Hi All:
Last fall John and I brought all of our Christmas decorations to Florida, then sold our snowblower and ice skates because we thought we were done with winters in Canada. Who knew???

Still I'm looking forward to a little snow and cozy nights by the fire. (Check with me in a month)

MERRY CHRISTMAS to everyone!!!

Well we can almost put this year behind us and look forward to 2021 with a Covid vaccine. What great news!!!

I am starting to hear rumblings about some Snowbirds thinking of heading south in the New Year. Could it be???

HAPPY NEW YEAR TO ONE AND ALL!!!!

Hope everyone is doing well.

Take care of each other and stay safe.

Best regards,

Debbie

RIVIERA ESTATES – FROM THE OFFICE

Mike Richards, Community Manager

Sincerely,

Mike Richards

IMPORTANT NOTICE!!!!

Attention All Homeowners

October 16, 2020

Dave Shiner, President

Hello to everyone, I hope this letter finds you all safe and well,

First of all let me apologize to those who will receive this message that are no longer in the park. I expect to have this e-mail list updated soon, so that I can keep you all in the loop. I understand that we have seven new residents who are all U.S. residents.

The message that I am sending today is multi-faceted and requires some input from all of you. First of all as you know these are peculiar times for all of us and as such require us to make changes for the betterment of all at Riviera Estates. Your Home owners Association (H.O.A.) works hard to ensure that all residents are treated fairly and equally by park management.

I have recently had conversations by e-mail with management about palm tree trimming, overflow parking lot management and in particular requesting a rent freeze for this year DUE TO THE CIRCUMSTANCES THAT WE ARE ALL FACE WITH COVID-19.

As a result of covid-19 I will not be traveling to Florida this winter and I'm told that other snowbirds may find that travel for them will be restricted either by border closings, high costs of insurance or just outright concern for their health. If they do arrive it will be much later than usual.

With all that said I am requesting that you all consider taking a role in assisting the H.O.A. by volunteering to take part in the H.O.A. team. We currently have two positions available to be filled and in addition to those, both Alan and I plan on resigning from the H.O.A. as of December 2021. When this takes place if no one has stepped up to the plate your H.O.A. will fold.

I cannot stress strongly enough that without an active H.O.A. you the residents, will be at the mercy of park management to make changes and rent increases as they see fit without consultation with the residents or challenged negotiations from an H.O.A.

MILITARY & SENIOR DISCOUNTS

Alan as the F.M.O. representative has forwarded to me a link that you can join which will give those interested the tools to negotiate with the park in regards to any rent increases that may be levied. PLEASE SEE LINK BELOW MY MESSAGE.

As those that were at my last meeting will remember Bill Walker volunteered to head up a committee to get comparison rents from other parks in our area and will be updating us on his findings if it is necessary, because the owners may ignore my request for a rent freeze (hopefully not!) and we need to negotiate it with facts and figures.

In closing with the number of snow birds declining each year, and the number of full time U.S. residents increasing each year, I believe that it is time that the H.O.A. be managed by full time residents who have the most to gain by managing their homes within Riviera, and are in a better position to do it. We the existing H.O.A. will be more than happy to aid you with our past experiences during this transition. And help in any way we can.

Please consider my remarks and the possible consequences if the H.O.A. were not to continue, and you had no representation.

Please see link below and register for the online informative session, there is not time to waste please react to this today.

Regards stay safe
Dave Shiner

Scary Times

Did anyone in the park notice this spooky golf cart driven by two of the scariest characters that have ever haunted a Park.

Good Neighbors usually puts on an awesome Halloween Party but since that was not going to happen this year a couple of scary characters decided to do a reverse Trick or Treat. They drove through the park handing out Candy. If you weren't too scared to come out you would have received some good treats.

Tricks may have also been turned but no one is telling...

Check the bulletin boards for status of events.

Why Remembering Pearl Harbor Matters American Resilience

At 7:55 a.m. on December 7, 1941, a wave of almost 200 Japanese planes attacked the U.S. Naval Base at Pearl Harbor. A second wave stretched the attack out for two hours, killing 2,403 Americans and wounding another 1,178. The attack also destroyed 188 U.S. aircraft and sank or damaged 19 Navy ships.

