### TMHA MESSAGE:

*Submitted by Ben Cortez, TMHA President*

**G**reetings. On the 20th of September we are once again having our annual POW/MIA Service in the Aloha Clubhouse. We will be asking veterans to participate as we have in the past. If interested please contact Kathi Hawkins or myself so you can be included in the service. Time and date will be posted.

Ann and I went to Tennessee in August to visit family. On our return we were in bumper to bumper traffic from Atlanta to Florida with drivers weaving in and out of traffic and it's not even time for the snowbirds to return yet. We can only imagine what the traffic will be like when they do. If you are out in traffic, please be very careful and leave a little early so as you won't put yourself or others in danger.

Even though it's quiet in the neighborhood this time of year we still should be vigilant about our surroundings and report any infractions to the authorities. Please respect your neighbors by keeping the noise down, cleaning up after your pets and remember that ALL pets need to be on a leash, it's the Florida law. We are still having problems with children running and jumping in the pool, please remember that this is a 55 and older community.

### FROM THE MAIN OFFICE:

*Submitted by Lori Fliger*

**W**elcome to September. Summer is winding away, was going to say down but we live in Florida, so away works better. Checking for a topic or two and came up with the first from a note I received.

Sprinklers. As you are all aware, sprinklers/sprinkler systems are the responsibility of the resident. Having said that, it is a good idea to periodically check out your system. Make sure the sprinkler heads are clean, debris gets stuck and they will act up, clear the grass around the head to make sure it can pop-up correctly. Once that is done check the system to ensure the heads are spraying in your lawn, not your neighbors' lawns, not down the street, not onto fences, not onto homes, only your lawn. You will need to check pressure from the heads as well as spray angle. No one wants to wade thru the spray from your sprinkler. And of course, check and make sure your timer is properly set. I think that covers sprinklers.

It has been brought to my attention that people are putting used paint cans in the trash. Paint is considered a hazardous chemical and must be disposed of at the hazardous disposal site. Not only is the paint being disposed of illegally, it can be spilled in the pickup process leaving a mess on our streets. NO paint cans in the trash! You can find disposal information at [www.pinellascounty.org/solidwaste](http://www.pinellascounty.org/solidwaste) or by calling 727-464-7500 and speaking to Pinellas County Solid Waste Operations.

## FROM THE PRESIDENT'S CORNER:

*Submitted by Vicki Monroe*

Another month has come and gone. Time sure flies by. A big shout out to Judy Glenn and her helpers for another great pot-luck dinner. Don and I couldn't come, but we heard good things about the great food. Tickets went on sale August 13th for the Tom Davis show. This is going to be one of our greatest show we have ever had. Tickets are first come first serve so if you have not yet gotten yours stop by Tuesday coffee and see Kathi Hawkins. More about this coming very soon. These ticket sales are going to need our Village...

## THANK YOU:

I want to thank all of you who attended our Pot-Luck Dinners in July and August. The food at both was delicious! A special thanks to Roland Lausier for roasting a turkey for the August get together. Thanks to those who volunteered to help set-up and clean-up for these events. Thank you Betty Flannery... you always have my back in everything I do; thanks to Faye Killinger, Larry Kanan and Vernon Glenn for pitching in and helping wherever needed. The dinners were a big success because of all of you! Judy Glenn

As many of you know, I'm just getting over a case of shingles. I want to thank all of you for the many cards and phone calls wishing me well. Special thanks to Peggy O. for 3 big bowls of 3 different kinds of home-made soup. Soup does wonders! Vicki Monroe

*Kathi Hawkins* sends her sincere Thanks & Appreciation to her friends for all their birthday cards, gifts & good wishes! Love & special a thanks to her daughter, Debbie.

Thanks, Dianna Martin, for initiating a Friday Movie Night @ Teakwood East. This FREE event is a great way to gather with friends (or make new friends!). Check out this newsletter for dates & titles of movies.

Each Tuesday morning at 9am, we meet for coffee @ Aloha Hall. The helpers open up Aloha very early (6- 6:30am). There have been so many East residents who have counted the donuts from Sunshine Bakery, set up, sold Share the Wealth, made & served coffee, passed out donuts, MC'd and spoke to our residents and finally cleaned up the mess we try so hard not to leave! Judy Owen has worked extremely hard to manage this & make it run smoothly. She's has host volunteers each week for the entire year, to make sure you get your donuts, croissants, muffins, long johns, and apple fritters. THANKS, JUDY! Good Job!

