The roaring 20's was a period of economic prosperity in the United States and Europe. Everything seemed to be feasible through modern technology. New technologies, especially automobiles, moving pictures, and radio, brought "modernity" to a large part of the population.

**From the Editor**

This all seem funny in our age of computers, Skype and the Dick Tracy Watch (aka apple watch) where you can get your heart rate, pick up an email and tell the time.

Wishing you all health and prosperity in 2020.

**A**ffordable, high-quality community living where services, entertainment, and convenience abound!

**RV And Boat Storage:** Items must be registered through the office, have current license, be in good working order and not a commercial/ work vehicle. Only items titled in the home owners name are allowed. Items must be moved with short notice if necessary for maintenance or emergency.

**Resident Portal:** On this portal you can see your rent statement before they are even sent out. You mailed your check, but did it make it? The Resident Portal will let you know the day your check is posted. If you want to be in control of the day you pay your rent, you might want to sign up for the Resident Portal. There is a small fee to pay online. BUT, IT IS FREE TO SIGN UP AND MONITOR YOUR ACCOUNT.

**Money Order:** STARTING DECEMBER 1ST, if you choose to pay by Money Order, you must use a US Postal Money Order. There is NO CHANGE for using personal check, bank check or the Tenant Portal. There is a new way to pay with a cash card. If you pay with cash, this might be good for you.

**New Home:** Lot 57. The model is Avon Park from Palm Harbor Homes and should be ready for you to take a walk through this nice home in a few more weeks. See <https://www.palmharbor.com/model-center/plantcity/floorplan/fp-09-se-AvonPark-LS24482E/#floor-plans> for a virtual tour.

**M**eetings held in clubhouse first Thursday of the month at 7:00 pm  
Who are we?  
What do we do for you as a homeowner in Riviera Estates?

We are a group of five volunteers comprised of three full time residents and two Canadians that return home for the summer.

Our responsibility to all the homeowners in our park is to communicate and work with management to insure that all residents are treated fairly and equally and that our investments in our homes and services for rents paid are maintained.

Complaints and comments from you will be forwarded and discussed with park management as received in writing. Please use forms available on the bulletin board at the clubhouse for this purpose.

**The main highlights of the HOA meeting of December 5th, 2019 are as follows:**

The HOA Directors were successful in getting our park management team to agree to continue maintaining the giant palm trees at the parks expense. This has been the custom and practice for the past 30 plus years. One of our residents has been living here for 30 years or more. She confirmed that the park owners installed the trees and maintained them for all of these years. This agreement saves the mobile unit owners about \$3,200.00 per year plus the cost of dead tree removal, which can be very expensive.

Your HOA Director's felt it is unfair that only a few unit owners paid the yearly membership fee of \$5.00 to support the HOA's activities. In effect, those few were subsidizing the rest of the owners that also benefited from the HOA's activities. Therefore, a motion was approved to invoice all 171 unit owners the \$5.00 yearly dues to support the HOA. This invoice will be sent out shortly.

There were two Director's positions open for election at this meeting. Dave Shiner and Alan Hennigar's terms were up. Both offered to let their names stand for election. They were unopposed and both will serve another two year term as Director's.

As previously mentioned, our HOA email list will be a huge asset in keeping you informed and up-to-date in all that is happening in our small community. In my opinion, in the electronic age of communication, it is unfair to deny yourself the opportunity to be kept informed.

If you wish to be added to our growing list please send an email to our secretary Hank at [fishingguru721@aol.com](mailto:fishingguru721@aol.com).

My best regards

Dave Shiner/President HOA 2019

## **VERY IMPORTANT INFORMATION AND CALL FOR ACTION:**

**O**ur FMO representative shared an important issue with us. We are now in a battle to preserve our investment in our Florida lifestyle. The Florida Mobile Park Owners have filed a bill this year that will create such huge problems, if they prevail, that will substantially change the landscape of leased land communities and parks. FMO employs a full time lobbyist representing your interests in Tallahassee. Her name is Nancy Black Stewart. She states that during her time with the FMO over the past 17 years, that we have not been in a situation like this. EVER. PERIOD. There are so many upsetting parts to their bill - for example - the park owners want to be permitted to change the current prospectus without disclosure to homeowners; the park owners want to make selling your mobile very difficult because they will want your buyer to make changes, that the park owners dictate, to the unit before the buyers can move into the unit; etc; etc.

