## FROM THE EDITOR'S DESK

Terri Walls, #89 - [gammawtj@tampabay.rr.com](mailto:gammawtj@tampabay.rr.com)

**H**ello fellow Riviera-ites! Another month is upon us. Let's see, March comes in like a lion and goes out like a lamb, they say. That doesn't apply much down here, but all us who were raised in the north knows full well the truth of that statement.

Bostonians are praying for the lamb part right now aren't they? What a winter they are enduring - record breaking snow levels with no end in sight for them. Last night's news said they have received over 60" of snow in the last 16 days. And more storms developing and heading their way. Try to convince a Boston resident that global warming does not exist!!

So what is on our month of March agenda? The Strawberry Festival in Plant City is winding down and ends on the 8th of March. Also on the 8th we go back to Daylight Savings time and move our clocks forward one hour. The 9th is Commonwealth Day in Canada. The 17th is St. Patrick's Day. The 20th is the Spring Equinox or the first Day of Spring. The 29th of March is Palm Sunday.

The weather is rather chilly yet, time to get those outdoor chores around your home done before the heat hits us. All in all, a busy month looms ahead.

Things are changing in our park. The paving of the streets in the back half of the park was completed last month along with the sidewalk repairs. The front half is scheduled to be done after the snowbirds go back north. Since we only have the one entrance/exit to our park, it will be much less traffic and that time and less inconvenience for the residents.

The new double wide coach is installed and being finished up. It really is a nice looking home. Looks very nice in our park and I hope it is occupied soon. So positive things are happening and I am thankful for them.

The activities are in full swing and lots to do and get involved in. Be sure to visit the clubhouse to keep up on all that is being planned. Sign up for the activities you are interested in attending. Volunteer to be a helper if you can. Before we know it, summer will be here and the lazy days will take over. Please continue to "pay it forward" with your neighbors and friends here at Riviera Estates. Look in on them and make sure they are thriving and have all that they need. Make certain they are doing well. Nothing makes my soul feel better than to make sure my friends and neighbors are thriving. Have a great month and take care and enjoy life.

Before signing off, I would like to make mention how important it is for you to send in a report of your function you hosted or were in charge of. I am spoiled by a few of you who always email or drop a note in the box advising about the party or activity you have held, all the information pertaining to it, how many were there, what was served and/or donated by whom, what contests were held, winners names, etc. Send thank yous to all who helped and list who your helpers were.

Pictures are also appreciated, emailed to me. I can put up to 5 pictures of the same or different functions in each issue. As I said, some are as dependable about reporting their information

as the sun rise, but others not so much. This information is read by all who reside here in the park, but in addition, it is posted on the web so that ex-residents and snow birds can continue to read each month what is transpiring and what parties were held etc. Some residents who have sold out and moved back "home" to be closer to family etc. continue to read the Monthly Media to keep informed and to keep their memories in tact etc. When you have a party, banquet, etc. and do not send a report about it, everyone misses out. So please appoint someone or if you chair the event, make certain a final report is sent to me by the 5th or 6th of the month. You can email it to: gammawtj@tampabay.rr.com, drop it in the box on the counter in the clubhouse, or drop it by my home (there's a mail slot in the door on the carport). Without your info the media is not nearly as enjoyable to read and the reports for some reason are not flowing in as they usually do during our busy social months. Please help me give a wonderful accounting of the event/party that you were in charge of by making it a priority that you or an appointed person will be sending in the article for printing. Thanks.

With St. Patrick's Day this month, I want to share the following informative article about the reasons we celebrate this patron saint's day.

**ST. PATRICK'S DAY** (copyright 1996-2014 St. Patrick's Day.com)

Saint Patrick is the patron saint and national apostle of Ireland. St. Patrick is credited with bringing christianity to Ireland. Most of what is known about him comes from his two works: The Confessio, a spiritual autobiography, and his Epistola, a denunciation of British mistreatment of Irish christians. Saint Patrick described himself as a "most humble-minded man, pouring forth a continuous paean of thanks to his Maker for having chosen him as the instrument whereby multitudes who had worshipped idols and unclean things had become the people of God."

Many folks ask the question, "Why is the Shamrock the National Flower of Ireland?" The reason is that St. Patrick used it to explain the Holy Trinity to the pagans. Saint Patrick is believed to have been born in the late fourth century, and is often confused with Palladius, a bishop who was sent by Pope Celestine in 431 to be the first bishop to the Irish believers in Christ, Saint Patrick is most known for driving the snakes from Ireland. It is true there are no snakes in Ireland, but there probably never have been - the island was separated from the rest of the continent at the end of the Ice Age. As in many old pagan religions, serpent symbols were common and often worshipped. Driving the snakes from Ireland was probably symbolic of putting an end to that pagan practice. While not the first to bring christianity to Ireland, it is Patrick who is said to have encountered the Druids at Tara and abolished their pagan rites. The story holds that he converted the warrior chiefs and princes, baptizing them and thousands of their subjects in the "Holy Wells" that still bear this name.

There are several accounts of Saint Patrick's death. One says that Patrick died at Saul, Downpatrick, Ireland on March 17, 460 A.D. His jawbone was preserved in a silver shrine and was often requested in times of childbirth, epileptic fits, and as a preservative against the "evil eye." Another account says that St. Patrick ended his days in Glastonbury, England and

was buried there. The Chapel of St. Patrick still exists as part of Glastonbury Abbey. Today, many Catholic places of worship all around the world are named after St. Patrick, including cathedrals in New York and Dublin city.

