## Manager's Corner

When the HOA President, Pat Lucksinger, returns in November, we will resume the HOA meetings. Hopefully, then we can schedule a Holiday Event/Town Hall meeting somewhere between November and December. It will give all our residents a chance to meet the staff and ask questions pertinent to Serendipity.

As soon as I have schematic drawings of our clubhouses or any other renovations Equity Lifestyle plans in the near future, we will post on the bulletin boards in the East/West Clubhouses.

Please sign up for the community portal. You can receive your statement via portal and then make your payment. Here is the web address: [www.communityresport.com/els](http://www.communityresport.com/els). Once you start your sign up, they will send you a unique key number. When you receive your key number, complete the sign up immediately. If you don't have a computer you may want to consider an EFT (automatic funds transfer). We have forms in the office that you can fill out. All we need is a voided check and once the process is complete, we will shred the document.

There are times in the office when we may have to contact you. Unfortunately, there are residents, for whatever reason, have not updated any personal information, including personal phone numbers and family member information. Please stop by the office and pick up a Resident Information form.

I want to thank all of residents who made it a priority to clean up their home areas. However, there are still residents who use their screened in lanai as a storage unit. I am simply amazed at what people are storing. Please keep you lanai clear of clutter. With your help, we can keep Serendipity beautiful!

Happy Halloween!

Rose Marie and Jo Ann

You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## The widow and her sheep

---

**A**n old fable tells the story of a poor widow who owned only one sheep. When the time came for it to be shorn, she decided to save the money she’d have to pay the shearer and handle the job herself.

“How difficult can it be?” she thought and then set about shearing the wool from the sheep. Of course, she had no idea what was doing and caused great injury to the animal as she attempted to shear the fleece.

“Oh, why do you torture me so?” cried the sheep. “My blood will not increase the value of my fleece. If you want me dead, simply send me to the butcher.”

The widow was taken aback. Not only had she done a poor job of shearing and would not make much profit from the wool, but the wounds she created for the animal would require attention from the vet and an expense she could not afford to pay.