FMO wants you to email or call your Senator to say "NO" to the Park Owners bill 818. FMO also wants you to say **"YES" to our bill 1022**. A list of Senator's and contact numbers are posted on the clubhouse bulletin board. It is time to go into battle and stand up for HOMEOWNERS!!

1. FMHA has filed a terrible anti-homeowner bill (Senate Bill 818) Call and write letters to oppose SB 818 TODAY!!  
PLEASE OPPOSE Senator Hooper's SB 818: [hooper.ed.web@flsenate.gov](mailto:hooper.ed.web@flsenate.gov) He needs to hear from you 727-771-2101
2. Senate President needs to know you OPPOSE SB 818: [Galvano.bill.web@flsenate.gov](mailto:Galvano.bill.web@flsenate.gov)
3. Senate Chair of Innovation, Industry & Technology, Senator Wilton Simpson, Needs to know you OPPOSE SB 818. Call his District office: 352-688-5077 or email at [simpson.wilton.web@flsenate.gov](mailto:simpson.wilton.web@flsenate.gov) Tell him SB 818 is terrible.

## SUNSHINE CLUB

Roe Moll

---

A card was sent to Donna Ammonite to wish her a speedy recovery and hopefully a return to Riviera later this season!

A card was sent to Henry Moll along with our good wishes and support for him and his family while he battles his health issues.

Jane and Paul Corrigan just celebrated their 76th wedding anniversary. Shortly after Jane fell ill and had to be hospitalized. Our good wishes were extended in a card for Jane. She is recuperating in a nursing home and is improving. Paul hopes to have her back home soon.

## 100 CLUB

Diana McNiven

---

The 100 Club draw runs from November 1 to March 31. To have a number in the draw, it is \$5.00. There are eight numbers still available for the year ending March 31.

In mid March, \$5.00 is collected for the next year from those who want to keep their number. Numbers are 'sold' in March before most residents go North for the Summer because some do not return until after the first draw in November. When a number is drawn, you are a winner whether you are at Koffee Klatch or not. You are allowed more than one number.

### **Winners are:**

#### **November 2**

Jeannine Hennigar  
Dave Shiner

#### **November 9th**

Brenda Burnett

#### **November 16th**

*Sharron Stevens*

---

**L**adies enjoyed the first Lunch of the year at Olive Garden. You can always depend on good food here and the lunch was well attended by over 20 ladies.

Looking forward to Bahama Breeze for the Christmas lunch.

In January the ladies are going north to Tarpon Springs to Hella's Restaurant. If you've never tried their balaclava it is to die for.

Since 1970, located in the center of Tarpon Springs, Florida's World Famous Sponge Docks and Fishing Village, Hellas Restaurant features Award Winning Greek Cuisine and Authentic Greek Pastries creating a truly memorable dining experience. Because of our uncompromising dedication to culinary excellence, Hellas Restaurant is a favorite dining spot among local residents.

Many diners come for the traditional Greek salad, which is a meal in itself for one, two, three or four. It's rich mass of lettuce, Feta cheese, Greek olives, onions, cucumbers, tomatoes, Greek peppers and oregano, topped with the traditional scoop of our family's homemade potato salad is sure to satisfy even the most discriminating palette.

For dessert, customers have a vast choice of authentic pastries from the on-site Hellas Retail Bakery.

## **Riviera Shuffleboard Team News**

### **SHUFFLE LEAGUE REPORT:**

---

**L**EAGUE PLAY: Riviera Park has two teams that play in the Stirling League. The Stirling League is made up of several neighboring parks and games are played every Monday at home and away, mid November through to mid March.

