Thanksgiving Dinner

Tonya Weisenseel

The Annual Thanksgiving Potluck Dinner will be Thursday, Nov 24th at the Clubhouse at 4 pm for the social and 5 pm for dinner. Last year we had about 200 in attendance and we anticipate the same attendance this year. We will need a few volunteers to help with set up and and some for clean-up. There will also be a food sign-up sheet for attendees posted in the clubhouse after the first Recreation meeting. This year, we will also use online sign-up sheets that one can use to sign up for food dishes and /or volunteer slots, if you prefer. The link for the online signup will be posted and shared in our Facebook group "Robert's RV Community" soon. So keep an eye out and sign up whichever method suits your fancy. But please mark your calendars to attend the Thanksgiving Potluck! More info and updates to come. If you would like to help with planning, set up, or clean up, we would love your help: please contact Tonya at tonya.weisenseel@gmail.com or personal message on Facebook.

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Guests

Additional guests staying overnight in the park must be registered and paid for. Cost is \$3 per person per night, \$12 per person per week and \$40 per person per month. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

Driveways

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Golf Carts

Golf carts are only to be driven by persons 18 years old and older with a valid driver's license.

Hot Tubs for Adults Only

No one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Stop Signs and Speed Signs

Please stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

Dog Poo

Lately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

Residents

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

Robert's Park has Two Organizations

Why are there two organizations in the park? They serve different purposes:
Robert's Recreation Association was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a one-time fee.

To All Residents

Royal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

Deadlines for Robert's Review Submission

All articles must be received by the 7th of the month. Please email them to Carole Scott at caroles643@gmail.com. My phone number is 757-218-2909 Nov-April and 757-824-5214 May - October

Did you know that November is also...

National Epilepsy Awareness Month. Learn about the different types of seizures and how to prevent them—or help someone suffering from them. A seizure is a short change in normal brain activity that can cause changes in awareness, behavior, or body movement. Because anyone can have a seizure, recognizing symptoms and knowing how to help is vital.

Native American Heritage Month. Established at the turn of the 20th century as an effort to gain a day of recognition for the significant contributions the first Americans. In 1990 President George H. W. Bush approved a joint resolution designating that November “National American Indian Heritage Month.” Similar proclamations have been issued each year since 1994.

Military Family Appreciation Month. Throughout November, military families serving around the world are honored and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Animal Shelter and Rescue Appreciation Week, Nov. 3-9. Approximately 3,500 animal shelters across the United States serve the estimated 6 million to 8 million homeless animals who need refuge each year. Get acquainted with your local shelters and rescuers, and learn how you can assist their lifesaving work.

National Nurse Practitioner Week, Nov. 13-19. Held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that NPs will be able to practice to the full extent of their experience and education.

American Education Week, Nov. 14-18. The 2016 theme, “Great Public Schools: A Basic Right and Our Responsibility,” will present all Americans with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a high-quality education.

U.S. Election Day, Nov. 8. Get out and vote!

World Diabetes Day, Nov. 14. Celebrated worldwide by the more than 230 member associations of the International Diabetes Federation in more than 160 countries and territories.

International Games Day, Nov. 19. Raising awareness of games and gaming in libraries to publishers and the public around the world.

Kepler telescope keeps finding new worlds

The planets just keep coming: The Kepler space telescope has discovered 104 new exoplanets around distant stars, adding to the 2,300 it has already spotted from 2009-2013. Most of these new worlds are less than three times the diameter of Earth, although close to a dozen are about the same size or smaller. A handful of them receive as much sunlight and solar energy as Earth, making them possibly suitable for life to develop.

The discoveries come in the wake of a series of malfunctions to Kepler and a new mission that has the telescope watching a section of the galaxy aligned with Earth's orbit, observing one location for about 80 days before moving on to new frontiers.

Exercise! It's good for your memory

A good memory is useful for creativity; remembering something you've just learned helps you make connections and see possibilities. A new study reported on the Science Daily website suggests that one way to boost memory and retention is exercise.

In the study, conducted by the Donders Institute at the Radboud University Medical Center in the Netherlands, 72 subjects learned a series of picture/location associations. They were then randomly separated into three groups—one worked out on exercise bikes immediately after the session, another exercised four hours later, and the third group didn't exercise at all. Two days later, all the participants were tested on what they'd learned while undergoing an MRI.

The subjects who had exercised four hours after the session retained their knowledge better than those in the two other groups, the researchers found. The brain images indicated that delayed exercise appeared to be associated with activity in the hippocampus—where learning and memory take place—whenever a participant answers a question correctly.

The experiment suggests that exercise isn't just good for your health—it strengthens your memory as well.

Science can only ascertain what is, but not what should be, and outside of its domain value judgments of all kinds remain necessary.

—Albert Einstein

A lesson in determination

British runner Derek Redmond was one of the favorites for a gold medal in the 400-meter spring at the 1992 Olympics in Barcelona. But halfway through the race, Redmond—in the lead—collapsed on the track with a hamstring injury.

Medical staff rushed to help him, but Redmond waved them away. He somehow got to his feet and started staggering down the track. With thousands watching, and officials unsure of what to do, Redmond's father ran out to him.

"You don't have to do this, son," he said.

"Yes, I do," Redmond replied.

His father helped Redmond down the track, tears streaming down both their faces, waving away anyone who tried to stop them.

The crowd roared when Redmond finally crossed the finish line. The feat is considered by many to be the defining moment of the Barcelona Olympics.

Keep learning at any age

As you and your family members age, you may find you have more difficulty remembering things. Try to help you stay on top of the knowledge game and keep you learning as you age:

- Visualize. Mentally rehearse an event, conversation or activity before it actually happens. This visualization helps eliminate the stress you may feel over the unknown. Plus, when you're more relaxed, you're better able to learn.
- Take a break and exercise. If you're trying to remember information you're reading, take frequent breaks. Don't just sit around, though. Engage in some kind of activity to keep your mind alert and your blood flowing.
- Focus on concentrating. Distractions are the bane of any learning attempt. If you're attending a class or lecture, sit near the instructor and maintain eye contact with him or her. Try not to fidget; simply relax into the session and let your focused attention do the job.
- Say it out loud. Read aloud the material you're trying to learn and repeat out loud the facts you want to retain. This way, both your mind and your ears are taking in information.
- Tame frustration. If you grow frustrated over material you're trying to learn, remind yourself that getting emotional will only hamper your ability to retain information. If you have to, step back and take a long break.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
