**J**ust a reminder for our Dinner Theater on Dec. 11 and Dec. 12.....we have reserved two tables for Saturday, 4pm and 8 tables for Sunday, 4pm to see "A Nice Family Gathering". These shows are always comedies and include an all you can eat buffet. Great food, Great Entertainment for \$35 pp...mark your calendars and I will be at the December Rec. Meeting to take reservations...We have several shows planned for this season and I will post calendar on Travel Board in back hall when I get down...See you soon!

## **Alcohol in Pool Area**

---

**P**lease remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

## **Home Site Alterations**

---

**I**f you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

## Guests

---

**A**dditional guests staying overnight in the park must be registered and paid for. Cost is \$3 per person per night, \$12 per person per week and \$40 per person per month. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

## Driveways

---

**W**hile backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

## Mowing

---

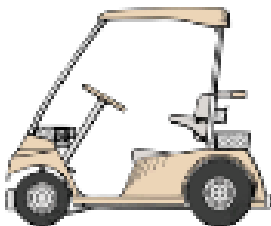

**I**f you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

## Golf Carts

---

**G**olf carts are only to be driven by persons 18 years old and older with a valid driver's license.

## Hot Tubs for Adults Only

---

**N**o one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

## Stop Signs and Speed Signs

---

**P**lease stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

## Dog Poo

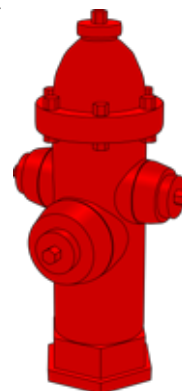

---

**L**ately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

## Residents

---

**W**e have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

## Robert's Park has Two Organizations

---

**W**hy are there two organizations in the park? They serve different purposes: **Robert's Recreation Association** was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

**Robert's Park Homeowners Association, Inc.** represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a one-time fee.

## To All Residents

---

**R**oyal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

## Solicitors

---

**I**f you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

## Deadlines for Robert's Review Submission

---

**A**ll articles must be received by the 7th of the month. Please email them to Carole Scott at [caroles643@gmail.com](mailto:caroles643@gmail.com). My phone number is 757-218-2909 Nov-April and 757-824-5214 May - October

## Check medical bills with care

---

Dealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

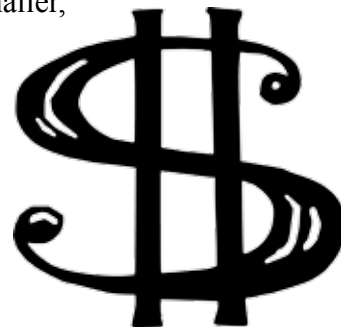

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

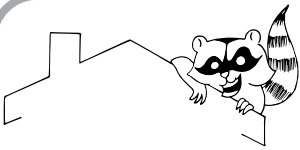

## Revamp your finances to save more money

---

If you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

## Some challenges spur imagination and success

---

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

## Just listen

---

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

## Learn to let go

---

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

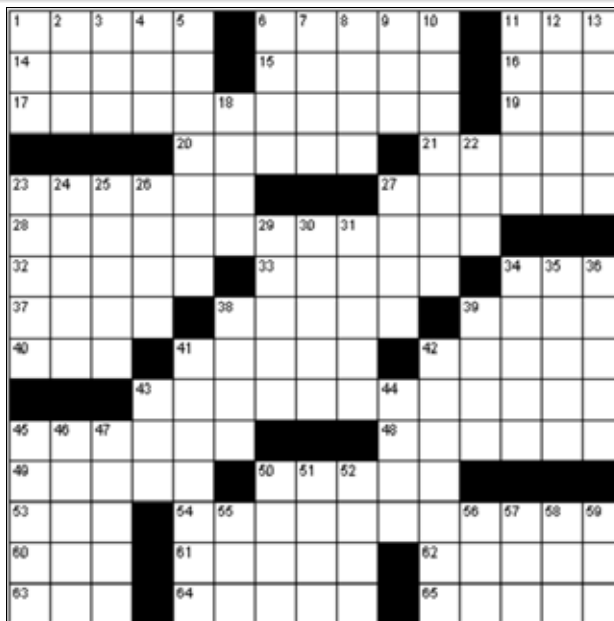

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.

—Nancy Mellon
