Ranchero Village Co-op, Inc.

Gerry Soules, President

You can tell Spring is but a few days away and a fun filled winter season is drawing to a close.
Congratulations to all the various functions for another memorable year of events.

We all know that with spring comes the season of a spring clean up and I encourage every one to ensure their plans are in order for summer maintenance if you are leaving the Village.

Several projects are planned for the coming months and our Manager will be posting notices as the work is scheduled so stay tuned for the announcements. For those who will be leaving us by the end of the month have a safe journey and good health until we see you in the Fall.

Sandie Biddle, President

The membership drive is in full swing. Membership is only \$10.00 a year and you get a 10% discount at most businesses. The next workshop meeting is March 20th at 10 a.m. in the Lake Clubhouse.

Social Activities Committee (SAC)

Pat Bryant, President; Judy Lutes, Vice President; Leslie Van Horn, Secretary; Eileen Condon, Treasurer

We are in full swing of all our activities , the dinners, the dances, our Little Theatre production, all of our sporting events, the professional shows that come in from Branson, cruise ships, from Canada, from all over. So, everyone need to read their Bulletin and come to Coffee on Saturday morning to check and see what is happening at this point, where and when.

****The SAC Annual Meeting will be held on Thursday, March 2, 2017 p.m. at the Hacienda Clubhouse.**

Everyone is welcome. Please come and find out what your SAC is doing for you.

Also, we will take questions from the audience.

The doors open for Coffee for EVERYONE at 7:30 a.m. so you can drink your coffee and enjoy your pastry while visiting with your friends. Our "Coffee Meeting" begins at 8:00 a.m. for a short informative and funny time of about 30 to 45 minutes.

On the second Saturday, there is free bread and pastries available after coffee is over.

Please come and join us. We sure don't want you to miss out on anything. Also remember coffee and a pastry are free if you are 85 years of age, or older. Tell the volunteer at the door.

If you are 85+, and they will set you up for your free coffee and a donut for the rest of your life here at Ranchero Village. Otherwise, if you are younger than 85, it is just \$2.00 for a cup of coffee and a donut.

Please come because this is a place where you find out what is going on in the park and meet new friends and see old ones. Looking forward to seeing all of you!

Thank you! Be healthy and have a good life!

Our Ice cream social was well attended. The only complaint was we served to big of a serving of ice cream.

The ice cream and toppings were delicious. Thanks you Anne Marie Maciel, Bev Bowan and Mary Ann Vitali for heading up the committee, great job. Also to those who helped dip the ice cream, to selling and taking of tickets. It really does take a village to pull this together, and we are blessed with many good people here.

What a great evening.

February is the Valentine's Day Luncheon, it is in the advance stages of planning. The menu is Lasagna, Salad, bread sticks and strawberry short cake for dessert, as well as tea and coffee. Looking forward to a lovely lunch.

March is St. Patrick's Day luncheon, which is also underway. We are honoring the Irish, wear your green, or you might get pinched. The meal will be your choice of Corned Beef and Cabbage served with potatoes and carrots or Sheppard's Pie, Salad, bread and Carrot Cake. Water, tea, lemonade and decaf coffee.

We have our meetings on the first Tuesday 10 a.m. at the Hacienda and the luncheon on the 2nd Tuesday of each month. We would love to have more villagers as active members of the Women's Club

At the March luncheon, we will have an election and Annual meeting following the luncheon. All women living in Rancho either full time or part time residents are already members. Please join us, and become an active member of Rancho Village Women's Club. The Women's Club is active from Sept thru May.

Make a difference in your community. If you have any questions or would like information about becoming more active in the Women's Club, please call Judy Long 317-410-4422 or speak with any of our board members.

Shuffleboard

Pat Bryant, President...535-2439

Would anyone like to learn how to play shuffleboard? If you don't know how, just come to the courts on Tuesdays and Thursdays at 6:15 and we will teach you. It is easy and a lot of fun. If you already know how to play, come over at the same time and join the rest of us. We are looking forward to everyone joining us at the shuffleboard courts.

We still play our silly game of "Horsecollar" on Tuesdays and Thursdays (weather permitting).

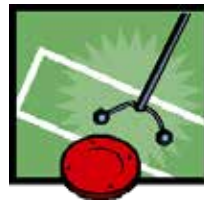

Be there by 6:15 p.m. and we start at 6:30 p.m., and bring 25 cents. This is a game where nobody goes home empty-handed. If you are a new player or a "accomplished" player, please join us.

