Columbus Day

Is a national holiday to celebrate the anniversary of Christopher Columbus's arrival in the Americas on October 12, 1492. His first voyage to the New World took approximately three months on three ships. This initiated the Columbian Exchange which introduced the transfer of plants, animals, culture, and native people between the new world and the old.

Indigenous Peoples' Day

Is a holiday that celebrates and honors the Native Americans and commemorates their shared history and culture. It is celebrated across the United States on the second Monday in October, and is an official city and state holiday in various localities. It began as a counter-celebration held on the same day as the U.S. federal holiday of Columbus Day, which honors Italian explorer Christopher Columbus. Some people now reject celebrating him, saying that he represents "the violent history of the colonization in the Western Hemisphere".

Canadian Thanksgiving

We the North enjoy Thanksgiving on the second Monday of October to celebrate the harvest, family and other blessings of the past year. Our Thanksgiving looks much the same as yours with lots of turkey and family and football.

Happy Thanksgiving everyone!!!

I am writing the Monthly Media from Canada so please keep me posted on events going on in the Park.

Please email with your submissions to the newsletter, subject line MONTHLY MEDIA by the 12th of each month. Photo's are welcome.

Loneliness Can Tarnish Our Golden Years

The potential for loneliness is real.

Suggestions to stave off loneliness and preserve health and happiness:

1. Admit you're lonely. Human beings are social creatures by nature, so there should be no shame or embarrassment in admitting to yourself and others that you'd like more company. Friends, neighbours, and family members may not realize you're feeling isolated.

2. Think more human and less technology. Today's technology, where people are inclined to email or text, may exacerbate feelings of isolation. If you can't visit friends and family members in person, pick up the phone and call them. Let them know you'd rather communicate "live".
3. Volunteer. There are opportunities to join others doing something worthwhile in our park. It could be short and sweet like pouring coffee Saturday morning at Koffee Klatch.
4. Get Involved. There are lots of activities in the Park and new people are always welcome. Come on out.

Yes, it takes energy to fight loneliness than it does to simply stay at home and watch TV by yourself. However the benefits for both your physical and mental health make it worthwhile. You may be alone, but you don't need to be lonely!

Mike Richards, Community Manager

The Prospectus is where I go for the rules for our community. There are 2 items that come up often and seem to be a surprise. Of course the upkeep of the home to include washing and weeding which we all know. Any "other optional additions or improvements elected to be installed by a resident shall be approved by management before construction" (Page 4 of Prospectus). "All construction done or caused to be done by a resident to the exterior of a home or on the home site must be approved by the management." (Page 1 of Rules and Regulations) Please talk to me before you put up or add on or construct anything outside your home. I don't enjoy asking you to take things down. The other is the care of all foliage. "All trees and foliage within the home lot lines are the responsibility of the resident." (Page 2 of Rules and Regulations) Trimming of over growth and at times removing a dead or dying plant or palm branches, is your part. Thank you for taking care of your place.

New Home; is here on lot 57. The model is Avon Park from Palm Harbor Homes. Bring us a buyer and I can give you a \$99 rent special. See <https://www.palmharbor.com/model-center/plantcity/floorplan/fp-09-se-AvonPark-LS24482E/#floor-plans> for a tour.

For Sale; Lots 57, 70, 97, 105 and 142. I will work the hardest for you when you are ready to sell your home. I show homes and have people looking every week.

Speed Bumps: Some of you like them and some of you don't. This project has over 100 signatures and full support of the HOA. Not fun to drive over. But I can see the difference already. Everyone is driving slower. They will be painted yellow in the next few weeks.

Office Hours: I am in the office Monday to Friday 8:30am-4pm. I do come in early or stay late as needed. If the sign says open then I am in the park and will be back shortly. If I am at lunch or on an errand the Closed sign will let you know my return time. It is a pleasure for me to serve this community. Let me know how I can help.

