President's Corner

Terry McCall Lot 22

I would like to stop and say a heartfelt THANKS to Joyce & Jerry Mallare for all the thankless years of her & Jerry's hard labor to make the Bingo a great success. As the seasons come and go so many of us lose thought on just how much energy it takes to do all the activity that have made Robert's park what it is today. I know I always ask for. Volunteer's to help in the actives that work for all not just a few. At this time we are seeking people to step up for the following activities: someone to become Chairperson for Bingo, Chairpersons for Dances, and Chairpersons for Dinners. I know things are not always what you see but we all work behind the scenes to have the thing that we have come to expect to be done. This is my last season as your Recreation President for 2018-2019 I will not run again so with that being said I hope someone will think about stepping up to continue to make Robert's Mobile Home & Rv Park the best it can be. If you are interested in any of the positions please let myself or Frank Kreutzberg know by text, email or phone Again Thanks for all your support for those the take the time to work for all of us!!!! THANKS Terry McCall

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Golf Carts

Golf carts are only to be driven by persons 18 years old and older with a valid driver's license.

Hot Tubs for Adults Only

No one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Stop Signs and Speed Signs

Please stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

Dog Poo

Lately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

Residents

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

Robert's Park has Two Organizations

Why are there two organizations in the park? They serve different purposes:
Robert's Recreation Association was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. **Membership certificates are issued upon payment of a \$15.00 fee. Contact Bernie McGrath at Lot 173 if you wish to become a member**

To All Residents

Royal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park. These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

A deal is a deal

Ronald made a deal with his dad that if he improved his grades by the end of the school year, pitched in around the house, attended church on Sunday with the rest of the family, and cut his now shoulder-length hair, he could have access to the car throughout the summer. Ronald began to focus on his schoolwork more, took on responsibility in the home, and was the first person in the house ready for church each Sunday.

"I knew you could do it," his dad said as looked over Ronald's final grades for the school year. "I'm very proud of how responsible and focused you've been these last few months."

"Hand over those keys, old man," Ronald said to his father with a laugh.

"Not so fast," his father said. "Remember our deal? Grades, church, chores, and hair."

"Do I really have to cut my hair?" Ronald protested.

"That was our deal," his father said.

"Can't you cut me some slack this one time? I've done everything else you wanted," Ronald argued. "It took me so long to grow my hair out. Besides, Moses had long hair, and Samson had long hair, and even Jesus had long hair."

"Good point," his father agreed. "They walked everywhere."

Ancient humans cared for others

Popular culture paints our Neanderthal ancestors as brutish and cruel, but that picture is changing, according to the Sci-News website.

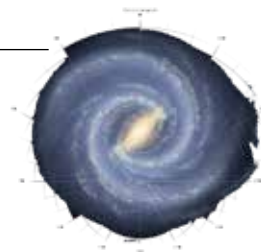

Neanderthals are known to have cared for their injured people, and new findings suggest that they took care of individuals who were suffering regardless of whether their peers could repay them in any way.

For example, the remains of one male Neanderthal 25-40 years old at time of death shows that he had a variety of diseases, including tooth loss, periodontal disease, arthritis, and other long-term health conditions. His care would have required fever management, hygiene maintenance, and helping him stay with the group when it moved its camp. For the last 12 months of his life he would have been unable to contribute much to the group, but he was carefully buried after his death.

The evidence suggests that “organized, knowledgeable, and caring health care is not unique to our species but rather has a long evolutionary history,” one scientist states.

A once-in-a billion-year spin

Galaxies rotate, just as Earth and other planets do. However, their spin is remarkably consistent, regardless of size. The Discover Magazine website reports that scientists have determine that all galaxies rotate approximately once every billion years, whether they’re massive spiral galaxies or small irregular dwarfs.

Researchers measured the velocities of hydrogen in the outer discs of a variety of galaxies differing in size. The measurements allowed them to calculate the rotation period of each galaxy. “Discovering such regularity in galaxies really helps us to better understand the mechanics that make them tick,” one scientist says.

Science is the great antidote to the poison of enthusiasm and superstition.
