## VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Hot Tubs for Adults Only

---

**N**o one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

---

## Stop Signs and Speed Signs

---

**P**lease stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

---

## Dog Poo

---

**L**ately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

---

## Robert's Park has Two Organizations

---

**W**hy are there two organizations in the park? They serve different purposes: **Robert's Recreation Association** was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

**Robert's Park Homeowners Association, Inc.** represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a \$15.00 fee. Contact Bernie McGrath at Lot 173 if you wish to become a member

## To All Residents

Royal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up “no trespassing” signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

## Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park. These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

- Number of U.S. community hospitals (defined as nonfederal, short-term general, and other special hospitals): 4,840

## Self-driving cars rising in drivers’ acceptance

---

Are you eager to buy a self-driving car? More and more Americans are warming up to the idea. A study by AAA last year found that 78 percent of Americans were scared of the idea of riding in a car that drives itself. A more recent survey saw that figure drop to 63 percent.

Age makes a difference in attitude. Sixty-eight percent of Baby Boomers said they’d feel worried in a driverless car, and 70 percent of Gen Xers expressed concern too. However, fewer than 50 percent of millennials said they’d be frightened of riding in a self-driving vehicle.

Overall, half of drivers in the survey said they want their next car to have some self-driving features, like being able to stop on its own or stay within lanes on the highway.

## Clutter is the top target of kitchen remodelers

---

Thinking of renovating your kitchen? Tidiness is the biggest trend this year, according to the 2018 Houzz Kitchen Trends Study. The study found that 75 percent of homeowners named decluttering their counters as their No. 1 priority, followed by 66 percent who want to put things away and 49 percent who are focused on recycling.

The biggest issue? Storage, cited by 93 percent of survey respondents. That was followed by space planning (38 percent), entertainment (32 percent), and cleanliness (32 percent).

The survey notes that homeowners are also interested in pullout garbage bins, organizers for dishes and utensils, and wine bars.

## Did You Know That May is Also...

**Asthma and Allergy Awareness Month.** The flora in full bloom make May the take-action month for those living with asthma and allergies. To gain insight and learn about events and advocacy efforts targeting these conditions, visit the Asthma and Allergy Foundation of America website at [www.aafa.org](http://www.aafa.org).

**National Barbecue Month.** Grilling only hamburgers and hot dogs just won't do. This month, get in touch with your inner pit master and fire up your skills

**National Photography Month.** Take a photography class, view an exhibit at an art gallery or museum, get inspired, and capture life's moments one frame at a time. There's an entire world to explore on the other side of the lens.

**Brain Tumor Action Week, May 6-12.** Frequent seizures, headaches, impaired vision, or speech difficulties are a few of the warning signs of the possibility of a brain tumor. This year, nearly 79,000 people will receive a brain tumor diagnosis. To learn more, visit the National Brain Tumor Society website at [braintumor.org](http://braintumor.org).

**American Craft Beer Week, May 14-20.** Roughly 98 percent of the 6,000 breweries in the United States are small, independent, and passionate about the art of beer making. This week craft brewers in every state will showcase what they do best in events that will delight the palates of beer drinkers everywhere.

**Garden Meditation Day, May 3.** Gardening is good for the soul, and so is meditation. Take time out of your busy schedule to quiet your mind and spirit by smelling the roses, curling your toes in the grass, or napping in the shade of a tree.

**International No Diet Day, May 6.** Take a break from your diet today and figure out if it's the best thing for you. This day is less about indulgence and more about loving yourself while embracing healthy and positive attitudes toward nutrition and eating.

**World Lupus Day, May 10.** Lupus is a chronic autoimmune disease that can lead to pain, inflammation, and damage in any part of the body. Since 2004, organizations throughout the world have used this day to raise awareness and emphasize the need for funding and research focused on a cure.

**Armed Forces Day, May 19.** On the third Saturday of May, citizens around the world pay tribute to the women and men serving in their nation's military branches. Look for parades, exhibits, and events in your area.

**Don't Fry Friday, May 25.** As we embark upon this long holiday weekend and many warm and sunny days ahead, the American Cancer Society wants you to remember to make protecting your skin from harmful UV rays part of all your outdoor activities.
