## HOA President's UPDATES

*Pat Luck singer, HOA President, 518-573-0968*

There is not too much to say about our community during this pandemic. I know we all wish we were back to normal. What will be our new normal?

We have a new administrative assistant in the office. Her name is Sophia. We welcome her to Serendipity. Be patient as she continues to learn the ropes.

I have heard only positive things about the road project. I'm sure everyone is glad to put that behind us. I know that there is some concern about the speed bumps and I haven't seen them but I believe it will slow people down.

There are still minors driving golf carts. This is against the law and Serendipity rules. Please do not let minors drive your carts. You also need lights if you are driving after dark.

Dogs!!! Again numerous complaints about the dogs in the park. Please walk them in the power line area or on Prince Oak or Island Way where there are no houses. Also be sure to pick up after your pets. Please stay away from anyone's lot.

The mailboxes are still on hold. The post office will advise when they can install them. It's been a drawn out project for so many reasons.

Remember you **MUST** mail your rent check or use the portal. If you need help setting the automatic payments or one time payment please call the office and you can get an appointment for help. This is to keep everyone safe during this pandemic and it will continue going forward. Things change and many don't like it. ELS owns the park now and we have to follow their lead.

Everyone should have the prospectus and rules and regulations. Know that we had a meeting with management and questioned ELS about the changes. Management will send us a letter giving more information about how they interpret the changes and the answers to questions they didn't know. The meeting was May 14 and I'm sending another letter to them for answers. The board is comparing the whole package to all the FL statutes and laws. We have not accepted this. More info as we get any.

Management continues to take their time in reopening the amenities. This is to be safe and have staff available to keep everything clean and safe. I know we have no events planned until September. If they open the East clubhouse soon as I've been told I'm not sure what activities we can do and still social distance. Movies and snacks? Any ideas? Hoping chair exercise will resume.

You may have noticed an ice cream truck in the community. The truck will come Wednesday to Sunday. Time should be around 7:00 PM.

I've heard word that the hot weather has hit. I understand that there are men who are going about the park with no shirts. This is not acceptable. This has always been a Serendipity rule. You should only be without a shirt in the pool areas. Please dress appropriately at all times.

Be safe, - Pat

**P**LEASE EMAIL OR CALL ME TO REPORT ANY CHANGES TO THE BIRTHDAY OR ANNIVERSARY LISTS!!! If our residents do not let me know of changes in the park, I can not keep the editing of the newsletter current!

Remember to get your submissions in to me before the 10th of each month. Any errors or late submissions will be noted in the next month's Monthly Media.

A big thank you to Beth & Marty Ott who volunteered to deliver the Monthly Media for Kathy MacDougall while she recuperates. We all appreciate your help!

\*\*\*If anyone would be interested in helping with the "Meet Your Neighbor" column for the Monthly Media, please call me or email me.

\*\*\*Please don't forget we have a "Sunshine Gal" in the park. She sends cards to those who are ill or sympathy cards to families of our residents. Call or email Karen at (214) 537-9423, kkleinman2003@yahoo.com.

\*\*\*The article in the June issue of the Monthly Media had a great article on Stamps. The writer of this article was: Dennis Buehle. His name was inadvertently left out of the article. So sorry, Dennis. Please look monthly as he will be writing an article for our Monthly Media, entitled: **“The Curiosity Corner”**.

**From: Nanci Dorau, Editor:**

\*\*\*A big thank you to Marty and Beth Ott who are volunteering to deliver the Monthly Media for Kathy McDougall, while she is recuperating from injuries she received in an auto accident. You’re the best Marty and Beth!! And Happy Thoughts go out to Kathy and John.

**From: Pat Lucksinger, HOA President:**

\*\*\*A reminder to all residents who patronize the advertisers in the Monthly Media. Ask the advertiser for a Monthly Mania ticket when you have work completed. There was a drop box in the West Clubhouse but I’m thinking it disappeared when changes happened last year. At this time you can mail your completed ticket or a copy of a paid receipt from an advertiser to:  
Monthly Media  
220 Bahama Street

Good luck! Maybe you’ll win a cash prize. Remember the advertisers in our Serendipity Media Book make this publication possible with the advertising they pay for. Please patronize the advertisers that make this newsletter available to our community.

