Roberts' Facebook Page

Tonya Weisenseel

ur Robert's community now has a Facebook group page. This group page has been created for the community at Robert's RV Park for anyone that is a current or seasonal resident and is interested in activities and events at the park. The intention of this group is to help to inform visitors and those living in the park about upcoming events, create easy online sign-up forms for community organized events, send reminders, discuss and plan upcoming events and to share encouragements, announcements, and pictures. We hope to help this will help the community stay connected year round. Please feel free join the group on Facebook under the group name "Robert's RV Community". All are welcome!

The link is https://www.facebook.com/groups/1042295795863480/ All are welcome!

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out.

Please remember there is no alcohol in the pool area or in the pool or hot tub.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Guests

dditional guests staying overnight in the park must be registered and paid for. Cost is \$3 per person per night, \$12 per person per week and \$40 per person per month.

Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

Driveways

There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Mowing

If you have any problems with the mowing, please contact the office and not the mowing crew. The office will contact the manager and get the situation resolved as quickly as possible.

Golf Carts

olf carts are only to be driven by persons 18 years old and older with a valid driver's license.

Hot Tubs for Adults Only

o one under 18. Food and drink are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Stop Signs and Speed Signs

Please stop at ALL STOP SIGNS IN THE PARK. Cars, bicycles and golf carts continue to roll through them and someone could easily get hurt one day. Just please pay attention.

Dog Poo

ately we have received many complaints about people not cleaning up after their animals, and not walking them in the pet area. Pet areas are marked on the map. If you need a copy of the map, stop in the office for one. Thank you.

Residents

The have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they have to come into the park.

Robert's Park has Two Organizations

Thy are there two organizations in the park? They serve different purposes:

Robert's Recreation Association was formed to provide social and recreational activities for all full and part-time residents of the Park. There are meetings on the first Monday of the month from November to April. Committee Chairs make their reports and the business conducted there lets residents know what is going on in the park. There are no dues and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc. represents owners of mobile homes in the Park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a one-time fee.

To All Residents

oyal Palm Cemetery is now off limits to all residents with dogs. The cemetery will be putting up "no trespassing" signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them.

Anyone caught on cemetery property will be prosecuted.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park.

These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

Carbon monoxide safety tips for your home

arbon monoxide (CO) is a colorless and nearly odorless gas that's created by the incomplete burning of solid, liquid, and gaseous fuels. Appliances that burn LP gas (liquefied petroleum), oil, coal, kerosene, coal or wood may produce carbon monoxide. Carbon monoxide is also poisonous to animals and people. Symptoms of its effects include:

- Headache
- Fatigue
- Shortness of breath
- Nausea
- Dizziness

To prevent CO poisoning, take these precautions:

- Buy and install a CO alarm. Make sure it is listed with Underwriters Laboratories or that there is information on the package that indicates that it meets the requirements of IAS 6-96 standards. Follow the directions for placement and installation.
 - Install appliances properly. Most of them should be installed by a professional.
- Practice good maintenance. Have your heating system (furnaces, flues, and chimneys) inspected and serviced by a professional every year.
- Burn charcoal outdoors only. Never burn it in a tent, home, garage, vehicle, etc. Don't use portable fuel-burning camping equipment indoors or inside tents, etc.
- Make sure you turn off fuel-burning engine equipment when you are inside a garage or basement. Just having the doors open does not ensure your safety.

Did you know that September is also...

Blood Cancer Awareness Month. Lymphoma is a type of blood cancer that occurs when lymphocytes—white blood cells that help protect the body from infection and disease—begin behaving abnormally. Lymphoma may develop in many parts of the body, including the lymph nodes, spleen, bone marrow, blood or other organs. This year's theme for Blood Cancer Awareness Month is "Light it Red for Lymphoma."

National Child Awareness Month. During National Child Awareness Month, a wide array of organizations set aside their individual agendas to focus on the bigger picture of children in America today and what can be done to address their growing challenges and needs tomorrow.

National Cholesterol Education Month. National Cholesterol Education Month is a good time to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and food and lifestyle choices that will help you reach your personal cholesterol goals.

National Piano Month. A good month to sign up for piano lessons. Although invented around the year 1700, the piano took several decades to become a favorite of composers and performers alike. In the 19th century the instrument grew larger and more powerful. At the same time, the instrument became the primary source of home entertainment, and learning to play the piano became an important part of childhood education.

Substitute Teacher Appreciation Week, Sept. 3-9. Five days dedicated to the hundreds of thousands of education professionals who fill in at the schools every day across the United States. This nationwide event is recognized by the U.S. House of Representatives, schools, and school districts around the country.

National Suicide Prevention Week, Sept. 10-16. High schools, colleges, and universities can create their own activities for National Suicide Prevention Week. These locations are ideal to promote public awareness of the goals of suicide prevention, educate the public about the prevalence of suicide, and involve young adults in prevention activities.

Child Passenger Safety Week, Sept. 17-23. Car crashes are a leading cause of death for children up to 13 years old. Many deaths and injuries can be prevented by proper use of car seats, boosters, and seat belts. Getting safety information and car seat instructions to parents and caregivers is crucial to saving young lives.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over \$136,000 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at Monthly Media • 220 Bahama St. • Venice, FL 34285. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
