CONTINUE TO GET BETTER LARRY, KNOW IT ISN'T EASY BUT YOU WILL MAKE IT.

FROM THE CO-EDITOR

TERRI WALLS, #89
gammawtj@gmail.com

November is here, our northern friends are returning and life sparks are showing at Riviera Estates. Yep, the sidewalks have been unrolled, and activities are returning along with our friends. Where has this summer gone? It certainly flew by with a lot of hurricanes occurring and a lot of heat and humidity. But we made it through luckily, without a lot of issues and we are ready to gather together and laugh and enjoy again. There is much being planned from what I understand, with Bingo starting on Monday, the 13th. Movies on Friday evenings are already happening. There is a Welcome Back Party in the works being planned, and there will be a Thanksgiving Dinner on Thanksgiving Day the 23rd. The Ladies Luncheons have continued throughout the summer, also pot luck dinners, and of course coffee on Saturday mornings has done the same. We have even had some breakfasts and it has been well received. When everyone is pretty much back here in the park, Frank advises he will begin Lotto again. I am sure that golfing will start up fairly quickly and the shuffling will begin in December once the leagues etc. are formed. The pool is closed as I write this, as the deck is being painted it appears. I've been told the management is planning on planting some hedges in the RV Storage lot which is why it is taped off. So things are being spruced up and repaired and getting ready for the season of holiday celebrations and parties and enjoying retirement life in Riviera Estates for the winter. So, it will be confusing this month, with all kinds of activities starting up to keep everything in order, so the best information I can give you is for you to keep watching the bulletin boards for information, sign up sheets, etc. The activity chairman will be posting their information in the club house and that will keep you up to date. Attending Koffee Klatch each Saturday morning will be the best place for information for you, so please plan on attending. It starts at 9:00 a.m. sharp, includes all you can drink coffee, donuts and biscuits with jams and jellies and peanut butter. There is also hot tea, and cocoa. It cost \$1.00 and you need to bring your own cups etc. Every Saturday morning the

...continued on page 6

agenda is discussed so that is the best place to get your information.

Hopefully when you are reading this, I will be well into recuperation from having my left hip replaced. I have tried to get this done for a long time, and I am anxious to have it behind me and to be able to socialize again with everyone. I have missed being able to get to the different things and seeing everyone.

Health issues have been a re-occurring event here in the park. We have many residents who have been suffering from various ailments and issues. Please remember to keep them in your thoughts and prayers for continued recovery and help them get back on their feet.

As the socialing begins to rev up and the northerners return, please keep in mind to "pay it forward". Make that extra effort to call a neighbor or offer to take them shopping etc. Pay for that stranger behind you in the drive through and surprise them by paying for their order. Go to Dollar Tree and buy hygiene items for a homeless person. Every little thing we can do to help someone out is a gift that heals and strengthens. In this world today, we need to continue to help and encourage others who may be struggling. It makes this such a better world to live in.

The holidays are not far away if you can believe that. Have you started your shopping yet? I have got some candy ingredients bought and ready to go. Not making as much this year, but have to make the basics, toffee, caramels, fudges, choc nut clusters, and buckeyes. On that note, I will end my monthly blabbing and welcome back to our northerners. Have a safe trip traveling back down this way, and looking forward to seeing you.

Till next month.....

Terri

ACTIVITIES AND REMINDERS

Reminders:

Pool: The rules are posted at the pool, however, a review is needed to keep the pool safe and fun for all. Please do not touch the "heater" settings, this is controlled by management. No glass bottles/drinking glasses, etc. When you leave, please be courteous and roll the umbrellas down so they will not be damaged if a wind/storm comes up. If you see them up, and no one is in the pool, please put them down. They are expensive to continually replace. No pets are allowed in the pool area. Be sure to rinse off before getting into the pool to keep from allowing oil/lotion etc. Into the pool water. Do not allow grand children to swim unattended. Jumping and splashing is not received well by many swimmers. Review the rules and make sure you are abiding by them.

Clubhouse: The clubhouse is not a storm shelter of any kind. Also, grandchildren should not be in the clubhouse unattended. There is a free library, please return books when you are finished with them. Unfortunately, the cabinets, refrigerator etc. Are locked as we kept having things mysteriously disappear. If you need to have them unlocked for use of a private party. See an officer of the good neighbors for list of who have keys. Be sure to lock all up when you leave. The clubhouse can be used for private parties. There is a calendar posted on the board and if you need to use the clubhouse for a family/private gathering, list it on the date with your name and time needed. We have many wonderful parties in the clubhouse and the bulletin boards is where you learn what is coming up and sign up if you are interested. Be sure when you leave, if the clubhouse is empty, turn off the lights etc. Make certain stove/oven are turned off.

Speed: The speed in the park is to be 15 mph. Even though this is a senior park, there are guests and grandchildren visiting. They like to play outside, ride bikes, etc. A speeding vehicle is an accident waiting to happen. Please also tell your guests/family to respect the speed limit. Don't be surprised if you are yelled at by a resident to slow down if you are going too fast. Signs are posted so please be aware of your speed.

