TEAKWOOD RULES AND REGULATIONS:

Teakwood Mobile Home Association

Many of our northern U.S. residents are returning to the Village and we continue to see new faces of people who have recently purchased homes in Teakwood East. If you have not had time to read the park rules in the prospectus or if it has been a long time since you have reviewed them, the TMHA hopes these monthly excerpts will remind you of the rules and regulations we must all follow. It is the responsibility of all residents, whether year-round or seasonal, to abide by the Rules & Regulations found in the Prospectus. This month:

C. FEES AND CHARGES

1. Rents are payable in advance, due on the first regular business day of the month. All rents must be paid within the first five regular business days of the month. Any monthly rental payments not received by Management by the fifth (5th) business day shall be subject to a late charge in the amount of fifteen dollars (\$15.00) until the tenth (10th) business day of the month. For each day beginning on the eleventh (11th) day of the month, there will be an additional \$5.00 per day delinquency charge for every day the rent is unpaid. All Rents are to be paid at the Rent Collection Office and Sales Office. No rent will be accepted over three (3) months in advance. You are urged to use all the recreational facilities of the park at the invitation of the Park Owner, provided you abide by the rules concerning them. Specific Rules and Regulations as to the use of the various recreational and service facilities are located at each facility and are specifically incorporated herein.

FROM THE MAIN OFFICE:

Submitted by Lori Fliger

We have a few things to go over this month, here we go!!!!

1. If you have a name change, someone moves out of the house or there is a death, please make sure to contact the Main office and provide the proper documents ensuring that Teakwood has proper records. As part of your planning you should make sure that someone in your family knows to do this in the event you are unable to.
2. **DO NOT SPEED.** I cannot reiterate this enough. The speed limit inside Teakwood Village is 10MPH. Maintain this speed throughout the Park. If you are cited for speeding, you only get one chance. The second notice will state you are not to drive in Teakwood and are subject to eviction.
3. **Trash and Garbage:** Household trash is picked up curbside Mondays and Thursdays between 7AM and 7PM. Furniture is picked up with the household trash on Thursdays. Lawn/tree/bush trimming and weeding must be bagged or bundled and will be picked up with household trash. If you have a lot of trimming or are doing a renovation, contact the main office and request a dumpster. Make sure you are ready for it as we only have 2 and they are in high demand.
4. **Hazardous Waste:** This includes, but is not limited to: TVs, computers and paint. Teakwood does not provide pick up for hazardous waste. You must take it to the Household Electronics & Chemical Collection Center located at 2855-109th Ave N in St Petersburg. There is no cost to individuals. Check the website, pinellascounty.org, for hours and mobile drop-off locations.

Teakwood offices will be closed November 26 & 27 for Thanksgiving. There is no household trash pick-up on Thanksgiving Day, trash will be picked up on Monday the 23rd then the next pick-up is Monday the 30th. Stay safe, stay healthy and stay happy.

ROMANS 12:13;

Submitted by Kathi Hawkins

Recently, I brought some household items to Joyce & Hugh Austin's home. In the past, Teakwood East residents have donated clothes, linens, toiletries, kitchen and other household items and food to the Outreach Center @ the Austin's Crossroads Church. Also a couple of people had provided them with peanut butter and jelly sandwiches each week, which were greatly appreciated by the Outreach clients.

Thanks in no small part to Joyce & Hugh, the Crossroads Community Center has managed to stay open every week since the start of the virus, serving their clientele outdoors (as Pinellas County has restrictions regarding the opening of the building at this time). The clients get a bag of food depending on if they have facilities from which to cook... as some do not (they are homeless). Family bags have more food and a bar of soap and a bonus of laundry detergent is added, if available. People are also given razors, deodorant, toothpaste and brushes, combs & brushes and even can openers - which the church buys at The Dollar Tree. In the past, Teakwood East residents would generously donate small hygiene products, as well as regular sized shampoos, conditioners, body washes, moisturizers, etc. These days, there is a need for masks, hand sanitizers, hand soaps, towels & bedding, as well. In only one Wednesday day in October, the Outreach Center was able to give out 46 bags of food, had 11 new people, 5 special requests (homeless) and 6 families. Anyone who would like to visit the Center on a Wed. from 10:00 to 1:00 are more than welcome.

