## TMHA MESSAGE

*Submitted by Ben Cortez, TMHA President*

**G**reetings- As you read this we are being told by our elected officials that we have passed the peak of the Covid-19 virus and we are starting to get back to the "New Normal". Businesses are opening at reduced capacity and hopefully things will continue as planned and people will use plenty of patience, kindness and common sense. The pools in Teakwood have been open for a week as I write this and the first couple of days didn't go as well as could be expected but all seems to be falling into place now - or I'm just not hearing about any problems. I hope all the residents will abide by the new restrictions because it is nice to have the pool as an option for exercise and relaxation and if there are restrictions not being abided by, the Houle Mgt. may have to re-close the pool. I have not heard any date as to when the clubhouses will reopen and the TMHA Board has not been meeting during the quarantine, so as soon as we're able to meet we will have plenty of things to talk about. Thank you for paying attention to what is going on in the park, monitoring your speed, parking on only one side of the street, and watching out for each other. Stay healthy and keep your sense of humor

**NOTE:** The TMHA Board would like to give a special thanks to Carl D. Schrader for doing the TMHA 2019 Income Tax. He is located at Schrader Accounting and Tax, Inc. 801 West Bay Drive, Suite 701, Largo, FL 33770. As a Board, we highly recommend him if you are in need of his service.

## FROM THE MAIN OFFICE

Submitted by Lori Fliger

---

\*\*\* Reminder: Rent increase went into effect March 1, 2020.

**S**orry I missed writing an article for the May 2020 newsletter, but normal routine is a thing of the past.

Some updates, Teakwood offices are closed for walk-ins. If you need the sales office, call or e-mail (teakwood.largo@yahoo.com) for an appointment to sell or purchase a home. Some things will be handled by phone and e-mail such as renters or private sales. If you are paying your rent by check, you will need to go to the main office at 531 Commerce Drive and put it in the drop slot on the front of the building or send thru the mail to Teakwood's P O Box. Please remember to put your Teakwood address on your payment. All other items, please call or e-mail (tkdwlff@aol.com) the main office. We will take care of requests, complaints, problems or general questions as quickly as possible. If a maintenance person is dispatched, please do not engage them. We are requesting social distancing be observed.

The pools are open, but read the signs and obey the 10 person, resident only, 2 hour, social distancing protocol. Remember due to the limited number of people allowed, per the county, you will need to share the time.

At this time, the clubhouses and exercise room are still closed. Teakwood has no idea when they will reopen, but we will let you know when this happens.

Hope everyone is well and safe and learning new hobbies. I myself have had minimal success with Pinterest recipes.

Happy Belated Mother's Day (sorry I missed the May issue), let's get some June celebrations: 5th Nat'l Moonshine Day, 6th Yoyo Day (haven't tried that, well in some time), 10th Iced Tea Day (which is every day for me), 20th First Day of Summer, 21st Father's Day and 30th California Avocado Day. Stay safe and enjoy June.

## FROM THE PRESIDENT'S CORNER

*Submitted by Vicki Monroe*

The Social Club is still shut down. We will try to let everyone know when our first coffee will be, but even if John Houle opens the club houses, it doesn't mean we can all go back in. We would still be under the 10 to a group rule and 6 feet apart social distancing. Everyone hang in there. We all hope things will get better.

## NOTICE OF ACTIVITY CANCELLATIONS

*Submitted by the Social Club*

Due to continued concerns about the spread of the Corona Virus and to safeguard the health of Teakwood residents, the clubhouses remain closed. Once the restrictions are lifted and activities are once again permitted, we will post on Facebook and try to put notices on the clubhouses.

# SUNSHINE REPORT FOR APRIL 6, 2020 - MAY 6, 2020

Submitted by Ann Cortez

This month I have nothing to report which is really a wonderful thing. I do not ever remember this happening as long as I've been involved in the Sunshine Committee. I would like to thank Toni Topczij for her help during this quarantining by posting any of the Sunshine Committees announcements on her facebook page and then hopefully it will get passed by word of mouth as long as the clubhouses are locked. If you know of anyone that is in need of Sympathy or Sunshine, please contact me at 727.242.6093 or Lynne Golombek at 716.432.8324.  
Stay healthy!