Now, 79 years later, the significance of Pearl Harbor stays with us as Americans remember that this attack launched the United States into World War II.

We should also remember this date as a symbol of American grit and resilience. Because even though we lost so much, Americans never lost their courage to stand up to enemies seeking to attack our people, country and freedoms.

Here in 2020, with U.S. Service personnel deployed around the world to protect these same values, we should remember the courage of the sailors, soldiers, airmen and Marines, who saw the United States through such turmoil in the days after the bombing of Pearl Harbor to the “against-all-odds” victories in Tokyo, at the Battle of Midway, and ultimately in World War II itself.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

SUNSHINE CLUB

Roe Moll

A former snowbird for many years who lived in the Park passed away. His name was Phil Sandefer. He and his wife Carline were from Michigan and spent their winters here in Riviera on 6th Way until they sold their place about 5 years ago.

100 CLUB

Diana McNiven

Thanks Diana for running this fun draw.

Postponed until further notice

The 100 Club draw runs from November 1 to March 31. To have a number in the draw, it is \$5.00. There are eight numbers still available for the year ending March 31.

In mid March, \$5.00 is collected for the next year from those who want to keep their number. Numbers are 'sold' in March before most residents go North for the Summer because some do not return until after the first draw in November. When a number is drawn, you are a winner whether you are at Koffee Klatch or not. You are allowed more than one number.

Diana's Words of Wisdom:

I was thinking about old age and decided that old age is when you still have something on the ball, but you are just too tired to bounce it.

Employment applications always ask who is to be called in case of an emergency. I think you should write, "An ambulance."

The older you get the tougher it is to lose weight because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

Did you ever notice: The Roman Numerals for forty (40) are XL.

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.

Some people try to turn back their "odometers." Not me. I want people to know why I look

Clash of the Poor Memories

By John Girard

There's some unfinished business at the shuffle courts of Riviera Estates. Early departure for home due to COVID-19 means that game 3 of the 2019 US vs Canada match between Canada's Brenda Burnett and America's Gary Russell has been postponed until who knows when.

In an effort to refresh my memory about the games, I contacted all involved parties; Albert Dominie the Event Organizer, Brenda Burnett the Canadian representative, and Gary Russell the American Pro.

Replying to my text, Gary says: "The first match was a 1-1 tie, I believe, and there were more Snowbirds than Americans present.

The second match was 2-0 in my

favor, and I am looking forward to a third match to solidify my lead. Maybe next year."

Brenda's recollection is:

"I won the first game with my last shot in the last end.

Gary won the second game but it was very close.

Gary won the third game by a lot, but I am pleading the fact that I was not feeling well at the time."

In a later text, Brenda revealed that she folded up like a lawn chair after talking the games over with CJ Russell, and now believes that the first game was a 1-1 split, and the second game Gary won 2-0. She made no comment about a third game.

According to Albert:

"They played 4 two game matches.

Brenda won the first match taking both games.

Gary won the next match with both games.

"Gary Russell and Brenda Burnett posing in their official National Team uniforms"

The third ended up 1-1 game each and the final of this epic North - South Battle saw Gary finally prevail with a two game win.”

So...with three different versions of the same event, it'll be real interesting to try to pick up where we left off, whenever we can all get together again.

Funny enough, the only thing that everybody can actually remember with any amount of clarity is that a streaker ran across the courts at the conclusion of game 1.

“Canadian Mystery Streaker crosses the courts shocking the crowds during epic North/South Battle”

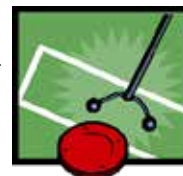

Good Times!!!

Two Old Guys Talking at the Shuffle Courts:

Denis: Did you know that diarrhea is hereditary?

Albert: How?

Denis: It runs in your jeans

Note: Since our banquet was cancelled we will have a kick-off party whenever the season starts?? to award trophy's etc. More information to come.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
