**H**ello everyone. Coffee Klatch continues for the summer at 10 AM. I am making home made from scratch muffins. The first week we had apple muffins. Last week we had peach muffins and next Saturday we will have pecan muffins. Still the same \$1 includes coffee.

Please honor and support our advertisers as they keep our media free for us.

**J**uly is here!!! Right along with the HOT HOT HUMID weather...hurricane season and those afternoon sudden storms that brew up fast, pour on us and then they are gone, sun back out and a sauna outside. I am not complaining, mind you, as being a Floridian year round you expect warm weather. Not a lot going on this month, the 1st is Canada Day, for all our Canadian friends, and of course the 4th is our Independence Day. The day we celebrate our freedom with cookouts and picnics, drinks and parties. Remember in your celebrations all the men and women who sacrificed for us to have this freedom.

Hurricane season started early as Alfredo came through the Panhandle in May. I mentioned last month, we must be prepared to evacuate quickly if need be. We moved down here 10 years ago and the first purchase I made was a campstove with gas cylinders. I have a large pantry of foods and freezers with meat. So my concern was losing all that food, BUT if I have a way of cooking it, I can keep it from being lost, and feed several people if need be. So I have coolers for the food, some pans and a coffee pot, and water. If we have to live out of our car, we can survive I figure, as long as I have coffee, and can cook! I have meds and important papers and all else I need to grab and go. But I feel we can survive for several days if we have to. The poor people of Puerto Rico have endured for months so it kind of changed my thinking of just having food for 3-4 days like they advise. Every season I pick up a couple cooking gas cylinders to have fresh and plenty of gas to get my cooking on. Just some food for thought, especially if you have a large supply of food in pantry and freezer you could lose.

We are still fighting illness in this park it seems. Many have some type of issue they are dealing with. Last week Weldon Hunt had a stroke, and from what I have heard he will be spending some time in rehab when he is released. Please remember him in your thoughts and prayers, along with the others who are fighting one issue or another.

Summer is grilling time, so this month I thought I would share a couple of my favorite recipes on the grill. When we camped a lot, one of our favorites were "hobo dinners" which was a meal in a foil pack we cooked in the coals of the fire or grill.....this one is my favorite version:

*...continued on page 6*

### **Butter Garlic Herb Steak Foil Packets:**

- 1# small red potatoes, cut into fourths
  - 2 carrots sliced, 1 red and 1 green peppers cubed, 1/2 red onion cubed,
  - salt and pepper, to taste
  - 1 Tablespoon Olive Oil
  - 1 1/2# sirloin steak cut into one inch cubes
1. In a medium bowl, add the red potatoes, carrots, bell peppers and red onion. Add salt and pepper and toss with Olive Oil.
  2. Place (4) 18"x12" pieces of heavy duty foil on counter. Evenly place vegetables on each piece of foil.
  3. Quickly char the steak (if you want char on it) and place on top of the vegetables. (If you don't care about a char on the steak, you can just place it on top of the veggies and it will cook in the foil packet.)
  4. To make the Garlic Herb butter, mix 1/2 cup room temperature butter with 1/4 cup fresh chopped parsley, 4 minced garlic cloves, 1 tsp fresh chopped rosemary and 1 tsp fresh chopped thyme, 1/2 tsp. salt and 1/4 tsp pepper. Divide into 4 equal parts and place on top of the steak pieces. Double fold top and ends of each foil packet leaving space for steam to gather.
  5. Place the foil packets on the grill and cover. Grill 15 min or until steak is cooked to your likeness and veggies are tender. I turn the packets a couple times to cook evenly. Carefully open packets and serve.

### **For dessert: Caramelized Brown Sugar Cinnamon Grilled Pineapple:**

- One fresh pineapple cleaned and cut into spears
  - 1/2 cup brown sugar
  - 1/2 cup melted butter
  - 1 tsp cinnamon
6. Lay the pineapple spears on a pan, sprinkle lightly with cinnamon.
  7. Mix brown sugar, cinnamon and melted butter, microwave a few seconds until sugar is melted, pour onto the pineapple spears, spreading to cover with brush.
  8. Grill 7--10 minutes until it starts to get golden brown. Brush excess sauce from the pan onto the spears and serve.

This is a great meal to serve friends and family for that July 4th party. Enjoy!

As ever, before signing off, I must remind you to take the little bit of time it takes to "Pay it forward" for a neighbor or stranger to make their day a little easier and to make you feel great. Donate to your local charities that help the homeless, buy someone's coffee or lunch, help that neighbor with a chore, check on the shut in that they are okay, let them know there is someone who cares about them.

Take care, and have a great month.

Terri

## Activities and Reminders:

---

**Pool:** The rules are posted at the pool, however, a review is needed to keep the pool safe and fun for all. Please do not touch the "heater" settings, this is controlled by management. No glass bottles/drinking glasses, etc. **When you leave, please be courteous and roll the umbrellas down so they will not be damaged** if a wind/storm comes up. If you see them up, and no one is in the pool, please put them down. They are expensive to continually replace. No pets are allowed in the pool area. Be sure to rinse off before getting into the pool to keep from allowing oil/lotion etc. Into the pool water. Do not allow grand children to swim unattended. Jumping and splashing is not received well by many swimmers. Review the rules and make sure you are abiding by them.