## INTO THE FUTURE:

*Kathi Hawkins*

---

**A**s most of you know, I will be stepping down as the Activities Chairperson on New Year's Eve. It's been a blast & a pain in the butt! I've loved & enjoyed this experience. I've made many friends and ticked off a lot of people, too! Soon, we'll be welcoming 2020. The Social Club has hired new bands, have planned exciting in-house events, chosen different caterers, will offer innovative entertainment & continue with some of our old standby programs! Some activities have been cancelled and new ones have already filled the void! None of this could have taken place without YOUR HELP! I ask that when you're approached to help, that you'll say YES! If you've never volunteered... don't worry. None of us were old pros the first time. There are so many new residents in Teakwood East now. WELCOME!! What better way to have fun & make new friends than to join forces & help make your new home the BEST place in which to live? I guarantee you'll meet people from your home state, people who love YOUR favorite football, baseball, basketball, hockey, soccer, curling & cricket teams!!

Can you? Will you? -

Ask some friends to help you decorate the hall for each season?

Get your group to set the tables for the dinners once a year?

Help serve at a dinner once a season?

Serve Tuesday morning coffee once or twice a year?

Help clean up after a dinner just once?

Move tables for dances a few times during the winter season?

Maybe collect tickets @ the door once a year?

Please think about how little time volunteering will actually take if everyone helps out just once or twice a year! (Of course, if you want to volunteer more often, we will NOT refuse you!

## DONATIONS FOR THE LADIES:

*Social Club*

---

It's time to start thinking about our Homeless Women Veterans. Beginning on October 1, 2019, until April 30, 2020, we will be accepting female comfort items for Homeless Women Veterans @ Bay Pines. These items include (but are not limited to) trail size hair products, shampoos, conditioners, lotions, soaps, make-up, perfumes, personal hygiene items, combs, small brushes, toothpaste, toothbrushes, dental floss, denture paste, mouthwash, hand sanitizer and other personal care items. A collection box will be placed in the Library area in Aloha Hall. And as a special holiday-time donation, we'd like to collect NEW pajamas & night shirts as Christmas gifts for these women. *We'll accept pajamas & nite shirts for 1 month only* - from November 19th until December 17th. Then "Mrs. Santa" will deliver them to the Domiciliary @ Bay Pines/VA Medical Center at Bay Pines. The "poppy" money donated during our November 11th Veteran's Day Program, will also be used to purchase some of these pajamas. If you need more information, please contact Kathi Hawkins.

## MATS FOR HOMELESS:

*Kathi Hawkins*

---

We've begun collecting grocery bags in a donation box in the Library @ Aloha Hall. So, no need to store them under the kitchen sink or in the pantry anymore! These plastic bags are woven into mats for the homeless, including men & women Veterans. The mats keep ground moisture off a person and are easy to make. The donation box will be emptied every other week. Thanks to Teakwood East residents Harry & Nancy Rogers for leading their friend, Laura, to us! We're always ready to help our Vets and those who need us.

## **DINING OUT:**

*Dianna Martin*

**S**mokey Bones Bar & Fire Grill; 2693 Gulf to Bay Blvd, Clearwater, FL 33759; 727-712-1930; Sun – Sat. 11:00 am – 2:00 am; reservations recommended during peak hours.

Five adventurous diners set forth to find a restaurant serving slow smoked Memphis style barbecue and southern side dishes. Smokey Bones comes pretty close. We started with ‘Fried Pickles’ with Ranch dipping sauce; ‘Onion Rings’ with 3 dipping sauces – Bacon Ranch, Chipotle Mayo & Chipotle Mayo; ‘Fried Green Tomatoes’ with marinara sauce for dipping. The pickles were excellent – crispy on the outside and the tangy dill flavor of the pickle inside, the sauce went very well with these (my personal favorite). The onion rings were crispy outside & tender inside. The sauces were good and not too spicy. Fried green tomatoes are a southern staple. These were crispy with tender, but not mushy, tomato inside. The marinara sauce was ok – rather non-descript but not offensive.

