## Manager's Corner for March, 2017

Jeff Hahn, LCAM, Property Manager

---

**A**LERT... There was an incident in February regarding the attempt by a number of young men trying to steal golf carts from the Park. The information that I received indicated that they had already confiscated one cart from Riviera and a second from one of the homes at Serendipity. However, they were approached at the front of the Park, abandoned the carts and ran from the Park without incident. So just a couple of reminders... It is of extreme importance that everyone with a golf cart park it close to your home, on the driveway, any place that is least accessible for someone to identify and remove it from your area. Chaining your golf cart, especially in the evenings is a way to add to the security of your cart. Also some carts have a hidden switch that you can turn on which prevents anyone from turning the cart on unless you deactivate the switch. As we have stated so many times about keeping your doors locked to your home, please be sure that you do not leave the keys in your cart at any time. Make certain that you are making stealing your cart as difficult as you possibly can.

- The contract with **Trugreen** Lawn care to fertilize, kill the weeds and control the insects that can damage the soil, has been terminated. As such, it falls back to each unit owner to now be responsible for the treatment of your area for these purposes. The last and final application made by TruGreen was on January 17th.
- One way you can help in deterring the rodent issue in the park is by not putting your garbage bags out until the morning of the pickup rather than the night before. Also, and what I always recommend to people is that they use garbage cans rather than just the bags, as obviously these are much more difficult for animals to get into. Thanks for your cooperation in this matter.
- Please notify Oates Energy when you are leaving the Park for the summer or for any extended period of time as this company does not have their invoices forwarded and may assess a \$10.00 monthly late charge if a bill is not paid by the due date.
- The only major project going on at this time is the continuation of washing the sidewalks, which is being done in-house and is something that is an ongoing procedure.
- If you are paying the water assessment and including it on your monthly rent, please indicate the dollar amount that is going towards this assessment. We have recently seen checks that are \$15.00 or \$20.00 more than the monthly rent is with no indication as to where the extra amount is to be allocated.
- Enjoy all the events that are taking place here in March and all over the Tampa Bay area. Have fun and be safe!

Jeff Hahn, LCAM  
Property Manager

# The Entertainer's Talent Show

Sid Legg (727-724-4823)

---

## By Marilyn Farnworth

**Congratulations to The Entertainers' cast and crew for their awesome performance in our February 26th Talent Show! It was a team effort and we had fun preparing for and doing the show. It was also extremely rewarding to know that the audience supported and enjoyed our endeavors.**

- A special thank you to Sid Legg for coordinating our event, all of the cast, Marilyn Farnworth, Margaret Gebbett, Bob Coppo, Mary Durina, Doug Hall, Leslie Bellinger and the Serendipity Line Dancers—Annette Davis, Rose Holden, Helen Flowers, Ann Douth, our musicians and singers, Gordie Waszek, Chesley Smith and Betty Jones, our wardrobe assistants, Doreen Legg, Beth Ott, Brenda Davis & Marilyn Coppo, stage hands, John McDougall, Steve Gebbett, Paul Brideau, Bob Jones, and Marty Ott.
- I would also like to give kudos to our outstanding MC, Kathy McDougall, Ron McKay, our Karaoke expert, Marilyn Carter for the beautiful decorations, Adrian Farnworth our resident photographer, as well as Bob Coppo our videographer.
- Thanks also to the Social Committee for the delicious ice cream sundaes and kudos to the volunteers who helped serve the ice cream.

Our afternoon could not have been the success that it was without all of you! Thanks to everyone involved as well as all of the residents who attended and made generous donations in our 50/50 draw for the GFWC North Pinellas Woman's Club. They are extremely grateful for our support!!

## Trash to Treasures Sale, 2017

Nancy Hall (727-474-3269) & Arlene Preston (727-475-8256)

---

**I**t was a joy to behold. Every volunteer stepped up, as they always had, and new volunteers stepped in too. For awhile it looked as if we might be in a tight spot. A number of our "old faithfuls" had left us, whether in passing, or sickness or just moving away.

It did come together though, and with only a couple of tiny hiccups, was a hugely successful event. It was a lot of work, but certainly gratifying.

We would like to thank each and every person who pitched in, in any way. Some could do a little, and some did a lot. It all counts. This includes a thank you to those that worked behind the scenes and those who couldn't physically be there but patiently held on to their donations until they could be collected.

Our hats are off to you Serendipity. Thank you for making our task as this year's Coordinators a pleasure.

Nancy Hall and Arlene Preston

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.