"Share with the Lord's people who are in need. Practice hospitality." (Romans 12:13).

Anyone motivated to helping provide for our neighbors in need, 2 boxes marked "Outreach" will be placed in the driveway of Joyce & Hugh Austin, 521 Poinsettia Drive, Teakwood East. Your donations are appreciated.

YOUNG AT HEART SURVIVES THE PANDEMIC:

Submitted by Barb Wautlet

I thought perhaps Young at Heart would end because of the many challenges of Covid... schools in mass confusion, kids here, there, everywhere, a breakdown of partnerships with teachers. Also, no gatherings at the Aloha Hall, no fundraisers, nothing for the bulletin board. But God said, "Nope.....keep on... keeping on, make a new plan, be ready!!" (did you know God's voice sounds very much like Harold Voigt?).

continued on page 10

And then there's this: We have new Young at Heart workers doing replacing, maintaining, fixing, and other job you may need done. A big shout-out to Don Monroe, Dave Miller and Larry Kanan, and to our veteran workers, Harold Voigt and Les Tomlinson. The 2020 income from their labor to date is \$2,892.

The CHRISTMAS MEMORIAL HEART TREE will be in its place on the wall at Aloha Hall in mid-November. If you donated a heart to the Tree last year, a form will be delivered to your house beginning Nov 9th for your convenience. If you need a form, call Harold at 586-4173. Your form and donation can be returned to Harold at 458 Trinidad or will be picked up if needed. In January, your Memorial Heart will be returned to you. Will hundreds of people see your Heart on the tree? Probably not. Will your donation be used to help meet the many needs of the kids in our area? Absolutely!!

As you may have already heard, there will be no Karaoke Fun Nite in February. Keep practicing for 2022!!

Because of your generous hearts, Santa will come in 2020. The "TOY BOX" will be in Aloha Hall from December 1st - 8th. Any gift in any amount for any age child will be gratefully accepted. (No need to wrap) The gifts will go to High Point Elementary School for distribution to their families. Can't shop? Call Barb Wautlet, 559-8581

We are grateful and thankful for your continued support of Young at Heart. Blessings to you all.

CLUB HOUSE INFORMATION:

If any residents use the clubhouses for any activities, please clean your individual table space and chair with a sanitized wipe.

CANASTA

Come join the fun on Monday nights at 6:00 pm at the Tiki Hall. The cost to play is \$0.75. Don't forget to bring your sani-wipe to clean your area after the games. Everyone is welcome.

VETERAN'S DAY:

Submitted by Dianna Martin

November 11th is Veteran's Day. This is a day everyone should take a moment to give thanks to our Veteran's, from all branches, past and present, who have served to protect us, our country and the freedom's we enjoy. It doesn't matter if they served at home or abroad, in war time or in peace...to me, they are all heroes. Here is a story of one veteran:

Staff Sergeant Daniel Acosta (USAF, Ret.) is one of the relatively few wounded veterans who did not serve in the Army or Marine Corps. A native Chicagoan, Dan joined the Air Force right out of high school in 2002 where a combination of natural skills and opportunity led him into a highly charged career path – explosive ordnance disposal. After 11 months of training, Daniel was assigned to the 775th Civil Engineer Squadron at Hill Air Force Base. From there he was dispatched to Iraq in 2006 as a member of the 447th Expeditionary Civil Engineer Squadron. Explosive ordnance disposal specialists were in high demand, then and later. Daniel underwent nearly three weeks additional training in Kuwait before deploying to Sather Air Force Base at Baghdad International Airport. He had been in Iraq performing missions for three months when he was injured.

On December 7, 2006 he was sent to disarm hidden improvised explosive devices (IEDs) and had disarmed two when the third one got him. "I stepped on a pressure plate," he recalled. "It wasn't detected (by the metal detection device) because it was wood." His left arm was blown off in the blast and he received third degree burns to his legs. He also sustained arterial injuries to his leg and heart.

"In the back of my head I always knew something could happen," Daniel said. But he and his fellow airmen on his team had undergone combat life-saving training at Ft. Carson, Colorado, and he attributed that training applied by his teammate Staff Sgt. Joe Upton to his survival. "They (the doctors) gave me a 25 percent chance of living," Daniel said. "They said if I made it through surgery, I would have a 50 percent chance."