Riviera Shuffle Teams are always looking for players. All abilities welcome, give either Team Captain a call.

#### **Team 1**

*Captain, Jennie Harsh*

On December 2nd Riviera 1 played their first game of the season on those beaded courts at Lake Highlander.

It is always a surprise when we play over there as to winning or losing but this time we **WON 14 to 10!!**

We had three people, Debbie, John and Fannie that won both of their games which is quite an accomplishment on those courts. Great job people!!!!

Next week we are back in the Park playing Alcove. Another WIN would be awesome.

*continued on page 32*

## **Team 2**

*Captain, Connie Russell*

On December 2 , Riviera team #2 hosted Doral (Last season's #1 team). Our team pulled out a easy romp, 17-7!! We had 7 double game winners, Sharron Stevens, Connie Russell, Denis Byers, Doreen Mitchell, Janice Holton, Victor Pisa and Wayne Kelly. Single game winners, Fran Unterborg, Jean Byers and Doreen Mitchell who played 4 games.

I want to thank everyone who volunteered to get our courts ready for this match and to our teammates who scored and refereed each match.

We still have openings for new players, anyone can join and I believe you'll have fun.

Next match is at Golden Acres on December 9

Followed by December 16 home match against our Riviera #1 team. Come out and cheer us to a win.

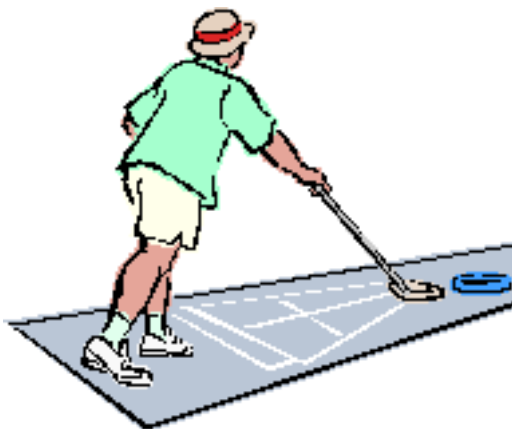

Merry Christmas to all

## **Captains January Tips:**

---

- Always look at the score-board before you decide what to do on your next shot. The game is played from the scoreboard.
- Don't miss an opportunity to hide a disc.
- Don't shoot until you look around the board to see if you have a good place to hide your disc.

*Team Shirts: Anyone interested in ordering a new shirt?  
Please advise your Captain*

## January Days

---

**New Year's Day, Jan. 1.** London marks the start of the year with its largest parade, a handful of nations commemorate their independence on this day, and some people may take a plunge in frigid waters as a symbolic awakening. No matter how you celebrate this day, be safe and of good cheer.

**National Joy Germ Day, Jan. 8.** It's OK to be contagious when you're spreading joy. Let the good vibes flow.

**National Use Your Gift Card Day, Jan. 18.** Don't start out the year hoarding and forgetting about the gifts you've been given. Gather your unused gift cards, and do a bit of shopping for yourself and others.

**Belly Laugh Day, Jan. 24.** At 1:24 pm, wherever you are, stop and laugh out loud and give those around you a reason to do the same. Visit [bellylaughday.com](http://bellylaughday.com) to be a part of this worldwide wave of merriment.

**Bubble Wrap Appreciation Day, Jan. 27.** It's not just for wrapping up breakables; it also doubles as a stress relieving tool. Who hasn't felt better after pop-pop-popping through a piece of bubble wrap?

New Year* ★★

## Online privacy threat a crisis, many say

---

**W**e're more worried than ever about the threat to our privacy online, the Axios website reports. A survey of adults 18 and older found that 59% don't feel confident that their personal information is adequately protected by the companies and organizations they do business with online, and 58% consider the threat to online privacy a crisis. Just 38% believe that online services are essential to modern life, and "we all have to accept some risk to personal data."

Companies' asking for personal information has become increasingly common these days so they can offer more personalized products and services, but 43% of people in the survey said they feel this is inappropriate. Twenty-six percent are fine with it, and the other 26% are neutral.