## ♥ NOTICE AND NEWS FROM YOUNG @ HEART ♥

Submitted by Barb Wautlet

Thank you donors and faithful supporters. We were geared up for partnering with our kids again this year, and then.....schools closed, the kids were dispersed, and we were left with unused funds. (Please pray for our kids and all childcare workers). During this critical time, it became vitally important to find a way to help and support our kids. And, we did!

Young At Heart has issued a check in the amount of \$10,000 to:  
Future Resilient Empowered Engaged Foster Care Youth Non-Profit 501(c)3  
Mission - to empower and engage foster care children through support, advocacy programs and services for a brighter future

Tami Martin, our park resident, (and daughter of Joyce Parker), has been a Guardian Ad Litem in Pinellas County for five years and had seen the lack of normalcies that children have in foster care and that is what gave her the idea to start FREE. She already had the connections in the community and the rapport with case managers, social workers and foster parents so it was very easy for her to make her connections.

### **Thank You note from Tami:**

*Thank you for your kind donation to Future Resilient Empowered Engaged Foster Care Youth! It really will make a difference for the foster care children in our community.*

*Children in foster care have the right to normalcy and sometimes there is a financial hardship that prevents children from participating in activities such as athletic, music, art, dance and*

*...continued on page 10*

summer camps. Thanks to Young at Heart, foster care children and youths will be able to participate in many of these activities and more.

Often in the middle of the night a child is removed from their home and sent to a temporary foster home until permanent placement. Most of these children leave their home with only the clothes they are wearing. I receive phone calls to help with clothing, shoes and necessities for these children. I meet the foster parent at the store, we shop for the child and each child receives their own piece of luggage to keep their personal items in. I have a close relationship with case managers and foster parents, where they can send me a referral and request needs for a child.

I look forward to keeping you updated on how the money is being used for foster care children!  
Again, thank you so much  
I honestly think I am still dreaming.  
Thank you so much! Tami Martin

## HOLIDAY BAZAAR

Submitted by the Social Club

The Holiday Bazaar, scheduled for Saturday November 21st as a fundraiser for the Social Club, still has a need for a few people to coordinate some of the proposed tables. If you would like to head up one of the remaining tables, please contact Toni Topczij or Maureen Liebler. Here are the departments with a brief description that still need Team Leaders:

\*Small Appliances – these must be clean & in good working order. When was the last time you used that waffle iron way back in your cupboard or that coffee grinder?

\*Linens – Do you have a cupboard full of table cloths & napkins, sheets & pillow cases that are the wrong size for your bed? Quilts or duvets you just don't need? These would all be welcome, but they do need to be clean with no stains or damage.

\*Social Club General Table– household goods such as china, glass ware, books in good condition, candle holders, vases, knick-knacks .....

\*Share the Wealth – tickets will be sold for 50/50. Since we expect people will be coming from outside the park as well as Teakwood residents, they would put their name and phone number on the back and if their ticket(s) is drawn would be contacted.

Money raised will help off-set the cost of some of the winter activities such as dinners and dances.

## THINGS TO DO

Submitted by Dianna Martin

**Y**ou may already be aware of this but for those who have not heard, many previously closed areas and businesses are now allowed to be open. Business employees are required to wear masks and guidelines for proper sanitation and cleaning must be maintained as well as social distancing by customers.

- Area beaches: open for sunbathing, fishing, swimming etc. Practice social distancing
- Largo Golf Course: The snack bar & pro shop remains closed. Call for a tee time.
- Department & Specialty Stores: Some stores such as Beall's, Macy's, Michael's and Olde Tyme Pottery are open. Some may have abbreviated store hours or are delaying their reopening, so be sure to call in advance.
- Restaurants: Are now allowed to have in restaurant seating but are limited to 25% capacity. For some establishments this will not provide enough income to bring in wait staff, so before making plans for dinner out be sure to call first. Restaurants are still doing curb-side pick-up and deliveries.
- Barbershops & Hair Salons: Employees must wear masks & visits should be by appointment only to avoid too many people congregating in a waiting area.
- Nail Salons & Day Spas: Employees must wear masks & visits should be by appointment only to avoid too many people congregating in a waiting area.

