PLEASE EMAIL OR CALL ME TO REPORT ANY CHANGES TO THE BIRTHDAY OR ANNIVERSARY LISTS!!! If our residents do not let me know of changes in the park, I can not keep the editing of the newsletter current!

Remember to get your submissions in to me before the deadline! If you do not have a copy of the deadline dates please give me a call. Any errors or late submissions will be noted in the next month's Monthly Media.

Remember these articles...

1. **Meet your neighbor!** With your permission, I will highlight a member of our community. Whether a new move-in or a seasoned veteran, we would like to know your name and a little about you.
2. **Marilyn's Recipe Corner!** Drop off your favorite recipe with your name at my home (#163) or email it to my address above and I will enter one each month in the newsletter.
3. **Community Articles!** If you wish to submit an article that may be interesting to our residents, feel free to email or drop it to me at #163 for editing and submission for publication. Be sure to add your name and phone number.

There is a wooden box on my driveway patio that says "NEWSLETTER" to leave any articles, recipes, or notices. You can also email me at nanci.j.dorau@gmail.com. Remember, my deadline will be at least 4 days before the publisher's deadline for the next month's publication. Additions to the birthday and anniversary lists can also be sent to me either by drop off, or email.

**A Complete Listing of Resident Services
can be found on the page before your calendar**

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Mah Jongg

Melissa Caswell, 518-337-0120

This Chinese board game is challenging and fun. I wish to thank everyone who joined Mahjong this year. At times, we had 9 people who attended and we will be starting up again on November 1, 2017. These are learning classes as well as tables who already know how to play and don't need help. It's a fun game to learn and fun getting together every Wednesday from 1 P. M. to 3 P. M. in the card room in the East Clubhouse. Everyone is welcome. I can't wait to see everyone in the fall! Have a great summer! For any questions, contact Melissa Caswell 518-337-0120.

A solemn tradition: Memorial Day

Memorial Day began in the 19th century as “Decoration Day,” when citizens were encouraged to decorate the graves of soldiers who’d died in the Civil War. After World War I, Decoration Day expanded to include ceremonies honoring the dead in all of America’s wars.

Decoration Day officially became Memorial Day in 1967. In 1968 the Uniform Holidays Act established it as one of three holidays (including Veteran’s Day and George Washington’s birthday, now called Presidents Day) celebrated on a Monday to create a convenient three-day weekend. Memorial Day is now observed on the last Monday in May.

Wearing poppies is a popular Memorial Day tradition. The custom is generally credited to Moina Michael, a former teacher at the University of Georgia, who was working for the YMCA Overseas War Secretaries at the end of World War I.

She was inspired by reading the poem “In Flanders Fields,” by Canadian poet and doctor John McCrae. The poem’s opening lines read:

In Flanders Fields, the poppies blow
Between the crosses, row on row . . .

During the Overseas War Secretaries’ annual conference held in New York City in 1918, shortly before the signing of the armistice that ended the war, grateful delegates gave Michael \$10 in recognition of her help with the conference. She spent the money on 25 red silk poppies to hand out to participants (or she may have used the money on materials to make the poppies herself).

The poppy became a national symbol of remembrance, and two years later the American Legion adopted it at its own conference. Poppies have symbolized the day ever since.