Saint Patrick's Day has come to be associated with everything Irish; anything green and gold, shamrocks and luck. Most importantly, to those who celebrated its intended meaning, St. Patrick's Day is a traditional day for spiritual renewal and offering prayers for missionaries worldwide.

So why is it celebrated on March 17th? One theory is that that is the day St. Patrick died. Since the holiday began in Ireland, it is believed that as the Irish spread out around the world, they took with them their history and celebrations. The biggest observance of all is, of course, in Ireland. With the exception of restaurants and pubs, almost all businesses close on March 17th. Being a religious holiday as well, many Irish attend mass, where March 17th is the traditional day for offering prayers for missionaries worldwide before the serious celebrating begins. In American cities with a large Irish population, St. Patrick's Day is a very big deal. Big cities and small towns alike celebrate with parades, "wearing of the green", music and songs, Irish food and drink, and activities for kids such as crafts, coloring and games. Some communities even go so far as to dye rivers or streams green!

**Irish proverbs:** May the road rise up to meet you, may the wind always be at your back. May the sun shine warm upon your face and rain fall soft upon your fields. And until we meet again, May God hold you in the palm of his hand. May those who love us, love us. For those who don't love us, May God turn their hearts and if God can't turn their hearts, may he turn their ankles so we'll know them by their limping!

Laughter is brightest where food is best.

As they say in Ireland.....may you be forty years in heaven before the devil knows you're dead.

# Riviera Estates Homeowner's Association

Wayne Fellows, President

---

**T**he next meeting of the Homeowner's Association will be March 3rd, at 9:30 a.m.

Please plan to attend

## **POOL AND PET OWNER REMINDERS**

FYI: Riviera Estates MHP would like to remind our residents that **NO** one is allowed to touch the temperature settings on the pool heater and/or the clubhouse air conditioner. Our manager and the Homeowner's Association Executive Board have insisted on this. Pool hours are 9:00 a.m. until dusk daily. Pool is heated in winter, the months of November through March. .

**ATTENTION PET OWNERS:** Please be a responsible pet owner and a **RESPECTIBLE** pet owner as well. When walking your pets, please do not allow them to "potty" in other people's yards. Some are not pet lovers as we are.

Your dogs must be leashed at all times, and there are plenty of areas where your dog can go. There is a pet cleanup station in the storage field for your use. Please be sure to clean up after your pet. Also, please try to keep your pet from barking or making loud disturbing noise that can bother a neighbor. Complaints are being received by the office on a constant basis of pet problems in the park. So, at this time, our pet rule policy should be noted. Pets are allowed in park, **UP TO 20 POUNDS** weight restriction. Copies of pet inoculation certificate must be given to the office as proof the pet has been vaccinated. There is a **LIMIT OF TWO PETS PER COACH**. Fences for the pets are not allowed to be installed.

All pets must be leashed at all times when outside the coach. Make certain when you leave your pet, they are not barking the entire time you are gone and bothering your neighbors. If this is the case, please make some type of arrangements that will alter this situation, such as a pet sitter, taking pet with you, or if the problem continues, and complaints continue in the office from residents being bothered by the barking, the park is forced to take steps in resolving the issue, such as requiring you to get rid of the dog, or face eviction procedures. Please be a responsible pet owner and obey the rules concerning them. It is **IMPERATIVE THAT YOU CLEAN UP**

**AFTER YOUR PET EVERYWHERE, INCLUDING THE DOG WALKING AREA.**

Please do not ignore these pet owner rules, so that we all can continue to love and enjoy our pets. But at all times we must be respectful of all the residents that live here, that they are not bothered by our pets in any way. Not by hearing them all the time, or stepping in their waste when out walking etc. Thank you for adherence to the pet policies and rules.

# New Pain Treatment Available in Dunedin

**Dunedin, FL** - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

### **"RELIC"-(Riviera Estates Lotto International Club) by Frank Rigiero**

The Lotto Club is open to all residents of Riviera Estates (renters or owners). We collect two dollars every Saturday per coach. Only one bet per coach is allowed, no matter how many are residing in each unit. Our money is pooled for quick pick tickets ONLY. On Saturday afternoon (cut off time is 2:00 pm), I go to a LOTTO agent to purchase tickets. ONLY those who pay that current week will be entered into the draw for the FLORIDA lottery. If you miss payment, you cannot collect any monies that may be won for that particular week. We are now playing both Saturday and Wednesday drawings. \$2.00 per drawing per coach. Anyone interested may attend the Koffee Klatch on Saturday morning or come to my coach prior to 2 p.m. that day. At the last Good Neighbors meeting it was decided to switch to the **FLORIDA** Lotto instead of Power Ball. The odds are much better, and we aren't competing with gamblers from other states as in Powerball.

### **Pot Luck Supper:**

## Did You Know March is Also...?

American Red Cross Month. The American Red Cross plays a vital role in rebuilding communities hit by disaster and providing critical support and resources at home and abroad. As President Barack Obama said in a presidential proclamation in 2011, “During American Red Cross Month, we celebrate our nation’s humanitarian spirit, and we recommit to providing relief and hope in times of crisis.”

Music In Our Schools Month. Sponsored by the National Association for Music Education, Music In Our Schools Month is an annual event that engages music educators, students, and communities from around the country to promote the benefits of high-quality music education programs in schools. The program began as a single day of celebration in New York in 1973 and became a month-long salute to school music in 1985.

National Kidney Month. Kidneys filter 200 liters of blood a day, help regulate blood pressure, and direct red blood cell production. But 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure, or a family history of kidney failure. During National Kidney Month, the National Kidney Foundation offers health activities to promote awareness of kidneys, risk factors, and kidney disease.
