PRESIDENT'S MESSAGE

Submitted by Wally Schultz

It's March already. Shortly, we should be seeing some positive improvements in our park. According to both Marilyn and Regional Manager, Jo-ey Oxford, the CAPX budget has been approved and work will begin on the completion of the roads. Also, the old eyesore wall on 7th St. will be coming down and is being replaced with a brand new, shiny, white fence like Palm Hill and some of the other parks have. There are two different designs that may be available; the final decision hasn't been made yet. Since there is so much money available this year they will go as far around the park as the money will allow. The rest of the wall will be completed next year. Hopefully within a few years Shangri-La will have a whole new look on the outside. Most residents have taken pride in their homes, there's still some who need help. Home prices in the park have rebounded recently, partially due to the homes that ELS has rehabbed. For those of you who have noticed, homes are now selling for quite a bit more than they did, say, a year ago. This should encourage everyone to spiff up both the inside and the outside, to take advantage of the higher sale prices. Over the next few years the clubhouse will be renovated, both inside and outside; new kitchen appliances and everything, new shuffleboard benches, new signage in the park and other upgrades will really make the park more attractive and desirable.

VICE PRESIDENT'S MESSAGE

Submitted by Janette Martin

I would like to take this opportunity to thank those of you that elected me into this office. I appreciate your faith in me and I certainly hope that I can live up to your expectations. As I am still learning about my responsibilities, I also appreciate your patience with me.

I want all of the residents in the park to know that I have an “open door” policy for ideas, suggestions or complaints that you would like me to bring to the Board or Management. I promise to listen to what you have to say and try to be a well-informed mediator.

I look forward to talking to you and representing you.

MANAGER'S MESSAGE

*Marilyn Sisti, Community Manager
Shangri-La, 727-585-2850*

Just a few items to discuss, first, I want to again thank all of those who have cleaned up their homes, yards and carports. For those who have not, and have been given notices, please be aware that ELS has now given us permission to send those who are violating the rules to the attorney. There are items, that some of you have, on your carports that don't belong, indoor furniture, mattresses, etc. We are trying to make this the best and cleanest park it can be.

I want to bring to your attention problems within the monthly media, the vendors that are advertised in there are not vetted by the magazine. We have had problems in my other park with vendors who are just trying to rip off the residents. If you need someone reputable please ask the office or ask your neighbor.

I will mention this again; please do not purchase another home in the park unless you get permission from the office to do this. It is in your best interests as well as ours. We also do not take homes or titles back, it is your responsibility to sell your home not to just walk away from it.

Please do not park on the street overnight, this causes a hazardous situation if we have emergency vehicles blocked and they cannot get to the resident in distress.

The dumpster is not a dumping ground for mattresses or electronics or any other large items. If we find out who is throwing these items in the dumpster John will be returning them to your homes.

If you have any concerns or questions, please let me know.

SAFETY FIRST

Submitted by Wally Schultz

While some of you were sleeping on Wednesday evening, Feb. 4th the Sheriff's Department was in our park looking for a suspect, or suspects. As block captain I called most people on my block, and some who are not; hopefully, everyone that I called also called others. Spread the word to keep your doors locked, make sure your sheds are locked. Don't take any chances; you don't know who's out there. Security lights in your carport aren't a bad idea either.

HAPPY BIRTHDAY

Among those whom I like or admire, I can find no common denominator, but among those whom I love, I can: all of them make me laugh.

—W. H. Auden

ACTS OF KINDNESS

Submitted by Porsha Mills

A Big Thank You for an outstanding couple in the park, David & Jewel, for all the behind-the-scenes work that they volunteer to do, for the many different activities that go on at the clubhouse, some of them including - setting up the decorations and cleaning up for parties, being up early to open the club house and closing it up each and every day, even on cold & rainy nights while others of us are relaxing and cozy. They make things work like clockwork so that others of us can enjoy them. Weren't the Christmas trees in the clubhouse this year just beautiful? We can thank them for both trees having been decorated. It's a team effort for these two, often seen walking hand in hand, on their stroll to the clubhouse. to do a job together. Here's to David & Jewel; think of them sometime when you notice something having been set up at the clubhouse. That might be a little corny, or too long, but I thought their photo was cute of them and it would be great to recognize them for all the extras they do on a daily basis here.

KNOW YOUR NEW NEIGHBOR

Submitted by Janette Martin

Porsha Mills, Lot #19, comes to us from the faraway land of California. She's not really a "Cali Girl", she's actually from my neck of the woods; born in Pittsburgh, PA, then moving to Phila., PA.

I really want to start this segment by thanking Porsha for her kindness in coming to my house to do this interview. I found myself slightly laid up with a bad leg, so she came here instead of making me walk to her. We enjoyed a very nice afternoon, she even ended up staying for dinner, and we had a lot of laughs.

Now, I have a list of things that Polly used to ask in her "Know Your Neighbor" interviews, but I always hand my subjects the list and tell them to pick the things they wish to share. That being said, Porsha wanted one of the things she shared to be that she was definitely "age qualified" to live in the park. It seems there were a lot of discussions about whether she was old enough to live in the park.

We talked about family, and Porsha told me her parents are both deceased. She has 1 brother, older than her, that lives in Huntsville, AL. Being here in Florida makes it easier to visit him. She told me that she was married and divorced while living in PA, and she has no children. But she does have two rescue kitties, Austin (a boy) & Gigi (a girl).

