TMHA MESSAGE:

Submitted by Ben Cortez, TMHA President

Greetings. Happy April- Where does the time go? Once again this past month I received a call about a vendor in the Village. This time they were selling meat. The person that called me was concerned because these vendors were very aggressive and she was concerned that some of our seniors might be intimidated into purchasing the meats. In the past a different vendor sold tainted meat. I got there as soon as I could and escorted them out of the park. PLEASE, if you HAVE NOT called these people that come knocking on your door, DO NOT ANSWER THE DOOR. They will try to get you to sign a contract for whatever they are selling and you will be locked into it. BUYER BEWARE.

The Board had a lengthy conversation with John Houle about “pets in the park” John informed the Board that when someone purchases a home, they are given a prospectus and other information on the rules and regulations. The problem being most people either do not read this information or choose to ignore it. If the new owners have pets, they must show proof that the pets are registered with the county and show that the pets have been inoculated before the pets are allowed. The problem is when an owner “rents” out the unit then it falls on the owner to make sure that this policy is addressed. Also, John has to follow state regulations regarding service animals.

If you have a problem with “pets” and want to know if they are in fact registered and have all of their paperwork in order, then you should call Animal Control. They will come and make

*** **Reminder: Rent increase went into effect March 1, 2020.**

Ahhh, April is here, spring has sprung. Let's find an appropriate topic to mark the change of seasons.

Beauty, aesthetics, cleanliness. That is what we shall talk about this month. Specifically the exterior of your home and your lot. We will be covering most of a section in the Rules and Regulations. See page 5 section H: Mobile Home Lots to follow along.

For the outside of your home, make sure to clean it, either pressure wash or brush and bucket and make sure that you get the bricks/skirting as well. This will keep your house clear of dirt as well as mold/mildew. While you're cleaning the home, also clean the outside of the shed, driveway and sidewalk to keep down on the ickies that might grow there. Safety and health concerns will be lessened this way.

We also have a lot of wind and rain which carries seeds everywhere, so check your flower beds for weeds. We've discussed roof top gardens (a no-no) so make sure to get your gutters cleaned also. I know it sounds like we are just going in about making Teakwood pretty, but there really are health and safety reasons for all of this. Nobody wants to breathe in mildew or walk, and slip, in it. Weeds and debris on roofs and in gutters creates a lovely spot for water to accumulate, extra weight to cause damage to your home and critter homes. Remember Florida has lots of rain, heat and interesting wildlife so taking simple precautions, such as keeping your home clean and tidy, clearing weeds from flower beds and picking up fruit that falls from trees goes a long way to keeping the bad stuff at bay.

Mr. Rabbit will be hopping thru on the 12th so we want to keep is lucky feet clean and safe.

FROM THE PRESIDENT'S CORNER:

Submitted by Vicki Monroe

Good evening; this is the last thing I have to do before our cruise tomorrow. We had a busy February here in Teakwood East. Let's relive Valentine Days: Sequel was our great band, and the appetizers were great. MoMo Liebler and her group of volunteers made the night great for all of us. OMG, the Crystal Gage show was the best. A night of great music and laughter. Crystal and her husband put on a great show. I'm sorry I didn't make it to Roland's pancake breakfast but I heard it was great. Then another night at the track with Sandy Miller and her wonderful fun group of workers. They all make for an evening of fun and screaming. Again, a big thanks to Judy Glenn and her workers for putting on another great variety show. Judy really works hard every year getting all these acts together. We can't wait till next year to see what she will put together.

Now on a sad note from bingo. We all hated to say goodbye to the many friends we have made over the last 10 yrs, 13 yrs for one lady. But it was time. I want to say thanks to Sharon Miller for starting this bingo as we have known it. It took 14 people to do this every week. We had a great goodbye party, but it was a sad night for all of us... again it took a Village.

RECYCLE ALUMINUM FOR CHARITY:

Submitted by Luis Lorenzo & Friends

Instead of adding to the landfill, donate your aluminum cans and pull tabs to charities. Three of our Teakwood East residents are doing just that and are asking for your help. Pauline Wood at 532 Parakeet collects just the pull tabs. Luis Lorenzo 424 Molokai and Joan Herman 654 Poinsettia collect the cans. Please make sure that cans are thoroughly rinsed. Just put your pull tabs OR cans in plastic bags and drop off at one of the above addresses. This is a great way to help people in need and do something nice for the environment.

ACTIVITY END DATES:

Submitted by Dianna Martin

If you are the main organizer for any activities that will end in April or May, please contact Toni Topczij (727-586-0015 or 727-902-2353) to let her know your end date. If this is not done, then the activity stays on the monthly calendar and it is confusing for those residents who are still here.

