# Manager's Corner for November 2015

Jeff Hahn, LCAM, Property Manager

## MANAGER

- By now, everyone should have a copy of the new Serendipity Rules and Regulations. There are some notable changes that are being incorporated into this document, but I will not go into the details of these changes at this time, but will do so in the upcoming months as the effective date of February 1st 2016 approaches. However, if you do have any questions about these new Rules at any time, please call, visit the office or email me for clarification.
- To all the residents who are just coming back and may not be aware of the change, Serendipity has recently changed lawn care companies. As such, the cuts are now being done on Mondays rather than Tuesdays and currently every other week until December. Also and very important for you to know is that it is imperative of you to remove the ground lights, plastic decorations etc. that may be damaged by the mowers, edgers and weed cutters. If not removed, the cost of any damage that may occur will fall back to you, not the company.
- To everyone who is coming back for the season, please contact the office to let us know you are here. The same holds true for any guest you may have. They need to fill out a guest registration form that is provided by the Office.
- As you receive this Monthly Media it is possible that the finishing touches are being applied to the renovation of the West Clubhouse. Along with this project, there are still a number of other ones, including in-house projects that are or will be addressed soon. Completed is the resealing of the East Clubhouse roof and ongoing is the pressure washing of the sidewalk areas that have become very rust oriented by all the rain this past summer, the painting of the edging around the trees, bushes, etc. at the East Clubhouse, and the painting of the pump room at the East pool. Also completed is the painting of the interior of the rest rooms at that pool. One more major area that is being addressed is the repainting of the street lines and speed bumps in the community.
- I want to thank Barbara Clark for all her efforts in handling all aspects of the Monthly Media for Serendipity. She volunteered to do this on a short term basis, with no idea that she would still be doing it 4 years later. We all owe her a debt of gratitude for staying with this project and for all the informative articles she has written for this publication over the years. Thank you so much Barbara!
- In line with this, Serendipity is looking for someone to take over this responsibility. If interested, please let Barbara know or you can also contact the Office.
- Again welcome to more of the seasonal residents and Happy Thanksgiving to all!

## Editor Needed for Newsletter

Barbara Clark, Editor, 303-0171

---

It is with mixed feelings that I am resigning as editor of the Serendipity newsletter. I've done it for over four years and it's time for someone new to take over. I have enjoyed researching subjects of interest to write about and have learned a lot of things in the process. I have had positive compliments from many of you over the years and I am glad so many of you have enjoyed reading them. The December newsletter will be my last issue as editor.

I am entering a new chapter in my life and have made some dramatic changes in my schedule. I have always been a busy person and my time was limited but now it is really limited! I have resigned from working at Office Depot and have been looking for an office job for a few months (7 to be exact). I was really tired of the stress of the retail atmosphere and wanted to get back to an office environment (I was a secretary much of my life). I recently accepted a full-time job in a lovely office with some really nice folks. It is a small office environment and about eight minutes from home. I have been there for three weeks and I really like it.

So, we need a new editor!!! I have given the social committee a list of the responsibilities for the editor. Mainly, you have to type on a computer in Word and able to use e-mail. Each street has a person who picks up the newsletters for their street and makes the deliveries. I will be happy to help the new person get started and turn over my electronic files to them. Hopefully, when the social club has their next meeting, someone will step up and volunteer (if not before). **Note: The January issue of the newsletter must be submitted by December 8th to the publisher so the park needs an editor at least a couple of weeks prior to that date.**

ness - the hilarious declaration made by man that life is worth living. - Sean O'Casey

✓Sorrow prepares you for joy. It violently sweeps everything out of your house, so that new joy can find space to enter. It shakes the yellow leaves from the bough of your heart, so that fresh, green leaves can grow in their place. It pulls up the rotten roots, so that new roots hidden beneath have room to grow. - Rumi

✓Find a place inside where there's joy, and the joy will burn out the pain. - Joseph Campbell

✓We are shaped by our thoughts; we become what we think. When the mind is pure, joy follows like a shadow that never leaves. -

✓The joy of life comes from our encounters with new experiences, and hence there is no greater joy than to have an endlessly changing horizon, for each day to have a new and different sun. - Christopher McCandless

✓The art of being happy lies in the power of extracting happiness from common things. - Henry Ward Beecher

✓Tranquil pleasures last the longest; we are not fitted to bear the burden of great joys. - Christian Nestell Bovee

✓If we try hard to bring happiness to others, we cannot stop it from coming to us also. To get joy, we must give it, and to keep joy, we must scatter it. - John Templeton

# Honeymoon Island Update

Barbara Clark, 303-0171

**M**ore news about Honeymoon Island beach project.....I was out there a week or so ago and took some pictures of the “new” beach. They are still working on the beach by the “north” parking lot. But the beach by the Oasis parking lot is unbelievable! It is very wide and beautiful sand and NO rocks. There are not any rocks in the water either. This picture was taken by the new fence at the edge of the Oasis parking lot.

The picture below is taken from the water’s edge looking back to the parking lot.