Also, we play competitive shuffleboard on Sundays at 6:30 p.m. Be there by 6:15 p.m., and bring three (3) dimes.

The courts are open daily until 10:00 p.m. for all adults to play. (Children 16 and under who play must be supervised by an adult.)

The league play began in the middle of November. Again this year, we have two Wednesday teams and one Monday team.

So, if there is anyone that isn't on one or both teams already, and would like to be on one, call me (Pat) at 727-535-2439. The standings of all the teams are posted on the bulletin boards at the courts.

Come and join us! We are looking forward to a great season!

SEE YOU AT THE COURTS!

Ranchero Village Tennis Club

President, Jim Peel; Secretary, Doug West

The month of March will be a busy one for tennis members! The week of march 6 is tournament week:

Women’s doubles will be held Monday, March 6 Mixed Doubles will be held Tuesday, March 7 and Men’s Doubles will be held Wednesday, March 8 followed by Men’s Finals on Friday March 10.

Following the tournament on Friday, we will have a cook out behind Sally and Brian’s home, beginning at 1 p.m. and continuing into the afternoon. Members and significant others are all invited to attend. Should be fun. BYOB and your side dish. In the event of rain, the cookout will be held at Doug and Jim’s home.

Another important event is our AGM to be held on Tuesday March 14 at 4:00 p.m. at the Lakes Clubhouse.

Everyone is encouraged to attend this important meeting.

In the meantime, continue to sign up for regular play on Mondays, Wednesdays and Fridays.

New members are always welcome to join us

Legends of Golf

Gerry Campigotto, President

We have been very lucky weather wise so far this season. It seems like Thursday is the nicest day of the week. The early points race is very close. There are three teams tied for first place. The teams of Ronald Macdonald and Jim Fisher, Sam farmer and Hank Werner and David Peel and Ken Montgomery are all at the top of the leader board. Looks like it will be a close race right to the end.

Be sure to note Thursday, March 23 on your busy schedule. That is the day of our Banquet. Dave Coursey and Glen Coles are in charge of the banquet this year. Details to follow. We are planning to have a 7:45 shotgun start on March 23. Details to follow. Let’s remember to have fun! See you on the courts!

It has been a full golf season, unfortunately it is almost time to say goodbye for another year. Our last day of league play is March 20th although if there is enough interest I can get tee times on March 27th. Our year end Banquet is Wednesday , March 22nd.

The Men's league is inviting those of us who like a longer more challenging course to join them on Thursday, March 30th for a fun day at Cove Cay.

Once again thanks to all for putting up with me as I learn the ropes of organizing the league this year and looking forward to seeing you all next fall.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

In case of a Park related after hour's **emergency**, please call 346-4819.

DOGS –DOGS-DOGS

There is so much to be said about dogs. We encourage everyone to review your Rules and Regulations manual to update yourself on all the rules. Among many of the rules in section VII. PETS, you will find it states: **“Guests and visitors are to be advised not to bring their pets into the Community, with the exception of trained working dogs.”**

This means you must alert your guests that their pets are NOT allowed to visit in the community.

Also, **“No pets are allowed in the Community recreation or common areas at any time.”** Please come to the community office for a Dog Section Map if you are not sure of the dog section. Dogs can only be walked in the areas indicated and on the side of the street designated “Dog Section”. Keeping these rules makes for happier neighbors...and management, too!

Service and medical dogs are to have their jackets on at all times when outside the owner's home to identify them as working dogs.

And, of course, all pet owners are to have a litter bag with you at all times to pick up and properly dispose of pet litter.

Dogs must be walked on a leash and should not be running free.

If you have a service dog and you are not in the Dog Section, please only walk them on your property only.

MOTORCYCLES

We are at maximum capacity on motorcycles. We would like everyone with a motorcycle or who has been on the motorcycle list to fill out the form that was dropped off with the Management Information Packet to be filled out and brought to the office. If you didn't get one, you can pick one up in the office. New vinyl clings will be given out and will need to be displayed at all times.

If you were on the motorcycle list but no longer have a bike, please let the office know so we can make room for others. Thank you for your cooperation in this matter.

TRASH & RECYCLING

Please have trash and recycling out by 8:00am but not over night at the end of your carport or street if you are on a cul-de-sac. If you are using a garbage can, do not put loose trash in it. The maintenance crew will NOT pick it up if the trash is not tied up in bags.

If you take your trash and recycling to the maintenance yard **do not** put kitchen trash in the 2 big roll offs by the gate. It is clearly marked **“NO KITCHEN TRASH”**.