The same goes for activities that will start up in the fall for the 2020-2021 season. You must fill out a form to reserve your day/time/hall. If you don't, it is quite possible that someone may request your preferred time for another activity or a special event. Toni Topczik will have the needed forms at Tuesday coffee, or you can contact her via phone to arrange to pick up a "Clubhouse Reservation" form. This includes shuffleboard (League & Horse Collar) and bocce to ensure that the courts are reserved for you and start-up dates and times are put back on the calendar.

My name & number is in your Yellow Book.

Ann Cortez

The next Greeting Card Class will be held on Thursday, April 2, 2020 at 10am in the Tiki Hall. The cost is \$5 for 5 cards. If you have never joined us before, would like more information or to let me know you plan to be there please email me at photosbyanne@aol.com.

BRING CANS TO COFFEE FOR R.C.S:

Submitted by Sue Hyldahl

Now that bingo has ended, we will make the first Koffee Klatch of each month from October through April "Bring Cans to Coffee for R.C.S" day. If you bring a can, many cans or money for the Food Bank you will receive a ticket for a special drawing. One item or \$1 = 1 ticket, 5 items or \$5 = 5 tickets etc. This is just like "Can Bingo" and there will be a drawing for one winner. The Social Club is donating \$50 per month and a Teakwood cup for the prize. The next Cans at Coffee Day will be April 7th. This will be the last one until October!

LINE DANCING:

Next season I will be stepping down, due to back issues, and turning it over to Phyllis Melanson. She will have lessons at the Aloha Clubhouse at 9:30 A.M. on Wednesdays just as we did this year. “THE DERBY” HORSE RACES 2020:

Sandy Miller

Due to health considerations, the last race of the season was cancelled. However, it looked like everyone had a good time at the January & February races and I hope you put us on your list of things to do in January, February & March 2021.

I want to thank all of my many volunteers that helped this year. You put in a lot of hard work to help me put this together. A big thanks to the crew on stage – you were great! Even “Fireball” had a good time. Thanks for all of your support... it takes a whole village working together to make things happen. Have a safe and healthy summer. Snowbirds good luck on your travels back home. Hope to see everyone back next year.

PRESIDENT'S APRIL MESSAGE

Presidents Message Another month has passed and now we are into March. So many events have passed us by but still, have a lot more to go. A big thanks to Ian for another great golf tournament and congrats to all who have won awards. But now we can look forward to Saint Patrick day dance which will be hosted by the Kelly's and Lapansee's and as we all know when you put these four people it will be a wild night. We also can look forward to the concert which they all work so hard, thank you to Terri and our choir. I cannot wait for the year-end gala. Jack and Claudette Stragler have worked so hard to make sure it will be perfect. I think we all should be excited to have something new. I look forward to more new events next

for the snowbirds till November. The Board will need someone to take over the Bunch. If there is somebody that would like to take it over, talk to the Board. Thank you for all your support.

3 MILE WALK

We are a small but dedicated group and with the snowbirds heading north before ICE starts rounding them up, our numbers will dwindle. Sadly the summer season will force us to go into hiding until the fall. Therefore, our last meeting will be on Friday morning, April 3. See you all again in November.

GOLF TOURNAMENT

On a cool sunny morning Mar 7, the final Golf Tournament of the year was played at Pinecrest Golf. The cool beer and warm pizza seemed to warm all after the round.

The winners of the Bart Goodes Low Gross Trophy were Phyllis Melanson, Kim Wheeler, Steve Gillis, and Roland Mainville. The Bill Houle Low Net winners were Helen Foster, Kathy McKissack, Harvey Ellis, and Al Look. Team with Low Putts were Tom Blanchard, Jack Basham, Irene Landry, and Norbert Natzke. Men's Closest to Pin was Frank Melanson. No winners for the Ladies this year. The Putting contest back at the Hall was Jack Straiger (55) (a perfect score is 60).

A couple of special awards were given as Bruce Johnston was acknowledged with our Hole-in-One award for his in Feb. shot. The prodigious Sand Pail Award went to Barry Furey. Thanks to Omer and Irene Landry for the scoring, Mike Pini not only for his beer handling but also the putting contest with John Hamilton.

Thanks to the cooks Lynn Oliver, Barry Furey, Steve Czyphya, to Phyllis and Gord Grieg for bartending, and to all the servers: Grant & Cindy Murray, Sherby Bolatto, Sharon Houston, Jan Beard and to on the course servers Steve Orrick, Larry & Joanne Lapensee, Dawn Kelly. Lastly thanks to my great Committee of Bruce Johnston, Lynn Oliver, Steve Czyphya, Barry Furey for their great work.

Hope to see you next January.

TEAKWOOD WEST SHUFFLEBOARD TOURNAMENT 2020

The weather was warm and very sunny. Twenty-four enthusiastic shufflers hit the courts for a two day knock'em down drag'em out tournament. Teams were chosen at random and surprisingly they turned out to be very evenly matched. The scoring was set up that to advance, a team had to win two games. If tied after two games a third was necessary. This happened only once during the course of play. The first-place winners were Kathy McKissack and Gordon Esligar. The Runner up honors were enjoyed by the team of Francis Cormier and Claudette Gauvreau. The winner's names will be placed on a trophy for the clubhouse wall and they were presented Award Certificates and a cash prize.