Moving on to the main event. Most entrees come with 2 regular sides or you can upgrade to “Premium” or “Ultra Premium”. ‘Sirloin Steak’ (6 oz or 10 oz) with steamed broccoli & Caesar salad. The steak was cooked to perfection with great flavor. The broccoli was fresh & crisp – not overcooked. Our 2nd diner chose ‘Double Trouble’ which is a combo of 1/3 rack of Baby Back Ribs & 1/3 rack of St. Louis Style Ribs. Both were good, but the baby backs

*...continued on page 22*

were declared the best as they were more tender & the St. Louis ribs were a little more salty. This had a side of mashed potatoes which were very good. Up next were the ‘Chicken Wings’ tossed in a ‘Sweet Brown Sugar’ sauce and a side salad. The wings were large and juicy but next time this diner will try one of the BBQ sauces as the brown sugar was overly sweet. Don’t despair – there are 12 sauces to choose from! If you are looking for a true comfort food try the ‘Brunswick Stew’. This is a large bowl of slow smoked stew with pork, chicken, corn & tomatoes- YUM! Last but not least is ‘Create Your Own Combo’. For this meal the combo was ‘Baby Back Ribs’, ‘Beef Brisket’ & ‘Bourbon BBQ Chicken Breast’ with coleslaw and fire-roasted corn. Everything on the plate was very good but my favorite was the brisket – fork tender, melt in your mouth smoky flavor. There are 10 meat items to choose from so you could order this every time and not get bored.

Our waitress, Ashley R., was very good about not putting in our main course orders too soon so we could enjoy our appetizers and chat. She stopped by now & then to check on us and to refill drink orders. The Manager, Ray, stopped by to see how we were doing. Overall it was a pleasant evening with friends. The prices are reasonable. I did not write them down as I usually rely on the on-line menu for that. However, they are not listed on the restaurant web site. The menu is extensive so you might want to visit their web site before going to get a general idea of what you might want: [www.smkeybones.com](http://www.smkeybones.com)

Smokey Bones is a chain that serves good food, but I am still searching for that special, sit-down, independent BBQ joint that serves Memphis style slow smoked meats and good booze. On a scale of 1-4 I rate Smokey Bones a 3.

# PRESIDENT'S SEPTEMBER MESSAGE

*Nancy Orrick Nancy Orrick*

---

I guess you all know by now that the roads here in Teakwood are all getting resurfaced. It has been a mess, with dust flying but it will be so nice when it is done. The rain has not helped things along, so have missed a few days of work on them.

The entrance off of Rosery has gotten a new look, there is no longer a sign over head with Teakwood on it. it is my understanding there will be a smaller one. I have been taking pictures and posting on facebook with the progress but with the rain it is at a stand still.

Another project that will be starting is the Rosery street work. It will be starting September 1 and is suppose to take 13 months just in time for when everyone comes back.

The people from engineering dept. in Largo will be attending our coffee Tuesday August 20 to let us year round people keep updated and answer questions.

Also on Tuesday a lady from the fire dept. is coming to let us know about hurricane season do's and don'ts. It will be a busy coffee. We have had a busy summer and the winter will be busier. with a few new events.

Hope you all have had a great summer and hope to see you all back.

## COFFEE HOUR

---

I have to give Lynn Hoover another big thank you as he took over for me while we were in Illinois watching our grandson and son in golf tournaments and attending Steve's class reunion. What a great time that was.

I would also like to thank Dee who took care of opening bingo on Saturday, thank you both very much. August coffee chair person was Shirley Nash.  
Nancy Orrick

## BINGO

---

**Y**es little Dotti is at it again. Every Saturday she hosts her bingo, and as you would expect it is always a blast. She has a joke every week and of course a song for all of us to sing.

This will be a little different kind of Bingo than what you are used to. We play on board cards and use chips, no daubers, and the cost will be \$5 to play and the payouts will be the full amount of what is collected. There will also be Share the Wealth tickets available.

In past years this has been a fun evening; very enjoyable and something to do with good friends. Bingo will start promptly at 6:30 pm at the West Clubhouse so you must be there no later than 6:00 to get your cards. Dotty provides the snacks herself so a small donation to defray her cost would be very much appreciated.