Daniel said he has avoided the perils of post-traumatic stress disorder (PTSD) and traumatic brain injury (TBI). "The Veterans Administration rated me a minor case of PTSD. But I accepted the reality of my injury early on. I get around well. The injuries are there, sure, but I am capable of doing a lot. I play different sports. I am enjoying life."

Daniel actively supports other wounded veterans by working closely with the Coalition to Salute America's Heroes. "It is important to wounded veterans to feel that they are part of a larger community," Daniel said. "They want to know the community supports them. The Coalition fills that role and it is an important one."

To all our Teakwood Village East and West veterans, U.S. and Canadian... THANK YOU FOR YOUR SERVICE!

POOL AEROBICS

If you have thought about joining one of the water aerobics classes but aren't sure if you can physically do the exercises, please think again. Here are some of the advantages to exercising in water:

- Water supports the body, putting less stress on your joints and muscles and helps with your balance and flexibility.
- Working out in water helps build strength. Fighting against the push of the water activates your muscles
- Water pressure helps put less strain on the heart by moving blood around the body.
- The impact of gravity is less in the water, allowing a greater range of motion.
- Working out in water helps prevent overheating, helping you exercise for longer
- And... it's fun! It is not often you can say that about a workout

If you still have any concerns, please check with your physician to see if this would be of benefit to you.

There are two classes you can participate in:

Monday, Wednesday & Friday at 9:00 A.M. led by Darlene Coburn; Low Impact Aerobics – great for those with arthritis, have balance issues or who want to start off slowly
OR

Monday through Friday 10:00 A.M. led by Irene Girard; Regular Aerobics – if you are looking for something a little more energetic and want to burn off more calories this is a great way to do it.

DOMINOES

Here is a game that is FREE to play and open to all. Stop by the Aloha clubhouse on Wednesdays at 1:30 pm. It may bring back childhood memories of a fun family activity.

UNLUCKY SEVEN

This game takes absolutely no skill or special talents to win. It does bring out a lot of laughter, cheers & on occasion some light ribbing. Bring your nickels and sani-wipes to the Aloha clubhouse one Thursdays. Please arrive by 5:45 pm to find a seat so the games can begin at 6:00 pm.

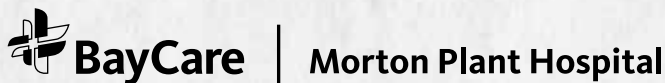

WHEN IT COMES TO HEART CARE, WE BRING EXPERIENCE TO THE TABLE.

At BayCare, we want to help keep your heart healthy so you never need our table. But if you do, the experts at the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital are ready. As the first multidisciplinary center of its kind in the area, our experts offer a range of treatment options, including minimally invasive approaches to treat a variety of structural heart conditions such as aortic valve stenosis and mitral valve regurgitation. We provide innovative heart care and access to clinical research trials, making the latest scientific discoveries available to our community long before they become available to the general public. You may be thinking about delaying your heart care due to COVID-19. Rest assured, as a heart and health care leader, we've put enhanced safety measures in place to help protect you throughout Morton Plant Hospital. And we always provide the high level of personal care that BayCare is known for.

CURBSIDE DINNING:

Submitted by Kathi Hawkins

Hi there Teakwood Village.. it's time for another CURBSIDE DINNING review. This month, I'd like to tell you about SONNY'S BBQ. Located 2250 Seminole Blvd, Largo, right before Ulmerton, it's easy to enter, but a bit tricky to exit, due to traffic on Seminole, so be careful. Check out their menu on sonnysbbq.com. You can have your meal delivered for a fee or make a curbside request. (727) 501-9000. My daughter Debbie & I have been there twice during this pandemic! The first visit, in early May, Deb ordered "Pork 3 Ways" for \$17.59. Her meal consisted of pulled pork, sliced pork and sweet & smoky St Louis style ribs. Served with delicious barbeque beans, coleslaw and garlic bread. For my dinner, I ordered a full rack of Baby Back Ribs (my favorite meal ever!), served with barbeque beans, coleslaw, garlic bread & a side of macaroni & cheese @ a price of \$19.79. The total for both of us came to approximately \$43 including tip.