Pets: This is a pet friendly park with certain rules. It is required that you be a responsible pet owner. Cats are considered to be "inside" pets and are not to be running free all over the park. If you have a dog, please pick up after them. There is a pet disposal station in the rv lot. Do not allow your dog to use yards to do their business in. Some homeowners are not pet lovers and do not want them in their yards doing their business. Please use your own yard or the rv lot. It is important that we are respectful so we can continue to enjoy our dogs and not cause any anxiety with non-pet residents.

RIVIERA ESTATES GOOD NEIGHBOR'S

STEVE WALASKI, PRESIDENT

The next meeting of the Good Neighbor's Club will be the 10th of November, 2017 when the northerners return. They will also be having an election of officers right away in December. This group is our planners for the outings and parties and good times we have. Please be sure to attend this meeting. Watch bulletin board for information.

ACTIVITIES AND DEPARTMENT REPORTS:

Koffee Klatch: Every Saturday morning at 9:00 sharp, cost \$1.00 for coffee and donut, biscuit with jams, jellies, and peanut butter. Bring your own coffee mug. Creamer, sugars/sweeteners, are available. Also available is hot tea, and cocoa. If you like special creamer, bring it with you. There is all the java you can drink and every Saturday the activity chairmen report on what they are doing, where and when and how much it is, etc. There are sign up sheets for the activities for you to sign. Please plan to attend this every Saturday morning to keep up on all that is going on.

Bingo: First night of bingo will be Monday the 13th with early birds at 6:30 p.m.. Regular bingo starts at 7:00 and there will be the Progressive Jackpot again this year. Julie Cardinalli is in charge of this activity, with Tina Moll helping.. You can contact either one of them for information and questions. We always have a good crowd of players.

Riviera Guild: This is a gathering of crafty residents that knit, crochet, quilt, sew, etc. Last year they made several items for different charities etc. It is run by Keith and he will be advising if and when they will be reviving the group.

Euchre: Anybody interested in playing Euchre? Last year we had difficulty getting enough people to occupy the tables. Please make your questions heard on Saturday morning at coffee to get this going again.

Golf: Several residents like to get together and go golfing on a morning, and I am awaiting any news or information about who will be getting this going and when.

Poker: Some residents enjoy playing poker once a week. They have played on Wed or Thurs evenings. Will gather more information from the ones who will be doing this and have a full report hopefully next month.

Tai Chi: Tai Chi is a balance exercise that helps get rid of that stiff, old feeling many of us suffer from. We have in the past had several enjoy attending this class. Will have additional information as soon as possible if this will continue.

Line Dancing: We have had line dancing on Thursdays for several years. Will advise as soon as possible if this will continue and the info you will need.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

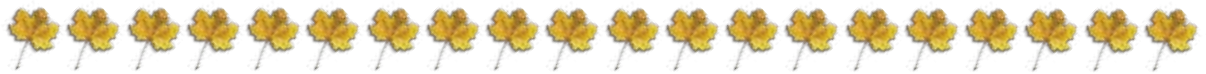

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

will be getting the LOTTO going as soon as most of our snowbirds return. Frank collects money from all who want to be in the Lotto drawing and purchases the tickets for Saturday and Wednesdays drawing. We participate in the Florida Lottery, not Power Ball. Any questions, contact Frank Rigiero.

Homeowner's Association: referred to as the HOA, this group works with management of the park as our representatives to keep things going smoothly with the management and the homeowners. There is a fee to join, and you must own your coach to be able to join this group. They also work with issues for mobile homeowners that the state is dealing with, to keep us informed as to what is trying to be done with laws etc. regarding mobile homeowners. There is a group of officers that work hard to keep things rolling along smoothly in the park. If you own your coach, please plan to join this group to keep informed.

Good Neighbor's Club: The Good Neighbor's club meetings are held on the 2nd Friday of each month at 9:00 a.m. and will resume in the fall. Contact President Steve Walaski at 953-6248 or email the Good Neighbors executive board with questions, suggestions, etc at gnclubre@gmail.com. We also have a website where an event calendar is posted and pictures, etc. It is www.rivieraestates-goodneighbors.com. Please check it out.

Shuffleboard: will resume late fall after everyone returns and leagues are formed etc. There are many local tournaments etc. that they participate in and have a great time doing so.

Fun Shuffle: will resume in the fall, as soon as we have enough people. This is for anyone who wants to play shuffleboard. All are welcome.

Pancake Breakfast: is the first Tues. of every month at 8:00 a.m. Proceeds for the shuffleboard club, they are held in December, January, February and March. All you can eat pancakes, sausage, coffee and orange drink. Bring your own silverware, plates and coffee cups. Cost is \$4.00 I believe, but the one in charge will verify the cost. Please plan on attending this fun breakfast.