Her education includes a BA and a Certified Surgical Assistant. She also has a CSI certification. Porsha has a predominately medical background, and worked for many years in the pharmaceutical industry while living in Philadelphia. She left Philadelphia and moved to VA to go back to school. After VA she travelled to NC and continued her education.

Porsha moved to Shangri-La in November, 2014, after deciding that California was a little too expensive.

We talked a lot about hobbies, her list is extensive. She is into home remodeling, and would really like to do real estate flipping. She likes Pinterest because she likes taking ordinary items and turning them into something else, so that also includes arts & crafts. Gardening is another favorite hobby, but she says you probably won't see evidence of that outside her house. Her interests also include hiking, swimming, cooking, healthy eating and homeopathic healing. She's also fascinated by the new trend of "tiny house" living; also known as minimalism. Rounding out her interests are science fiction and the metaphysical.

Lastly, we talked about Porsha's interactions with folks in the park. She has been to a few of the functions and has all nice things to say about them, but most of all, she loves David & Jewel Mayo. She says that they are the best neighbors she could have asked for, David is always helping out with things around the house, and Jewel is always making something good to eat.

So, please join me in saying "Welcome" to Porsha Mills.

SHUFFLEBOARD

Submitted by Don Justason

We were rained out at our game against Pointe West, Feb. 5th, and took a 16-16 tie. All the other teams cancelled as well. We are still in 5th place but, with extraordinary effort, we could pull into 4th place, for which we would get a trophy.

VALENTINE'S DANCE

The Valentine's Day dinner & dance was a great event. We enjoyed a ta-co dinner with all the fixings; from tacos, homemade salsa, refried beans, and Mexican rice, followed by brownies and ice cream for dessert. Carlos was the entertainment for the evening; everyone enjoyed him as always. Thanks for all the help; I could not have done it alone.

SING FOR YOUR WEENIE

I want to thank all of the singers that stepped up to entertain us, even though it seems like it's always the same people. The hot dogs and chips were a nice treat. But in the future, we would really like to see more people come out and show off their talent. Come and join the fun.

COMING EVENTS

MEN'S BRUNCH – March 28th

This event is being sponsored and hosted by the men of the park. There will be no women working this event; it's our turn to be pampered. So, any man out there that wishes to participate, please step up. In the past this has been one of the best events. So, men come out and cook, wom-en come out and eat.

JOKES

Submitted by Polly Pifer

Mrs. Crabapple said to her student, "Johnny, can you think of a solution to end unemployment?" "Yes, ma'am!" replied little Johnny. "I'd put all the men on one island and the women on another." "And what jobs would they be doing then?" asked Mrs. Crabapple. "Building boats!" exclaimed Johnny.

A mother asked her small son what he would like for his birthday. "I'd like a little brother," the boy said. "Oh my, that's such a big wish," said the mother. "Why do you want a little brother?" "Well," said the boy, "there's only so much I can blame on the dog."

Notes from Parents

- Megan could not come to school today because she has been bothered by very close veins.
- Chris will not come to school today because he has an acre in his side.
- Please excuse Ray Friday from school-- he has very loose vowels.
- Please excuse Jimmy for being. It was his father's fault.
- Sally won't be in school a week from Friday. We have to attend her funeral.
- Please excuse Mary for being absent yesterday. She was in bed with gramps.

One woman was talking to her friend. "You should listen to my neighbor," she says. "She is always badmouthing her poor husband behind his back. I think that's so rude! Look at me! My husband is fat, lazy and cheap, but have you ever heard me say a bad word about him?"

Vacation: A time when parents realize that teachers aren't paid enough.

We have to believe in free will. We have no choice.

We'll always be best friends because you know too much.

What does the invisible man drink at snack time? Evaporated milk.

When I was a kid, I could toast a marshmallow over my birthday cake. Now I could roast a turkey.

DWARF STARS NOT CONDUCTIVE TO EXTRATERRESTRIAL LIFE

The search for planets capable of supporting life may have hit a speed bump. The most common exoplanets discovered up to now tend to orbit close to low-mass stars, known as M dwarfs. These planets may be plentiful (or at least easier for astronomers to find), but computer simulations suggest that their proximity to these suns causes their water and atmosphere to burn away while they're forming.

Stars are created in the collapse of interstellar gas, producing energy as they shrink. M dwarfs, having less mass, take longer to develop and remain very hot as their planets solidify, creating conditions that can boil oceans and turn atmospheres to steam. In addition, M dwarfs emit lots of ultraviolet light and X-rays, which also heat upper atmospheres, forcing them to expand and ultimately bleed away from the world.

So tomorrow's star explorers may have to look for different destinations as they journey out into the universe.

EATING IT UP

Author and illustrator Maurice Sendak liked to tell the story of a card he got from a young fan of his famous book *Where the Wild Things Are*. The card had a charming little drawing on it, and it enchanted Sendak so much that he quickly made another drawing of his own and sent it to the child.

A few days later he received a letter from the child's mother: "My son liked your card so much, he ate it."

"That to me was one of the highest compliments I've ever received," Sendak said. "He didn't care that it was an original Maurice Sendak drawing or anything. He saw it, he loved it, he ate it."

St. Patrick's Day is an enchanted time—a day to begin transforming winter's dreams into summer's magic.
