FROM THE EDITOR'S DESK

Claudette Lusignan, editor LusiClaudi@aol.com

Hello everyone. Coffee Klatch continues for the summer at 10:00 a.m. I am making homemade from scratch muffins. The first week we had apple muffins. This week we are having Snickerdoodle muffins. It is my desire to find a different muffin flavor for each week until my snowbird friends return. Still the same \$1 includes coffee.

We will be having a Labor Day Party...will have pulled pork sandwiches with potato salad. Not sure yet what to make for dessert, probably a Blueberry cobbler with Ice Cream. The date will be either the 2nd (Sunday) or the 3rd (Monday) of September, has not been firmly determined. Please look for sign-up sheets with firm information on date and times, etc. Please plan to attend.

I can't wait until all my friends are back here in the park! I miss you all so much!!

On a sad note, Sylvia LeGendre from lot #86 has passed away from a long battle with cancer. I am sure that she is finally at peace. Her daughter Jen, has given me permission to include her in the Media.

We have several new people to welcome to the park, Penny, Barbara, and Kate. No last names to protect their privacy. I've made friends with each of them and they seem like wonderful ladies and a welcoming addition to our park family.

Please honor and support our advertisers **as they keep our Media free for us.**

FROM THE CO-EDITOR

TERRI WALLS, #89 gammawtj@gmail.com

Hello Riviera Estates residents! September is here with all it's glory, hot and humid as the entire summer has been. September is the month I usually watch closely for hurricane storms building up around us.....so we are in the season and with the heat we have had, the waters are very warm and makes it just perfect for a hurricane. Please remain vigilant with watching local weather and keeping yourself informed, prepared and ready to leave if you have to.....remember, our clubhouse is NOT a shelter and is locked by management if there is an evacuation order. Make sure you have a "plan" of evacuation.

Labor day is here on the first Monday of the month, the 3rd, and I believe Good Neighbors are planning a party, with food and fun. Keep an eye on the bulletin boards for information as to definite date, time, cost etc. There is also a Facebook page called Riviera Good Neighbors and you can check that also for news and updates. Claudette has been making made from scratch muffins each week for Koffee Klatch and they have been very well received.....and they are delicious.

Also this month, we have Grandparents Day on the 9th, Patriot Day on the 11th, Constitution Day on the 17th, and the First Day of Autumn is on the 23rd. We also will begin to see our

...continued on page 6

northern residents return for the winter season starting this month and will really come in here during October. Anxiously waiting for them to arrive.

On a sad note, I must report we lost another resident in the park, on the 5th of August, Sylvia LeGendre in #86 lost her long battle with cancer. Rest in peace Sylvia, you fought a courageous battle with that terrible disease.

I am trying to get out and about a bit more and hope to be able to attend a few of the social functions this coming season to be able to see my friends and enjoy their company again. Health issues affect many in our park, and being one is not my "cup of tea".....I need to get back on my diet, and get ready for a right hip replacement hopefully next year. Please keep our fellow residents in your prayers with whatever issues they are having.....

There are many coaches for sale in the park, and many new faces as the homes sell. The new home has been installed on lot #75, and it is very nice, much like the one they put in a couple years ago. Looks very different to see a home there after that lot being vacant for all the 10 years we have lived here. Hope they are able to sell it.

In June we also lost a matriarch of the park, Flo Weber... and I am including a Memorial to her in this month's issue. Miss her very much.

Before I close, I want to again ask that you "pay it forward" with neighbors and friends here in the park. Call them to see how they are doing, offer rides to appointments, etc, run an errand for them, take them a meal, just anything you can do to make someone's life just a little bit better that day. It is such a rewarding and elating feeling to help someone out in a pinch or whatever the issue is.....remember, some day it might be you that needs a little lift. Take care and have a great month!

Terri

RIVIERA ESTATES HOMEOWNER'S ASSOCIATION

ED MITCHELL, PRESIDENT

The next meeting of the HOA will be in November when all our residents return for the season. It will be time for election of officers again, so please plan to attend.