Parking around the clubhouse is limited so please car pool if possible.

## NEW YEAR'S EVE 2020

---

**A** fun-filled evening is planned with Wally Ray, Eleven Roses Entertainment. You may have seen Wally playing with the Troubadours or at The East's talent night. A very talented entertainer! Tickets will go on sale in late November or early December. More details to follow.

Submitted by Sandra Harrison & Jack Toof, Liz & Tony Grayson.

## MEET YOUR NEIGHBOR

**M**eeet Your Neighbor - Jean Welsh-Hamilton  
Her big smile and lovely accent make Jean Hamilton eminently approachable. Jean and John are always busy helping out in Teakwood West.

Born in Scotland on January 3, 1948, in a small village in the Ayreshire area of Scotland, Jean moved with her parents to Canada in 1960. Jean remembers going to Canada House in Glasgow where they had pictures from the Eaton's catalogue as representation of lifestyle in Canada. The reality of the cold and snow was a bit different when they arrived in the Scarborough area of Toronto.

Jean's father was a bricklayer in Scotland, and became a messenger with the Bank of Montreal in downtown Toronto. He rose through the ranks and became the mail room supervisor there. Her mother worked at Alcan Foil. When her parents retired they looked around for a place to spend the winters. They tried Portugal then Florida. Because they had friends in Teakwood they bought a home on the East side first, and then moved to the west side, the home that Jean and John currently own.

Jean and John met on a blind date when Jean was 16, they went to the stock car races. It must have gone well as John introduced her to his parents two days later. After finishing high school, Jean went to Centennial College to study Business Administration. She left after a year as it "wasn't my cup of tea". She then took the RNA program at Scarborough General Hospital and worked as an RNA for the next couple of years. Both her and John were working shift work, he at IBM in Don Mills and her in Scarborough. Between the shifts and the commuting it became too much, so Jean quit. She then went to work for CIBC for a couple of years.

When they moved to Gilford Ontario, Jean went to work for the Royal Bank in the Upper Canada Mall when it first opened. She stayed with them for over 30 years working in various locations and doing different jobs. She commuted from Gilford to downtown Toronto for 20 years of her career working in Training and Initiatives at Royal Bank. Although John originally retired in 2001, he went back to work until Jean retired in 2008. All of this commuting while raising their two children!

Jean states that retirement felt like being on vacation. She did lots of reading, curled for years and was kept busy with her grandkids. She was also very active in the Lion's Club. She became a District Governor there and received awards for editing their local Lion's newsletter. Jean found Lion's very fulfilling. Enjoying the fellowship and being able to help others both locally and worldwide.

Jean loves to travel. The research and planning ahead of time keeps her busy and she just brings John along to carry the bags she says. The loss of John's parents at a young age made them decide to not put things on hold but to seize the moment so to speak. They have taken their kids with them to meet extended family in Britain as well as to Florida with them.

Jean and John moved from Gilford last year to a rural area outside Durham Ontario. They live in the same house as their daughter Julie and her family. This works well as the property is large and they are able to share the work of upkeep as well as having the house well looked after while they are away. Their daughter Julie has 2 children and their son John lives close by, as do his two children. Jean now has 2 great grandchildren who live in Aylmer Ontario.

Jean is very involved in the social club in Teakwood West. She feels that people shouldn't be too critical of the volunteers as they are just that – volunteers. Jean states she will help with just about anything as long as it doesn't involve cooking! She has been in charge of ordering donuts for coffee hours, delivering newsletters ordering golf shirts, organizing the bulletin boards in the clubhouse and many of the "clean up jobs" after events held in the clubhouse. She was a member on the board for three years as well.

When asked Jean states she loves the weather in Florida and enjoys Teakwood and the way it feels like an extended family here.

As a community we are fortunate that Jean is a member of our community as without volunteers like her we would not have the active social club that we do. Thank you Jean for all you do.

## **From the Editors**

---

**I**t is the middle of August as I write this and the weather remains beautiful here in Ontario. However, it is cooling down at night now which makes sleeping more comfortable but reminds us that Fall is on the way. The CNE starts this weekend. Equivalent to the State Fairs "the EX" heralds the end of summer in Ontario. It also brings memories of visits there as a teenager. It was where I attended my first "big" concert at age 13! The Ex traditionally has weird and wonky foods and I hear this year they are introducing pickle lemonade! I like pickles and I like lemonade but not sure about putting those two together.