This outstanding tournament was followed with a tasty Lasagna dinner, cooked by many helpers. The organizers this year were John Robinson and Yvan Blais with the assistance of their wives Priscilla Robinson and Marilyn Blais.

Our thanks go out to the Bocce Club, Guy and Mary Shreck and the Cameron family for their continued support of this event.

Thank you to Angie and Francis Cormier, Kathy and Ted McKissack for their help in the kitchen, Carmen Martin and Sherby Bolatto for doing Share the Wealth, Sharon Houston for saying Grace and Marilyn Blais for cutting the cake.

A great time was enjoyed by all the players and the many spectators who really got their money's worth.

COFFEE HOUR

Submitted by Jean Hamilton

Well, that's another month of our winter season gone! Thanks to the March coffee hour host Sherby Bolatto and her team for volunteering to set-up, serve and clean-up.

The generous donors in support of our coffee hours for March are Tony & Liz Grayson in celebration of Liz's birthday, John & Jean Hamilton, John & Priscilla Robinson in recognizing John's birthday, and Fred & Carol Danner, celebrating their Silver (25th) Wedding Anniversary.

Don't forget that coffee hours continue on the 1st and 3rd Tuesdays throughout the year and donations are always gratefully accepted.

February Teakwood West Brunch

Submitted by John & Jean Hamilton

"Volunteers don't get paid...not because they're worthless, but because they're priceless." — Sherry Anderson

I hope all who attended the last brunch of the winter season enjoyed the meal and the social aspect of the event. Our team worked hard to provide you with a delicious and nutritious breakfast. Thanks to our Sales team co-ordinated by Katherine Granger- Fred Danner, Marcene Porelle, Sue Holler, MaryAnn McKeown, Gayle Kaschuk and Phyllis Greig for selling our tickets door to door. Our Share the Wealth tickets were handled by Carmen Martin and her daughter Lisa. Your efforts are truly appreciated. The Super Shoppers who searched for the best prices to keep our costs down were Bruce Johnston, Ian Denholm, and John Hamilton. Not sure if he used his little bike/scooter but our shut-in delivery guy was Mike Pini. Thanks for not forgetting those who couldn't join us. There wouldn't have been breakfast, if not for our chefs

and servers- Steve & Linda Cyzphya, Barry & Sue Furey, Lynn & Bonnie Oliver, Steve & Nancy Orrick, Bruce Johnston, Ian Denholm, Steve Gillis, Jim Reagan, Grant & Cindy Murray, and Gord & Phyllis Greig. Thanks to Everyone! And thanks to the team of Bill & Mary O'Brien who volunteered for the most thankless job, the clean-up of all the pots and pans, etc.

Finally, to our **Teakwood East** friends and neighbors, thank you for supporting our event. Hope to see you all next year!

FROM THE EDITORS – APRIL 2020

And then it was April! Who amongst us would ever have thought things could turn around so quickly? With the pandemic of Covid-19, this past month all of our lives have been turned upside down. As much as I have been taking the stance of “let’s all calm down”, I now find myself becoming more concerned for our vulnerable population. With so many of our friends in Teakwood being older or having underlying medical conditions, we must practice social distancing while still making sure our friends and neighbors are ok. I am fortunate to have access to medical sites that have the most up to date information and I have been following several blogs from infectious disease specialists. One of the reasons this virus is worse than say a regular Flu virus is that it is new to humans and as such we have no natural immunity. Many of us have had to cut our vacations short and return home. When we return we must self isolate. This includes not going to grocery stores, so make sure you have someone shop for you. Visiting with family and friends is also discouraged and no visits to restaurants etc. Many restaurants at home have completely closed or are offering take out only. While being isolated you must arrange delivery if you choose to order food.

They are also talking about closing borders. Please be aware that as a Canadian citizen you must be allowed to return to your home. In saying that you should try to follow the news daily to be sure you have the most up to date information. Do not believe everything you read on social media! Go to the source. Government of Canada website is updated twice a day at least with the most current status from our governments. Health Canada website is a good resource for any medical mandates.

For our American friends, the government websites are the most likely to have information pertinent to the corona virus pandemic. Federal, State, and local websites can keep you up to date. As serious as this is, most of us will likely not even know if we contract the virus as it will be like a bad cold or the “flu”. That is why we must stay vigilant. Wash your hands, maintain a safe distance – at least six feet- isolate when told, monitor for elevated temperature – greater than 38’ Celsius or 100’ Fahrenheit, monitor cough and contact your physician, telehealth or local health unit with questions. Do not visit local emergency departments if you suspect you have the virus unless you are having difficulty breathing.

As scary as this is we shall get through this and hopefully be able to return to our regular lives within the next month or two. Please remember to be kind to those people working in retail.