The Homeowner's Association, also referred to as the HOA, is an elected group of residents that work as your collective voice to address issues and concerns with park management. The HOA also keeps you informed of changes to government laws regarding mobile home communities. Please attend the meetings to keep informed about your park issues. There is no charge to attend the meetings and all are welcome. Thank you, Alan Hennigar

Tie Down Program: The tie down program is still accepting applications....one may be picked up and dropped back off at Claudette Lusignan's, Coach #83. This is a State of Florida program and is being done at no costs to the residents to upgrade their coaches tie downs. The person in charge is Amber Turner from Winstorm Mitigation, Inc. and can be reached at aturner@wind-storm.net or by calling 850-575-4709 if you have questions about this program. They will remove all the bricks around the coach and replace them when they are finished at no cost to the coach owner.

MY MEMORIES OF FLO WEBER

In June of 2018, Riviera Estates lost one of it's oldest residents, Flo Weber. She was 94 years old, and resided at lot #79 for years. She was from Fort Wayne, Indiana, which happens to be where my family is from. Learning that, she and I spent many hours reminiscing about that connection we had.

One thing I learned quickly about Flo is that she could tell you what was what real quick and without hesitation. Didn't take me long to give back as good as I got from her and she loved it. She was a dog lover as am I, and you would see her roaming around the park with baby Suzie right beside her on that golf cart. I miss seeing that, took it for granted for a good many years.

Sadly her son, Tom advised there would be no service for her, and I feel we have not been able to have closure of her passing. So perhaps we can memorialize her in this article which she read each month and enjoyed.

Flo was always good for a laugh, and let you know about it if she didn't see you for awhile! "Where ya been? Thought

...continued on page 10

you died" I got this a lot from her. She loved the parties and the socializing we do here, and she was the one we always asked to lead the opening prayer at good neighbors meetings. She loved playing in the skits that Donna Burnett put on for our Christmas parties, and she and Donna are probably in heaven continuing on the tradition, along with her friend, advisor and right arm, Karen Merzendorf.

When we first moved here to Riviera Estates, we were immediately invited to a New Year's Eve party next door at Carol and Aaron's.....And that is where I met Flo, Paul Cain, Pat and Julie Hoessle, and got to know Carol and Aaron. I was amazed at how young Flo acted, how she enjoyed her vices, and how she didn't let anyone have the final say unless she agreed with them. My love for her was immediate and unending. We would gather at her house and have a few drinks and eat some snacks and spend the evening enjoying each other almost every Friday or Saturday night for awhile.....Wonderful memories I have of the laughs and orneryness that we had with her.

She retired from General Electric in Fort Wayne, and we would talk about certain landmarks there that we both remembered and I learned a lot about my family's roots in this city from her. We were always trying to determine if our paths had crossed years ago and we just didn't realize it....But could never make that connection, but knew a lot of the same people.

She was an amazing spitfire of a woman, who forged through life with her head held high and her chin up. "How the hell are ya?" When I would finally get a chance to stop by for a visit. I would ask the same of her and always got "oh hell, same old same old, just a different day" or "what are you gonna do? Can't change it".

I miss her laugh, her ornery responses, her twinkle in her eye. I miss seeing her bopping around in her golf cart, walking her dog, and even her puffing on her cigarette, which she refused to stop! I miss that phone call I would occasionally receive. I miss sharing jokes and laughs with her. I miss her and all that came with her.

But I know that she is in heaven, giving the angels and God her best of everything I miss. Carry on Flo, carry on my friend. Everlasting life in heaven is your forever place and I am sure you are still giving it your best.

I believe that when a loved one passes, their soul goes to heaven, but their energy stays here on earth with us, to guide us, silently protect us and love us. I feel her at times, think of her often, and i would almost bet that cardinal outside my window on occasion is her saying "what the hell are ya doin?"

Rest in peace my friend....

ACTIVITIES AND REMINDERS

REMINDERS:

Pool: The rules are posted at the pool, however, a review is needed to keep the pool safe and fun for all. Please do not touch the "heater" settings, this is controlled by management. No glass bottles/drinking glasses, etc. When you leave, please be courteous and roll the umbrellas down so they will not be damaged if a wind/storm comes up. If you see them up, and no one is in the pool, please put them down. They are expensive to continually replace. No pets are allowed in the pool area. Be sure to rinse off before getting into the pool to keep from allowing oil/lotion etc. Into the pool water. Do not allow grand children to swim unattended. Jumping and splashing is not received well by many swimmers. Review the rules and make sure you are abiding by them.