## FLOWER POWER

Excerpts from United Healthcare & On-line Resources

**W**hile not all flowers are safe to eat, those that are offer some health benefits. You can use flowers from your own garden if they have not been sprayed with a pesticide or fungicide or from specialty shops that sell herbs or teas.

- **LAVENDER:** can be added to baked goods and pairs well with chocolate. Lavender tea can help with digestive issues, can help reduce stress and help you sleep. Mix up a batch of Herbes de Provence to season chicken, beef, lamb, fish & salad dressing. There are several varieties of lavender, but you should only use English Lavender in foods.
- **ORCHIDS:** are most commonly used in cocktails, stir fry dishes, salads and sweets like ice cream and cake. Vanilla, a powerful antioxidant, is actually a member of the orchid family.

- **NASTURTIUM:** flowers and leaves can be used in salads, tea or as edible decorations on baked goods. The leaves have a slight peppery taste. Nasturtiums are packed with nutrition, containing high levels of vitamin C, manganese, iron, flavonoids, and beta carotene. They have the ability to improve the immune system, tackle sore throats, coughs, and colds, as well as bacterial and fungal infections.
- **HIBISCUS:** flower can be eaten raw, but it has a rather tart flavor. The best use of the flower is to make either hot or iced tea. The flavor is similar to cranberries. By adding fresh mint, lemon grass or basil you can add a new dimension to the taste. The National Institute of Health notes that drinking hibiscus tea may help lower blood pressure and cholesterol.

### **HERBES de PROVENCE RECIPE:**

Mix dried herbs together and store in an air-tight container in a cool dry place:

- 2 TBS Lavender buds
- 2 TBS Basil
- 2 TBS Rosemary
- 2 TBS Savory
- 2 TBS Thyme leaves
- 2 TBS Oregano

### **HIBISCUS TEA RECIPE: SERVE HOT OR COLD**

- 2 Cups fresh hibiscus flowers (or ½ cup dried flowers)
- 8 Cups water
- ¼ Cup honey (optional or to taste)
- 3 TBS fresh lime juice

- Prepare flowers by removing the calyx (the green part at the base of the flower) and the pistil (pollen bearing tube in middle of flower).
- In a large pot bring the hibiscus flowers and water to a boil. Once the water is boiling, remove from heat and cover the pot. (At this point you can add in other flavors such as basil, lemon grass, mint leaves). Let steep 15-20 minutes.
- Stir in honey and lime juice till incorporated. Strain and serve hot or cool in the refrigerator and serve cold.

## THE SOUNDS OF TEAKWOOD

Submitted by Kathi Hawkins

**O**MG! Not again! It's only 6:45 in the mourning! And NO! that is not a misprint. MOURNING ... like in "mourning dove"! I'm listening to that sorrowful, soulful, pitiful pigeon. I don't need to get out of bed yet. I don't want to get out of bed yet. Go away!

This is only the beginning of another noisy day in Teakwood. You would think, with all residents being quarantined or gone back North, that it would be noticeably quiet here. Well, you'd be wrong! The cooing dove is just the beginning. Here's a synopsis of what I hear almost every day. After the dove, comes that confused woodpecker who is drilling my aluminum gutters. He starts his day around the same time as the early morning, deep voiced, bike riders who pass my bedroom window. Then, several little neighborhood dogs seem to happily bust loose after being held captive for about 10 hours! They're thrilled to be free... I can just tell. By now, it's almost 8am and Teakwood East is waking up. A few hours later, here come the golf carts. You can tell the different carts from the sound of their motors - gas from electric. Then there's the seemingly hundreds of deliveries made to Teakwood East each day! Fed Ex, UPS & US Mail, or Amazon Prime. Each truck has its own identifying sound. But you already know that - don't you! Because you play the same "ID the Delivery Truck" game as I do. Hear those sirens on Missouri Ave? Day & Night, 24/7, they don't stop. The First Responders are forever on the job! (God Bless & protect them all). And sometimes, in the early evenings, I can hear the sound of much needed rain. Blessed RAIN - along with the booming thunder & a striking lightning show! It's been a beautiful day in our neighborhood. Our Teakwood East neighborhood.

And as an afterthought, what sound I am not hearing? No ringing telephone... with those nuisance "robo calls". Since we have started this COVID-19 quarantine, there have been virtually no telemarketers calling us. Also, my mailbox has been devoid of wasted junk mail! I guess it's true, sometimes things do have a silver lining!

