## Presidents Corner:

*Terry McCall*

Here we are at the end of July with summer about half over. We had a Great 4th July picnic with over 42 in attendance. We had over 40 at Coffee and Donuts on the 4th July. I want to take this time to say thanks to Robert's office for the donation of the chicken for the picnic it help make this a Great event and all that helped pull this off in true Robert's spirit !!!! Thanks to Frank and Dolores and Daryl and Carole for putting on a great Coffee and Donut all had a great time at both events. We still will be needing help this season for the Robert's Reviews delivery's and all events this fall season so keep in mind what you may be able to help with. Keep up to date on what things are going on at Robert's by using the Robert's RV Community on face book We are all looking for our 2017-2018 Season to get under way it will not be long till we see all Thanks

## Need Help

*Bob and Joyce Chaput*

Help is needed to distribute the Roberts Review to the delivery volunteers when it arrives from the printer on the first of the month. Steve Bachand has resigned and Joyce and I cannot take this back due to our health. Please contact Terry McCall (931-220-5642) or myself if you can help. Thank you.

## Can Collection

**O**ur Robert's community now has a Facebook group page. This group page has been created for the community at Robert's RV Park for anyone that is a current or seasonal resident and is interested in activities and events at the park. The intention of this group is to help to inform visitors and those living in the park about upcoming events, create easy online sign-up forms for community organized events, send reminders, discuss and plan upcoming events and to share encouragements, announcements, and pictures. We hope to help this will help the community stay connected year round. Please feel free join the group on Facebook under the group name "Robert's RV Community". All are welcome!

## Alcohol in Pool Area

**P**lease remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

## Home Site Alterations

---

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

## Guests

---

Additional guests staying overnight in the park must be registered and paid for. Cost is \$3 per person per night, \$12 per person per week and \$40 per person per month. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

## Driveways

---

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

## Mowing

---

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

## Golf Carts

---

**G**olf carts are only to be driven by persons 18 years old and older with a valid driver's license.

## Hot Tubs for Adults Only

---

**N**o one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

## Stop Signs and Speed Signs

---

**P**lease stop at **ALL STOP SIGNS IN THE PARK**. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

## Dog Poo

---

**L**ately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

## Residents

---

**W**e have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Robert's Park has Two Organizations

---

**W**hy are there two organizations in the park? They serve different purposes:  
**Robert's Recreation Association** was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

**Robert's Park Homeowners Association, Inc.** represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a one-time fee.

## To All Residents

---

**R**oyal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

## Solicitors

---

**I**f you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

## Deadlines for Robert's Review Submission

---

## Columbus' anchor salvaged from the depths

A team of explorers believe they've discovered an anchor from one of Christopher Columbus' ships in the Caribbean. According to a story on the Fox News website, an analysis of the anchor shows that it dates from somewhere between 1492 and 1550. It weighed 1,200-1,500 pounds and probably belonged to a 300-ton vessel, typical of Columbus' time.

The anchor is believed to come from a fleet of smaller ships called caravels, which included the Pinta. Captained by Vicente Pinzon on one of the "minor voyages" of Columbus' third expedition to the New World, the ship sank in a hurricane near the Turks and Caicos islands in 1500.

In addition to the anchor, the team brought up other artifacts at the shipwreck site, including grappling hooks used for salvaging cargo from shipwrecks, as well as pieces of pottery and an olive jar painted with indigo.

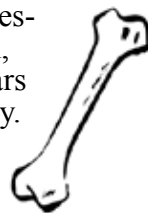

## Scientists create negative mass in the laboratory

Negative mass might sound like something out of science fiction, but physicists have created it in a laboratory. The BBC News website reports that scientists at Washington State University have created a particle composed of negative mass by using lasers to trap atoms of rubidium and then cooling them down to just above absolute zero. This caused the atoms to behave as a superfluid liquid, flowing without losing any energy.

Paradoxically, if you push something with negative mass, it accelerates in your direction, following behavior predicted by quantum mechanics. Scientists expect the technique to help them solve questions about black holes, neutron stars, and dark energy in the cosmos.

## Ancient bone raises modern questions

An artifact unearthed in Crimea may shed new light on our Neanderthal ancestors, according to the Sci-News website. It's a bone fragment from a raven, and it's approximately 38,000 years old. A mere 18 mm long, the bone bears a series of notches that are too evenly spaced to be the result of everyday butchery. Archaeologists believe that two notches on the raven bone could have been made intentionally by Neanderthals to create a pattern meant to be consistent or symbolic. The bone may have worn as a personal ornament, some speculate.

## Traditional books are alive and well

Publishers and traditional readers alike have long been worried about the rise of electronic books as sales of Amazon's Kindle and other devices have grown, but their concerns may have been at least somewhat overblown. New studies suggest that the growth of e-book sales is leveling out—and possibly declining.

According to the Chicago Tribune website, during the first nine months of 2016 e-book sales dropped by 18.7 percent compared with the same period a year earlier. On the other hand, hardcovers, paperbacks, and audiobooks did not suffer a similar decline. In the same time frame, e-books' share of the total market fell to 17.6 percent from 21.7 percent. In addition, sales of hardcover books in 2016 outpaced e-books for the first time in five years.

Don't panic—books don't look like they're being replaced any time soon.

## More Americans taking advantage of technology

The digital revolution continues gaining ground, according to the Pew Research Center. Seventy-seven percent of Americans own a smartphone, a figure that's almost doubled since Pew began tracking smartphone ownership in 2011.

Similarly, broadband access is on an upswing, with home broadband service rising 6 percent in 2016 (after a slight decline from 2013 to 2015). In November 2016, nearly three-quarters (73 percent) of Americans reported having broadband service.

Finally, 69 percent of U.S. adults are using social media, especially young people—86 percent of 18- to 29-year-olds are on at least one social media platform.

## New hope for headache sufferers

Cluster headaches, such as migraines, are rare, but they can cause intense pain to the people (mostly men) who suffer from them.

But there's hope. According to the NBC News website, the Food and Drug Administration has recently approved a device known as the vagus nerve stimulator for treatment of cluster headaches. Sufferers place the small device, named gammaCore, against the neck and send a mild electrical stimulation to the vagus nerve—a large nerve that runs from the brain to the colon. The jolt disrupts signals along the nerve, reducing the pain.

Vagus nerve stimulation is already used to treat ailments such as epilepsy and depression. GammaCore, manufactured by the organization electroCore, is available in Europe, but electroCore plans to begin offering it in the United States later this year.