## Bela and Betty Suranyi Celebrate 50 years of Marriage!

---

**B**ela and Betty Suranyi will be celebrating their 50th wedding anniversary on July 25th, 2020. They have lived in Serendipity since August 12th, 2012. The Suranyi's are at Lot # 43A.

Bela was raised in Hungary and he and his mother immigrated to the United States in 1957, shortly after the revolution in Hungary. Bela was 17 years old. He felt the least he could do for his new country was to serve in the military. He was "special forces" and spent 18 months in Laos. After the military, Bela's career was in quality management at Gruman-Olsen. He is now retired and enjoying the Florida lifestyle!

Betty was raised in Atlas, Pennsylvania and worked as Deli Manager for Wise Markets. She too is retired and enjoys her life here in our park.

The two met in New Jersey and lived in New Columbia, Pennsylvania where they raised their children. This was a second marriage for both. Betty had two children from her previous marriage. A daughter, Patricia and a son, James. Bela had a son, Steven from his previous marriage. The couple had one daughter together, Beth Ann. Their children have blessed them with 5 grandchildren!

The Suranyi's love to dance and enjoy bowling. Betty's mother loved Bela and for 20 years she would always refer to him as "Betty's Man from New Jersey"! Betty can be seen on her walks around the park pushing a carriage with Dawn and Doug Freelove's kitty.

When asked if they had a secret to their long marriage, Bela said with conviction "It's wonderful and it's easy"! Betty said (and I have heard her say this before) "It's the best thing that ever happened to me!"

Well, there you have it! Love, respect, and devotion. It is no secret why these two have lasted 50 years together. Celebrate your anniversary and continue on for many years to come!

- Nanci Dorau

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

## Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycareemergencycare.org)**

## Shuffleboard/Fun League

Chuck Bellinger (727-729-5039), George Wagner (716-604-6370)

---

**S**HUFFLEBOARD IS OVER FOR THE SEASON! Hope all is well with everyone and we get through this Covid-19 disaster we are experiencing. This will probably be the last entry for shuffle until the fall. All came to a halt so we had to cancel our banquet and Hoss collar plans. I will get the plaque engraved with the winning fun league team names in the fall also. So to all, have a nice summer and good health to all!

As I write this article the Shuffle Board fun league is done for this season. But as Gayle mentioned at our last meeting you are encouraged to continue to shuffle, just get a group to meet on any day. You can put a notice on the Shuffle white board if you want to get a group together.

Listed below are the new officers for the 2021 season. Many thanks to those that volunteered.

### Officers and Captains for 2021-

Chuck Bellinger, President

Jan Barrett, Vice President

Terry Morlock, Secretary

Jim Lewandowski, Treasurer

### Captains-

Annette Davis

Roger Caseley

Dawn Roberts

Betty Sager

Keep in mind the Fun League will start back up the first week in January 2021.

Try it you will like it. Chuck Bellinger

Anyone wanting to chair an event on above list or if you have ideas on other events you want please contact me and/or come to the meetings. We also need lots of helpers with events. I will have sign up sheets in clubhouses.

## MOVIE NIGHT

---

As soon as the East Clubhouse is open for events we will schedule a monthly Movie Night, usually on Saturdays. All residents are welcome. I’m thinking there will be continued social distancing and other precautions to follow to help keep everyone safe and well. So please bear with us. This is new to all of us. Just a little more patience so we can get back to seeing each other and having a good time! The HOA will be providing the movie and lite refreshments.