Please put kitchen trash in the 4 dumpsters along the back fence where it is marked **“KITCHEN TRASH ONLY”**.

ALTERATIONS AND SUCH STUFF!

No alterations to the exterior of the Home may be made without the written consent of Management. All contemplated changes must be submitted in writing to Management for approval or disapproval. Management will advise the Resident within fifteen days thereafter of the decision. Management's consent does not relieve the Resident from the responsibility of applying for proper permits from local governmental authorities and meeting existing building code requirements. Management reserves the right to require that any improvements made without the written consent of Management shall be removed at Resident's expense.

These alterations include the planting of trees and bushes, adding patio stones or construction. Exterior antennas, satellite dishes and other external signal receivers must be approved by Management as well.

DIAL DIRECTORY CHANGES

It's another new year already and time to start preparing the 2015-16 community phone book. Check the old one and if your entry is incorrect or changes have taken place, please leave a note in the drop box outside the front door of the Hacienda Club House (office door) or call the office. We would rather hear from you a second time rather than miss making the changes before the book goes to print. Thanks for your help with this.

MESSAGE FROM THE LARGO POLICE DEPT.:

Reminder to everyone when you are working with ANY company that provides you a service:

Always verify legitimacy through the **Florida Department of Business & Professional Regulation (DBPR)**. These guys handle the majority of licensing.

Other licensing such as painting, flooring, and carpentry is handled through the County (PCCLB) Pinellas County Contractor Licensing Board

<http://www.myfloridalicense.com/dbpr/> or call 1-850-487-1395 (don't use the prompt's just wait for an agent or press zero for operator)

<http://www.pcclb.com/>

Get a written contract on company letterhead. If they're not with a company...is the savings worth the risk????

NEVER pay in full before the work has been completed.

If you didn't request them...You don't want them.

POOL RULES

All the rules for the pool apply to all people at all times. The rules posted as well as those which we highlight in this Bulletin are to be followed at all hours and conditions.

...continued on page 38

HOT TUB USE is for adults only.

No one under 18. **Food and drink are not allowed in the pool/hot tub.** The hot tub is only meant for short sessions, **no longer than 15 minutes.** The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. **Never** swim alone, use the buddy system for safety.

Also, for the health and well being of everyone, please do not go in the Hot Tub or Pools if you have wounds or open sores.

GLASS BOTTLES – PLEASE REMEMBER that no glass of any kind is allowed around the pool area.

No smoking at the pools – please adhere to the No Smoking Rules at the pools and smoke only away from the pool area in the designated areas. This includes vapor and e-cigarettes.

TREE PERMITS

Permits MUST be obtained from the City of Largo for the removal of any tree with a trunk larger than 4” in diameter. Certain trees will require a fee before the permit can be obtained. The community office must submit the request to the City.

If you have gone through the permit process and have removed a tree please contact the community office and let us know so we can have the permit closed out with the City.

PUT IT IN WRITING!

All requests and complaints should be put in writing and signed. Anonymous reports will not be addressed. Forms are available in the office for your convenience. The office does not monitor the Next Door website.

HANDICAP CHAIR LIFT

If you need assistance to go into a pool, we have a Handicap Chair Lift available at the Hacienda swimming pool.

STREET LIGHT OUT

Unknown to many, our streetlights do not belong to us. They are the property of Duke Energy and maintained by them. If a light is out please: Call Duke Energy @ 1-800-228-8485.

LIBRARY

If you have books to donate, please call Nancy Richardson at 458-2798. Do not just drop them off at the library. Thanks!

WATER SHUT-OFFS

The water is scheduled to be shut off for maintenance repairs **IF NEEDED** on **Tuesdays**, from approximately 9:00 a.m. to 12:00 a.m. (weather permitting). It is handy to keep a gallon of water on hand for these days and remember to **turn off your hot water heater.**

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Fresh or frozen? The choice is yours

Mom may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

Watch for these sources of illness while traveling

Traveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.

Proof

A woman went to a lawyer. “My neighbor owes me \$500, and he won’t pay up. What should I do?”

“Do you have an IOU for the money?” the lawyer asked.

“No, it was just a promise.”

“Here’s what you do,” the lawyer said. “Write him a letter asking for the \$5,000 he owes you.”

“But he only owes me \$500,” the woman said.

“And when he writes you back to say that, you’ll have your proof!”

Joy in one’s heart and some laughter on one’s lips is a sign that the person down deep has a pretty good grasp of life.