Maybe next month, I'll submit an article on the SMELLS of Teakwood! It might stink but guaranteed it will be shorter!

Stay Safe! Stay Healthy! Stay Home!

# PRESIDENT'S JUNE MESSAGE

*Presidents Message*  
*Nancy Orrick*

**A**s everyone knows it has not been a normal ending of our season for us here at Teakwood. The events we had planned which we could not have, hopefully, we will be able to have them and a complete season next year.

It has been a very boring time for us here in Teakwood with the pool being closed and the clubhouse. We now have the pool open and only part of the clubhouse is open to use – the restrooms.

Other things have started to open up here in Florida. For a while, our eating places were drive up and take out but there is inside dining with limited seating to keep people separated, which is fine because I am tired of cleaning and cooking lol, also salons and nail places are open with appointments only. As everyone knows I have to have my smoothie every morning and they never closed but now can eat in.

Steve and I have enjoyed having our daughter and two of the kids this week they are staying on the beach which needless to say is a lot of driving back and forth.

I hear you all in Canada are still isolated. I sure hope everyone will be able to come back next season.

Hopefully, when the clubhouse is opened we will be able to have some of our summer events. Since the clubhouse has been closed the media has been a problem I spoke to Dawn and Al and have been leaving messages for the editor and has not heard back so we can find out where and when they are going to be delivered. Until then you can go online to read it. everyone stay safe and healthy so you all can all come back next season.

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

## Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

## OUR TRIP HOME

Submitted by Gary Sprigg

**F**irst, the good news. We are sitting here in Innisfil under 2-week quarantine. Now the details (some of them) since the hell part is quite long.

**Apr 7** - fine, 12 hours, stayed in Virginia overnight.

**Apr 8** - (6:30a) left Hyatt - ETA Innisfil 6:30p - and headed into the mountains where it started to rain. One of the wiper blades decided it needed a rest. Stopped beside the road for a half-hour of wiper repairs with tools in the car (45 minutes). Had them replaced before we left Largo so not a happy camper.

- still raining. Another wiper blade self destructs, continued driving in the rain (no wipers) until I spotted an Advanced Auto store. Purchased new high-quality blades (guy installed them for me - in the rain) and off we go on 4 lane winding (mountains) road, when left front motorcycle tie-down strap broke. Harley now dragging along highway still attached to the trailer but now on its side so quickly stop on the shoulder.
- cut remaining straps so we can get Harley vertical and see the damage. Front lights all broken (main, running light, 2 LED spotlights), both mirrors, helmet lock, one saddlebag catch, cell/GPS holder, sissy bar torn back cushion, handlebars bent. The rollbar on the left side will need to be replaced. It protected the bike but was ground down a lot during the drag portion.
- 2 men stopped to help. They helped get Harley vertical. I got the ramp set up again and started the Harley then got it back on the trailer. The guys helped stabilize it and then left. Used 4 new straps to tie down and departed the scene (1 hour 30 delay). Still raining - stopped about another hour later.
- crossed the border after some hassle at Immigration (Canada) but the sticky point was a "Canadian" returning home with 3 vehicles all licensed in FL. Also driver's license. Had evidence of "residence" in Innisfil, Canadian Veteran Card, US passport and expired Canadian passport (1 hour).
- heading north on 400 and the Pontiac Aztek decided it had enough for one day (8:30p). Coasted to shoulder next to Canada's Wonderland and called CAA.
- spent several minutes on phone to CAA then call dropped in mid-conversation. Trying to reconnect with CAA and tow truck arrives. Sort out details and get the car hooked up. Trailer disconnected. He's not CAA and wants cash - no credit cards (9:45p)
- arrived by a tow truck (it's raining again). He disconnected and headed back to get the trailer (70k/43M 1 way). and I start unloading the Aztek - it's full to the brim.

**Apr 9** (our bodies still think it's Apr 8th) - arrived back with trailer/Harley 12:30am

- needed Mazda working to go get money from ATM. Battery flat so boost to get it going

but it's not happy and won't hold a charge (several boosts - it was still raining). Noticed left rear tire flat. Used Aztek to inflate the tire with a portable electric pump plugged into Aztek.