Nancy has been keeping us updated on the progress being made in resurfacing the roads in Teakwood West. Looks like a huge job. With all the rain they are having hopefully the rain will wash away all that dust! The mobile wash companies will be very busy this Fall. Apparently, someone from Engineering will be attending Coffee hour to keep residents updated on this project. We hope to hear what they have to say for next month's newsletter.

Al and I, as well as Sarah-Jane worked the Boots and Hearts Festival last weekend. It was a busy week but as usual we had lots of fun after work. Cole Swindell, Miranda Lambert and Jason Aldean were the headliners and any C & W fans can appreciate what a great lineup that was. Al has one more event to work and our summer will be all wrapped up.

I am having a total knee replacement at the end of August. My mobility will be affected but I will still be able to edit the newsletter and keep track of all of you on social media. September is also my birthday month which means this year I start collecting my old age security and start getting back some of that money I send the government regularly. And yes I did say “birthday month” I intend to celebrate as often as possible.

This month I would like to thank Sandra Harrison for all her hard work. With her husband Jack Toof, she has embraced life in Teakwood west. Not only does she spearhead membership in the social club, she is also a regular contributor to the newsletter and I see where they are taking the lead on New Year’s Eve celebrations. Thank you for all you do.

Let’s hope our summer lasts well into September and that we all stay happy and healthy till we see each other again.

## A LITTLE GIGGLE

---

Morris, an 82 year-old man, went to the doctor to get a physical. A few days later the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later the doctor spoke to Morris and said, "You're really doing great, aren't you?"

Morris replied, "Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'"

The doctor said, "I didn't say that. I said, 'You've got a heart murmur. Be careful.'"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. ## Responding to adversity

---

Once upon a time, a daughter complained to her father that her life was miserable. She was tired of fighting and struggling all the time. It seemed that just as one problem was solved, another soon followed.

Her father, a chef, took her to the kitchen. He filled three pots with water and placed each on a high fire. Once the three pots began to boil, he placed a potato in one pot, an egg in the second pot, and some ground coffee beans in the third pot.

After 20 minutes he turned off the burners. He took the potato out of the pot and placed it in a bowl. He pulled the boiled egg out and placed it in a second bowl. Then he ladled the coffee out and placed it in a cup.

“What do you see?” he asked.

“A potato, an egg, and some coffee,” she replied.

“Look closer,” he said, “and touch the potato.” She did and noted that it was very soft. He then asked her to take the egg and break it. After pulling off the shell, she observed the hard-boiled egg. Finally, he asked her to sip the coffee. Its rich aroma brought a smile to her face.

“But what does this mean?” she asked.

“The potato, the egg, and the coffee beans all faced the same adversity—boiling water,” her father explained. “But each one reacted differently. The potato went in strong and hard, but in the boiling water, it became soft and weak. The egg was fragile, with its thin outer shell protecting its interior. In the boiling water, the inside of the egg became hard.

“However, the ground coffee beans were unique. After they were exposed to the boiling water, they changed the water and created something new.

“Which are you?” he asked his daughter. “When adversity knocks on your door, how do you respond? Are you a potato, an egg, or a coffee bean?”

In life, things happen to us, but the only thing that truly matters is what happens within us.

## Search for Earthlike worlds takes a step forward

---

Scientists searching for Earthlike worlds beyond the solar system have a new tool: NEAR (Near Earths in the Alpha Cen Region), which began operating in May, will scan the Alpha Centauri system for habitable planets.

NEAR is a thermal coronagraph installed in a telescope in Chile that can block the light of stars and look for heat radiating from worlds in orbit. Alpha Centauri is a three-star system located 4.3 light-years away, the closest system to our world. Astronomers have already discovered planets in the system—an Earth-size planet dubbed Proxima b, orbiting the red dwarf star Proxima Centauri, and a planet candidate circling the same star.

NEAR will look at Alpha Centauri AB, a binary star system, using an upgrade to an existing instrument to block out the glare of the two stars and also compensate for the blur of Earth’s own atmosphere. It’s capable of spotting planets twice the size of Earth or larger.
