley Dowding, Millie Dickey, Doris Cantigny and Ann Barrett.

The 5 winners of Share the Wealth were Donna Butts (2 times), Robyn Myers, Norma Alexander, Bob Samsay. Twenty five dollars each.

The winners of the boxes of Belgian Chocolates were BT Tremblay and Bill McIntosh. Donated by Sharon Gowland and Mike Hurley. Thank you.

Congratulations to all our winners.

Coming up in March is St. Patrick's Day Dance on March 12, 2019. Sea Breeze will entertain us.

St. Patrick's Day Jokes

I might only be 25% Irish, but on St. Patrick Days, I will be 100% drunk.

My wife made me a green hamburger today to celebrate St. Patrick's Day. I asked her how she colored it and she said she didn't know what I was talkin about.

Never iron a four leaf clover because you don't want to press your luck.

If you live with younger siblings at home, wearing green on St. Patrick' Day is crucial for survival.

The Old Coot Is A Peddler

By: Merlin Lessler

I saw something the other day, so rare, it startled me. Two kids were riding down the sidewalk on a single bike! One on the seat, peddling, the other sitting sidesaddle on the crossbar. This was a common mode of travel when I was growing up. Not everyone could afford a bicycle, so you bummed a ride with a friend. I can still feel the pain from the bar when the bike hit a bump. Ouch! It's probably why so many of us old coots need our hips replaced when we get old.

Sometimes we ferried two passengers, one on the crossbar facing sideways, the second facing forward, his but perched on the handlebars, his feet resting on the front fender. It was a shaky, jerky ride. The peddler had all he could do to keep the bike upright and in a straight line, not to mention the endurance to move the weight of three kids any significant distance. Visibility wasn't so hot either, with two squirming bodies swaying back and forth across the line of sight.

The ultimate "ride share" came when a third interloper hopped on the back, straddling the fender, hanging on to the coil springs under the seat, his legs dangling inches from the spokes in the back wheel. This was usually done as a playground stunt, but sometimes it was for real, the only way for four kids to get home on one bike.

I lived on a hill. My heavy, single gear, fat tired bike kept me fit. I could only make it to my house by working my way up the grade in a continuous "S" pattern, peddling back and forth across the street. It was probably quicker to hop off and push it up the hill, but I have an image to uphold.

Bikes were our whole life back then, our freedom, the keys to the world beyond the block. We were our own mechanics. The bikes were simple. No complicated derailleurs, no brake and shifter cables to mess with. Just a frame, pedals, two wheels, a chain and handlebars. It's how we learned to use wrenches, change tires, patch tubes and put things back together after taking them apart. We went to bike shops for accessories and parts, but not for repairs. Except when we'd had a wreck and bent the front wheel. We didn't have the skill (or the patience) to "tune" the wheel, by tightening the spokes in a random pattern until they all had the same tension (and played the same note when they were plucked). At least I didn't.

So here I am, three score + years after I first hopped on a bike (using the curb to get started), still peddling around town and out of town (and still using the curb). People look, and see an old man moseying along. What they don't know, it's really a 12 year old kid (in his mind) enjoying the freedom only a bike ride can bring, the wind blowing through his hair, watching the world pass by at a speed just perfect to enjoy the journey, It ain't so bad, this old coot thing.

St. Patrick's Day Toasts

Here's to a long life and a merry one,
A quick death and an easy one,
A pretty girl and an honest one,
A cold beer and another one.

May your wishes come true and your truth be wise.

Leprechauns, castles, good luck and laughter,
Lullabies, dreams and love every after,
A thousand welcomes when anyone comes ...
That's the Irish for You!

May your blessings outnumber the shamrocks that grow,
And may trouble avoid you Wherever you go.

May your glass be ever full,
May the roof over your head be always strong,
And may you be in heaven half an hour before the devil knows you're dead.

Irish Priest

An Irish priest is driving down to New York and gets stopped for speeding in Connecticut. The state trooper smells alcohol on the priest's breath and then sees an empty wine bottle on the floor of the car. He says, "Sir, have you been drinking?"
"Just water," says the priests. The trooper says, "Then why do I smell wine?"
The priest looks at the bottle and says, "Good Lord! He's done it again!"
