HOA President's UPDATES

Pat Lucksinger, HOA President, 518-573-0968

*****All activities are moved to the West Clubhouse during renovations until further notice!!**

A meeting with Serendipity property manager and the HOA board was held on 10/2/2019. We meet on the first Wednesday of each month.

Questions we address are frequently repeats month after month:

- The gate at shuffle courts is not secure and blows in the breeze. Kevin will put bigger hinges or springs in hope of keeping it closed.
- Pool furniture has been ordered and we will get similar to what we have and half of the furniture will be comfort height.
- The new prospectus and rules and regulations are into DBPR for approval. It will be months before they will replace our current rules. They will give us a 90 day notice.
- There will be a written lease for new residents. We will not need to sign one at this time.
- With renovations all club house locks will be changed and we will have records who has which keys. Anyone who needs a key will need to sign for it. The doors will be open as usual during the daytime. The audio room will be locked also. We hope to learn how to use the audio equipment so we can have a few people who can get music to pool or for events or meetings.
- No renovations to the West Clubhouse this year.
- We asked for a motion light for the ramp at east clubhouse that isn't lit.
- Mailboxes are coming in November and further information will come so we can get approval for home delivery for those that need it. It is ELS who makes the decision to get the central mail boxes so we can not fight the decision.
- Directories are a November priority and we have some completed. Hoping to have new directories for January. We'd like to put a list together of handicapped-residents we need to watch out for emergencies.
- With renovations underway ELS will help us continue events by putting up some tents and will be responsible to get tables and chairs where they are needed. We are trying to do activities at the West Clubhouse so we don't have to cancel everything. Watch the bulletin

board in the West Clubhouse for information.

- ELS will give us the deposits we lost for our September events but no others moving forward. When this is delivered I'm hoping that East Clubhouse renovations are completed or close to done.
- Event information will be posted in West Clubhouse. Betty will be updating with a submission to the media.

I'm hoping when this is delivered our roads, landscaping and renovations are complete or close to it. I know it's been a long summer and roads and many things made it difficult. We can hope that things are turning around and we will have a nice park again. The HOA will meet November 19 and location will be announced. We are working on pass thru taxes and hope to have answers soon. This will make this media old news.

Thanks to Betty and those helping her. We need volunteers to keep events going and deliver notices when needed.

Happy Thanksgiving! Pat L.

From: Pat Lucksinger, HOA President:

***A reminder to all residents who patronize the advertisers in the Monthly Media. Ask the advertiser for a Monthly Mania ticket when you have work completed. There was a drop box in the West Clubhouse but I'm thinking it disappeared when changes happened last year. At this time you can mail your completed ticket or a copy of a paid receipt from an advertiser to:

Venice, FL 34285

Good luck! Maybe you'll win a cash prize. Remember the advertisers in our Serendipity Media Book make this publication possible with the advertising they pay for. Please patronize the advertisers that make this newsletter available to our community.

We hope everyone had an enjoyable summer. We are playing Bingo on Thursdays at 7:00 sharp at the West Clubhouse. We are still awaiting construction info so our Progressive Game will not start yet. But with enough players attending we can continue. Tell your friends and neighbors to come play Bingo and have some fun!

We want to thank everyone for participating in our Bingo activity. We have a great group of people and we always welcome more to attend. The more the merrier! This means bigger pots!

We love our neighbors! Greet each other with a smile or a wave! That’s what makes Serendipity special!

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crotts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crotts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.
