## Message from Manager

I want to thank all of the residents that have freshened up their homes, for those of you that have not as yet please do this as soon as possible. I have given notices to all residents who needed to address items, I will be around inspecting again to give out second notices, this really should not be necessary since this is your home and you should be proud of it and the grounds around it.

I want to thank you for keeping the parking lot in the back by the dumpster for guests only, this has helped tremendously in relieving parking spaces. Please do not park at the clubhouse unless you are using the clubhouse facilities.

The magnetic lock system has been installed, clubhouse and pool area opens automatically at 8:00 and closes down at 10:00, seven days a week.

We are at last on the schedule to get the pool screens repaired that were ripped during the hurricane, it seems also that a resident has fallen through one, if you are uneasy on your feet please stay away from the screens, they are very expensive to repair, also on this subject the pool furniture, I have ordered more chairs and lounges, all the chairs that have been removed have been broken by a few of the residents, they are sitting on the arms or tipping over in the chairs. If you are going to drink on the pool deck, please leave before you are too inebriated so we have no more "accidents".

## Message from El-Presidente

**W**ell now its April. Spring is here unless you live up north ( poor people ). Soon the flowers will be blooming and the birds singing -not Larry & Carol ( well maybe Larry). We had our first Karoke after the wonderful birthday party. Bet they were the best meatballs you ever had huh. Our shuffleboard team didn’t do real well this year. But we look so good in our new shirts who cares how we did. It’s the appearance that counts right? Soon the grass will be greener—is that really grass. So everyone in our great little park lets enjoy spring and lets put all the problems behind us. And lets all enjoy each other and have fun. That’s why we are here.

## Notes from Carol

Snack sales totalled \$8.50. Cathy Mayle took over from Kathy Schultz. Diane Desroches and Linda Kohloff will be intermittent callers. Snacks and drinks are sold for \$.50 each. ## Jokes

---

"Doc," said the young man lying down on the couch, "You've got to help me! Every night I have the same horrible dream. I'm lying in bed when all of the sudden five women rush in and start tearing off my clothes." The psychiatrist nodded, "And what do you do?" "I push them away." "I see. What do you want me to do?" The patient implored, "PLEASE... Break my arms."

---

As a senior citizen was driving down the freeway, his car phone rang. Answering, he heard his wife's voice urgently warning him, "Herman, I just heard on the news that there's a car going the wrong way on Route 280. Please be careful!" "It's not just one car," said Herman, "It's hundreds of them!"

---

A church secretary takes a call. The caller says, "Is the head hog at the trough there?" The secretary says, "Please Sir, do not refer to our pastor as the head hog at the trough. That is very insulting." "Oh, I'm very sorry. I meant nothing by that. It's just a local phase We use in the part of the country I come from. The real reason I called was to donate \$50,000.00 to your building fund." The secretary says, "Hold on. I see the 'Big Oinker' coming through the door right now."

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## St. Patrick's Day Party

---

**F**ifty residents and guests celebrated together at the clubhouse on March 17. A committee, headed by Linda Keenan, delivered a delicious dinner of potatoes, carrots, onions, and corned beef. Ice cream covered with creme de minth was offered for dessert. Wally Schultz opened the party with reading the Irish Prayer.

Green lighted necklaces, green head gear, green face decals and green bunny ears all contributed to the merry atmosphere.

The day started with peelers showing up to peel and cut up the veggies at 10am: Thanks to Joy Lyman, Amy Wolford, ( guest of Linda Keenan ) Joyce Cutlip, Arlene Sardo, Pat Signor, Carol Byrd and Shirley Gray. The corned beef was cooked and sliced by cooks Larry and Carol Byrd, and Wally Schultz.

Tables decorated by Joyce, Amy, Larry, Carol, and Wally. Servers were John and Roberta O'Brien, Joy and Pat. Cleanup crew included all of the above. A special thanks to our "electrician" helper John O'Brien. AND a big thanks to all the helpers!

Fifty/Fifty prize awarded to Joe Campo, guest of Polly Pifer.

Three takeout dinners taken to homebound residents: Nancy Havens Lot 5, Elaine Schemm lot 108, and Gene Lot 82.

Delightful evening, delicious food, and dedicated residents make up the "village" for this affair. Thank You, Thank You, Thank You!

## Burn and extinguish candles safely

---

**W**hether you enjoy candles for a romantic dinner or holiday celebration, you should handle them carefully. The National Candle Association says to properly put out a candle's flame, hold your finger in front of the flame and blow at it. The air will flow around the finger and extinguish the candle from both sides, preventing hot wax from splattering.

### Other tips for candle keeping and use:

- Never leave a burning candle unattended.
- Keep lighted candles out of the reach of children and pets.
- Keep burning candles away from combustible materials like drapes.
- Store candles in a cool, dark, dry place.
- Before using, light and extinguish the candles so they burn better.
- Avoid drafts to prevent rapid, uneven burning or excessive dripping.
- Keep wicks trimmed to one-half inch.
- To remove wax from fabrics, scrape off excess and run boiling water through the material.
- Remove wax from holders by running hot water over them.
- Candles refrigerated before use will burn more slowly and evenly.
- Extinguish candles when they get within 2 inches of the bottom.

## Walk safely in traffic

---

**N**ow that spring is here and walking is more manageable in milder weather, here are some reminders about walking safely along busy streets:

- Stay on the sidewalk and crosswalks. If you can't avoid walking on roads with no crosswalks or sidewalks, walk facing traffic.

- Cross at intersections. Most people are hit by cars when they cross the road at places other than intersections. Make sure you stop at the curb. This signals to drivers that you intend to cross.

- Stay out of the driver's blind spot. Make eye contact with drivers when you cross busy streets.