Pot Luck Dinner: Held the 3rd Sunday of every month at 6:00 pm SHARP! There is a sign up sheet in the club house. Bring a dish, your silverware and plates, drinks and enjoy an old fashioned pot luck dinner. Bring your appetite too.

Ladies Luncheon: Sign up sheets are in the clubhouse. Held on the 3rd Thursday at noon. The ladies visit local area restaurants and enjoy a nice luncheon and socializing.

Men's Luncheon: When the women go eat, so do the men. They go to a different place, and have their "man time" together and enjoy a nice meal and socializing. Watch for sign up sheet on bulletin board in clubhouse.

If you are what you eat . . .

This information isn't for the squeamish, but you might want to know it anyway. According to an article on the Huffington Post website, insects are so ubiquitous that the FDA allows a certain amount of bugs and insect fragments in the food we eat. Insect control organization Terro released data on just how much you might be eating in a year:

• Coffee beans	136,080 (fragments)
• Wheat flour	91,650 (fragments)
• Macaroni/noodle products	7,031 (fragments)
• Chocolate	5,988 (fragments)
• Broccoli (frozen)	1,660
• Peanut butter	408 (fragments)
• Mushrooms	254
• Berries (canned or frozen)	84
• Brussel sprouts (frozen)	54

Relax with a nice warm bath

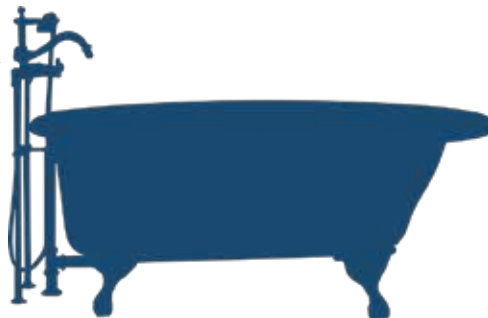

What's more relaxing than a long hot bath? Jacuzzi Luxury Bath commissioned a survey to explore Americans' bathing habits, and found that 38 percent of us take baths at least once a week. Frequent bathers take an average of 3.3 baths weekly for an average of 28 minutes. Among other results:

• **Timing.** The most popular times for taking a bath are weekend evenings and Monday mornings.

• **Demographics.** Bathing breaks down 50-50 between men and women. Younger people are more likely to be frequent bathers: 48 percent of people 25-44 said they bathe on a regular basis.

• **Benefits.** Women tend to take baths because it helps them relax, while men feel baths lead to better mental acuity. Bathers 18-44 said baths make them feel more alert.

• **Exercise.** Baths are popular for relieving soreness and fatigue caused by exercise. Forty-three percent of runner or joggers take a bath to recover after their workout, along with 34 percent who take exercise classes and 33 percent of weightlifters, followed by basketball players, bikers, and swimmers.

One minute a day may lead to stronger bones

Keeping your bones in good shape is vital to your health as you grow older, especially for women. Research reported on the Medical News Today website suggests that women may be able to keep their bones strong by running just one minute a day.

Examining data from more than 2,500 women, researchers found that women who participated in high-intensity, weight-bearing physical activity like running 60-120 seconds a day had 4 percent better bone health than women who took part in less than a minute of physical activity. Women who performed more than two minutes of exercise had 6 percent better bone health.

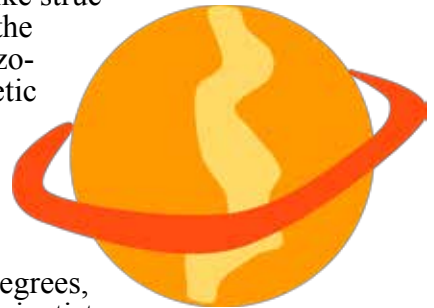

The researchers cautioned, though, that they can't be sure whether high-intensity exercise leads to better bone health, or whether people with better bone health tend to exercise more.

New findings about the solar system intrigue scientists

Our solar system is full of interesting places—maybe not to live or even visit, but locations where life might flourish under the right conditions, or may once have been present. Two recent examples from the Science News website:

• **Life on Titan?** Scientists have discovered that the atmosphere of Saturn's moon Titan contains vinyl cyanide—a molecule that forms membrane-like structures and could support life. Computer simulations suggest the molecule is capable of forming flexible bubbles known as azotosomes, that could serve as an outer shell “protecting” genetic material from biochemical reactions in the moon's frigid methane seas. No one knows whether azotosomes actually exist on Titan, though. A probe would have to check out the seas to detect them.

• **Water on Venus?** With a surface temperature of 460 degrees, Venus is too hot to support water or life as we know it, but scientists speculate it might not always have been so inhospitable. The second planet's slow rotation—116 Earth days for a single Venusian day—might have led to a gradual cloud buildup in its atmosphere some 750 million years ago, bringing surface temperatures down to approximately 15 degrees Celsius—enough for the formation of a shallow ocean. What happened to the oceans, or whether they even existed, isn't clear. Scientists speculate they may have boiled away or been absorbed into the planet's interior.