**Clubhouse:** The clubhouse is not a storm shelter of any kind. Also, grandchildren should not be in the clubhouse unattended. There is a free library, please return books when you are finished with them. Unfortunately, the cabinets, refrigerator etc. Are locked as we kept having things mysteriously disappear. If you need to have them unlocked for use of a private party. See an officer of the good neighbors for list of who have keys. Be sure to lock all up when you leave. The clubhouse can be used for private parties. There is a calendar posted on the board and if you need to use the clubhouse for a family/private gathering, list it on the date with your name and time needed. We have many wonderful parties in the clubhouse and the bulletin boards is where you learn what is coming up and sign up if you are interested. Be sure when you leave, if the clubhouse is empty, turn off the lights etc. Make certain stove/oven are turned off.

**Speed:** The speed in the park is to be 15 mph. Even though this is a senior park, there are guests and grandchildren visiting. They like to play outside, ride bikes, etc. A speeding vehicle is an accident waiting to happen. Please also tell your guests/family to respect the speed limit. Don't be surprised if you are yelled at by a resident to slow down if you are going too fast. Signs are posted so please be aware of your speed.

**Pets:** This is a pet friendly park with certain rules. It is required that you be a responsible pet owner. Cats are considered to be "inside" pets and are not to be running free all over the park. If you have a dog, please pick up after them. There is a pet disposal station in the rv lot. Do not allow your dog to use yards to do their business in. Some homeowners are not pet lovers and do not want them in their yards doing their business. Please use your own yard or the rv lot. It is important that we are respectful so we can continue to enjoy our dogs and not cause any anxiety with non-pet residents.

**A Complete Listing of Resident Services  
can be found on the page before your calendar**

**Homeowner's Association:** referred to as the HOA, this group works with management of the park as our representatives to keep things going smoothly with the management and the homeowners. There is a fee to join, and you must own your coach to be able to join this group. They also work with issues for mobile homeowners that the state is dealing with, through the FMO, to keep us informed as to what is trying to be done with laws etc. regarding mobile homeowners. There is a group of officers that work hard to keep things rolling along smoothly in the park. If you own your coach, please plan to join this group to keep informed. Please plan on attending The next meeting of HOA Membership next November in the clubhouse.

**Good Neighbor's Club:** The Good Neighbor's club meetings are held on the 2nd Friday of each month at 9:00 a.m. Contact President Steve Walaski at 953-6248 or email the Good Neighbors executive board with questions, suggestions, etc at [gnclubre@gmail.com](mailto:gnclubre@gmail.com). The Good Neighbors are the group of people who plan and put on our parties. This is a lot of work, which takes volunteering from the residents to accomplish their goals. We have great parties, with great food and music to dance by. Please plan on becoming a member of the Good Neighbors Club. Dues will be collected by Tina Moll, Treasurer. The dues pay for the

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Reduce arthritis pain without surgery

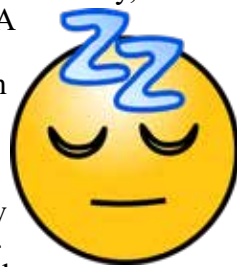

**A**rthritis is the leading cause of disability among U.S. adults over 55, in many cases requiring surgery to replace troubled joints. You don't have to resort to joint replacement all at once, though. These simple steps from Dr. Victor Romano, an orthopedist and author of *Finding The Source: Maximizing Your Results—With and Without Orthopaedic Surgery*, can help you deal with arthritis before surgery becomes necessary:

- Wear good shoes with arch supports. Over time, the arches in feet tend to fail. Arch supports can help with the alignment of your feet and improve the alignment of your knees, letting your feet better serve as shock absorbers for the knees.
- Exercise daily. Try at least a 20-minute program that includes stretching, aerobic activity, strength training, and balance.
- Wear a hinged knee brace for better support. You don't have to wear it all the time, but it can help during sports or other strenuous activity.
- Watch your weight. Lower weight decreases the stress on your joints and helps with mobility. Eat nutritious foods and cut your intake of sugar, which can cause inflammation of your arteries and joints.
- Take care of your bones. Calcium, vitamin D, and weight-bearing exercises can reduce arthritis pain and build up your bone density. Should you need replacement surgery, greater bone density will help your artificial joint last longer.

## Staying up late may damage your health

**B**enjamin Franklin's advice, "Early to bed and early to rise makes a man healthy, wealthy, and wise," turns out to be true—at least the "healthy" part. A British study of genes and health that analyzed surveys of more than 400,000 people found that night owls have a 10 percent higher risk of death over a 6½-year period than early risers, according to an article on the NBC News website.

The negative impact of burning the midnight oil doesn't depend on how much sleep you actually get—both night owls and early risers reported getting the same amount—but on the fact that it throws the body's natural rhythms off track. Also, the study found that people who stay up late tend to eat fattier foods, drink more alcohol, and use recreational drugs. In addition, staying up late at night has been shown to increase depression and mood disorders, especially among people 50 and older.