- started but required 2 more boosts to get out of Sandy Cove. Drove into Barrie where 2 banks are located. ended in the parking lot by coasting about 1/2 mile since Mazda kept stalling (2:05a), still raining.
- got cash from ATMs (2 banks), paid \$960 to tow driver (2 round trips to Toronto, and numerous boosts both here and in the bank parking lot).
- driver boosts Mazda again and I headed back. NO traffic at this time in the morning and COVID-19 rules. He followed until I turned off Hwy 11 and had 2 miles to go (only 1 stop sign which I ignored). Six hours since we met him on 400 at Canada's Wonderland.
- Mazda died again about 1/2 mile from Sandy Cove entrance. I kept it in neutral and coasted into the park, around the clubhouse and rolled to a stop in that parking lot - still raining.
- locked the Mazda (key only no power locks) and walked home in the rain. Arrived (3:05a).
- 

We are both seriously wondering why we left Largo!

## A HUGE THANK YOU

This is a huge Thank You to all Teakeood angels who have been so supportive of me before, during, and following the passing of my husband Donald – Known to many as ‘The Sarge’. Don retired following 22 yrs with the Military but kept it in his heart. We flew the American flag every day, but that flag had to come down at 5 O, clock each day (Retreat), just as if we were on post. The Memorial of his life held at the Clubhouse was wonderful for me and my family. I was amazed that so many folks knew or remembered Don. I cannot adequately thank the folks responsible, Ruth Goodes, Nancy Orrick, Diane Thornley, Linda Ritchie, and others I perhaps didn't know of. Such kindness is overwhelming to me and I feel blessed to live here. Special thanks go to Lorraine and Linda for their gentle nursing care of Don in the last days of his life. Our Son, Ted is grateful to everyone here and felt safe leaving me here after almost 3 months

He learned first hand what a special place this is.

Again Thank You  
Eleanor Cooke

## FROM THE EDITORS – JUNE 2020

---

It looks like I spoke too soon last month. My comments about snow in April seem to have been premature as we continued to have snow well into May. Let's hope I don't jinx June now! Although the pandemic is far from over many states and provinces started opening up in early May. The results of those openings have yet to be seen but we hope and pray for the best. Travel is one of the areas that has been slow to open, here in Canada at any rate. Al and I hope to travel to Alberta this month as this trip was planned to happen in April.

Hopefully, things will have settled even more by Fall so we can all travel back to Teakwood! We have seen some pictures from our Teakwood friends highlighting their Spring gardens. Unfortunately, lots of them were featuring snow. Please continue to share your pictures on social media as we all feel closer to one another that way. John Robinson is good at sharing jokes and we all can use a laugh now and then. Thanks, John.

2020, is the International Year of the Nurse. We have many nurses living in Teakwood both retired and still working. Make sure you thank them for everything they do/did in their chosen career. No matter what area of nursing they worked in they all contributed to your healthcare. Essential workers became spotlighted during this crisis. Whether it was the truck driver delivering much-needed groceries or other supplies, the grocery clerks who showed up to work putting themselves at risk, the police, fire, and paramedics who dealt with the public without regard for their own health or the hundreds of others who stood up when they were needed, we would not have survived this pandemic without them. The people who worked in hospitals and care homes but weren't nurses, teachers that adjusted their teaching plans to be taught virtually, lab technicians, respiratory therapists, x-ray techs, and other hospital workers who continued to do their jobs under stressful circumstances all deserve our thanks. Perhaps this pandemic was a way of making us stop and think about how fortunate we are to have the lifestyle we do. We are hoping that our full-time residents are safe and enjoying the weather and that their activities in the Park soon will return to normal. Our calendar for June will contain the events we are aware of or that should be happening. As usual please check the clubhouse for up to date information. We are only as up to date as those supplying us with information allow us to be. This is your newsletter. Please forward any articles/information to “teakwoodkelly@gmail.com” We hope this finds you all well and staying safe. We hope that we all get back to some semblance of normal soon and we will see everyone in the Fall.

Editor's Note – As of mid-May, the clubhouse remains closed, except for washroom access. The publishers were unable to put the media inside the building last month but are aware of hallway by restrooms being available now. They did leave the Media outside the building, perhaps the office knows something about where they went?