Planned movies that we will show, so far, are:

1. **THE LAST FULL MEASURE**, starring Sebastian Stan, Christopher Plummer, and Samuel Jackson. Rated R. It is a true story of William H. Pitsenbarger, a US Air Force medic who saved over 60 men before making the ultimate sacrifice in Vietnam’s bloodiest battle. Thirty years later the Pentagon investigates a Congressional Medal of Honor request made by fellow mission partners and his parents.
2. **THE PEANUT BUTTER FALCON**, starring Zack Gottsagen, Shia La Blory, Dakota Johnson, and John Hawkes. Rated PG-13. “The Sweetest Darn Film of the Decade”.

*continued on page 34*

A story about Zak, a young man with Down Syndrome, who runs away from a residential nursing home to fulfill his dream of attending the pro wrestling school of his idol, The Salt Water Redneck. He meets up with a small town outlaw and together they set out on a wild life-changing journey.

3. **THE CALL OF THE WILD**, starring Harrison Ford and Buck the dog. Set in the 1890s and the Klondike Gold Rush, Buck is stolen from California and sent to the Yukon, where he befriends an old outdoorsman, Harrison Ford, and begins a life-altering adventure. Rated PG.

## TRIVIA NIGHT

---

Trivia Night will again start up when West Clubhouse opens and can be scheduled. We meet at 7:00 pm, on a Saturday. The cost is only \$1, with the winning team shares the “pot”. Bring your favorite beverage. The HOA will provide refreshments. We have a fun time, playing with teams, trying to come up with the answers to multiple trivia questions. Lots of laughs and maybe learning that you know more than you think!

Any questions on social events please call *Betty B*, 330 232-6345

### ALLIGATORS AND CROCODILES in FLORIDA!

When I was a young child, Florida did not necessarily bring thoughts of warm or hot weather to mind. The first thing that crossed my mind was “**Al-l-ligators**”. It was not until I was much older that I realized that the state also had crocodiles. Alligators only live in the southeastern US and China. Alligators can be found in many southern states from Texas to Florida, along the coastal states to North Carolina, and can also be found in Oklahoma and Arkansas. The alligator mating season has already begun and will last through May or June, so be careful. The larger the alligator the less tolerant they seem to be about encroachment upon their territory.

Crocodiles on the other hand can be found almost anywhere, the southern tip of Florida, Africa, Southeast Asia, Australia, Central and South America. Those large, dinosaur like creatures I saw on television, in an occasional Saturday afternoon Tarzan movie, were crocodiles. These

ugly monstrous creatures were always willing to eat whatever came close enough to devour. Florida seems close enough to maybe, one day, see such a creature. Later when my parents brought us down to Florida on vacation, we probably became a bit obnoxious after crossing the State border. Signs advertising snake farms, alligator farms or both, and whatever other unusual attraction we passed along the way, we wanted to see them all! Well ... we did not of course but we did have a good time.

Now, I am much older, damn it, and supposedly a little wiser. My curiosity about these animals was satisfied long ago. However, I am amazed to occasionally see a photo or read about some individual that had an unpleasant encounter with these reptiles. One would think that people would give them plenty of room. Yes, a person can outrun them but why take the chance?

An alligator snout is rounded or U-shaped, with their jaw closed their teeth cannot be seen. They can reach a length of 14 – 15 ft. and will usually not attack a human unless provoked. Their life span ranges from 30 – 50 years.

A crocodile, on the other hand, has a long, narrow, and pointed snout. Their teeth are still visible with a closed jaw, can reach 18 – 20ft. in length and weigh over 2,200 lbs. They are aggressive and will try to eat anything it desires, including man. Their life span ranges from 70 – 100 years. There have been a few African and Australian crocodiles that have supposedly reached approx. 25 ft. in length.

So, when you are out taking a stroll and happen to see an alligator, or maybe a crocodile, in a pool or sunning themselves on someone's back porch or patio. Just use your cell phone to call the inhabitants of the dwelling if you know them. Call the appropriate authorities, Game & Wildlife or the Sherriff. Then take your photos from a safe DISTANCE. You do not want to be the subject of a news story!