Our second visit was in late August. I had St Louis style ribs this time, with mac & cheese, garlic bread & barbeque beans on the side. Debbie decided to try the brisket this time. My ribs were excellent (as usual) and Deb enjoyed her meal.. she wished she had ordered MORE!! And how about those corn muffins?! SO GOOD!! That dinner also came to \$43 including a tip. There are other local restaurants that offer Curbside service, and are less expensive. BUT...if you like ribs (and I certainly do), it's a nice treat once in a while. Just call them (727) 501-9000, tell them what you want and drive over to Sonny's. Make sure to park in a Curbside designated spot, call them when you get there, (take a cell phone with you) & they'll bring your food right out & put it in your trunk or back seat. You KNOW you'll eat those ribs with enthusiasm - you wouldn't have if you were sitting in the restaurant! GO AHEAD!! MAKE A MESS! ENJOY!!

DINING OUT:

Edible Eats by Toni Topczij

I have stumbled across a gem of a restaurant. It's called the Greek City Café located in the Largo Mall right next door to Beall's Outlet. I first visited there early in September with my grandson for lunch. We walked in and were pleasantly surprised by the atmosphere and cleanliness. The full menu was hanging on the wall and wow what a menu! I chose the Greek Salad (without the potato salad. I asked for extra dressing and extra peperchini which they gave me at no charge. Brandon ordered the Gyro Pita and said it was the best he ever had.

Recently I took 3 friends there and we ordered our food and ate outside. The waitress brought our food out to us and all were very pleased. The menu includes Gyro Pita, Chicken Pita, Falafel Pita, Shrimp Pita and Pita Dillas. Wraps include Chicken Feta, Salmon Aioli, Steak City, Veggie and Feta Dill Falafel. Don't forget the very Greek Spanakopita and Dolmades. There is also a kids menu and an assortment of sides, soups & salads to go along with your meal. The manager, Kelly, was a charm to work with and all the ladies working there were so kind and met all our needs. This is the place to try, so when you're at the Largo Mall stop by the Greek City Café.

Has pain taken you away from the things you enjoy doing?

If so, find out how stem cell & PRP can help you get them back.

A GOOD IDEA:

Submitted by *Kathi Hawkins*

Here is a gem of an idea from AARP. If you are storing old cables from your phones or computers, it can be hard not to have them turn into a tangled mess. Fortunately, the following idea should be perfect for the everyday computer user! All you have to do for easy cable management is grab a shoebox and some empty toilet paper rolls. Fold up your unused cables & place them inside the toilet paper rolls, which will then stack neatly alongside one another inside the shoebox. You can label the rolls. This life hack keeps your cords separated for easy fetching at a later time.

PRESIDENT'S NOV MESSAGE

Nancy Orrick

As everyone knows it has not been a good summer with the virus. The club house is open for those who want to use it. We have not had coffees yet or any events, people are still not wanting to gather in the club house. I am hoping things will get better so that we can return to normal.

I am crossing my fingers that everyone will be able to come back this season so we can start planning our events.

Besides the virus this summer we have lost three people in our park.

George Nash, Larry Lapansee and Ruth Goodes , who was Teakwood.

All of these friends will be greatly missed.

I hope all of our friends up north have had a good summer , hope to see you all soon.

FROM THE EDITORS – NOVEMBER 2020

It is Mid-October as I sit here trying to think what I should write about this month. We are all sick to death of Covid! We miss all of you and unfortunately, just like you, we have no clue when we will be able to see each other. With our current health crisis, even if we do travel, we won't be able to gather the way we normally would.

As predicted, the second wave has hit and the numbers are unreal. The total number of positive cases, although high, is not causing the mortality we saw in the spring. In saying that, it seems to still be hitting our senior population with much more devastating results. Social distancing is the single most appropriate thing we can adhere to at this time. (I keep hearing the Luke Combs song in my head - "Six feet Apart") Our borders remain closed, although we can fly to the US- which is somewhat of a contradiction it would seem. We are hearing of individuals canceling plans to join family for Christmas in order to stay safe. Our Canadian Thanksgiving, earlier this month certainly looked different with much smaller gatherings than in the past.

Nancy has said the clubhouse doors are open for resident use but no large gatherings have or are planned to be held. Al and I will miss planning and preparing Thanksgiving dinner for our Teakwood friends.