RIVIERA ESTATES HOMEOWNER'S ASSOCIATION (HOA)

Dave Shiner, President

Meetings held in clubhouse first Thursday of the month at 7:00 pm

We are a group of five volunteers comprised of three full time residents and two Canadians that return home for the summer.

Our responsibility to all the homeowners in our park is to communicate and work with management to insure that all residents are treated fairly and equally and that our investments in our homes and services for rents paid are maintained.

Complaints and comments from you will be forwarded and discussed with park management as received in writing. Please use forms available on the bulletin board at the clubhouse for this purpose.

As previously mentioned, our HOA email list will be a huge asset in keeping you informed and up-to-date in all that is happening in our small community. In my opinion, in the electronic age of communication, it is unfair to deny yourself the opportunity to be kept informed.

If you wish to be added to our growing list please send an email to our secretary Hank at fishingguru721@aol.com.

My best regards

Dave Shiner/President HOA 2019

Mini Bash Report

Around 40 people (thanks to family and friends) had a fun time swimming and dancing at the Good Neighbours Summer Mini Bash. There were people in the pool I have never seen before (Claudette).

A delicious meal of pulled pork and sides was served.

Katie Feather made excellent desserts spiked bread pudding and Kahlua cake.

We hired a new DJ (Vicki is out for the season with surgery) his name is Andrew and I think everyone enjoyed time.

All who attended had a great time!

Thanks all for organizing.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Ancient human skulls hint at early European arrival

Two skulls unearthed in Greece suggest that Homo sapiens arrived in Europe from Africa much earlier than previously thought. The Sci-News website reports that the partial skulls were discovered decades ago, in 1978, but a recent re-examination allowed scientists to virtually reconstruct them.

One skull, 170,000 years old, belonged to a Neanderthal, but the other is 210,000 years old and appears to be an early modern human. This means that Homo sapiens spread out to Europe some 150,000 years earlier than believed. Scientists speculate that Neanderthals originally displaced Homo sapiens, but over time they died out as more early modern humans made their way to southern Europe.

Giant squid sighted off New Orleans coast

For the first time, a giant squid has been sighted and captured on video in U.S. waters, the *Popular Mechanics* website reports. A research vessel grabbed video of the squid, *Architeuthis dux*, 100 miles from the New Orleans coast. It's only the second footage of a giant squid in the wild; the first was captured on video in 2012 off Japan's Ogasawara archipelago.

The video was taken with a camera called Medusa, designed to resemble bioluminescent prey in the deep sea and attract predators like the giant squid to obtain a close-up look that can be recorded and studied.

Three myths about creativity

People have lots of misconceptions about the nature and practice of being creative. Here are some common myths to ignore (from the Livemint website):

- **Creativity is serendipitous.** Don't wait for the proverbial light bulb to go off inside your head. Enhance your imagination by talking to people, immersing yourself in information, and focusing on the problem you want to solve instead of hoping you'll get an idea out of the blue.

- **Creativity is lonely.** We imagine the painter alone in a studio, or a poet shivering in a chilly garret. You won't get ideas, though, unless you get out into the world and explore. The more perspectives you can get from other people, the more fuel your imagination has.

- **Creativity requires a team.** Organizations rely on R&D teams for creative ideas. Although seeking input from others is useful—even essential—many great ideas come from people who weren't actively seeking solutions at the time. Teamwork is great, but don't ignore ideas from offbeat sources. They may be the most innovative.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crotts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crotts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

**REPORT ANY SUSPICIOUS PEOPLE OR ACTIVITY IN THE
COMMUNITY TO (727) 582-6200.
DO YOUR PART TO DETER CRIME.**

Andy Cardinalli (Chairman of Neighborhood Watch) would like to remind everyone to:

Lock ALL doors and windows.
If possible, leave outside lights on at night.
There is a safety in numbers; please do not walk alone at night.
Put locks on bicycles if left on carports.
Lock storage sheds.
Do NOT leave keys in golf carts.
Know your neighbors; keep a watchful eye on their home if you know they are away.
If you rent your mobile home, change all locks when tenants leave.
If you move into a new home, change and replace all locks with new ones.