Clubhouse: The clubhouse is not a storm shelter of any kind. Also, grandchildren should not be in the clubhouse unattended. There is a free library, please return books when you are finished with them. Unfortunately, the cabinets, refrigerator etc. Are locked as we kept having things mysteriously disappear. If you need to have them unlocked for use of a private party. See an officer of the good neighbors for list of who have keys. Be sure to lock all up when you leave. The clubhouse can be used for private parties. There is a calendar posted on the board and if you need to use the clubhouse for a family/private gathering, list it on the date with your name and time needed. We have many wonderful parties in the clubhouse and the bulletin boards is where you learn what is coming up and sign up if you are interested. Be sure when you leave, if the clubhouse is empty, turn off the lights etc. Make certain stove/oven are turned off.

Speed: The speed in the park is to be 15 mph. Even though this is a senior park, there are guests and grandchildren visiting. They like to play outside, ride bikes, etc. A speeding vehicle is an accident waiting to happen. Please also tell your guests/family to respect the speed limit. Don't be surprised if you are yelled at by a resident to slow down if you are going too fast. Signs are posted so please be aware of your speed.

Pets: This is a pet friendly park with certain rules. It is required that you be a responsible pet owner. Cats are considered to be "inside" pets and are not to be running free all over the park. If you have a dog, please pick up after them. There is a pet disposal station in the RV lot. Do not allow your dog to use yards to do their business in. Some homeowners are not pet lovers and do not want them in their yards doing their business. Please use your own yard or the RV lot. It is important that we are respectful so we can continue to enjoy our dogs and not cause any anxiety with non-pet residents.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Monthly

Be Kind to Writers and Editors Month. Yes, it's a real thing, so be creative in your efforts to shamelessly promote your craft while persuading your colleagues to pay tribute to your brilliance and dedication.

Intergeneration Month. Promoting the sharing of knowledge, awareness of needs, exchange of ideas, and growth that can occur only when people interact with those of differing age groups. Expand your base to broaden your horizons.

National Pediculosis Prevention Month. September means our children have gone back to school, and it's time to review the facts and figures about head lice. Go to <https://www.headlice.org/> to learn more and protect your family from an outbreak.

One on One Month. Take time to get better acquainted with your staff, team members, and coworkers to boost morale in your organization. Carve out quality time to do the same with family, friends, and members of your community.

Weekly

International Enthusiasm Week, Sept. 1-7. Each of us can find something to be grateful and enthusiastic about this week and each week thereafter. Count your blessings and enjoy life.

Self-University Week, Sept. 1-7. The first week of the month is committed to lifelong learning. Open your mind to the discoveries that await the daring among us with a desire for knowledge.

Line Dance Week, Sept. 10-15. If you can follow directions, you can learn to line dance. It's simple and fun, as long as you don't step on anyone's toes.

International Clean Hands Week, Sept. 16-22. As autumn arrives, so too does the start of the cold and flu season. Keep in mind that proper handwashing with soap and water can help prevent the spread of germs in schools, workplaces, and other public spaces.

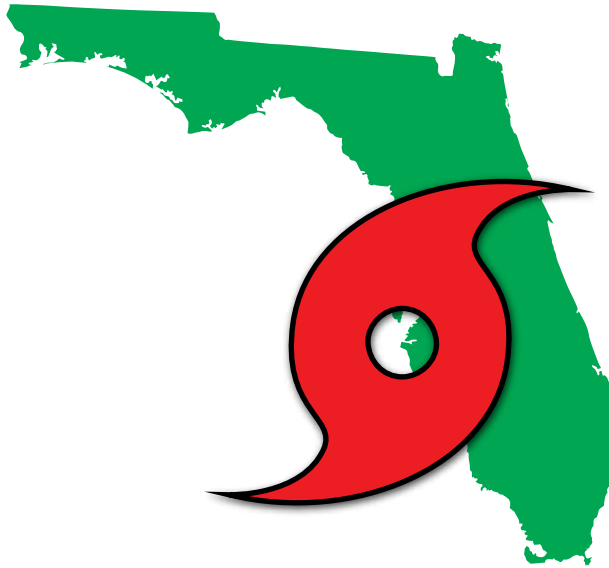

Banned Books Week, Sept. 23-29. Most banned books deal with themes of inclusion, tolerance, and diversity. Read a banned book this week, and support the American Library Association as it champions free speech. The theme this year is, "Banning Books Silences Stories. Speak Out!"