One piece of good news, the Canadian Snowbird Association announced at the end of September that they have won their legal challenge against the Ontario government. You may remember last year, we mentioned that the Ontario government had passed legislation saying they would no longer pay out of province medical expenses. The courts have found that to be un-constitutional

and we hope this means our insurance coverage will not increase too much.

The weather here in central Ontario has become quite Fall-like. Frost most mornings, lots of rain and although we haven't had any yet, snow has been reported north of us. BRRRR!

With being at home more, people have been finding new ways to stay entertained. Some have been working on home improvement projects while others have picked up new hobbies or returned to ones they haven't done in a while. What's been helping you pass the hours recently? Al and I have been working on some sign making projects. So far we have used only reclaimed wood. Al sands it, cuts it down to size and makes any frames that I "need". I make the stencils and paint the design or use vinyl and paint and finish the wood. I've also continued to make masks for family and friends and am currently on a roll of making Christmas ornaments and sewing Christmas stockings. You can guess what our family is getting as gifts this Christmas. Once again, we have had difficulty getting enough articles to fill the newsletter. Please feel free to forward any information / articles you think others would be interested in reading.

As much as I hate going back to talk about Covid again, I just have one other thought. Everyone has to make their own decisions on what they are comfortable with. It may not be the decision you or I would make but I think its important to respect one another's decisions, and just be kind. Till we meet again, Stay Safe , wear your mask and maintain your "Six Feet Apart"

Cheers

Dawn and Al

RECIPES OF THE MONTH

Sandra Harrison

A few dessert recipes for the upcoming Thanksgiving celebration.

Queen Elizabeth Cake

1 egg	1/2 c shortening
1 c. Sugar	1 c boiling water
1 tsp baking soda	1 1/2 c flour
1 tsp baking powder	1/4 tsp salt
1 tsp vanilla	1 c chopped dates

1. Preheat oven to 350 & prep a 9 x 13 pan with butter & flour.
2. Pour boiling water over chopped dates & baking soda. Let cool while mixing remaining ingredients; add last.
3. Blend shortening & sugar. Add egg. Mix flour, baking powder & salt. Add to shortening, sugar & egg mixture.
4. When well blended, add date mixture & vanilla. Pour into 9 x 13 pan. Bake 35 min. @ 350.

Cake Frosting

- 5 Tbsp brown sugar
- 3 Tbsp cream or milk
- 3 Tbsp butter

Boil above for 5 min. Remove from heat & add 1/4 c coconut. Add 1/2 c chopped walnuts or pecans. Do not make frosting until cake has been in the oven for 25 min. When baked, take cake out & spread icing evenly while hot. Return to the oven to brown icing slightly.

Lemon Squares

This was a very popular square choice when my foods classes catered an event.

1 c. Butter	
1/2 c icing sugar	Pinch salt
2 c. Flour	4 Tbsp flour
4 eggs	1 tsp. Baking powder
1 1/2 c. Sugar	8 Tbsp lemon juice

1. Preheat oven to 350. Line 9 x 13 pan with parchment paper.
2. Stir butter, icing sugar & flour together & press into pan. Bake at 350 for 10 min.
3. Beat eggs & add remaining ingredients. Pour over cookie base & bake 25 min. longer.
4. Sprinkle with icing sugar when cool.

Some Humor

Gardener Joke Ever Wonder? What do gardeners do after they retire?

A retired husband is often a wife's full-time job.
The trouble with retirement is that you never get a day off.

Benny decided to buy a present for his Uncle Sam's birthday, so with his older brother's help he bought a present, gift wrapped it, and brought it over to his uncle. His uncle, knowing that Benny's father manufactured apple juice, and seeing a wet spot on the bottom corner of the box, decided to have some fun with Benny by trying to guess what was in the box. "Hmm" said Uncle Sam, dipping his finger on the wet spot and taking a quick taste, "I'm going to guess it's a case of apple juice." "No" said Benny jumping up and down clearly enjoying the game. "Not apple juice?" Said Uncle Sam clearly surprised. After another quick taste and a brief pause he guessed again "is it apple cider?" "No," said Benny practically squealing in excitement "IT'S A PUPPY!"
